EXAMINATIONS.

CONDITIONS GOVERNING RECRUITMENT AND ADVANCEMENT OF CADETS (PERSONNEL).

THE Commonwealth Public Service Board notifies, for the information and guidance of officers, the following conditions which will govern recruitment and advancement of Cadets (Personnel):—

1. APPOINTMENT.—Eligibility for appointment to a position of Cadet (Personnel) will be acquired by candidates who have passed the examination for appointment to the Third Division of the Commonwealth Public Service as Clerk or Cadet, based on the Leaving, Senior, Matriculation, and Schools Board Examinations in the various States; provided that the period of eligibility for appointment has not expired. Matriculation is desirable.

2. PROMOTION OR TRANSFER.—Eligibility for promotion or transfer as Cadet (Personnel) will be acquired by officers who have—

(a) passed an examination held under the Commonwealth Public Service Act and Regulations for appointment, promotion or transfer to the Third Division as Clerk or Cadet; or

- (b) passed the Leaving, Senior, or Schools Board Certificate examination of an Australian State or an examination which qualifies for matriculation in an Australian University.

Matriculation is desirable.

3. Except as provided in paragraph 5, eligibility for promotion or transfer will terminate on the expiration of a period of three years, or on the officer attaining the age of twenty-four years, whichever is the earlier. Provided, however, that in the cases of officers who, prior to attaining the age of twenty-four years, commenced leave of absence for war service, eligibility will continue for a period of three years commencing on the date of termination of the leave of absence for war service, or until the officer attains the age of twenty-four years, whichever is the later, subject in cases in which the period of leave of absence for war service is less than three years to limitation of extension of the normal period of eligibility to the period of the leave of absence for war service.

4. The period of three years prescribed in paragraph 3 means—

- (a) In respect of an examination for the Leaving Certificate, Matriculation, or Schools Board Certificate or the Senior Public Examination, three years commencing on the first day of January of the year next following that in which the examination was held, or in respect of a supplementary examination the first day of January preceding that examination.

- (b) In respect of the Leaving Certificate, Matriculation or Schools Board Certificate or Senior Public Examinations passed by attendance at two or more examinations held at intervals of twelve months or longer, three years commencing on the first day of January of the year next following that in which the first examination was attended.

- (c) In respect of an examination for appointment to the Commonwealth Service based on the Leaving Certificate, Matriculation, or Schools Board Certificate or Senior Public Examination, three years commencing on the first day of January of the year next following that in which the examination was held.

- (d) In respect of other prescribed examinations, three years commencing on the first day of the month following that in which the results of the first examination in the acquisition of eligibility were published.

5. The Board may extend the period of eligibility if, while it is current, an officer has completed or is pursuing at a University or a Technical College a course of study which in its opinion warrants the grant of such extension, but in no case will eligibility be extended beyond the day preceding the twenty-fourth anniversary of the officer's birth, except as provided in paragraph 3.
