PHARMACEUTICAL BENEFITS REGULATIONS.

DETERMINATION UNDER REGULATION 32.

IN pursuance of regulation 32 of the Pharmaceutical Benefits Regulations, I, Joseph Benedict Chifley, the Treasurer of the Commonwealth, after consultation with the Treasurer of each State, hereby make the following determination:—

1. The basis of payment applicable to public hospitals in each State, and in each Territory of the Commonwealth to which the said Regulations apply, shall be—

- (a) in respect of each out-patient who became registered as an out-patient during the period in respect of which payment is to be made—the sum of Three shillings and three pence; and
- (b) in respect of each in-patient (not being an in-patient who occupied a bed in a public ward) who was an in-patient during that period—the sum of Ten pence for each day on which he was an in-patient during that period.

2. A person who becomes registered as an out-patient in any financial year and who is still under treatment as an out-patient on the first day of July in the next succeeding financial year shall, for the purposes of this determination, be deemed to have again become registered as an out-patient on that first day of July.

3. An out-patient who is discharged upon completion of treatment and who again becomes registered as an out-patient of the same public hospital in the financial year in which his previous registration occurred shall, if the further registration occurs not less than thirty days after the previous discharge, be counted, for the purposes of this determination, as an additional out-patient in relation to that further registration, but otherwise shall not be so counted.

4. Where an out-patient of a public hospital is admitted as an in-patient of that hospital and, upon ceasing to be an in-patient in the financial year in which his registration as an out-patient occurred, is again registered as an out-patient of that hospital, he shall not, for the purposes of this determination, be counted as an additional out-patient in relation to that further registration.

5. For the purposes of this determination—

“out-patient” means a person who is registered for medical treatment at a public hospital without being admitted to occupy a bed in that hospital on the day on which he is so registered;

“in-patient” means a person occupying a bed for the purposes of hospital treatment for a full day, and includes, where two or more children are born in a hospital at one birth, any child born at that birth in excess of one, and also any newly-born child except during the time the mother of that child is occupying a bed, but does not include a member of the staff of a hospital receiving treatment in his own quarters,

and the day of admission and the day of discharge of an in-patient shall be together counted as one day.

6. This determination shall come into force on the date on which it is published in the *Gazette*.

Dated this first day of June, 1948.

J. B. CHIFLEY, Treasurer.
