H. C. AVENT, Secretary,  
Public Service Board.

NOTIFICATION OF VACANCIES.

APPLICATIONS are invited from permanent officers of the Commonwealth Public Service for promotion or transfer to the positions named in the appended schedule. Where so indicated, applications will also be received from persons not on the permanent staff of the Commonwealth Service.

Applicants should state fully their qualifications for the position sought, and must, to ensure consideration, forward their applications to the officer indicated in the last column in time to reach him not later than the appointed date.

Applications submitted by telegram prior to the closing date will be accepted, but these should be followed up immediately by full written application.

Where an applicant desires to be considered for two or more vacancies a separate application should be forwarded in respect of each position sought except where the positions applied for are of similar classification and in the same Branch of the Department, e.g., positions of Postmaster, Lines Staff positions, &c., when one application covering such positions will be accepted.

In the case of applicants who are permanent officers of the Public Service of the Commonwealth or of a State, the following particulars should be set out at the foot of the application:—

- Full name (block letters)
- Designation
- Standard salary scale
- Office or Branch
- Date and place of birth
- Length of service
- Salary (per annum)
- Date granted last increment

Other applicants should state full names, date, year and place of birth, and whether they are natural-born or naturalized British subjects. Returned soldiers should give particulars of war service. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

The range of salary indicates the classified value of a position, but appointments may be made at any salary within such range. The rate shown in the advertisement hereunder may be varied by cost of living adjustment or by regulation or awards.

Successful applicants must comply with the provisions of the Superannuation Act.

At offices where quarters are shown, a deduction at the rate of 10 per cent. of the minimum salary of the position will be made unless otherwise stated. Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.

Officers of the Commonwealth Public Service, who may be transferred without promotion, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 119.

Fares to locality of appointment of appointees who are not permanent officers of the Commonwealth Public Service will not be paid by the Commonwealth unless such fares (including, if the applicant is married, those of his wife and family) exceed £3, when such allowance as the circumstances justify may be granted.
