UNIVERSITY FREE PLACES FOR COMMONWEALTH OFFICERS.

APPLICATIONS are invited for nomination in 1954 for free places in such of these courses leading to a degree or diploma as are available to part-time students at the Canberra University College and at the Universities in Sydney, Melbourne, Brisbane, Adelaide, Perth and Hobart—

Architecture.
Arts.
Commerce.
Economics.
Engineering.
Law.
Public Administration.
Science.

ELIGIBILITY.—To be eligible an officer must—

- have been appointed not later than 1st September, 1952;
- be classified in the Third Division, or be qualified for transfer to that Division;
- not have obtained a University degree or diploma with monetary assistance from the Commonwealth Government except under the Commonwealth Reconstruction Training Scheme;
- not be a cadet already undergoing the approved course of training;
- be qualified for admission to the University in the course upon which he desires to enter.

Officers who have already entered upon one of the available courses may apply for a free place in the uncompleted part of the course. Officers who hold Commonwealth Scholarships are eligible.

SELECTION.—The nominations will be made by the Public Service Board after receiving the recommendations of a Selection Committee based on the qualifications, ages and suitability of applicants, the reports of departmental heads, and personal interview with applicants if considered necessary.

BENEFITS.—An officer awarded a free place will be granted, where necessary, and subject to departmental convenience, leave of absence with pay of up to five hours per week to enable him to attend essential lectures, practical work and examinations, and (unless his fees are paid under a Commonwealth Scholarship) be admitted without fee to lectures, practical work and examinations (except as stated hereinafter) in the subjects of his course. He will not, however, be granted any allowance for books, lecture notes, materials or other expenses involved in attending the University, and will be required to pay the fees for the diploma or for admission to the degree. If he fails to pass at an annual examination in any subject of his course, he will be required to enter and pay the examination fee for a supplementary or deferred examination in the subject or subjects for which the University will allow him to sit. In the event of the failure of the officer to obtain a pass in the subject or subjects at the supplementary or deferred examination, or refusal by the University of permission for him to sit at a supplementary or deferred examination in any subject, the Board may, if it thinks fit, require as a condition of the continuance of the free place that any further expenditure in respect of the subject or subjects in which a pass was not obtained shall be borne by the officer; or, if it decides that the circumstances so warrant, the Board may approve of the inclusion of the subject or subjects in a subsequent year's programme of study under free place conditions. In no circumstances, however, will expense be borne by the Commonwealth in fees in respect of a subject for more than two years of the course.

CONTINUANCE.—The continuance of the free place after each calendar year will be dependent upon satisfactory reports by the Professorial Board or other competent authority of the University as to the officer's attendance, conduct and progress at the University, and by the Chief Officer or the principal officer of his department in Canberra or the State, as the case may be, as to his conduct, diligence and efficiency as an officer.

The Commonwealth may at any time cancel the free place if the Board is satisfied that—

- the prescribed conditions of tenure are not being complied with; or
- the conduct of the holder has been idle, unbecoming, disorderly, or otherwise improper; or
- the holder has failed to make satisfactory progress; or
- the holder has been promoted or transferred as Cadet to undergo an approved course of training; or
- the holder has been transferred to another locality and will be unable to continue his course satisfactorily; or
- the exigencies of the Service so require;

and thereupon all advantages connected with such free place shall cease.

Upon application and the production of satisfactory evidence any holder of a free place may have his free place suspended by the Public Service Board for a period not exceeding one year, and if necessary for a further period, but in normal circumstances suspension will not be granted within the first year of the course. If the circumstances are considered by the Board to require or to justify such action, it may, without application from the holder, suspend a free place for a period not exceeding one year.

BOND.—An officer nominated for a free place will be required to enter into an agreement with the Commonwealth, and to be guaranteed by an approved surety, that he will not relinquish his course without permission, that he will fulfil the conditions of his free place, and that, if required, he will remain and continue in the employment of the Commonwealth during the period of three years immediately following the termination of his free place. The amount of liability under the terms of this agreement will not exceed £250, or £100 in the case of a Commonwealth Scholarship holder.

APPLICATION.—Applications must be lodged before or on 31st October, 1953, by Canberra applicants with the Secretary, Public Service Board, Canberra, and by applicants in the State capital cities with the Commonwealth Public Service Inspector, Sydney, Melbourne, Brisbane, Adelaide, Perth, or Hobart, as the case may be, from whom application forms are obtainable.

L. AINSWORTH, Acting Secretary,
Public Service Board.

NOTIFICATION OF VACANCIES.

APPPLICATIONS are invited from permanent officers of the Commonwealth Public Service for promotion or transfer to the positions named in the appended schedule. Where so indicated, applications will also be received from persons not on the permanent staff of the Commonwealth Service.

Applicants should state fully their qualifications for the position sought, and must, to ensure consideration, forward their applications to the officer indicated in the last column in time to reach him not later than the appointed date.

Applications submitted by telegram prior to the closing date will be accepted, but these should be followed up immediately by full written application.

Where an applicant desires to be considered for two or more vacancies a separate application should be forwarded in respect of each position sought except where the positions applied for are of similar Classification and in the same Branch of the Department, e.g., positions of Postmaster, Lines Staff positions, &c., when one application covering such positions will be accepted.

In the case of applicants who are permanent officers of the Public Service of the Commonwealth or of a State, the following particulars should be set out at the foot of the application:—

Full name (block letters)
Designation
Standard salary scale
Office or Branch
Date and place of birth
Length of service
Salary (per annum)
Date granted last increment

Other applicants should state full names, date, year and place of birth, and whether they are natural-born or naturalized British subjects. Returned soldiers should give particulars of war service. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

The range of salary indicates the classified value of a position, but appointments may be made at any salary within such range. The rate shown in the advertisement hereunder may be varied by cost of living adjustment or by regulation or awards.

Successful applicants must comply with the provisions of the Superannuation Act.

At offices where quarters are shown, a deduction at the rate of 10 per cent. of the minimum salary of the position will be made unless otherwise stated. Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.

Officers of the Commonwealth Public Service, who may be transferred without promotion, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 119.

Fares to locality of appointment of appointees who are not permanent officers of the Commonwealth Public Service will not be paid by the Commonwealth unless such fares (including, if the applicant is married, those of his wife and family) exceed £3, when such allowance as the circumstances justify may be granted.

Position, Standard Salary Scale and Division.	Locality.	Present Actual Salary (inclusive of Cost of Living, &c.).	Applications Close.	Forward Applications to.
