Applicants should state fully their qualifications for the position sought, and must, to ensure consideration, forward their applications to the officer indicated in the last column in time to reach him not later than the appointed date.
Applications submitted by telegram prior to the closing date will be accepted, but these should be followed up immediately by full written application.
Where an applicant desires to be considered for two or more vacancies a separate application should be forwarded in respect of each position sought except where the positions applied for are of similar classification and in the same Branch of the Department, e.g., positions of Postmaster, Lines Staff positions, &c., when one application covering such positions will be accepted.
The following particulars should be set out at the foot of the application:—
Full name (block letters)
Designation
Salary scale
Office or Branch
Date and place of birth
Length of service
Salary (per annum)
Date granted last increment

All applicants should make application on printed forms which may be obtained from the Public Service Inspector in each Capital City, the Public Service Board's Representative in Port Moresby, or from the Department in which the vacancy exists.
SALARY, CONDITIONS, ETC.
The range of salary indicates the classified value of a position, but appointments may be made at any salary within such range. The rate shown in the advertisement hereunder may be varied by regulation or awards.
Should a female officer be appointed/promoted or transferred to a position named in the appended schedule, and not designated a "Female" position, the salary payable will be—

(c) at age 19, £62 less
(d) at age 18, £31 less
than the prescribed rate.

VACANCIES OPEN TO PERMANENT OFFICERS AND TO PERSONS OUTSIDE THE COMMONWEALTH SERVICE.
Where indicated, positions are open to permanent officers and to persons outside the Commonwealth Service (including temporary employees). Appointment to permanent positions is restricted to British subjects under the age of 51 years permanently residing in Australia, or eligible for entry to Australia for permanent residence.

Successful applicants must comply with the provisions of the Superannuation Act.
At offices where quarters are shown, a deduction at the rate of 10 per cent. of the minimum salary of the position will be made unless otherwise stated. Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.
Officers of the Commonwealth Service, who may be transferred without promotion, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 119.
Fares to locality of appointment of appointees who are not permanent officers of the Commonwealth Service will not be paid by the Commonwealth unless such fares (including, if the applicant is married, those of his wife and family) exceed £3, when such allowance as the circumstances justify may be granted.
