Applications for some examinations are received by Directors, Posts and Telegraphs, and Postmasters, from whom forms are obtainable. See under individual examinations.

Applications received after the date applications close will be rejected unless the applicant has advised the Commonwealth Public Service Inspector by letter or telegram which reaches him not later than that date that an application has been forwarded before or on that date.

Applications will not be formerly acknowledged. Advice of the examination arrangements issued to candidates will serve this purpose. If a candidate has not received this advice at latest five days before the date of the examination he should immediately notify the person to whom he sent his application.

Applicants must be permanently residing in Australia or eligible for entry to Australia for permanent residence.

Non-attendance at Examination.—Candidates who for any reason are prevented from attending the examination must advise this at the earliest possible date before the examination.

Change of Address.—Any change of address must be notified immediately.

Subjects of Examination.—Unless otherwise specified in the notification of a particular examination, the subjects and syllabuses of examination will be—

- (a) Spelling.—To be judged from the candidate's transcription of misspelled and/or incomplete but readily recognizable words and/or from dictation. (Maximum marks 180, pass marks 108.)
- (b) Arithmetic.—First four "rules"—that is Addition, Subtraction, Multiplication, Division, including (a) British standard weights, measures, and moneys, (b) Prime numbers, Factors, Highest Common Factor, Least Common Multiple, (c) Vulgar and Decimal Fractions (excluding recurring and circulating decimals), (d) Simple Proportion (Unitary Method) and Proportionate Division, (e) Simple Problems on Rates, Taxes and Bankruptcy. These topics are adequately treated in any elementary text book used in Australian secondary schools. (Maximum marks 180, pass marks 105.)

To pass the examination, a candidate must pass in each of the subjects of Spelling and Arithmetic.

If two or more candidates secure the same total of marks, their order of merit respectively will be determined by marks obtained in (a) Spelling, and where those marks also are equal, (b) by lot, with the exception that, if two or more successful candidates obtain identical marks in Spelling and Arithmetic and one of those candidates is employed in a temporary or exempt capacity in the position to which permanent appointment is sought at the examination centre, preference will be given to such a person. Should there

be two or more candidates with identical marks who are so employed, preference will be given to the person with the longest period of current employment.

Text-books.—No text-books are prescribed, but papers set at a previous examination will be supplied free on request by the Commonwealth Public Service Inspector.

Exclusion of Candidates from Examinations.—The Board may determine that a person shall not be allowed to sit for an examination if it is satisfied, after consideration of the available evidence, that a person is not a fit and proper person for appointment to the Public Service of the Commonwealth.

Results of Examinations.—The results of examinations showing the order in which successful candidates are eligible for appointment shall be published in the Gazette.

Marks.—The marks allotted by the examiners for each subject or part of a subject shall be final.

Reports on Examination Papers.—A candidate may at any time within three months of the date of publication in the Gazette of the results of an examination, upon payment to the Commonwealth Public Service Inspector with whom he lodged his application of the sum of seven shillings and sixpence for each subject upon which a report is desired, obtain reports upon his examination papers showing the detailed allotment of marks in respect of each subject and a statement as to the merits and defects of his paper in respect of the subject(s) upon which he asked for a report.

Appointment Subject to Conditions.—Upon appointment a successful candidate must produce evidence of date of birth and undergo a medical examination as required by the Board. Successful candidates should not undergo the medical examination until instructed to do so. The Board will be required to be satisfied from the report of the examination as to the candidate's health and physical fitness for appointment to the particular office. Upon the confirmation of appointment, an officer will also be required to become a contributor under the Superannuation Act 1922-1956.

Qualified candidates who on appointment are already temporarily employed, or who take up duty within twenty-eight days of the date of issue by the Chief Officer of notification of appointment and request to report for duty, will be regarded for seniority purposes as having entered the Commonwealth Service on the date of the Public Service Inspector's appointment certificate.

Successful candidates should note that the National Service Act 1951-1957 precludes the employment for more than seven days of persons liable to register under the Act and who have failed to register.

Successful candidates who, at the date of application, were not British subjects, must, on request, produce evidence of their British naturalization in the form of a certificate or in such other form as the Board may determine.

Refusal by the Board to Appoint Successful Candidates.—The Board may, upon sufficient evidence of an adverse nature respecting the conduct, character or ability of a successful candidate or upon sufficient evidence that a successful candidate has knowingly made a false statement in respect of his application to sit for an examination for appointment, direct that that successful candidate shall not receive appointment.

Refusal of Appointment.—If a successful candidate declines to accept an appointment, or fails to reply within seven days to a communication from the Board, the Public Service Inspector, the Director of Posts and Telegraphs, or a Department, respecting nomination to the Public Service, the candidate's name may be removed from the "Register of Persons Qualified for Appointment".
