SCHOLARSHIPS AND STUDY OPPORTUNITIES FOR COMMONWEALTH OFFICERS.

THE Board notifies the following scholarship opportunities available to permanent officers in 1960:—

A. UNIVERSITY FREE PLACES.

Free Places will be awarded to assist officers to undertake university study at undergraduate level.

I. Part-time free places provide for part-time study in courses leading to a University degree or diploma in specified courses at the universities of—

Adelaide,
Canberra University College,
Melbourne,
New England,
New South Wales,
Queensland,
Sydney,
Tasmania,
Western Australia.

II. Full-time free places provide for full-time study to complete the final year in any degree course or to obtain a degree with honours. A limited number of full-time free places will be awarded to outstanding applicants.

Eligibility.—To be eligible an officer must—

- have completed at least three months' service;
- be classified in the Third Division, or be qualified for transfer to that Division;
- be qualified for admission to the university in the course which he desires to study.

Holders of Commonwealth Scholarships are eligible for full-time free places only. Cadets are not eligible for free places.

Officers who have already commenced a course may apply for a free place to complete the course.

Officers applying for full-time free places in 1960 must be able to complete the course during the academic year.

Where remoteness from a university prevents an officer attending lectures, he may be awarded a free place to study externally at the nearest convenient university. An applicant wishing to study on an external basis must first obtain approval for his course from the University and must present this approval to the Selection Committee.

Selection.—Awards will be made by the Public Service Board after considering the recommendations of Selection Committees in each State.

Benefits.—A free place covers fees for lectures, practical work and examinations. An officer awarded a part-time free place will, subject to departmental convenience, be permitted to attend lectures, practical work and examinations in the subjects of his course up to five hours per week without loss of pay. An officer awarded a full-time free place will receive full pay during his period of study and will be granted leave from his official duties.

Conditions.—A full-time free place holder will be required to enter into an agreement with the Commonwealth to remain in the Service for a period of three years after completion of his studies.

Officers will be required to pay the fees for any supplementary or deferred examinations or for any subjects being repeated.

Applications.—Application forms are available from Public Service Inspectors in each State or from the Secretary, Public Service Board, Canberra. Application forms should be lodged with the Public Service Inspector in the State in which the officer is employed or, if the officer is employed in Canberra, with the Secretary, Public Service Board, Canberra, on or before 30th November, 1959.

B. ASSISTANCE WITH STUDIES (OTHER THAN FREE PLACES).

I. Time-off Concessions.—Leave with pay up to five hours a week to attend lectures and practical work essential to the completion of their courses may be granted, subject to departmental convenience, to—

- (a) holders of Commonwealth Scholarships;
- (b) permanent Third Division officers in the Clerical and Administrative group who have successfully completed the first year subjects of an appropriate degree or diploma course currently being pursued at a University;
- (c) Permanent Third Division officers studying a course in accountancy, who have completed the first stage of their course;
- (d) permanent officers in the Technical and Professional groups who have completed the first stage of a University or Technical College course appropriate to their broad line of advancement.

Permanent officers are also entitled to apply for up to five days' leave per annum to enable them to contest examinations.

Applications for leave, giving details of the course being studied, subjects already completed, the proposed course for 1960 and a timetable of essential lectures, should be forwarded to the Chief Officer before the beginning of the 1960 academic year.

II. Financial Assistance—

(1) Short Courses.—(a) Where an officer undertakes a short course of a special nature at the request of the Department for departmental purposes, the full cost of the course may be met by the Department provided the cost does not exceed £20 for any one person and the time off involved does not exceed five hours per week.

(b) Where an officer undertakes a short course of study in his own time which the Department considers would substantially increase his efficiency in the performance of his existing duties, consideration will be given by the Board to a refund of half of the fees, provided the cost of the course does not exceed £20. Cases which fall outside this limit may be represented as special cases to the Board.

Accountancy, personnel management, and ordinary degree and diploma courses are not included in the provisions. However, they may be applied to short courses in management which are of direct benefit to a department and in circumstances in which the department sponsors officers to attend the courses. A course should not normally exceed six months.

(2) Study Projects.—The Board will consider the granting of financial assistance to officers proceeding on leave without pay to undertake post-graduate work, where the emoluments otherwise available are inadequate. In determining any grant of financial assistance, the Board will have regard to the value of the proposed study to the Public Service, and the availability of funds. For this type of assistance application forms for Post-graduate Scholarships should be used. The project to be undertaken and the emoluments received from other grants should be set out in detail. Applications should be forwarded through the officer's department to the Secretary, Public Service Board, where possible, before 15th December, 1959.

C. POST-GRADUATE SCHOLARSHIPS.

Public Service Board Scholarships provide opportunities for officers to undertake post-graduate studies in Australia or overseas for periods up to two years. The study may consist of formal courses at universities or other institutions or for observation, discussions and general experience.

Eligibility.—Applicants should normally hold a University degree and be capable of successfully undertaking a definite course of post-graduate study or research with the aim of improving their efficiency as officers of the Service. Selection will be conditional upon the officer obtaining entry to the course he proposes to undertake.

Fares for Overseas Travel.—A scholar is provided with first class air travel to and from his place of study. Sea travel may be permitted provided the scholar meets costs in excess of first class air fare. Salary will not be paid during the period of the sea voyage which is in excess of the time taken to travel by air, but the scholar may apply for recreation or other leave to cover this period. Where the scholar is married and his period of study is less than two years free travel is not provided for his wife or children. However, he may elect to travel tourist class—(a) by air and use the difference between first class air fare and tourist air fare towards the cost of fares for his wife and children, or, (b) by sea and apply the saving thereby effected between the sea fare and first class air fare towards the cost of fares for his wife and children up to a maximum of the amount permitted under (a).

Where the period of study is not less than two years return fares for the scholar's wife and children are provided.

Benefits.—Scholars will be paid their normal salaries (not acting rate) during the period of the scholarship. Travelling and living allowances according to the special circumstances in each particular case will be provided for scholars while abroad.

These special travelling and living allowances which apply to scholars are not based on the allowances normally provided for officers on duty at overseas posts.

Conditions.—Scholars will be required to enter into an agreement with the Commonwealth to remain in the Service for up to five years depending upon the duration of the scholarship. The bonded term of service commences on resumption of duty.

Applications.—Application forms are obtainable from Public Service Inspectors in each State or from the Secretary, Public Service Board, Canberra. Application forms should be lodged with the Public Service Inspector in the State in which the officer is employed, or, if the officer is employed in Canberra, with the Secretary, Public Service Board, Canberra, on or before 30th November, 1959.

D. RESEARCH FELLOWSHIPS AT THE AUSTRALIAN NATIONAL UNIVERSITY.

Applications are invited from permanent officers of the Commonwealth Service for nomination for three Research Fellowships in 1960. The Fellowships will entitle Fellows to spend one year in a Research Department of the Australian National University.

Eligibility.—Fellowships will be available to senior officers of substantial experience who would benefit from a period of reading and supervised writing on a research topic. The primary purpose of the Fellowships is not to enable officers to obtain a higher degree, but to provide them with the opportunity to make a worth while contribution to a particular field of research. The field of research, chosen by the Fellow in conjunction with his Department and the University, must be of interest and benefit to both the University and the Commonwealth Service.

Selection.—Applicants for Fellowships must first obtain sponsorship of their nominations from their Departments. By sponsoring an officer, Departments indicate their willingness to release him for the period of the Fellowship, and pay him full salary during that period. Departments will then submit their nominations to a selection committee, comprising representatives of the University, Treasury and the Board. Not more than one officer in any Department will receive a Fellowship in any year unless there are exceptional circumstances.

Benefits.—Fellows will receive full salary for the period of the Fellowship. The University will pay cost of the Fellow's travel to Canberra, and will provide accommodation at normal charges for Fellows not resident in Canberra. Single Fellows will live at University House, and married Fellows with families will be provided with furnished houses or apartments. Where sickness or other reasonable causes prevent an officer bringing his family to Canberra, consideration will be given to payment of an allowance similar to that payable under Regulation 97. Fellows engaged in research are entitled to attend seminar groups and discussions within the University in their general fields of interest. Successful officers will take up the Fellowship at the beginning of the academic year in March, 1960.

Conditions.—A Fellow will be expected to produce a written paper on his year's work at the University. He will be required to enter into a bond to remain in the Commonwealth Service for a period of three years after completion of the Fellowship.

Application.—Application forms are obtainable from the Secretary, Public Service Board, Canberra. Applications should be lodged in triplicate with the Secretary, Public Service Board, Canberra, on or before 30th November, 1959.

Applications will not be formally acknowledged. Advice of the examination arrangements issued to candidates will serve this purpose. If a candidate has not received this advice at latest five days before the date of the examination he should immediately notify the person to whom he sent his application.

Applicants must be permanently residing in Australia or eligible for entry to Australia for permanent residence.

Non-attendance at Examination.—Candidates who for any reason are prevented from attending the examination must advise this at the earliest possible date before the examination.

To pass the examination, a candidate must pass in each of the subjects of Spelling and Arithmetic.

If two or more candidates secure the same total of marks, their order of merit respectively will be determined by marks obtained in (a) Spelling, and where those marks also are equal, (b) by lot, with the exception that, if two or more successful candidates obtain identical marks in Spelling and Arithmetic and one of those candidates is employed in a temporary or exempt capacity in the position to which permanent appointment is sought at the examination centre, preference will be given to such a person. Should there be two or more candidates with identical marks who are so employed, preference will be given to the person with the longest period of current employment.

Text-books.—No text-books are prescribed, but papers set at a previous examination will be supplied free on request by the Commonwealth Public Service Inspector.

Exclusion of Candidates from Examinations.—The Board may determine that a person shall not be allowed to sit for an examination if it is satisfied, after consideration of the available evidence, that a person is not a fit and proper person for appointment to the Public Service of the Commonwealth.

Results of Examinations.—The results of examinations showing the order in which successful candidates are eligible for appointment shall be published in the Gazette.

Marks.—The marks allotted by the examiners for each subject or part of a subject shall be final.

Public Service Inspector with whom he lodged his application of the sum of seven shillings and sixpence for each subject upon which a report is desired, obtain reports upon his examination papers showing the detailed allotment of marks in respect of each subject and a statement as to the merits and defects of his paper in respect of the subject(s) upon which he asked for a report.

Appointment Subject to Conditions.—Upon appointment a successful candidate must produce evidence of date of birth and undergo a medical examination as required by the Board. Successful candidates should not undergo the medical examination until instructed to do so. Upon the confirmation of appointment, an officer will also be required to become a contributor under the Superannuation Act 1922-1956.

Qualified candidates who on appointment are already temporarily employed, or who take up duty within twenty-eight days of the date of issue by the Chief Officer of notification of appointment and request to report for duty, will be regarded for seniority purposes as having entered the Commonwealth Service on the date of the Public Service Inspector's appointment certificate.

Successful candidates should note that the National Service Act 1951-1957 precludes the employment for more than seven days of persons liable to register under the Act and who have failed to register.

Successful candidates who, at the date of application, were not British subjects, must, on request, produce evidence of their British naturalization in the form of a certificate or in such other form as the Board may determine.

Refusal by the Board to Appoint Successful Candidates.—The Board may, upon sufficient evidence of an adverse nature respecting the conduct, character or ability of a successful candidate or upon sufficient evidence that a successful candidate has knowingly made a false statement in respect of his application to sit for an examination for appointment, direct that that successful candidate shall not receive appointment.

Refusal of Appointment.—If a successful candidate declines to accept an appointment, or fails to reply within seven days to a communication from the Board, the Public Service Inspector, the Director of Posts and Telegraphs, or a Department, respecting nomination to the Public Service, the candidate's name may be removed from the "Register of Persons Qualified for Appointment".
