## PROMOTIONS—SECTION 50 AND REGULATION 102.

THE following promotions are provisional and are subject to appeal by officers to the Public Service Board, and where consequent upon another provisional promotion, are dependent upon the latter being confirmed. The date of promotion is the date of this Gazette except where otherwise specifically indicated. Where an officer desires to appeal against two or more provisional promotions a separate appeal should be lodged for each one.

### Where to Lodge Appeals.

Appeals should be lodged either by letter or telegram so as to be received in the office of the appropriate officer by the close of business on the twenty-first day after the date of this notification. For this purpose the appropriate officer is—if the provisional promotion is made to an officer in—

- (a) a State, the Public Service Inspector in that State;
- (b) The Australian Capital Territory, the Chairman, Promotions Appeal Committee, Canberra, unless the provisional promotion is to an office in the Department of Civil Aviation or the Postmaster-General's Department, when the appropriate officer is the Public Service Inspector, Sydney;

- (f) the Territory of Cocos (Keeling) Islands, the Public Service Inspector, Perth;
- (g) any other place outside Australia, the Chairman, Promotions Appeal Committee, Canberra.

**Appeals not lodged with the appropriate officer within the prescribed period will not be accepted.**

### Grounds of Appeal.

The grounds of appeal are—

- (i) (a) Superior efficiency or (b) Equal efficiency combined with seniority.
- (ii) That the appellant is senior to the officer provisionally promoted and is efficient, where promotion is made to one of these positions, Assistant, Grade 1; Assistant, Grade 2; Assistant Storeman; Clerical Assistant, Grade 1; Hospital Assistant (Female), Grade 2; Labourer, Grade 1; Lift Attendant; Lineman, Grade 2; Mail Officer; Monitor; Monitor (Female); Orderly, Grade 1; Postal Assistant; Postal Officer; Postman; Preventive Officer, Grade 1; Quarantine Assistant, Grade 1; Storeman; Telephonist.

### How to Lodge Appeal.

The appeal must show the Gazette date, promotee's name and Department, and ground of appeal. It should be sent direct to the appropriate officer with the following particulars at the foot of the appeal:—

|                                                         |                                 |
|---------------------------------------------------------|---------------------------------|
| Full Name (block letters).....                          | Office or Branch.....           |
| Personnel Number.....                                   | Department.....                 |
| Date of Birth .....                                     | Seniority date (or number)..... |
| Designation and Salary Scale or permanent position..... |                                 |

#### TRAINING FOR PROMOTION AS INVOICE EXAMINING OFFICER, 29th-30th COURSES, NEW SOUTH WALES.

THE following officers have successfully completed the courses advertised in Gazette No. 50 of 4th June, 1964:—

##### Twenty-ninth Course—

Edmondson, Allan.  
Presdee, Kevin Frederick.  
Warren, Peter Leonard.  
Beattie, Reginald Joseph.  
Langham, Errol Clyde.  
Beagle, John Stanley.  
Illy, Geza.  
Bishop, David John

##### Thirtieth Course—

Newham, Desmond William.  
Boon, Francis Leslie.  
Mortlock, Norman Eric.  
Babbage, Terence Bede.  
Curry, Alfred Leslie.  
Stott, Edgar Alfred.  
Wyche, Leo John.  
Purcell, Francis James.

#### TENTH COURSE, WESTERN AUSTRALIA.

Applications are invited for selection for training as Invoice Examining Officer, Western Australia.

Applications close with the Collector of Customs, Perth, on 25th March, 1965.

Six officers will be chosen for training and one as reserve against the contingency of any of the officers selected for training becoming unavailable before the course begins.

Conditions governing the selection and training of Invoice Examining Officers-in-training are notified in Gazette No. 5 of 15th January, 1965.

### APPOINTMENT, RECRUITMENT AND EXAMINATION NOTICES.

#### APPOINTMENT AS CADET VETERINARY OFFICER, DEPARTMENT OF TERRITORIES.

APPLICATIONS are invited for appointment to the Commonwealth Service as Cadet Veterinary Officer (£529-£1,175 (S.)), Third Division, Department of Territories. Appointments will be made to the Northern Territory, but successful applicants will pursue their academic studies at a university in one of the States.

1. **Persons Eligible to Apply.**—Eligibility for appointment as Cadet Veterinary Officer is open to—

(a) Applicants who have obtained a pass in English and at least three other subjects, in one of the following public examinations:—

- (i) New South Wales Leaving Certificate Examination,
- (ii) Queensland Senior Public Examination,
- (iii) South Australian Leaving Honours Examination,

(iv) South Australian Leaving Certificate Examination (applicants resident in the Northern Territory only),

(v) Western Australian Leaving Certificate Examination,

(vi) Such public examinations as will qualify the applicant for matriculation at an Australian or British University,

provided that a pass in the subject of English will not be essential where an applicant is otherwise qualified for matriculation at an Australian or British University and is able to satisfy the Board that he or she has a satisfactory command of the English language; or

(b) undergraduates who have completed one or more years of an appropriate degree course at an Australian university and are eligible to proceed to a degree in Veterinary Science or other approved degree; or

(c) students who have completed a diploma course in an appropriate field at a recognized agricultural college and are qualified to proceed to a degree in Veterinary Science or other approved degree.

#### 2. Age Limits and Period of Eligibility for Appointment.

Subject to the provisions of Section 47A of the Public Service Act 1922-1964, eligibility for appointment will terminate on 31st December, 1965, or on the applicant attaining the age of 28 years in the case of undergraduates and diplomates, or 24 years in the case of applicants under condition 1 (a).

3. **Order of Appointment.**—Subject to the provisions of Section 47A of the Public Service Act 1922-1964, successful applicants will be offered appointment in order of merit, determined on the basis of the report of a selection committee. The committee will have regard to the individual's scholastic record and such other matters as are considered relevant in determining his or her suitability for the course of training involved.

4. **General Cadetship Conditions.**—Other conditions governing the recruitment, training and promotion of Cadet Veterinary Officers are published in the General Conditions for Cadetships, as notified on pages 2653-2658 of Gazette No. 59 of 2nd July, 1964.

Applications should be lodged with the Assistant Administrator, Northern Territory Administration, Darwin, by 25th March, 1965.

### PART OF THE QUALIFICATION FOR PROMOTION OF TRANSFER AS SENIOR TECHNICIAN (RADIO), DEPARTMENT OF CIVIL AVIATION.

#### Written Examination.

THE Public Service Board hereby notifies the general conditions of the written examination held in pursuance of section 53 of the Public Service Act 1922-1964 to enable officers to gain part of the qualification for promotion or transfer as Senior Technician (Radio) (£1,168-£1,252 (S.)), Fourth Division, Department of Civil Aviation. Details of each examination will be separately notified in the Gazette.

2. **Persons Eligible to Enter.**—Permanent officers (male) of the Service who are designated—

- (i) Technician, or who have been designated Technician during the four years preceding the date of the examination,
- (ii) Senior Technician, other than Senior Technician (Radio),
- (iii) Communications Officer or Senior Communications Officer, and who have maintained, or partially maintained, departmental radio equipment to the satisfaction of the Superintending Airways Engineer for a period of not less than two years, or
- (iv) Technician-in-training and who expect to complete their final year examinations prior to the advertised date of this examination, provided that failure at these final year examinations will render them ineligible for this examination.

#### 3. Subject and Pass Conditions—

| Subject.        | Duration. |
|-----------------|-----------|
| Written .. .. . | 3 hours   |

Candidates must obtain 60 per cent. of the total marks allotted to pass the examination.

Officers who pass an examination under these conditions gain part-qualification for promotion or transfer as Senior Technician (Radio). To complete the qualification, officers must pass or have passed the examination for part-qualification as Senior Technician (Radio) (Oral and Practical Examination).

Subject to the exemption provisions under the "old" and "new" conditions, the full qualification may also be gained by obtaining at least 60 per cent. of the aggregate total marks allotted for the three subjects at examinations held within a four year period. That

is, marks obtained at any of the three sections of the "old" conditions may be combined with those obtained under these conditions and/or subject(s) of the examination for part of the qualification for promotion or transfer as Senior Technician (Radio) (Oral and Practical Examination).

**Note.**—Candidates who obtain at least 35 per cent. but less than 60 per cent. of total marks allotted may contest the next examination for part of the qualification for promotion or transfer as Senior Technician (Radio) (Oral and Practical Examination). They will not be permitted to sit for subsequent examinations under this provision.

**4. Exemption Provisions.**—Successful candidates may claim exemption from re-examination for a period of four years from date of notification in the Gazette that the results of the examination concerned have been finalized.

Candidates may claim exemption only for the purpose of completing their qualification (that is, a candidate may not claim full exemption from re-examination merely to extend his eligibility; to do this, he must re-qualify in all subjects as set out above).

**5. Period of Eligibility.**—Four years from date of notification in the Gazette that the earliest of the examinations by which he qualified has been finalized.

Eligibility may be extended if, within the period of eligibility, the candidate—

- (i) acts as Senior Technician (Radio) or Supervising Technician (Radio) and performs full-time duties for a period of not less than three months continuously; and
- (ii) obtains a certificate of competency from the Superintending Airways Engineer in respect of that acting service.

This extension will be for a period of four years from date of completion of that acting service.

**6. Order of Promotion or Transfer.**—Candidates who qualify will be eligible for promotion or transfer in accordance with the provisions of Section 50 of the Public Service Act 1922-1964.

#### 7. Syllabus—

Direct current electricity and magnetism—

- Power, energy; losses.
- Electric and magnetic circuits.

Alternating current electricity—

- Generation and transformation of single phase and three phase systems.
- Power, energy, losses, waveform, phase.
- Inductance, capacity, resonance.
- Series and parallel combinations of R, L and C in AC circuits, calculations.
- Coupled circuits, transformers.
- Variation of electrical properties with frequency, electrostatic and electromagnetic screening.
- Modulation and demodulation.

Vacuum tubes—

- Characteristics, classes of RF and AF amplifiers, mixers, oscillators. Construction and testing.

Semiconductors and Solid State Devices—

- Transistor physics (simple treatment).
- Germanium and silicon diodes.
- Junction transistors, characteristics.
- Transistor circuits, amplifiers, oscillators, pulse circuits.
- SCR, unijunction transistor.
- Power supplies for transistorized equipment.
- Magnetic amplifiers.

Transmitting circuit principles—

- Oscillators, frequency multiplication, coupling, power supplies and control circuits, fault finding.
- Types of HF, VHF, UHF transmitters for communication and navigation use.

Receiving circuit principles—

- Alignment, fault finding, performance testing, diversity systems.
- Types of HF, VHF, UHF Communication receivers for AM, FM, FSK, and SSB reception.

Pulse Techniques—

- Multivibrators, wave generating and shaping stages, time bases.

Radar Principles—

- Magnetrons, Klystrons, wave guides, M.T.I., methods of display.
- Secondary radar systems.

Machine Telegraphy—

- Codes, principles of machines, tests and adjustments.
- Effects of Line faults and distortion.

Frequency and Phase Modulation—

- F.M. and P.M. communication systems, theory of operation, tests and adjustments.

Departmental Navigation Aids—

- Principles of DME, VAR, VOR, ILS, NDB and marker beacons.

Antenna Systems—

- Systems in Departmental use for MF, HF, VHF, and UHF. Current distribution and polar diagrams, transmission lines and earth systems, aircraft warning lighting, lightning protection.

Power Supply Equipment—

- Filament, bias and anode supplies for transmitters and receivers.
- General knowledge of relevant section of SAA Wiring Rules (Radio Code).

Control Equipment—

- Operation, maintenance, functions and use of relays, rectifiers, switches and relay sets used in control equipment for transmitters and receivers.

Electrical Measuring and Testing Instruments—

- Moving coil, moving iron, rectifier, thermocouple instruments, vacuum tube voltmeters, cathode ray oscilloscopes, Q meters, heterodyne frequency meters, crystal calibrators, signal generators, audio oscillators, RF carrier noise and distortion measuring equipment, RF Impedance bridge, frequency counters.

Administrative Procedures—

- The use of Fault Report Form Type CA170.
- The use of Stores Forms Types CA282, CA222, CA23, and CA30.

**8. Textbooks.**—The following publications are recommended for study or reference insofar as they refer to the subject of the examination:—

1. Radio and Electronic Engineering (Fourth Edition)—Terman.
2. The Services Text-book of Radio Vols. 1 to 7 inclusive. (These volumes are only to be used insofar as they relate to the syllabus. Paragraphs marked with an asterisk or involving the use of calculus may be omitted.)
3. U.S. Army Technical Manual TM 11-690: Basic Theory and Application of Transistors.
4. Radio Laboratory Handbook (Current Edition)—Scroggie.
5. Airways Engineering Instructions (Distribution D, DI, DM and E).
6. D.C.A. Technical Training Publications.

These conditions are to be read in conjunction with Common Conditions for entry to Examinations, notified in Gazette No. 5 of 15.1.65. Copies are available from Public Service Inspectors.

### PART OF THE QUALIFICATION FOR PROMOTION OR TRANSFER AS SENIOR TECHNICIAN (RADIO), DEPARTMENT OF CIVIL AVIATION.

#### Oral and Practical Examination.

THE Public Service Board hereby notifies the general conditions of the examination held in pursuance of section 53 of the Public Service Act 1922-1964, to enable officers to gain part of the qualification for promotion or transfer as Senior Technician (Radio) (£1,168-£1,252 (S.)), Fourth Division, Department of Civil Aviation. Details of each examination will be separately notified in the Gazette.

**2. Persons Eligible to Enter.**—Permanent officers (male) of the Service who are designated—

- (i) Technician, or who have been designated Technician during the four years preceding the date of the examination, provided that in either case the candidates have had at least 1½ years' experience as a Technician, or acting Technician,
- (ii) Senior Technician, other than Senior Technician (Radio), or

- (iii) Communications Officer or Senior Communications Officer, and who have maintained, or partially maintained, departmental radio equipment to the satisfaction of the Superintending Airways Engineer for a period of not less than two years,

and who

- (a) Have passed a written examination for part-qualification as Senior Technician (Radio) held not more than four years previously, or
- (b) Have gained at least 35 per cent but less than 60 per cent. of total marks at the previous written examination for part-qualification as Senior Technician (Radio).

### 3. Subjects and Pass Conditions—

Subject.

- (i) Oral
- (ii) Practical

Candidates must obtain at least 60 per cent. of the aggregate maximum marks for the two subjects to pass the examination, or 60 per cent. of total marks in either subject to pass in that subject.

Officers who pass an examination under these conditions gain part-qualification for promotion or transfer as Senior Technician (Radio). To complete the qualification, officers must pass or have passed the examination for part-qualification as Senior Technician (Radio) (Written Examination).

Subject to exemption provisions under the "old" and "new" conditions, the full qualification may also be gained by obtaining at least 60 per cent. of the aggregate total marks allotted for the three subjects at examinations held within a four year period. That is, marks obtained at any of the three sections of the "old" conditions for promotion or transfer as Senior Technician (Radio) may be combined with those obtained in the subject(s) under these conditions and/or the examination for part of the qualification for promotion or transfer as Senior Technician (Radio) (Written Examination).

**4. Exemption Provisions.**—Candidates who pass an examination under these conditions may claim exemption from examination for a period of four years from date of notification in the Gazette that results of the examination concerned have been finalized.

Candidates who obtain at least 60 per cent. of the maximum marks allotted for either subject may claim exemption from re-examination in that subject for a period of four years commencing on date of notification in the Gazette that the results of the examination concerned have been finalized.

If a candidate claims exemption from re-examination in a subject of a particular examination, he will not be permitted to contest the subject at that examination.

Candidates may only claim exemption for the purpose of completing their qualification. (That is, a candidate may not claim full exemption from re-examination merely to extend his eligibility; to do this, he must re-qualify in all subjects as set out above.)

**5. Period of Eligibility.**—Four years from date of notification in the Gazette that the earliest of the examinations by which he qualified have been finalized.

Eligibility may be extended if, within the period of eligibility, the candidate—

- (i) Acts as Senior Technician (Radio) or Supervising Technician (Radio) performing full-time duties, for a period of not less than three months continuously; and
- (ii) Obtains a certificate of competency from the Superintending Airways Engineer in respect of that acting service.

This extension will be for a period of four years from the date of completion of that acting service.

**6. Order of Promotion or Transfer.**—Candidates who qualify will be eligible for promotion or transfer in accordance with the provisions of section 50 of the Public Service Act 1922-1964.

**7. Syllabus.**—(i) **Oral.** Questions will be based on the syllabus for the practical test and for the written examination.

The syllabus for the written examination is as follows:—

Direct current electricity and magnetism—  
Power, energy; losses.  
Electric and magnetic circuits.

Alternating current electricity—

Generation and transformation of single phase and three phase systems.

Power, energy, losses, waveform, phase.

Inductance, capacity, resonance.

Series and parallel combinations of R, L and C in AC circuits, calculations.

Coupled circuits, transformers.

Variation of electrical properties with frequency, electrostatic and electromagnetic screening.

Modulation and demodulation.

Vacuum tubes—

Characteristics, classes of RF and AF amplifiers, mixers, oscillators. Construction and testing.

Semiconductors and Solid State Devices—

Transistor physics (simple treatment).

Germanium and silicon diodes.

Junction transistors, characteristics.

Transistor circuits, amplifiers, oscillators, pulse circuits.

SCR, unijunction transistor.

Power supplies for transistorised equipment.

Magnetic amplifiers.

Transmitting circuit principles—

Oscillators, frequency multiplication, coupling, power supplies and control circuits, fault finding.

Types of HF, VHF, UHF transmitters for communication and navigation use.

Receiving circuit principles—

Alignment, fault finding, performance testing, diversity systems.

Types of HF, VHF, UHF communication receivers for AM, FM, FSK and SSB reception.

Pulse techniques—

Multivibrators, wave generating and shaping stages, time bases.

Radar principles—

Magnetrons, Klystrons, wave guides, M.T.I., methods of display.

Secondary radar systems.

Machine telegraphy—

Codes, principles of machines, tests and adjustments. Effects of Line faults and distortion.

Frequency and Phase Modulation—

F.M. and P.M. communication systems, theory of operation, tests and adjustments.

Departmental Navigational Aids—

Principles of DME, VAR, VOR, ILS, NDB and marker beacons.

Antenna Systems—

Systems in Departmental use for MF, HF, VHF, and UHF. Current distribution and polar diagrams, transmission lines and earth systems, aircraft warning lighting, lightning protection.

Control Equipment—

Operation, maintenance, functions and use of relays, rectifiers, switches and relay sets used in control equipment for transmitters and receivers.

Electrical Measuring and Testing Instruments—

Moving coil, moving iron, rectifier, thermocouple instruments, vacuum tube voltmeters, cathode ray oscilloscopes, Q meters, heterodyne frequency meters, crystal calibrators, signal generators, audio oscillators, RF carrier noise and distortion measuring equipment, R.F. impedance bridge, frequency counters.

Administrative Procedures—

The use of Fault Report Form Type CA170.

The use of Stores Forms Types CA282, CA222, CA23, and CA30.

(ii) **Practical.** Questions will have relation to the items covered by the followings topics:—

(a) **Electrical Tests and Measurements.**—D.C. measurements using ammeters, voltmeters, galvanometers, bridge megger and wheatstone bridge, including knowledge of Varley and Murray loop tests for fault localization.

A.C. measurements at commercial power frequencies using ammeters, voltmeters, wattmeters and frequency meters.

Setting up test circuits and conducting transmission measurements at audio frequencies on control lines, amplifiers, networks, transformers, &c., necessitating the use of thermojunction ammeters, rectifier voltmeters, power level indicators, oscillators and impedance matching networks.

Using of alternating current bridges at audio frequencies for measuring capacity, inductance and impedance.

Measurement of electrical characteristics of components at radio frequencies using equipment referred to in Section 1.

(b) **Radio Frequency Equipment.**—Assembly from given components in experimental form on base boards and testing for satisfactory operation of radio-frequency amplifiers, radio-frequency oscillators, modulators and demodulators (detectors). Coupling of radio-frequency oscillators, transmission lines and aerials, adjusting for maximum transfer of energy.

Maintenance of communication radio receivers, including removal of faults and performance tests.

Servicing, assembly and testing of vacuum tube and solid state equipment.

(c) **Power Plant.**—Assembly in experimental form and testing of small capacity power converters, including smoothing equipment for anode, bias and filament supply and for battery charging including the measurement of load characteristics, electrical efficiency and ripple content. Wiring, operation and maintenance, and removal of faults in motors, generators and associated equipment used in airways services.

(d) **Signalling, Switching and Communication Circuits.**—Maintenance and adjustment of receivers, microphones, key switches, relays, jacks, filters (composite and cailho), cords and similar equipment used in remote control, switching and communication circuits.

8. **Textbooks.**—The following publications are recommended for study or reference insofar as they refer to the subject of the examination:—

1. Radio and Electronic Engineering (Fourth Edition)—Terman.
2. The Services Text-book of Radio Vols. 1 to 7 inclusive. (These volumes are only to be used insofar as they relate to the syllabus. Paragraphs marked with an asterisk or involving the use of calculus may be omitted.)
3. U.S. Army Technical Manual TM 11-690: Basic Theory and Application of Transistors.
4. Radio Laboratory Handbook (Current Edition)—Scroggie.
5. Airways Engineering Instructions (Distribution D, DI, DM and E).
6. D.C.A. Technical Training Publications.

These conditions are to be read in conjunction with Common Conditions for Entry to Examinations, notified in Gazette No. 5 of 15th January, 1965. Copies are available from Public Service Inspectors.

NOTIFICATION OF VACANCIES.

VACANCIES OPEN TO PERMANENT OFFICERS.

APPLICATIONS are invited from officers of the Commonwealth Service for promotion or transfer to the positions advertised below. Applicants should state fully their qualifications when applying for a position.

If an applicant wishes to be considered for two or more vacancies a separate application should be forwarded for each position except where the positions applied for are of similar classification and in the same Branch of a Department (e.g. positions of Postmaster, Lines Staff positions, &c.). One application will be accepted for these positions.

Officers of the Commonwealth Service transferred, not promoted, may be required to pay their own removal expenses.

The following particulars should be set out at the foot of the application:—

|                               |                       |
|-------------------------------|-----------------------|
| Full name (block letters).... | Salary scale.....     |
| Personnel Number.....         | Office or Branch..... |
| Designation.....              | Date of birth.....    |
| Length of service.....        |                       |

VACANCIES OPEN TO OFFICERS AND TO PERSONS WHO ARE NOT OFFICERS OF THE SERVICE.

Applications are invited from persons who are not permanent officers of the Service for appointment to those offices which are indicated in the vacancies advertised below by the following symbol (†).

Suitably qualified officers of the Fourth Division may apply for transfer or promotion to those offices of the Third Division for which applications for appointment are invited from persons who are not permanent officers of the Service.

- To be eligible for appointment a person must be—
- (i) a British subject;
  - (ii) under the age of 51 years for Second and Third Division offices and under the age of 55 years for Fourth Division offices, except where otherwise indicated in respect of any office in the Divisions;
  - (iii) permanently residing in Australia, or eligible for entry to Australia for permanent residence;
  - (iv) medically and physically fit.

Suitable applicants will be offered appointment in accordance with an order of merit ascertained on the basis of applicants' qualifications and the results of interviews of applicants. If an ex-serviceman and a person not an ex-serviceman should be placed equal in order of merit, the ex-serviceman will be offered appointment before the person who is not an ex-serviceman.

Applications should preferably be made on printed forms obtainable from the Commonwealth Public Service Inspector in each Capital City, the Public Service Board Representative in Port Moresby, or the Department in which the vacancy exists.

Upon confirmation of appointment a permanent officer will be required to contribute under the Superannuation Act.

Fares to locality of appointment in excess of £3 will be paid by the Commonwealth. If the applicant is married, the fares of his wife and family will be included. When the appointment is to a position in the Australian Capital Territory, Northern Territory, or the Territory of Papua-New Guinea, full fares are paid by the Commonwealth.

SALARIES AND GENERAL CONDITIONS.

Salary ranges quoted are nominal, not actual.

Except for positions exclusively for females, which incorporate " (Female) " in the title, the nominal salary range is reduced by £154 when occupied by a female aged 21 years or over.

Junior commencing salaries, also nominal, are quoted for some positions.

To obtain actual salaries, both for adults and juniors, the following basic wage adjustments should be added to the nominal salaries shown in the advertisements:—

| Age.                      | Males.<br>£ | Females.<br>£ |
|---------------------------|-------------|---------------|
| 21 years and over .. .. . | 185         | 138           |
| 20 years .. .. .          | 167         | 133           |
| 19 years .. .. .          | 138         | 120           |
| 18 years .. .. .          | 111         | 102           |
| Under 18 years .. .. .    | 92          | 92            |

New appointees may be paid a commencing salary at any point within a salary range.

At those offices where quarters are indicated, a deduction for rental will be made at the rate of 10 per cent. of the minimum salary of the position unless otherwise stated.

WHERE TO SEND APPLICATIONS.

Code letters are used in column three to show where applications should be lodged. A key to these code letters appears at the end of the advertisements. Applications should reach the address shown not later than the date shown in column four. An application by telegram will be accepted before the closing date but a written application should follow immediately.
