- (ii) The total remuneration received, that is, salary and allowance by way of higher duties, shall not exceed \$3,743.
- (iii) Service during the training period shall not be credited for higher duty incremental purposes.

9. Promotion on Completion of Training—Trainee Air Traffic Controllers will be promoted as Air Traffic Controller, Grade 1 (\$2,923-\$3,743) upon satisfactory completion of the two years training course.

Promotion as Air Traffic Controller is made under the provisions of section 53B of the Public Service Act 1922-1966, and is not subject to appeal.

At the completion of the training course trainees will be issued with an Air Traffic Controller's Licence and will be required to accept transfer to positions anywhere in Australia and Territories. The continued validity of licences will be dependent upon officers maintaining satisfactory standard of medical fitness and annual medical examinations are prescribed.

10. Unsatisfactory Progress—Appointees will be required to serve on probation for a period not exceeding twelve months. During this period if a trainee fails to make satisfactory progress, consideration may be given to the annulment of his appointment. If at any stage during his traineeship an officer fails to progress satisfactorily the Board may, unless the officer has been dismissed from the Commonwealth Service, terminate his traineeship and transfer him to such office as may be deemed appropriate.

The Director-General of Civil Aviation may extend the period of practical training if it is considered that the trainee will successfully complete his practical training in the extended period.
