SALARIES AND GENERAL CONDITIONS

Equal Pay

As from 9.10.69, 'equal pay' applies to certain designations. The designations which attract 'equal pay' and those which do not attract 'equal pay' were notified in separate lists in Gazettes published during November 1969 and also in Board Circular 1969/35.

Females occupying offices which attract 'equal pay' will be subject to 'equal pay' adjustments on a phased basis commencing

on 9.10.69 and extending until the beginning of the first pay period to commence on or after 1.1.72 when the full rate applicable to the office will be paid. On and from 9.10.69 the 'higher attainable maximum salary' for promotion purposes (General Order 2/C/1) of a position attracting 'equal pay' will be the salary notified in the Gazette, irrespective of the stage which phasing towards 'equal pay' has reached.

The annual rates of salary are increased as follows unless otherwise indicated in P.S.B. Circular 1968/35 (re juniors):

Adult Males Increase of \$228 per annum

Adult Females—

(1) Designations which attract 'Equal Pay'—

Actual salaries payable to female officers occupying designations which attract 'equal pay' shall be either the amount determined in accordance with the following Schedule or an amount determined by deducting \$200 from the standard rate notified in the Gazette for male officers, whichever is the greater.

Schedule—Calculate to the nearest dollar.

Date of effect		Annual Salary Payable to Adult Females
Beginning of first pay period to commence on or after—		
1.10.69		85 per cent of corresponding actual male rate
1.1.70		90 per cent of corresponding actual male rate
1.1.71		95 per cent of corresponding actual male rate
1.1.72		100 per cent of corresponding actual male rate

(2) Designations which do not attract 'Equal Pay'—

The salary scales notified for designation which do not attract 'equal pay' will be female rates and actual rates for adult female officers shall be determined by adding \$202 to the rate notified in the Gazette.

Minors—Proportionate increases apply in accordance with P.S.B. Circular No. 1968/35, except that married minors (males) may be eligible for an allowance under regulation 87a.

New adult appointees may be paid commencing salaries at any points within a salary range.

At those offices where quarters are indicated, a deduction for rental will be made at the rate of 10 per cent of the minimum salary of the position unless otherwise stated.

The inclusion in brackets after the salary classifications of certain Third Division positions of a 'Class' number relates to the relevant item in Part II of the Fourth Schedule to the Public Service Regulations. It does not form part of the designation and classification of the position and is included to facilitate recognition of the salary level.

On and from 9.10.69 the 'higher attainable maximum salary' for promotion purposes (General Order 2/C/1) of a position attracting 'equal pay' will be the salary notified in the Gazette, irrespective of the stage which phasing towards 'equal pay' has reached.

Salaries, etc.

The annual rates of salary are increased as follows unless otherwise indicated in P.S.B. Circular 1968/35 (re juniors)—
Adult Males Increase of \$228 per annum
Adult Females—

(1) Designations which attract 'Equal Pay'—
