Banking Act 1959-1967

ORDER OF EXEMPTION

WHEREAS by section 11 of the Banking Act 1959-1967 it is provided that, where any person desires to carry on any banking business in Australia but does not desire to carry on the general business of banking, the Treasurer may, by order published in the Gazette, exempt that person from compliance with such of the provisions of that Act as are specified in the order:

And whereas the Treasurer, by Banking (Exemption) Order No. 1, published in the Gazette on the fourteenth day of January, 1960, exempted certain persons from compliance with certain provisions of that Act subject to certain conditions:

And whereas the Treasurer, by the Banking (Exemption) Orders specified in the Schedule to this Order, varied that Order:

And whereas it is desired to vary Banking (Exemption) Order No. 1, as varied by the Banking (Exemption) Orders specified in the Schedule to this Order:

Now therefore I, Leslie Harry Ernest Bury, the Treasurer of the Commonwealth, hereby make the following Order:

- (1) This Order may be cited as Banking (Exemption) Order No. 45.
- (2) Banking (Exemption) Order No. 1, as varied by the Banking (Exemption) Orders specified in the Schedule to this Order, is varied—
 - (a) by deleting from Group F in the Schedule the following words:
'The Northern Life Assurance Company of Australia Limited.'
 - and substituting in their stead the following words:
'Amev Life Assurance Company Limited.'; and
 - (b) by adding at the end of Group H in the Schedule the following words:
'Chase-N.B.A. Group Limited. Hill Samuel Australia Limited. Westralian International Ltd.'

Customs Act 1901-1968

CUSTOMS TARIFF 1966-1969

SECOND SCHEDULE

By-laws Nos S1177 to S1180

I, DONALD LESLIE CHIPP, Minister of State for Customs and Excise, in pursuance of the powers conferred on me by Part XVI. of the Customs Act 1901-1968, and all other enabling powers, hereby make the by-laws set out in the Schedule hereto.

THE SCHEDULE

By-law No. S1177

Item No. 19
Second Schedule

1. This by-law may be cited as Customs By-law No. S1177.
2. Unless the context otherwise requires in this by-law in ascertaining whether goods fall within the terms of a reference or whether a reference applies to goods, regard shall be had to:
 - (a) the Rules for the Interpretation of the First Schedule set out in Part I. of the First Schedule to the Customs Tariff 1966-1969; and
 - (b) the notes to a Division of Part II. of the First Schedule to the Customs Tariff 1966-1969 or to a Chapter of such a Division that has application to the goods under their Tariff classification in Part II. of that First Schedule to the Customs Tariff 1966-1969.
3. For the purposes of this by-law:
 - (a) clutch assemblies include driving and driven plates and covers and parts therefor, but do not include clutch operating linkages and remote control mechanisms;
 - (b) transmission gear box assemblies include gear box housings and covers, gear shift parts for assembly within such housings and clutch housings cast with gear box housings, but do not include gear change linkages and remote control mechanisms;
 - (c) differential assemblies and driving axle assemblies include differential units and companion flanges, differential carriers, driving axle casings and axle shafts, but do not include brake drums, brakes or other brake operated mechanisms;
 - (d) bodies include all that portion, being the passenger or goods carrying structure, commencing at and including the cowl, windscreen and dashboard, and, in particular, include pressings, panels or stampings being filler pieces, strengthening brackets or fixtures for use in connexion therewith, cabs, front mounted or not, floor pans, rear fenders, running boards and protection for rear mounted engines;
 - (e) axle systems include axles and hubs including spoke spiders where necessary, but do not include brake drums, brake backing plates, brake parts and wheels;

- (f) the term 'motor car or station wagon derivatives' includes utilities, pickups, panel vans, ambulances, hearses, or any other kind of vehicle that, in the opinion of the Minister, is derived from a motor car or station wagon in that it has an engine or front end body contour similar to a particular motor car or station wagon, but does not include four wheel drive vehicles of a kind used solely or principally in rural or undeveloped areas;
- (g) the term 'brake equipment' comprises all components used for or in connexion with the operation of brakes from the brake pedal to the brake drum (both inclusive) and includes, inter alia, power assistors, boosters and air compressors, all ancillary equipment and control, storage and indicating equipment for use in connexion therewith;
- (h) 'security' means that security shall be given to and to the satisfaction of the Collector and that the giving of such security is a condition subject to which this item applies to the goods or the class or kind of goods so conditioned;
- (i) steering gear assemblies include steering wheels, steering columns and pitman or drop arms;
- (j) suspension systems include all structures, mechanisms and components, including springs, torsion bars and spring hangers, used for the purpose of connecting chassis or bodies to axle systems or driving axle assemblies.

4. Item 19 in Part I. of the Second Schedule to the Customs Tariff 1966-1969 applies, subject to paragraph 5 of this by-law, to:

Vehicle parts of a kind used in vehicles of a kind to which sub-item 87.01.1, 87.02.1 or 87.03.9 or paragraph 87.14.11 in Part II. of the First Schedule to the Customs Tariff 1966-1969 applies, for use otherwise than:

- (a) as original components in the assembly or manufacture of vehicles of a kind to which sub-item 87.01.1, 87.02.1 or 87.03.9 or paragraph 87.14.11 in Part II. of the First Schedule to the Customs Tariff 1966-1969 applies; or
- (b) in motor cars, station wagons or motor car or station wagon derivatives,

under security, as follows:

Cotters and washers, when specially designed for use only in connexion with vehicle components covered by this by-law

Clusters of instruments, with or without clocks

Cylinders for locks (including ignition locks) and keys therefor

Emblems, proprietary insignia

Engines, crude oil, high speed, of the compression ignition type or of the controlled (spark plug) ignition type, for replacement of internal combustion engines, which, in the opinion of the Minister, have rendered reasonable service in Australia

Gauges, fuel

Locks, gear or steering, designed for permanent installation in vehicles

Pumps (other than hydraulic pumps), compressors and exhausters designed for use only with vehicle components covered by this by-law

Taps, cocks and valves designed for use only with vehicle components covered by this by-law

Parts to which paragraph 87.06.99 or 87.14.29 in Part II. of the First Schedule to the Customs Tariff 1966-1969 applies, as follows:

When imported not fitted to any other component:

Cowls, with or without header bars or header panels
 Dashboards or dash panels, including insulators
 Fenders, rear, with or without lampware

Floor pans
Instrument panels, without instruments, clocks or
cigarette and cigar lighters
Running boards
Springs, air or rubber
Other parts when imported separately or otherwise

5. This by-law does not apply to:

brake equipment
drive screw assemblies of a kind ordinarily used in axle shift
units for two speed axles, when imported separately
electrical wiring harness, sometimes called looms, whether or
not fitted to any other component
electrical cables and straps, whether or not fitted to any other
component, as follows:
battery to earth
battery to starter
engine to earth
solenoid switch to starter
exterior decorative mouldings, including radiator grilles and
wheel trim (but not including proprietary insignia emblems),
whether or not fitted to any other component
flashing direction indicating kits, complete or incomplete
hinges, not fitted to any other component
lampware, front or rear, not fitted to any other component
tipping gear, hydraulic, and parts therefor, whether or not
fitted to any other component
components, listed in the following Table, and parts therefor
unless specifically indicated:

The Table

when imported not fitted to any other component:

axle shafts
bushings of bronze steel or white metal
chain or sprocket wheels
king pins, king pin sets or assemblies
shackle assemblies
spring gaiters, except of metal
worms or worm wheels, not being parts for differential
assemblies, driving axle assemblies or transmission
gear box assemblies

when imported separately or otherwise:

axle systems (other than steering or driving axles) hav-
ing a rated load capacity of not less than 12,000
pounds
bodies
bumper bars
chassis frames, when commercially usable on dump
trucks of more than 65,000 pounds gross vehicle
weight
chassis members, longitudinal (also known as chassis
siderails), including those for semi-trailers for artic-
ulated motor vehicles
clutch assemblies, when commercially usable on vehicles
of less than 22,400 pounds gross vehicle weight
coupling devices, known also as fifth wheels or turn-
tables, for attaching semi-trailers to prime movers
differential assemblies
driving axle assemblies
engines
exhaust boxes and exhaust pipes
fuel lines
fuel tanks
hub attachments, free wheeling, for front wheel drive
vehicles
joints, universal
landing gear of a kind used to support semi-trailers
for articulated motor vehicles
lighters, cigarette and cigar
mirrors, rear vision
parts for axle assemblies of the 'I' beam type, as follows:
axle beams weighing not more than 130 pounds
each
stub axles (or steering knuckles or spindle
assemblies), weighing not more than 30 pounds
each
steering levers (including third arms), weighing not
more than 20 pounds each, for operating stub
axles
propeller shafts
radiator assemblies
rims, wheel, in sizes known as:
5.5 x 16 6.0 x 20 7.0 x 20
6.0 x 16 6.5 x 20 7.5 x 20
shock absorbers

steering gear assemblies, when commercially usable on
vehicles of less than 33,000 pounds gross vehicle
weight
suspension systems
tanks, air or hydraulic, when commercially usable on
dump trucks of more than 65,000 pounds gross vehicle
weight
transmission gear box assemblies, when commercially
usable on vehicles of less than 22,400 pounds gross
vehicle weight
tyres and tubes
warning devices
wheels, road, of the disc type, in sizes known as:
5.5 x 16 6.0 x 20 7.0 x 20
6.0 x 16 6.5 x 20 7.5 x 20
wheels, road, of the well base or drop centre rim types
wheels, road, that:
(a) are not of the motorised electrically driven
type, and
(b) are commercially usable on dump trucks of
more than 65,000 pounds gross vehicle weight
windcreens
windscreen washers
windscreen wipers

6. Customs By-law No. S1132, published in Gazette No. 92 dated
6 November 1969, is revoked.

By-law No. S1178

**Item No. 19
Second Schedule**

1. This by-law may be cited as Customs By-law No. S1178.
2. Item 19 in Part I. of the Second Schedule to the Customs
Tariff 1966-1969, applies to goods described in the Table hereunder
that are:
 - (a) in direct transit to Australia on 5 March 1970, and are
entered for home consumption within 21 days after importa-
tion; or
 - (b) in bond in Australia on 5 March 1970, and are entered for
home consumption on or before 3 April 1970.

The Table

Steering gear assemblies, when commercially usable on vehicles
of less than 33,000 pounds gross vehicle weight.

By-law No. S1179

**Item No. 24
Second Schedule**

1. This by-law may be cited as Customs By-law No. S1179.
2. Unless the context otherwise requires in this by-law in
ascertaining whether goods fall within the terms of a reference
or whether a reference applies to goods, regard shall be had to:
 - (a) the Rules for the Interpretation of the First Schedule set
out in Part I. of the First Schedule to the Customs Tariff
1966-1969; and
 - (b) the notes to a Division of Part II. of the First Schedule to
the Customs Tariff 1966-1969 or to a Chapter of such a
Division that has application to the goods under their Tariff
classification in Part II. of that First Schedule to the Customs
Tariff 1966-1969.
3. For the purposes of this by-law:
 - (a) axle systems include axles and hubs including spoke spiders
where necessary, but do not include brake drums, brake
backing plates, brake parts and wheels;
 - (b) bodies includes all that portion, being the passenger or goods
carrying structure, commencing at and including the cowl,
windscreen and dashboard, and, in particular, include
pressings, panels or stampings being filler pieces, strengthen-
ing brackets or fixtures for use in connexion therewith, cabs,
front mounted or not, floor pans, rear fenders, running
boards and protection for rear mounted engines;
 - (c) clutch assemblies include driving and driven plates, and
covers and parts therefor, but do not include clutch operating
linkages and remote control mechanisms;
 - (d) differential assemblies and driving axle assemblies include
differential units and companion flanges, differential carriers,
driving axle casings and axle shafts, but do not include
brake drums, brakes or other brake operated mechanisms;

- (e) front end contour structure includes all that portion in front of the cowl, windscreen and dashboard forming the contour of the vehicle, and, in particular, includes pressings, panels or stampings being filler pieces, strengthening brackets or fixtures for use in connexion therewith, hoods or bonnets and hinges therefor, front fenders, radiator grilles and shells, front splash or gravel guards and deflectors but does not include front mounted cabs and bodies and bumper bars and front lampware;
- (f) radiator assemblies include radiator cores, upper and lower tanks, side members, anchorages, inlet and outlet sections, over-flow pipes, baffles, filler necks, filler caps and drain cocks, but do not include radiator shells;
- (g) transmission gear box assemblies include gear box housings and covers, gear shift parts for assembly within such housings and clutch housings cast with gear box housings, but do not include gear change linkages and remote control mechanisms;
- (h) the term 'motor car or station wagon derivatives' includes utilities, pickups, panel vans, ambulances, hearses, or any other kind of vehicle that, in the opinion of the Minister, is derived from a motor car or station wagon in that it has an engine or front end body contour similar to a particular motor car or station wagon, but does not include four wheel drive vehicles of a kind used solely or principally in rural or undeveloped areas;
- (i) the term 'brake equipment' comprises all components used for or in connexion with the operation of brakes from the brake pedal to the brake drum (both inclusive) and includes, inter alia, power assistors, boosters and air compressors, all ancillary equipment and control, storage and indicating equipment for use in connexion therewith;
- (j) 'security' means that security shall be given to and to the satisfaction of the Collector and that the giving of such security is a condition subject to which this item applies to the goods or the class or kind of goods so conditioned;
- (k) steering gear assemblies include steering wheels, steering columns and pitman or drop arms;
- (l) suspension systems include all structures, mechanisms and components, including springs, torsion bars and spring hangers, used for the purpose of connecting chassis or bodies to axle systems or driving axle assemblies.

4. Item 24 in Part I. of the Second Schedule to the Customs Tariff 1966-1969 applies, subject to paragraph 5 of this by-law, to:

Vehicle components and parts therefor that are for use as original components in the assembly or manufacture of vehicles (other than motor cars, station wagons or motor car or station wagon derivatives) to which sub-item 87.01.1, 87.02.1 or 87.03.9 or paragraph 87.14.11 in Part II. of the First Schedule to the Customs Tariff 1966-1969 applies, under security, as follows:

- Bearings, ball, other than precision ground steel, when not fitted to any other component
- Bearings, roller, other than tapered roller, when not fitted to any other component
- Clocks, instruments or clusters thereof, when not fitted to any other component
- Cylinders for locks (including ignition locks) and keys therefor, when not fitted to any other component
- Lampware, front, of a kind used exclusively for parking or direction indicating or both, whether or not fitted to any other component not being a head lamp
- Lampware, rear, whether or not fitted to any other component
- Springs, air or rubber, when not fitted to any other component

Other components:

When for incorporation with body parts which if imported are unassembled:

Front end contour structure that is:

- (a) not fitted to body or cab or parts of body or cab; and
- (b) not commercially usable with dump trucks of more than 65,000 pounds gross vehicle weight

When imported not fitted to any other component:

- Cowls with or without header bars or header panels
- Dashboards or dash panels including insulators
- Fenders, rear, with or without lampware
- Floor pans
- Instrument panels, without instruments, clocks or cigarette and cigar lighters
- Running boards

When not elsewhere provided for in this by-law.

5. This by-law does not apply to:
- batteries to which paragraph 85.04.99 in Part II. of the First Schedule to the Customs Tariff 1966-1969 applies, whether imported separately or otherwise
 - bearings, ball, precision ground steel, when imported separately
 - bearings, tapered roller, and parts therefor, when imported separately
 - bolts and nuts (including screws of a kind suitable for use with nuts, bolt ends and screw studs), whether or not threaded or tapped, when imported separately
 - brake equipment
 - camshaft timing gears or blanks
 - chain, timing, roller, 0.375 inch pitch
 - commutators and parts therefor, when imported separately
 - electrical wiring harness sometimes called looms, whether or not fitted to any other component
 - electrical cables and straps, as follows:
 - battery to earth
 - battery to starter
 - engine to earth
 - solenoid switch to starter
 - whether or not fitted to any other component
 - elements, filter, oil or fuel
 - engine bearings and bushings
 - exterior decorative mouldings, including radiator grilles and wheel trim (but not including proprietary insignia emblems), whether or not fitted to any other component
 - lamps, to which sub-paragraph 85.20.111 in Part II. of the First Schedule to the Customs Tariff 1966-1969 applies, when imported separately
 - oil filters and fuel filters with or without elements, not fitted to any other component
 - oil seals
 - plugs, sparking, whether imported separately or otherwise
 - radio and television receivers and transmitters, whether imported separately or otherwise
 - seals, water pump
 - tipping gear, hydraulic, and parts therefor, whether or not fitted to any other component
 - tyres and tubes, whether imported separately or otherwise
 - other components, whether imported separately or otherwise, listed in the following Table, and parts therefor:

The Table

- axle systems (other than steering or driving axles) having a rated load capacity of not less than 12,000 pounds
- bodies
- bumper bars
- carburetors
- chassis frames, when commercially usable on dump trucks of more than 65,000 pounds gross vehicle weight
- chassis members, longitudinal (also known as chassis side-rails), including those for semi-trailers for articulated motor vehicles
- cigarette and cigar lighters
- coils, high tension ignition, 6 volt or 12 volt rating
- clutch assemblies, when commercially usable on vehicles of less than 22,400 pounds gross vehicle weight
- coupling devices, known also as fifth wheels or turn-tables, for attaching semi-trailers to prime movers
- differential assemblies
- distributors
- driving axle assemblies
- exhaust pipes, that is to say, in front or to the rear of the muffler
- front end contour structure
- generators, alternating current, 24 volt rating
- generators, 6 volt or 12 volt rating
- hose assemblies, hydraulic
- hub attachments, free wheeling, for front wheel drive vehicles
- landing gear of a kind used to support semi-trailers for articulated motor vehicles
- motors, electric, gear ratio change, for driving axle assemblies
- parts for axle assemblies of the 'I' beam type, as follows:
 - axle beams, weighing not more than 130 pounds each
 - stub axles (or steering knuckles or spindle assemblies), weighing not more than 30 pounds each
 - steering levers (including third arms), weighing not more than 20 pounds each, for operating stub axles
- power take-offs
- power take-offs and hydraulic pumps, combined

propeller shaft assemblies of the needle roller type, including shaft assemblies, yoke assemblies, spider assemblies (universal joint), bearing assemblies (universal joint), rings (universal joint bearing retainer) and shields (universal joint)

radiator assemblies

rims, wheel, in sizes known as

5.5 x 16 6.5 x 20

6.0 x 16 7.0 x 20

6.0 x 20 7.5 x 20

shock absorbers

suspension systems

starting motors, 6 volt or 12 volt rating

steering gear assemblies, when commercially usable on vehicles of less than 33,000 pounds gross vehicle weight

tanks, air, fuel or hydraulic, when commercially usable on dump trucks of more than 65,000 pounds gross vehicle weight

tools and tool kits

transmission gear box assemblies, when commercially usable on vehicles of less than 22,400 pounds gross vehicle weight

voltage regulators, automatic, for 6 volt or 12 volt systems

warning devices

wheels, road, that:

(a) are not of the motorised electrically driven type; and

(b) are commercially usable on dump trucks of more than 65,000 pounds gross vehicle weight

wheels, road, of the disc type, in sizes known as:

5.5 x 16 6.5 x 20

6.0 x 16 7.0 x 20

6.0 x 20 7.5 x 20

wheels, road, of the well base or drop centre rim types

D. L. CHIPP

Minister of State for Customs and Excise

Customs Act 1901-1968

NOTICE OF DETERMINATIONS 69/35655, 36129-36519 UNDER PART XVI

THE Minister of State for Customs and Excise, the Honourable Donald Leslie Chipp, in pursuance of Section 273B of the Customs Act 1901-1968, notifies that determinations have been made under Part XVI of that Act in favour of specific importers in respect of the goods indicated in the table appended hereto and limited to the quantities set out in the respective determinations.

Except where an amendment or revocation of an earlier determination is concerned, the table lists, in the following order, the file

number, the kind of goods, the date on or before which the goods shall be entered for home consumption, if such is a condition of the determination, further conditions, if any, and the Item of the First or Second Schedule to the Customs Tariff applying to the goods. Where a seven figure item is shown it is an item of the First Schedule to the Customs Tariff and where a two figure item is shown it is an item of the Second Schedule. All goods, being machines, machinery or machine tools are, unless otherwise indicated, subject to the provisions of Separate Articles Direction No. 24.

Where ever appearing in the table, P.V.C. means polyvinyl chloride and T.V. means television.

This notice is for public information only. The determination itself provides the legal authority which is limited to the importer named in the determination enabling that importer to enter the goods at the rates of duty applicable to the item mentioned in the determination.

EXEMPTION ORDERS**DEPARTMENT OF HEALTH**

DETERMINATION by His Excellency the Governor-General in and over the Commonwealth of Australia under section 82 of the Public Service Act 1922-1968.

WHEREAS by sub-section (9A) of section 82 of the Public Service Act 1922-1968, it is provided that in relation to the proposed employment of a person who is not a British subject, or a person who is a British subject but it also a national of another country, the Governor-General may, after a report from the Board and if it appears to him that the employment of that person would not be prejudicial to the national security, the preservation of official secrecy or any other interest of the Commonwealth, determine that sub-section (9) of section 82 of the said Act shall not apply in relation to the engagement of that person.

AND WHEREAS the Public Service Board is of the opinion that the employment of Edward Wachtel Keir as Dentist, Class 1, Department of Health, Darwin, N.T., would not be prejudicial to the national security, the preservation of official secrecy or any other interest of the Commonwealth.

NOW THEREFORE I, Sir Paul Meernaa Caedwalla Hasluck, the Governor-General aforesaid, acting with the advice of the Federal Executive Council, do hereby, following a report from the Public Service Board, determine that the provisions of sub-section

(9) of section 82 of the said Act shall not apply in relation to the engagement of Edward Wachtel Keir as Dentist, Class 1, Department of the Health, Darwin, N.T.

PAUL HASLUCK
Governor-General

By His Excellency's Command,

A. J. FORBES
Minister of State for Health

NOTICES UNDER SECTION 29

Public Service Act 1922-1968

I, ARCHIBALD BERTRAM MCFARLANE, a member of the Public Service Board, to whom the Public Service Board has by instrument in writing under Section 16 of the Public Service Act 1922-1968, delegated all its powers and functions under that Act:

- (1) hereby alter, in pursuance of sub-section (2.) of section 29 of that Act, the classification of each office in the Fourth Division the designation of which is specified in the first column of the First Schedule to this notice from the classification specified in the second column of that Schedule opposite to that office to the classification specified in the third column of that Schedule opposite to that office;
- (2) hereby raise, in pursuance of sub-section (2.) of section 29 of that Act, the classification of each office in the Third Division the designation of which is specified in the first column of the Second Schedule to this notice from the classification specified in the second column of that Schedule opposite to that office to the classification specified in the third column of that Schedule opposite to that office;
- (3) hereby, in pursuance of sub-section (2.) of section 29 of that Act, alter the designation and raise the classification of the office in the Fourth Division specified in the first column of the Third Schedule to this notice from the designation and classification specified in that column to the designation and classification specified in the second column of that Schedule opposite to that office;
- (4) having thereby made the same alteration of the classification of all offices having the same designation and classification, hereby direct, in pursuance of sub-section (4.) of section 29 of that Act, that sub-section (3.) of that section shall not apply in relation to the alteration of the classification of those offices; and
- (5) having thereby made an alteration of the classification of each office in each case where there is no other office having the same designation and classification as such an office—
 - (a) hereby declare that the alteration of that classification is related to the alteration of the classification of the offices referred to in paragraph (4.) of this notice;
 - (b) hereby direct, in pursuance of sub-section (5.) of section 29 of that Act, that sub-section (3.) of that section shall not apply in relation to the alteration of the classification of each office first mentioned in this paragraph.

Dated this sixth day of February 1970.

COMMONWEALTH PUBLIC SERVICE

VACANCIES OPEN TO PERMANENT OFFICERS

APPLICATIONS are invited from officers of the Commonwealth Service for promotion or transfer to the positions advertised below. Applicants should state fully their qualifications when applying for a position.

If an applicant wishes to be considered for two or more vacancies a separate application should be forwarded for each position except where the positions applied for are of similar classification and in the same Branch of a Department (e.g. positions of Postmaster, Lines Staff positions, etc.). One application will be accepted for these positions.

Officers of the Commonwealth Service transferred, not promoted, may be required to pay their removal expenses.

The following particulars should be set out at the foot of the application:

Full name (block letters)....

Office or Branch.....

Length of service.....

Date of Birth.....

Salary scale

VACANCIES OPEN TO OFFICERS AND TO PERSONS WHO ARE NOT OFFICERS OF THE SERVICE

Applications are invited from persons who are not permanent officers of the Service for appointment to those offices which are indicated in the vacancies advertised below by the following symbol(*).

Suitably qualified officers of the Fourth Division may apply for transfer or promotion to those offices of the Third Division for which applications for appointment are invited from persons who are not permanent officers of the Service.

- To be eligible for appointment a person must be:
- (i) a British subject;
 - (ii) permanently residing in Australia, or eligible for entry to Australia for permanent residence;
 - (iii) medically and physically fit.

Suitable applicants will be offered appointment in accordance with an order of merit ascertained on the basis of applicants' qualifications and the results of interviews of applicants. If an ex-serviceman and a person not an ex-serviceman should be placed equal in order of merit, the ex-serviceman will be offered appointment before the person who is not an ex-serviceman.

Applications should preferably be made on printed forms obtainable from the Commonwealth Public Service Inspector in each Capital City, the Public Service Board Representative in Port Moresby, or the Department in which the vacancy exists.

Permanent officers are required to contribute under the Superannuation Act.

Fares to locality of appointment will be paid by the Commonwealth where the appointee is required to perform the duties of his office in a city or town other than that in which he was residing at the time of appointment. If the applicant is married the fares of his wife and family will be included.

SALARIES AND GENERAL CONDITIONS

Equal Pay

As from 9.10.69, 'equal pay' applies to certain designations. The designations which attract 'equal pay' and those which do not attract 'equal pay' were notified in separate lists in Gazettes published during November 1969 and also in Board Circular 1969/35.

Females occupying offices which attract 'equal pay' will be subject to 'equal pay' adjustments on a phased basis commencing

on 9.10.69 and extending until the beginning of the first pay period to commence on or after 1.1.72 when the full rate applicable to the office will be paid. On and from 9.10.69 the 'higher attainable maximum salary' for promotion purposes (General Order 2/C/1) of a position attracting 'equal pay' will be the salary notified in the Gazette, irrespective of the stage which phasing towards 'equal pay' has reached.

The annual rates of salary are increased as follows unless otherwise indicated in P.S.B. Circular 1968/35 re juniors):

Adult Males Increase of \$228 per annum

Adult Females—

- (1) Designations which attract 'Equal Pay'—
- Actual salaries payable to female officers occupying designations which attract 'equal pay' shall be either the amount determined in accordance with the following Schedule or an amount determined by deducting \$200 from the standard rate notified in the Gazette for male officers, whichever is the greater.

Schedule—Calculate to the nearest dollar.

Date of effect		Annual Salary Payable to Adult Females
Beginning of first pay period to commence on or after—		
1.10.69	..	85 per cent of corresponding actual male rate
1.1.70	..	90 per cent of corresponding actual male rate
1.1.71	..	95 per cent of corresponding actual male rate
1.1.72	..	100 per cent of corresponding actual male rate

- (2) Designations which do not attract 'Equal Pay'—
- The salary scales notified for designation which do not attract 'equal pay' will be female rates and actual rates for adult female officers shall be determined by adding \$202 to the rate notified in the Gazette.

Minors—Proportionate increases apply in accordance with P.S.B. Circular No. 1968/35, except that married minors (males) may be eligible for an allowance under regulation 87b.

New adult appointees may be paid commencing salaries at any points within a salary range.

At those offices where quarters are indicated, a deduction for rental will be made at the rate of 10 per cent of the minimum salary of the position unless otherwise stated.

The inclusion in brackets after the salary classifications of certain Third Division positions of a 'Class' number relates to the relevant item in Part II of the Fourth Schedule to the Public Service Regulations. It does not form part of the designation and classification of the position and is included to facilitate recognition of the salary level.

WHERE TO SEND APPLICATIONS

Code letters are used in column three to show where applications should be lodged. A key to these code letters appears at the end of the advertisements, together with information concerning closing dates for applications.

Applications should be submitted to reach the address shown not later than the end of the application period appropriate to the vacancy in question. An application by telegram will be accepted before the closing date but a written application should follow immediately.

Equal Pay

As from 9.10.69, 'equal pay' applies to certain designations. The designations which attract 'equal pay' and those which do not attract 'equal pay' were notified in separate lists in Gazettes published from 16.10.69 to 4.12.69 and also in Board Circular 1969/35.

Females occupying offices which attract 'equal pay' will be subject to 'equal pay' adjustments on a phased basis commencing on 9.10.69 and extending until the beginning of the first pay period to commence on or after 1.1.72 when the full rate applicable to the office will be paid. On and from 9.10.69 the 'higher attainable maximum salary' for promotion purposes (General Order 2/C/1) of a position attracting 'equal pay' will be the salary notified in the Gazette, irrespective of the stage which phasing towards 'equal pay' has reached.

PROMOTIONS—continued

Salaries, etc.

The annual rates of salary are increased as follows unless otherwise indicated in P.S.B. Circular 1968/35 (re juniors)—

Adult Males Increase of \$228 per annum

Adult Females—

(1) Designations which attract 'Equal Pay'—

Actual salaries payable to female officers occupying designations which attract 'equal pay' shall be either the amount determined in accordance with the following Schedule or an amount determined by deducting \$200 from the standard rate notified in the Gazette for male officers, whichever is the greater.

Schedule—Calculate to the nearest dollar.

Date of Effect	Annual Salary Payable to Adult Females
Beginning of first pay period to commence on or after—	
1.10.69	85% of corresponding actual male rate
1.1.70	90% of corresponding actual male rate
1.1.71	95% of corresponding actual male rate
1.1.72	100% of corresponding actual male rate

(2) Designations which do not attract 'Equal Pay'—

The salary scales notified for designations which do not attract 'equal pay' will be female rates and actual rates for adult female officers shall be determined by adding \$202 to the rate notified in the Gazette.

Minors—Proportionate increases apply in accordance with P.S.B. Circular No. 1968/35, except that married minors (males) may be eligible for an allowance under regulation 87b.

Where an arbitration determination awards a higher rate or scale of rates than the classification of the vacant position that rate or scale of rates is shown in brackets beside the classification.

The inclusion in brackets after the salary classifications of certain Third Division positions of a 'Class' number relates to the relevant item in Part II of the Fourth Schedule to the Public Service Regulations. It does not form part of the designation and classification of the position and is included to facilitate recognition of the salary level.
