Salaries shown in the provisional promotions section of this Gazette are expressed as current actual salaries.

Equal Pay

As from 9. 10. 69 'equal pay' applied to certain designations. The designations which attract 'equal pay' and those which do not attract 'equal pay' were notified in separate lists in Gazettes published during November 1969 and also in Board Circular 1969/35.

PROMOTIONS—continued

Females occupying offices which attract 'equal pay' will be subject to 'equal pay' adjustments on a phased basis until the beginning of the first pay period to commence on or after 1.1.72, when the full rate applicable to the office will be paid. On and from 9.10.69 the 'higher attainable maximum salary' for promotion purposes (General Order 2/C/1) of a position attracting 'equal pay' will be the salary notified in the Gazette irrespective of the stage which phasing towards 'equal pay' has reached.

Actual salaries payable to adult females occupying designations which attract 'equal pay' shall be either the amount determined in accordance with the following schedule or an amount determined by deducting \$428 from the actual rate notified, whichever is the greater.

Schedule—Calculate to the nearest dollar.

Date of Effect			Annual Salary Payable to Adult Females	
Beginning of first pay period to commence on or after—				
1.1.71	..	..	..	95% of the rate notified
1.1.72	..	..	..	100% of the rate notified

General

Enquiries as to actual salaries payable to minors should be addressed to the Department notifying the provisional promotion. Married minors (males) may be eligible for an allowance under regulation 87B.

The inclusion in brackets after the salary classification of certain Third Division positions of a 'Class' number relates to the relevant item in Part II of the Fourth Schedule to the Public Service Regulations. It does not form part of the designation and classification of the position and is included to facilitate recognition of the salary level.
