No. 108

CANBERRA, FRIDAY, 3 NOVEMBER

1972

PROCLAMATION

Commonwealth of
Australia to wit
PAUL HASLUCK
Governor-General.

By His Excellency the Governor-
General in and over the Com-
monwealth of Australia

WHEREAS it is provided by section two of the Criminology Research Act 1971 that that Act shall come into operation on a date to be fixed by Proclamation:

NOW THEREFORE I, Sir Paul Meernaa Caedwalla Hasluck, the Governor-General aforesaid, acting with the advice of the Federal Executive Council, hereby fix the sixth day of November,

One thousand nine hundred and seventy-two, as the date on which the Criminology Research Act 1971 shall come into operation.

GIVEN under my Hand and the Great Seal of the Commonwealth this second day of November in the year of Our Lord, One thousand nine hundred and seventy-two, and in the twenty-first year of Her Majesty's reign.

By His Excellency's Command,

IVOR J. GREENWOOD
Attorney-General

GOD SAVE THE QUEEN!

NOTIFICATION OF THE MAKING OF STATUTORY RULES

NOTICE is hereby given that the undermentioned Statutory Rules have been made. Copies of them can be purchased at the Australian Government Publishing Service Book Centre, 113 London Circuit, Canberra City, Australian Capital Territory.

Whaling Act 1960-1966

WHALING NOTICE No. 7

PROHIBITION OF THE TAKING OR KILLING OF UNDERSIZED WHALES

IN pursuance of section 10 of the Whaling Act 1960-1966, I Ian McCahon Sinclair, the Minister of State for Primary Industry, hereby—

- revoke Whaling Notice No. 2 published in the Gazette on the eighteenth day of May, 1961; and
- prohibit at all times the taking from, or killing in, an area of Australian waters specified in the First Schedule to this notice of whales of a kind specified in the first column of the Second Schedule to this notice that do not exceed the size specified in the second column of that Schedule in relation to that kind of whale.

THE SCHEDULES

First Schedule

Areas of Australian Waters

1. All those waters, excluding waters that are within the territorial limits of a State, contained within the area bounded by a line commencing at the intersection of the parallel 21 degrees 32 minutes south latitude with the meridian 155 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 23 degrees south latitude with the meridian 156

degrees 35 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 26 degrees 40 minutes south latitude with the meridian 157 degrees 10 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 29 degrees south latitude with the meridian 160 degrees 5 minutes east longitude; thence proceeding along that meridian to its intersection with the parallel 32 degrees 25 minutes south latitude; thence proceeding in a straight line to the intersection of the parallel 34 degrees south latitude with the meridian 155 degrees 50 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 45 degrees 40 minutes south latitude with the meridian 152 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 47 degrees 20 minutes south latitude with the meridian 147 degrees 30 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 46 degrees 40 minutes south latitude with the meridian 143 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 34 degrees 57 minutes south latitude with the meridian 130 degrees 48 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 38 degrees 22 minutes south latitude with the meridian 115 degrees 8 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 36 degrees 10 minutes south latitude with the meridian 111 degrees 20 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 25 degrees 50 minutes south latitude with the meridian 108 degrees 40 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 19 degrees south latitude with the meridian 112 degrees east longitude;

thence proceeding in a straight line to the intersection of the parallel 17 degrees 6 minutes south latitude with the meridian 118 degrees 40 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 11 degrees 57 minutes south latitude with the meridian 123 degrees 9 minutes east longitude; thence proceeding along that parallel to its intersection with the meridian 125 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 9 degrees 2 minutes south latitude with the meridian 133 degrees 32 minutes east longitude; thence proceeding along that parallel to its intersection with the meridian 135 degrees 38 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 9 degrees 43 minutes south latitude with the meridian 137 degrees 12 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 10 degrees 15 minutes south latitude with the meridian 138 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 9 degrees 35 minutes south latitude with the meridian 141 degrees 2 minutes east longitude; thence proceeding in a straight line to the middle of the mouth of the Bensbach River on the southern shore of the island of New Guinea; thence proceeding in a straight line to the point on the southern shore of that island at high-water mark where the eastern bank of that river meets that shore; thence following the shores of that island at high-water mark generally easterly as far as East Cape and thence generally north-westerly to the intersection of the northern shore of that island at high-water mark with the meridian 141 degrees east longitude; thence proceeding along that meridian to its intersection with the Equator; thence proceeding along the Equator to its intersection with the meridian 160 degrees east longitude; thence proceeding along that meridian to its intersection with the parallel 4 degrees 50 minutes south latitude; thence proceeding along that parallel to its intersection with the meridian 159 degrees east longitude; thence proceeding in a straight line to a point that lies 6 nautical miles north 42 degrees east true from Cape Friendship on Bougainville Island; thence proceeding in a straight line to a point that lies 4 nautical miles north 70 degrees 30 minutes east true from Cape Friendship; thence proceeding in a straight line to a point that lies 3 nautical miles south true from the southern point of the peninsula that bounds the harbour of Tonolai on Bougainville Island on the east; thence proceeding in a straight line to a point that lies 3 nautical miles south true from Moila Point on Bougainville Island; thence proceeding in a straight line to a point that lies 8 nautical miles south 69 degrees west true from Moila Point; thence proceeding in a straight line to the intersection of the parallel 8 degrees south latitude with the meridian 154 degrees east longitude; thence proceeding along that parallel to its intersection with the meridian 155 degrees east longitude; thence proceeding along that meridian to the point of commencement.

2. Waters within two hundred miles from the shore of Norfolk Island at high-water mark.

IAN SINCLAIR
Minister of State for Primary Industry.

Whaling Act 1960-1966

WHALING NOTICE No. 8

CLOSED SEASON FOR THE TAKING OR KILLING OF CERTAIN KINDS OF WHALES

IN pursuance of section 10 of the Whaling Act 1960-1966, I Ian McCahon Sinclair, the Minister of State for Primary Industry, hereby—

(a) revoke Whaling Notice No. 4 published in the Gazette on the first day of May, 1964; and

(b) prohibit the taking of fin whales, sei whales and minke whales from, or the killing of fin whales, sei whales and minke whales in, an area of Australian waters specified in the Schedule to this notice during the period commencing on the first day of November in each year and ending on the next succeeding thirtieth day of April.

THE SCHEDULE

Areas of Australian Waters

1. All those waters, excluding waters that are within the territorial limits of a State, contained within the area bounded by a line commencing at the intersection of the parallel 21 degrees 32 minutes south latitude with the meridian 155 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 23 degrees south latitude with the meridian 156 degrees 35 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 26 degrees 40 minutes south latitude with the meridian 157 degrees 10 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 29 degrees south latitude with the meridian 160 degrees 5 minutes east longitude; thence proceeding along that meridian to its intersection with the parallel 32 degrees 25 minutes south latitude; thence proceeding in a straight line to the intersection of the parallel 34 degrees south latitude with the meridian 155 degrees 50 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 45 degrees 40 minutes south latitude with the meridian 152 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 47 degrees 20 minutes south latitude with the meridian 147 degrees 30 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 46 degrees 40 minutes south latitude with the meridian 143 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 34 degrees 57 minutes south latitude with the meridian 130 degrees 48 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 38 degrees 22 minutes south latitude with the meridian 115 degrees 8 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 36 degrees 10 minutes south latitude with the meridian 111 degrees 20 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 25 degrees 50 minutes south latitude with the meridian 108 degrees 40 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 19 degrees south latitude with the meridian 112 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 17 degrees 6 minutes south latitude with the meridian 118 degrees 40 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 11 degrees 57 minutes south latitude with the meridian 123 degrees 9 minutes east longitude; thence proceeding along that parallel to its intersection with the meridian 125 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 9 degrees 2 minutes south latitude with the meridian 133 degrees 32 minutes east longitude; thence proceeding along that parallel to its intersection with the meridian 135 degrees 38 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 9 degrees 43 minutes south latitude with the meridian 137 degrees 12 minutes east longitude; thence proceeding in a straight line to the intersection of the parallel 10 degrees 15 minutes south latitude with the meridian 138 degrees east longitude; thence proceeding in a straight line to the intersection of the parallel 9 degrees 35 minutes south latitude with the meridian 141 degrees 2 minutes east longitude; thence proceeding in a straight line to the middle of the mouth of the Bensbach River on the southern shore of the island of New Guinea; thence proceeding in a straight line to the point on the southern shore of that island at high-water mark where the eastern bank of that river meets that shore; thence following the shores of that island at high-water mark generally easterly as far as East Cape and thence generally north-westerly to the intersection of the northern shore of that island at high-water mark with the meridian 141 degrees east longitude; thence proceeding along that meridian to its intersection with the Equator; thence proceeding along the Equator to its intersection with the meridian 160 degrees east longitude; thence proceeding along that meridian to its intersection with the parallel 4 degrees 50 minutes south latitude; thence proceeding along that parallel to its intersection with the meridian 159 degrees east longitude; thence proceeding in a straight line to a point that lies 6 nautical miles north 42 degrees east true from Cape Friendship on Bougainville Island; thence proceeding in a straight line to a point that lies 4 nautical miles north 70 degrees 30 minutes east true from Cape Friendship; thence proceeding in a straight line to a point that lies 3 nautical

miles south true from the southern point of the peninsula that bounds the harbour of Tonolai on Bougainville Island on the east; thence proceeding in a straight line to a point that lies 3 nautical miles south true from Moila Point on Bougainville Island; thence proceeding in a straight line to a point that lies 8 nautical miles south 69 degrees west true from Moila Point; thence proceeding in a straight line to the intersection of the parallel 8 degrees south latitude with the meridian 154 degrees east longitude; thence proceeding along that parallel to its intersection with the meridian 155

degrees east longitude; thence proceeding along that meridian to the point of commencement.

2. Waters within two hundred miles from the shore of Norfolk Island at high-water mark.

Dated this twenty-fifth day of October, 1972.

IAN SINCLAIR

Minister of State for Primary Industry.
