Australian Government Gazette is published sectionally in accordance with the arrangements set out below:

Public Service issues contain notices concerning administrative matters, including examinations, vacancies, transfers and promotions within the Australian Public Service. These issues are published weekly at 10.30 a.m. on Thursday, and are sold at 95c each plus postage or on subscription of \$58.00 (50 issues), \$32.00 (25 issues), or \$16.00 (12 issues).

General issues contain notices under the following headings: *Special information* (i.e. notices in connection with the Office of the Governor-General; the Federal Executive Council; the Parliament; the Judiciary; the Executive Government; and honours, decorations and awards); *Proclamations*; *Legislation* (Acts of Parliament assented to; Statutory Rules; Ordinances; Regulations); *Customs*; *Government departments* (i.e. notices not placed in other categories, alphabetically listed under departments administering particular legislation or functions); *Defence Force appointments, promotions, etc.*; *Teaching Service vacancies, promotions, etc.*; *Bankruptcy Act*; *Private advertisements*; *Tenders invited*; *Contracts arranged*; *Late notices*. Copies of each week's Special issues are also attached. General issues are published weekly at 10.30 a.m. on Tuesday and are sold at 65c each plus postage or on subscription of \$46.00 (50 issues), \$26.00 (25 issues), or \$13.00 (12 issues). Annual subscription includes quarterly index issues.

Special issues are made on urgent matters as required. Single copies are available on the day of issue at various prices according to size, and they are also provided at no extra charge with weekly General issues. Special issues are not available on separate subscription.

Periodic issues contain lengthy notices of a non-urgent nature, including the following: Certificates of Australian Citizenship; Registered Tax Agents; Authorised Celebrants; Australian Capital Territory Health Registers; Unclaimed moneys; Consolidated Customs by-laws, etc.; Consolidated notices of Australian Public Service appointment, recruitment and examination conditions; Appointments to the Australian Public Service. Issues are made at irregular intervals as required, at individual prices according to size. Advice of availability is given in the contents list of the General and Public Service issues immediately following the day of publication. Periodic issues are not available on subscription, but standing orders are accepted for all or selected issues.

Index issues contain an index of a limited number of entries in certain sections of Public Service issues, and all entries in the General issues except names in the Bankruptcy Act section. Index issues are published quarterly and are sold at 20c each plus postage. They are supplied without charge to annual subscribers to the General issues, but are not otherwise available on subscription.

SUBSCRIPTIONS are payable in advance. Rates include surface postage in Australia and overseas. Other carriage rates are available on application.

Customs Act 1901-1976

NOTICE OF DETERMINATIONS 168194-168218; 168428-168548; 168555-168798; 168804-169016; 169022-169126; 169196-169233; 169240-169331; 169451-169465; 169469-169665; 169670-169747.

THE Minister of State for Business and Consumer Affairs, the Honourable J. W. Howard, in pursuance of Section 273b of the *Customs Act* 1901-1975, notifies that determinations have been made under Part XVI of that Act in favour of specific importers in respect of the goods indicated in the table appended hereto and limited to the quantities set out in the respective determinations.

Except where an amendment of revocation of an earlier determination is concerned, the table lists, in the following order, the file number, the kind of goods, the date on or before which the goods shall be entered for home consumption, if such is a condition of the determination, further conditions, if any, and the Item of the First or Second Schedule to the Customs Tariff applying to the goods. Where a seven figure item is shown it is an item of the First Schedule to the Customs Tariff and where a two figure item is shown it is an item of the Second Schedule. All goods, being machines, machinery or machine tools are, unless otherwise indicated, subject to the provisions of Separate Articles Directions given under paragraph (b) of sub-section (1) of section 25 of the Customs Tariff.

Wherever appearing in the table PVC means polyvinyl chloride and TV means television.

*Customs Act 1901-1976***NOTICE OF DETERMINATION 169748-170045**

THE Minister of State for Business and Consumer Affairs, the Honourable J. W. Howard, in pursuance of Section 273B of the *Customs Act 1901-1975*, notifies that determinations have been made under Part XVI of that Act in favour of specific importers in respect of the goods indicated in the table appended hereto and limited to the quantities set out in the respective determinations.

Except where an amendment of revocation of an earlier determination is concerned, the table lists, in the following order, the file number, the kind of goods, the date on or before which the goods shall be entered for home consumption, if such is a condition of the determination, further conditions, if any, and the Item of the First or Second Schedule to the Customs Tariff applying to the goods. Where a seven figure item is shown it is an item of the First Schedule to the Customs Tariff and where a two figure item is shown it is an item of the Second Schedule. All goods, being machines, machinery or machine tools are, unless otherwise indicated, subject to the provisions of Separate Articles Directions given under paragraph (b) of sub-section (1) of section 25 of the Customs Tariff.

Wherever appearing in the table PVC means polyvinyl chloride and TV means television.

*Customs Act 1901-1976***NOTICE OF DETERMINATIONS 169127-169195;
169332-169450**

THE Minister of State for Business and Consumer Affairs, the Honourable J. W. Howard, in pursuance of Section 273b of the *Customs Act 1901-1975*, notifies that determinations have been made under Part XVI of that Act in favour of specific importers in respect of the goods indicated in the table appended hereto and limited to the quantities set out in the respective determinations.

Except where an amendment of revocation of an earlier determination is concerned, the table lists, in the following order, the file number, the kind of goods, the date on or before which the goods shall be entered for home consumption, if such is a condition of the determination, further conditions, if any, and the item of the First or Second Schedule to the Customs Tariff applying to the goods. Where a seven figure item is shown it is an item of the First Schedule to the Customs Tariff and where a two figure item is shown it is an item of the Second Schedule. All goods, being machines, machinery or machine tools are, unless otherwise indicated, subject to the provisions of Separate Articles Directions given under paragraph (b) of sub-section (1) of section 25 of the Customs Tariff.

Wherever appearing in the table PVC means polyvinyl chloride and TV means television.

Customs Tariff (Anti-Dumping) Act 1975

DECLARATION OF APPLICATION OF SECTION

I, JOHN WINSTON HOWARD, Minister of State for Business and Consumer Affairs, pursuant to subsection 8 (2) of the Customs Tariff (Anti-Dumping) Act am satisfied in respect of goods of the following kind:

Plain insulation and flexible packaging aluminium foil thickness 7.9 microns exported by Daiel Papers Ltd, Japan,

that:

- (a) the amount of the export price of goods of that kind that have already been exported to Australia is less than the amount of the normal value of those goods, and the amount of the export price of goods of that kind that may be exported to Australia in the future may be less than the normal value of those goods; and
- (b) by reason thereof, material injury to an Australian industry has been and is being caused and is being threatened,

and therefore hereby declare that section 8 of that Act applies to goods of that kind:

- (c) that are exported to Australia after the date of publication of this notice; and
- (d) the amount of the export price of which is less than the amount of their normal value.

This Notice may be cited as Anti-Dumping Notice No. 7 (1976).

Fisheries Act 1952

FISHERIES NOTICE No. 69

**PROHIBITIONS RELATING TO
SOUTHERN ROCK LOBSTER**

I, IAN McCAHON SINCLAIR, the Minister of State for Primary Industry, hereby—

- (a) revoke Fisheries Notice No. 47 issued under section 8 of the *Fisheries Act 1952* and published in the *Gazette* on 15 July 1974; and
- (b) in pursuance of sub-sections 8 (1) and (4) of that Act—
 - (i) prohibit the taking from the area of proclaimed waters specified in Schedule 1 of fish included in the following class of fish, namely female rock lobsters of the species *Jasus novaehollandiae* (commonly known as southern rock lobster), that have a total carapace length (being the minimum distance between the anterior surface of the median suture of the frontal tubercle and the mid point of the posterior edge of the dorsal region of the carapace) of less than 105 millimetres;
 - (ii) prohibit the taking from the area of proclaimed waters specified in Schedule 1 of fish included in the following class of fish, namely male rock lobsters of the species *Jasus novaehollandiae* (commonly known as southern rock lobster), that have a total carapace length (being the minimum distance described in sub-paragraph (i)) of less than 110 millimetres;
 - (iii) prohibit the taking from the area of proclaimed waters specified in Schedule 2 of fish included in the following class of fish, namely rock lobsters of the species *Jasus novaehollandiae* (commonly known as southern rock lobster), that have a total carapace length (being the minimum distance described in sub-paragraph (i)) of less than 98.5 millimetres; and
 - (iv) prohibit the cutting up or dismembering, on a boat in the areas of proclaimed waters specified in Schedules 1 and 2, of fish included in the following class of fish, namely rock lobsters of the species *Jasus novaehollandiae* (commonly known as southern rock lobster).

SCHEDULE 1

Area of proclaimed waters referred to in sub-paragraphs (b) (i), (ii) and (iv)

The area of proclaimed waters within the area of waters bounded by an imaginary line commencing at the intersection of the meridian 141° east longitude with the southern shore of Australia; thence in a straight line along that meridian to its intersection with the parallel 45° 6' 15" south latitude; thence in a straight line to the intersection of the parallel 46° 40' south latitude with the meridian 143° east longitude; thence in a straight line to the intersection of the parallel 47° 20' south latitude with the meridian 147° 30' east longitude; thence in a straight line to the intersection of the parallel 45° 40' south latitude with the meridian 152° east longitude; thence in a straight line to the intersection of the parallel 37° 30' south latitude with the meridian 154° 49' 6" east longitude; thence along that parallel to its intersection with the eastern shore of Australia at high-water mark; thence following the eastern and southern shores of Australia at high-water mark to the point of commencement.

SCHEDULE 2

Area of proclaimed waters referred to in sub-paragraphs (b) (iii) and (iv)

The area of proclaimed waters within the area of waters bounded by an imaginary line commencing at the intersection of the meridian 141° east longitude with the southern shore of Australia at high-water mark; thence along that meridian to its intersection with the parallel 45° 6' 15" south latitude; thence in a straight line to the intersection of the parallel 34° 57' south latitude with the meridian 130° 48' east longitude; thence in a straight line to the intersection of the parallel 38° 22' south latitude with the meridian 115° 8' east longitude; thence in a straight line to the intersection of the parallel 36° 10' south latitude with the meridian 111° 20' east longitude; thence in a straight line to the intersection of the parallel 32° south latitude with the meridian 110° 11' 6" east longitude; thence along that parallel to the western shore of Australia at high-water mark; thence following the western and southern shores of Australia at high-water mark to the point of commencement.
