SUBMISSIONS

Interested members of the public are invited to lodge with the Tribunal's North Sydney office, not later than 6 March 1980, written submissions relating to the renewal of the licences.

It is important to note that these are separate inquiries into each application for renewal of licence. The Tribunal requires therefore that each submission should be completely self-contained and should relate to a single station only. Submissions should bear directly on the performance of the station(s) and be relevant to the renewal of the licence(s).

For administrative purposes, twelve copies of each submission are required to be provided to the Tribunal.

Submissions lodged in response to this Notice and which are accepted by the Tribunal as relevant to a particular inquiry will be available for public examination at the abovementioned offices of the Tribunal as soon as practicable after the closing date for submissions.

PROCEDURES

All persons who lodge a written submission will be provided with a statement of procedures in advance of the commencement of the Hearings.

Members of the public are invited to attend the Hearings.

Dated at Sydney this seventh day of February 1980.
