OTHER ISSUES OF THE GAZETTE

Public Service issues contain notices concerning administrative matters, including examinations, vacancies, transfers and promotions within the Australian Public Service, Public Service of the Northern Territory, Australian Postal Commission and Australian Telecommunications Commission. These issues are published weekly at 10.30 a.m. on Thursday, and sold at \$2.00 each plus postage or on subscription of \$102.50 (50 issues), \$52.00 (25 issues), or \$26.75 (12 issues).

Special issues are made on urgent matters as required. Officers responsible for arranging the gazettal of urgent notices should refer to Gazette Office Circular of 18 April 1980 on this subject. Single copies are available on the day of issue and priced according to size, and they are also provided at no extra charge with weekly General issues. Special issues are not available on separate subscription.

Periodic issues contain lengthy notices of a non-urgent nature, including the following: Certificates of Australian Citizenship; Registered Tax Agents; Authorised Celebrants; Unclaimed deposits and moneys; Australian Public Service Conditions of Entry and Advancement; Appointments to the Australian Public Service; Holders of Import Licences and Tariff Quotas. Issues are made at irregular intervals as required, at individual prices according to size. Advice of availability is given in the General and Public Service issues immediately following the day of publication. Periodic issues are not available on subscription, but standing orders are accepted for all or selected issues.

Index issues contain references to a limited number of entries in certain sections of Public Service issues, and all entries in General issues except names in the Bankruptcy Act section. Index issues are published quarterly and sold at 25c each plus postage. They are supplied without charge to annual subscribers to the General issues, but are not otherwise available on subscription.

*Customs Act 1901**Customs Tariff Act 1966*

By-law No. S2521

I, RANSLEY VICTOR GARLAND, Minister of State for Business and Consumer Affairs, in pursuance of the powers conferred on me by Part XVI of the *Customs Act 1901*, and all other enabling powers, hereby make the by-law set out in the Schedule hereto.

In a by-law set out in the Schedule hereto—

‘security’ means that security shall be given to and to the satisfaction of the Collector and that the giving of such security is a condition subject to which that by-law item applies to the goods or the class or kind of goods so conditioned.

Unless the context otherwise requires, where a description of goods is specified in a by-law set out in the Schedule hereto, the goods that fall within that by-law by virtue of that description are such goods as would fall within that description if it were specified in the tariff classification in Part II of Schedule 1 to the *Customs Tariff Act 1966*, as proposed to be altered, that applies to those goods.

Unless the context otherwise requires, any word or phrase used in a reference in a by-law set out in the Schedule hereto has the same meaning as if it were used in the tariff classification in Part II of Schedule 1 to the *Customs Tariff Act 1966*, as proposed to be altered, that applies to those goods to which that reference in the by-law applies.

THE SCHEDULE

By-law No. S2521

Item No. 11
Schedule 2

1. This by-law may be cited as Customs By-law No. S2521.
2. This by-law shall take effect on and from 12 May 1980.
3. Item 11 in Schedule 2 to the *Customs Tariff Act 1966*, as proposed to be altered, applies to:
 - (A) The personal effects, furniture and household goods (other than motor vehicles and cigarettes, cigars, tobacco and spirituous liquors) of a member of the United States Forces or of the civilian component or of a dependant, subject to the following conditions:
 - (1) the goods are imported at the time of the first arrival of the member to take up service in Australia or in the case of a dependant at the time of the first arrival of the dependant to join a member; and
 - (2) the member or dependant lodges an undertaking with the Collector that the goods will not be sold, traded, exchanged, hired out, donated or otherwise disposed of in Australia within a period of two years immediately after the date of their importation, unless
 - (a) prior approval has been obtained from the Collector; and
 - (b) the duty which would have been otherwise payable on the goods on the date on which they were imported into Australia is paid unless the Collector, for special reasons, determines otherwise.
 - (B) Regulation military uniforms imported by a member of the United States Forces, for his personal use.
 - (C) Motor vehicles imported by a member of the United States Forces or of the civilian component, being goods as follows:
 - (1) a motor vehicle owned and used outside Australia by the member during the period of six months immediately preceding his first departure for Australia, provided that the motor vehicle remains in the use, ownership and possession of that member or, with the permission of the Collector, of another member during the period of two years immediately after the date of its importation, under security;
 - (2) a motor vehicle for the personal use of the member, not being a motor vehicle of a kind described in the preceding sub-paragraph, which is intended to be exported, provided that the vehicle is exported within three years from the date of its importation or within such extended period as may be approved by the Collector, under security. With the permission of the Collector a motor vehicle imported under this sub-paragraph may be transferred to another member provided that it is exported by the latter member within three years from the date of its importation or within such extended period as may be approved by the Collector, under security.
 - (D) Goods (other than tobacco products, spirituous liquors or fur apparel) imported from the United States through military post offices by a member of the United States Forces or of the civilian component or a dependant, that have a value not exceeding \$US130, being goods as follows:
 - (1) goods which are personally consumable or goods of a kind which when in use are worn or carried on the person or goods which are normally carried in hand baggage when travelling, and are required to fill a current need.
 - (2) unsolicited gifts sent by persons resident overseas in recognition or appreciation of an occasion or event, which would not usually occur more than once annually.
4. Customs By-law No. S1127 published in *Gazette* No. 87 dated 16 October 1969 is hereby revoked.

Dated 27 May 1980.

315503. Amendment to Determination Nos 147547, 181511 (OP 6.5.80).
315504. Amendment to Determination Nos 154833, 115053, 309779, 126525, 152612, 290494, 306155, 315172, 314114 (OP 6.5.80).
315505. 19. Homeopathic tinctures (OP 20.2.80); lactulose (OP 1.4.80); oxytocin, put up for human use (OP 24.4.79) (Determination date for above 6.5.80).
315506. 19. Sodium lauryl sulphate for use in the manufacture of toothpaste or other dentifrices, under security (OP 6.5.80); chloroparaffins, having a chloride content exceeding 60% (OP 31.7.79); vinyl chloride polymer or copolymer planar forms for use in the manufacture of Christmas trees, Christmas tree decorations and carnival articles, under security, being embossed, unplasticised vinyl chloride polymer or copolymer planar forms, other than metalised (OP 6.5.80); polyvinyl chloride tubing, heat shrinkable, having widths less than 4 mm (lay flat) or greater than 127 mm (lay flat) or with a wall thickness greater than 0.254 mm (OP 6.5.80); heat resistant stainless steel plate 3000 mm x 1500 mm x 6 mm, to specification 253MA, designed for lining plate mill furnaces (OP 14.3.80); aluminium tubing, having a maximum inner dia. of 3.969 mm and a maximum wall thickness of 0.64 mm (OP 20.2.80); parts, base metal, for lead crystal chandeliers, under security (OP 6.5.80); goods to which 84.53.9 applies, but not including the following whether imported separately or otherwise (a) analogue computers (b) cathode ray tube display terminals (c) instrument tape recorders (d) keyboard paper tape punch units (e) video display terminals (f) visual display terminals or (g) wagering terminals (OP 25.2.80); graphic equalisers, incorporating a power amplifier, having a nominal voltage of 12 V, DC operated, designed to be used as an addition to, or incorporated in, a motor vehicle audio system, provided that the graphic equaliser/amplifier units are used otherwise than as original equipment in the assembly or manufacture of motor vehicles to which 87.01, 87.02 or 87.03 applies, under security (OP 5.12.79); monitors, voice intensity, DC operated, designed for speech training of persons with vocal disorders (OP 6.5.80); graphic equalisers, 12 V, DC operated, designed for use with motor vehicle audio equipment, provided the graphic equalisers do not incorporate power amplifiers and are used otherwise than as original equipment in the assembly or manufacture of motor vehicles to which 87.01, 87.02 or 87.03 applies, under security (OP 2.1.80); catheters or cannulae, as specified hereunder (but not including drainage bags, suction tubes and the like importer catheters or cannulae, whether attached or detached): angiographic balloon; arterial embolectomy; balloon; bronchial aspirating, X-ray opaque latex; cholangiography; cattell gall bladder tube, X-ray opaque latex; colon tubes, X-ray opaque red rubber (76.2 c); deaver gall bladder tube, X-ray opaque latex; de pezzet; diagnostic for uroynamics; endotracheal tubes; epidural; extracorporeal blood circulation (used during cardio-pulmonary by-pass); hemodialysis feroral; hydrocephalic pressure relief; intravenous, excluding seldinger needle sets and scalp-vein; kehrs T; maingot T; malecot; metal; miller-abbott tubes, rubber or latex; pacing; peritoneal; rectal barium with balloon; resuscitation rubber; sub-clavian perfusion; suprapubic; thermal dilution cardiac output measurement; thoracic trocar catheter; thoracic with sentinel eye; thoracic with suture rib; tracheostomy tubes, all silicone; ureteral; urethral dilation; wedge pressure; winsbury white (OP 6.3.79) (Determination date for above 6.5.80).
315507. 19. Counter material, thermo or thermo rubber, for use otherwise than as toe puffs, in the manufacture of footwear, under security (OP 12.12.79); parts and unless specifically indicated parts therefor, for use in electrically propelled passenger coaches, under security as follows: electrical control equipment designed to be used for controlling the operation of the generators, motor alternator sets, traction motors, regenerative braking system and switching, but not including the

- following and parts therefor whether imported separately or otherwise (i) high tension fuses (ii) plugs and receptacles (jumper couplings) (iii) resistors (iv) resistance grids for regenerative braking system (OP 8.1.80); pipeline or drain cleaners, other than truck mounted types, including the following when of a kind used therewith (a) accessories (b) attachments (c) tools, but not including (a) boring machines (b) jetting machines not incorporating educting equipment (c) winches (d) wire brushes (OP 25.3.80) (Determination date for above 6.5.80).
315755. Amendment to Determination No. 310490 (OP 8.5.80).
315755. 19. Motor car circuit racing tyres that the Collector is satisfied are designed solely for circuit racing purposes and are not suitable for use on public roads (OP 28.4.80); synthetic rubber gaskets, having a calendered glossy type cellophane or matt finish, designed to be used in aerosol valves (OP 1.3.80); platen shells for typewriters (OP 7.3.80); welding wire, designed to be used in submerged arc welding processes, dia. 1.6 mm to 5.5 mm (OP 1.1.80); tenon saws (OP 21.6.79); fishing machines, squid, winch type, automatic, deck mountable (OP 13.5.80); brush cutting machinery, not being self-propelled, incorporating a drum capable of being weighted with water and having reversible double edged cutting blades, designed for land clearing purposes by shredding vegetation and scarifying the soil (OP 21.9.79); dispensing appliances, wall mounted, for dispensing pre-set measures of washing cream (OP 1.1.80); edge banding machines (OP 23.3.79); insulators, line post, solid core, 66 kV (OP 28.9.79); oxygen therapy masks, but not including non-variable adult size masks for up to 75% oxygen, concentration (OP 13.5.80); polyester damask fabrics, for use in the manufacture of table linen, under security (OP 28.2.80) (Determination date for above 13.5.80).
315756. 19. Edetic acid, whether or not combined with sodium tripolyphosphate (OP 17.1.80) (Determination date 13.5.80).
315757. Amendment to Determination Nos 168554, 115053, 310490 (OP 13.5.80).
315758. Amendment to Determination Nos 292024, 120481, 310344, 300391, 144475, 155965 (OP 13.5.80).
315759. 19. Parts for use in circuit breakers having a nominal system voltage exceeding 38.5 kV but not exceeding 200 kV as follows: (a) for oil minimum circuit breakers (i) arc quenching or de-ionising chamber (extinguishing chamber) (ii) insulating rod or alternatively contact rod (plug contact rod or assembly) (iii) oil gauge (iv) spring charging equipment for operating mechanisms but not including the following or parts therefor whether imported separately or otherwise—cubicles (housing), electrical components, motor (b) for air blast circuit breakers (i) blast chamber porcelain (ii) exhaust valve assembly (iii) operating mechanism as follows—electro valve assembly, pressure relay assembly (c) for vacuum circuit breakers (i) vacuum interrupter (ii) insulating rod (iii) operating mechanism parts for operating mechanisms of the electromechanical type but not including the following or parts therefore whether imported separately or otherwise—cubicles (housings), electrical components, motors, parts incorporated in the pole unit (iv) operating mechanism parts for operating mechanisms of the pneumatic type being closing solenoid valve, breaking solenoid valve, under security (OP 28.2.80) (Determination date 13.5.80).
315760. 30.03.1. Guanfacine (OP 31.3.80) (Determination dated 13.5.80).
316132. 19. Vehicle components when imported in a physically separate state, including components imported in a physically separate state forming part of an unassembled vehicle as follows: (a) transmission equipment, being equipment for transmitting power from the driving unit to the driving wheels; or (b) parts for the above goods to which 87.06 applies, for use in: (a) the assembly or manufacture of vehicles having a gross vehicle weight of 2.72 t or more of a kind to which 87.02.29, 87.03.2 or 87.03.9 applies; or (b) the maintenance, modification or repair of vehicles having a gross vehicle weight of 2.72 t or more of a kind to which 87.01.11, 87.02.22, 87.02.29, 87.03.2 or 87.03.9 applies, under security, but not including the following components or parts therefor, whether or not imported attached to, or forming part of, the transmission equipment: (a) axles (b) clutch assemblies (c) flywheels (d) oil coolers (e) operating linkages for gearboxes of a kind not mounted within the gearbox or remote control tower (f) power take-offs (g) propeller shaft assemblies, or (h) gearboxes for use in vehicles having a gross vehicle weight of 9.07 t or more but less than 15.4 t (OP 20.5.80) (Determination date 20.5.80).
316133. 19. Drainage additives for use as a filtration aid in the wine industry, under security (OP 9.10.79); roller, bush or inverted tooth type chain or chains, to which 73.29.1 applies, but not including (a) chain or chains of a kind used in vehicles of a kind to which 87.01.1, 87.02.1, 87.02.2 or 87.03.9 applies (b) conveyor or elevator chain or chains having a pitch from 9.525 mm to 990.6 mm both inclusive (c) simple, duplex or triplex transmission chain or chains of the roller or brush types, having pitch sizes of 9.525 mm or 25.4 mm to 152.4 mm both inclusive (OP 20.5.80); parts for simple, duplex or triplex transmission chain, other than in pitch size of 9.525 mm (OP 20.5.80); furniture hinges, incorporating rubber or plastic inserts, designed to be used on outward opening glass doors (OP 1.4.80); frozen beverage dispensers, known as 'slush freezers', but not including those machines having the facility to dispense other products (OP 4.1.80); smoke houses having an internal capacity not exceeding 8.0 m³ (OP 11.1.80); goods to which 84.55.1 applies, but not including (a) interface circuits (b) parts for cathode ray tube display terminals (c) parts for video display terminals (d) parts for visual display terminals (OP 25.2.80); specified needle roller bearings (OP 15.4.80); specified tapered roller bearings (OP 15.4.80); corn popping appliances (OP 31.3.80); ring main switch units, 22 kV, 400A, designed to be used in pad mounted transformer installations, but not including switch units incorporating the following: (a) barriers (insulating material) (b) busbars (c) cables (d) panels or (e) sheet metal enclosures (housings) (OP 18.12.79); crane superstructures, hydraulic, for truck mounted cranes, having a lifting capacity of 65 t or more at 3 m from centre line of rotation (OP 20.5.80) (Determination date for above 20.5.80).
316134. Amendment to Determination Nos 312148, 289608, 313816, 314374, 312417 (OP 20.5.80).
316135. Amendment to Determination Nos 312769, 311649, 312545, 314811, 299993 (OP 20.5.80)
316191. Amendment to Determination No. 316133 (OP 23.5.80)
316192. 21. Specified roller bearings (OP 20.5.80) (Determination date 23.5.80).

316338. Amendment to Determination No. 299993 (OP 27.5.80).

316339. Amendment to Determination Nos 115053, 131879, 144159, 148655, 164640, 174819 (OP 27.5.80).

316340. 19. CI pigment brown 23: microlith brown 5RK (OP 27.5.80); CI pigment red 38; irgalite red PYE, for use in the colouration of (a) PVC coated fabrics (b) PVC cable coatings or (c) rubber, under security (OP 27.5.80); CI pigment red 144: cromophthal red BRN, for use in the colouration of (a) inks for printing on PVC (b) PVC cable coatings (c) PVC coated fabrics or (d) unsupported PVC film or sheet, under security (OP 27.5.80); CI pigment red 144: microlith red BRKP (OP 27.5.80); CI pigment red 166: cromophthal scarlet RN, for use in the colouration of (a) automotive surface coating finishes (b) inks for printing on PVC (c) PVC cable coatings (d) PVC coated fabrics (e) PVC flooring manufacture or (f) unsupported PVC film or sheet, under security (OP 27.5.80); CI pigment red 166: microlith scarlet RKP (OP 27.5.80); CI pigment yellow 93: microlith yellow 3GKP, for use in the colouration of (a) inks for printing on PVC or (b) PVC coated fabrics, under security (OP 27.5.80); CI pigment yellow 110: iragazin yellow 3RLTN: for use in the colouration of (a) artificial plastic materials or (b) paints, under security (OP 27.5.80); CI pig-

ment No. unknown, red: cromophthal red 23, for use in the colouration of (a) inks for printing on PVC (b) unsupported PVC film or sheet (c) supported PVC sheet or (d) PVC cable coatings, under security (OP 27.5.80); CI pigment No. unknown, red; cromophthal red G, for use in the colouration of (a) inks of a kind used for printing on vinyl, synthetic polymers or metal cans (b) PVC sheet or (c) unsupported PVC film, under security (OP 27.5.80); CI pigment No. unknown, yellow: cromophthal yellow 8G, for use in the colouration of (a) inks for printing on PVC (b) PVC cable coatings or (c) PVC coated fabrics, under security (OP 27.5.80); CI vat blue 4: microlith blue A3RKP (OP 27.5.80); bags, twill, lined with vulcanised rubber, having a capacity not exceeding 110L, designed to be used with respiratory testing appliances (OP 10.10.79); ribbon, consisting of extruded rubber threads, having a cross sectional dimension not exceeding 5mm, adhered together (OP 28.9.79); crane superstructures, hydraulic, for truck mounted cranes, having a lifting capacity of 65 t or more at 3 m from centre line of rotation (OP 27.5.80); coaters, adhesive wax, 305 mm roller width, designed to coat surfaces in a striped pattern and to absorb surplus adhesive (OP 27.5.80); ice crushing appliances (OP 21.11.79) (Determination date for above 27.5.80).

AUSTRALIAN CAPITAL TERRITORY*City Area Leases Ordinance 1936, Section 13 (5)***NOTICE OF THE HOLDING OF AN AUCTION**

NOTICE is hereby given that an auction at which rights to the grants of leases will be offered for sale is to be held at the Albert Hall, Commonwealth Avenue, Canberra, A.C.T., on Tuesday, 22 July 1980, commencing at 10.00 a.m.

The auction will be in respect of the parcels of land described in the Schedule to this notice.

A declaration has been made in pursuance of Section 13 (13A) of the *City Area Leases Ordinance 1936* with respect to those parcels of land described in the Schedule and the successful bidder for the right to the grant of the lease to any of the parcels so described may at the time of the auction pay an amount equal to one-tenth of his bid and shall pay the balance of his bid within fourteen days after the date of the auction. Persons intending to exercise the right conferred by this declaration should note that if the balance of the bid is not paid, the amount paid at the time of the auction cannot be recovered from the Commonwealth.

Copies of plans showing the locations of the parcels described in the Schedule and of documents containing statements with respect to—

- the distinguishing number allotted to each of the parcels of land;
- whether or not there are improvements on any of the parcels of land and, if so, a description of the improvements, the value of the improvements and whether or not the Commonwealth is prepared to accept a mortgage securing the payment of an amount not exceeding the whole or a specified part of the value of the improvements;
- the term to be included in each of the leases of the parcels of land; and
- the provisions, covenants and conditions to be included in each of the leases of the parcels of land

may be obtained from the Land and Housing Bureau, Ground Floor, South Building, Civic Offices, London Circuit, Canberra City, ACT.

Dated the tenth day of June 1980.

AUSTRALIAN TAXATION OFFICE LODGMENT OF INCOME TAX RETURNS

Income Tax Assessment Act 1936

PURSUANT to the provisions of the *Income Tax Assessment Act 1936* and the Regulations made under that Act, I hereby require a return of income derived during the year ended 30 June 1980 (or the accounting period, if any, adopted under that Act in lieu of that year) to be furnished to me in the prescribed manner at the appropriate place on or before 31 August 1980 by every person described hereunder.

Persons required to furnish returns

- (a) Every person (other than a company or a person referred to in (b) below) who is a resident of Australia and whose total income from all sources both in and out of Australia (other than repatriation, social security or other benefits which are exempt from tax pursuant to section 23AD(3) of the *Income Tax Assessment Act*) was in excess of \$3893 or in the case of residents unmarried and under 18 years of age at 30 June 1980 whose total income during the year from all sources in and out of Australia, other than salary or wages or, payments for services rendered was more than \$1040.
- (b) Every person who is a resident of Australia and who—
- (i) carries on in Australia a business of primary production as defined in section 6 of the *Income Tax Assessment Act*;
 - (ii) is presently entitled to income as a beneficiary in a trust estate which carries on in Australia a business of primary production as so defined; or
 - (iii) has an individual interest in the net income or loss of a partnership which carries on in Australia a business of primary production as so defined,

whose total income from all sources both in and out of Australia (other than repatriation, social security or other benefits which are exempt from tax pursuant to section 23AD(3) of the *Income Tax Assessment Act*) was \$1 or more.

- (c) Every company (including every body or association corporate or unincorporate, not being a partnership), other than a non-profit company, that is a resident of Australia and whose

total income from all sources both in and out of Australia was \$1 or more.

- (d) Every non-profit company that is a resident of Australia and whose total income from all sources both in and out of Australia was in excess of \$416.
- (e) Every non-resident person (other than a company) whose total income (other than income upon which withholding tax has been paid or is payable) from all sources in Australia was in excess of \$3893 or in the case of non-residents unmarried and under 18 years of age at 30 June 1980 whose total income during the year from all sources in Australia other than income upon which withholding tax has been paid or is payable and normal salary or wages or payment for services rendered, was more than \$1040.
- (f) Every non-resident company whose total income (other than income upon which withholding tax has been paid or is payable) from all sources in Australia was \$1 or more.

A return of the total income of every partnership is required to be furnished, on or before 31 August 1980, by the partners resident in Australia, or by any one of them. Where there is no partner resident in Australia, the return is required to be furnished by the agent in Australia for the partnership.

A return of the total income of every trust is required to be furnished, on or before 31 August 1980, by the trustees thereof resident in Australia or by any one of them. Where there is no trustee so resident, the return is required to be furnished by the public officer or the agent in Australia for the trustees.

A return of the total income of every superannuation, provident, benefit or retirement fund is required to be furnished, on or before 31 August 1980 unless it is:

- (a) A fund established by—
 - (i) an Act, a State Act, an Ordinance of a Territory of Australia; or
 - (ii) a municipal corporation, other local governing body or public authority constituted by or under an Act, a State Act or an Ordinance of a Territory of Australia.
- (b) A medical or hospital benefits organisation registered for the purposes of the *National Health Act* which is not carried on for the purposes of profit or gain to the individual members of the organisation.
- (c) A foreign superannuation fund the only income of which, from sources in Australia, consists of interest or dividends paid by a company resident in Australia; or
- (d) A fund established for the benefit of employees where the Commissioner has indicated that it is unnecessary that it lodge a return for the year of income ended 30 June 1980 (or the accounting period, if any, adopted in lieu of that year).

The return is required to be furnished by the trustees resident in Australia or by any one of them. Where there is no trustee so resident, the return is required to be furnished by the public officer or the agent in Australia.

Every agent for a principal, whether resident or non-resident, is required to furnish, on or before 31 August 1980, a return in respect of income derived by him in his representative capacity or derived by his principal by virtue of the agency.

A return of the amounts paid or payable during the year ended 30 June 1980 in or out of Australia to a person whose principal place of business is out of Australia, in respect of the carriage of passengers, livestock, mails or goods shipped in Australia, in a ship belonging to or chartered by the abovementioned person, is required to be furnished, on or before 31 August 1980, by the master of the ship or the agent or other representative in Australia of the owner or charterer.

A return in the form of a statement showing the name and address of each depositor who is a resident of Australia and to whom interest in excess of \$100.00 was paid or credited, and the amount of interest paid or credited to each during the year ended 30 June 1980, is hereby required to be furnished on or before 31 August 1980 by every person holding money lodged at interest in Australia. In this paragraph person includes a company, as defined in section 6 of the Income Tax Assessment Act, a partnership, a trust, an association, a fund, a body or an institution.

Notwithstanding anything in this notice, where any person has adopted, under the *Income Tax Assessment Act 1936*, an accounting period being the twelve months ending on some date other than 30 June 1980, the return required by this notice shall be lodged on or before 31 August 1980 or the sixtieth day after the last day of the accounting period so adopted, whichever date is the later.

References in this notice to Australia include the Territories of Norfolk Island, Cocos (Keeling) Islands and Christmas Island, but, in relation to Territory residents or Territory companies, references to total income do not include income derived from sources in those Territories or from outside Australia.

The Income Tax Regulations provide that except as otherwise prescribed, every return under the Act shall:

- (a) be made and furnished in such of the forms provided by the Commissioner for the purpose as is applicable;
- (b) contain the information and particulars mentioned or referred to in that form;
- (c) be verified by declaration as therein set forth; and
- (d) be accompanied by all such balance sheets, profit and loss accounts, statements and other documents, as are mentioned in the form or as are requisite.

Failure to duly furnish a required return renders the person concerned liable, upon conviction, to a penalty of not less than \$4 or more than \$200, as may be determined by a court of competent jurisdiction. Alternatively, that person may become liable to pay, as additional tax by way of penalty, an amount not exceeding the amount of the tax assessed.
