All goods being machinery are, unless otherwise indicated, subject to the provisions of a direction (Separate Articles Direction) given under paragraph (b) of sub-section (1) of Section 25 of the *Customs Tariff Act 1966*, as proposed to be altered.

Manufacturers who consider that they manufacture goods suitably equivalent to the goods described in the Table may apply to the Department, quoting the relevant file number, for consideration of revocation of the determination.

Prospective importers of goods may lodge a by-law application on the approved form, quoting the relevant file number, in respect of the desired concession.
