THE Minister of State for Business and Consumer Affairs, the Honourable J. C. Moore, in pursuance of Section 273B (2) of the *Customs Act 1901*, notifies that determinations have been made under Part XVI of that Act, as appended in the Table hereto.

The Table specifies:

- The tariff item normally applicable, except where a number of tariff items apply, in which case Var. (various) is stated;
- The kind(s) of goods to which the determination applies and, where applicable, the conditions specified in the determination;
- The date on or before which the goods shall be entered for home consumption, if such is a condition of the determination;
- The item, sub-item, paragraph or sub-paragraph, as the case may be, in Schedule 1, or the item in Schedule 2, to the *Customs Tariff Act 1966*, as proposed to be altered, which shall apply to the goods. Where 4 or more figures are shown it refers to Schedule 1 and where a 2 figure item is shown it is an item of Schedule 2;
- The departmental file number (C).

All goods being machinery are, unless otherwise indicated, subject to the provisions of a direction (Separate Articles Direction) given under paragraph (b) of sub-section (1) of Section 25 of the *Customs Tariff Act 1966*, as proposed to be altered.

Manufacturers who consider that they manufacture goods suitably equivalent to the goods described in the Table may apply to the Department, quoting the relevant file number, for consideration of revocation of the determination.

Prospective importers of goods may lodge a by-law application on the approved form quoting the relevant file number, in respect of the desired concession.
