CORRIGENDUM ITEM

THE provisional promotion of Matthew Robert Power to the position of Senior Teacher: Social Science,

Band 2 Secondary, Christmas Island Area School notified in the *Gazette* of Tuesday, 10 February 1981, was notified in error in that in terms of established CTS policy Mr Power did not hold the necessary eligibility.

The notice should have indicated a transfer to the position with a higher duties allowance for the period 1.1.81 to 20.1.82.

OFFICERS of the Commonwealth Teaching Service who have the appropriate Commonwealth Teaching Service promotion eligibility (schools) may apply for the vacancies advertised below, which may be filled by transfer or promotion.

Applications should be made on the appropriate Commonwealth Teaching Service Form CTS-SC-120 and must be forwarded to reach:

Chief Education Officer,
Office of the A.C.T. Schools Authority,
P.O. Box 20,
Civic Square, A.C.T. 2608

by 24 November 1981.

Officers are reminded of CTS policy in relation to applications for transfer/promotion to positions at Band 3, 2 or 2 level.

Applications for transfer/promotion to each vacant position at Band 4, 3 or 2 level which is notified in the *Gazette* must be made on a separate Form CTS-120 and should indicate position(s) sought.

If applicants wish, they may submit additional information relevant to the specific duties of the position or positions applied for.

Applicants for transfer/promotion are reminded that it is necessary to have claims and statements made in their applications substantiated.

Supporting documentation may be submitted with one of a number of applications and reference made to it in the others.

These vacancies unless otherwise stated are available from 1 January 1982.

At this stage only known Primary and Schools Office vacancies have been notified.

Possible consequential vacancies will be tentatively filled as the result of the provisional filling of each of these advertised vacancies. Hence officers should state if they wish to be considered for consequential vacancies. Full details of the procedures to operate appear in a special supplement to the A.C.T. Schools Bulletin of 13 August 1981.

Officers should also note that possible redundant officers at each substantive level will need to be placed and there may therefore be few provisional promotions.
