SUBMISSIONS

Interested persons may lodge with the Tribunal's North Sydney office, not later than 5.00 p.m. on 22 February 1985, written submissions relating to the renewal of any or all of the above licences.

Each submission should relate to the renewal of an individual licence and should contain a clear and concise statement of the matters being addressed, provide evidence of any allegations being made, and identify the station to which the comments apply. Where issues relating to the comprehensiveness of services are raised, the submission should also indicate to which station or stations the issue relates.

Submissions lodged in response to this notice will be served on the relevant licensee. The submissions and the licensees' comments, if any, will become public documents after the licensees' comments have been received, subject to any claims by submitters or licensees for confidentiality accepted by the Tribunal.

Persons may also be assisted in the preparation of submissions by reference to an Information and Background Paper prepared by Tribunal staff which also contains information concerning the Sydney television service area. Copies of this paper and assistance with further information regarding the lodgment of written submissions can be obtained by contacting Mr Henry of the Tribunal's staff at the location indicated above.

It should be noted that other than in exceptional circumstances, the lodgment of a written submission will not require an appearance at a hearing, nor should it be considered that lodgment of a written submission will in itself entitle anyone to appear at the hearings of the inquiries. To assist in the fair and orderly conduct of the proceedings persons who wish to seek leave to appear at the public hearing need to be aware of, and follow, the procedures set out below.

APPEARANCE AT HEARINGS

Anyone wishing to apply to appear at the public hearing of an inquiry as a party to the proceedings or as a witness must notify the Tribunal no later than 5.00 p.m. on 22 February 1985. This application must be accompanied by certain particulars, details of which are set out in the aforementioned Information and Background Paper. Copies of this paper are available on request from the Tribunal office mentioned above.

Please note that, unless there are exceptional circumstances, the Tribunal will not consider a person's application for leave to appear at a hearing unless that person has lodged a written submission relating to the renewal of the particular licences.

REGISTRATION OF INTEREST

A register will be kept of the names of all persons wishing to receive notices relating to these matters. Persons who wish to have their name and address entered on the register should indicate this in their submissions or advise the Tribunal at the address shown above.

Dated at Sydney this eleventh day of February 1985.
