Special issues are not available on separate subscription.

Tariff concessions issues contain notices of tariff concessions proposed, granted or revoked in accordance with the provisions of Part XVA of the *Customs Act 1901*. These issues are published each Wednesday and are available on subscription only at \$100.00 for 2000 pages (approximately one year's issues) including surface postage.

FOI issues contain statements required to be made under section 9 of the *Freedom of Information Act 1982* by principal officers of departments and prescribed authorities about documents available for inspection and purchase. They also contain notices by Ministers of the addresses to which requests made in pursuance of the Freedom of Information Act may be sent or delivered in accordance with section 19 of the Act, and

any other notices required under the Act to be published in the *Gazette*. FOI issues are published at irregular intervals throughout the year. They are not available on subscription but standing orders are accepted for all or selected issues.

Periodic issues contain lengthy notices of a non-urgent nature, including the following: Certificates of Australian Citizenship; registered Tax Agents; Authorised Celebrants; Unclaimed deposits and moneys; Australian Public Service Conditions of Entry and Advancement; Appointments to the Australian Public Service; Holders of Import Licences and Tariff Quotas. COMMONWEALTH OF AUSTRALIA GAZETTE—PUBLISHING DELAYS

As you are aware recent issues of the weekly Public Service, General and Purchasing and Disposal issues of the *Commonwealth of Australia Gazette* have not been published on the designated publishing date. The delay in producing the *Gazette* is created by staffing difficulties in some critical production areas and further compounded by a high rate of repetitive strain injury (RSI).

Every effort is being made to return to the normal publishing schedules but it is expected that late publishing will continue for a period of up to three months.

Closing times for receipt of copy will not be varied. Where notices are time critical, they are to be submitted by the correct closing time, with appropriate allowances made for the anticipated delay.

It is realised that the delayed publishing of *Gazettes* creates concern for departments and authorities, but contact with AGPS to establish if copy has been received, or if copy can be changed or deleted, and when *Gazettes* will be published only creates further delays. Such contact should be restricted to an absolute minimum so that AGPS resources can be fully employed in overcoming the publishing backlog. To assist further in this matter it would be appreciated if this memorandum could be given wide circulation within your department, authority or organisation.

PRINCIPLES UNDER SUB-SECTION 40AA (7)

I, DONALD JAMES GRIMES, the Minister of State for Community Services, in pursuance of sub-section 40AA (7) of the *National Health Act 1953* hereby amend, as set out in the Schedule, the *Nursing Homes Fees Determination Principles 1984* published in the *Gazette* of 9 May 1984, being the principles in accordance with which scales of fees are to be determined for the purposes of sub-paragraph 40AA (6) (c) (i) of that Act in relation to nursing homes generally.

SCHEDULE

Interpretation

1. Principle 2 is amended—

- (a) by inserting after the definition of "Act" in sub-principle (1) the following definition:

"'Additional return on investment', in relation to a nursing home, means the additional return referred to in paragraph 3 (b) in relation to the nursing home;" and

- (b) by inserting after the definition of "Relative" in sub-principle (1) the following definition:

"'Return on investment', in relation to a nursing home, means the return referred to in paragraph 3 (a) in relation to the nursing home;"

2. Principle 3 is repealed and the following principles substituted:

Determination of scale of fees

"3. Subject to this Part, in determining a scale of fees in relation to a nursing home, the Secretary—

- (a) shall take into account a return to the proprietor of the nursing home on the investment in the nursing home and in the business or undertaking carried on at the nursing home determined by the Secretary in accordance with Part II;
- (b) shall, if the proprietor of the nursing home, requests the Secretary so to do, take into account an additional return to the proprietor on the investment in the nursing home and in the business or undertaking carried on at the nursing home determined by the Secretary in accordance with Part III;
- (c) shall take into account any operating expenditure referred to in Part IV necessarily incurred by the proprietor of the nursing home in providing nursing home care in the nursing home to the extent and in the circumstances specified in that Part and shall disregard all other expenditure; and
- (d) may take into account all income, benefits and advantages received, earned or enjoyed by the proprietor of the nursing home in respect of the business or undertaking carried on at the nursing home over and above the fees received in accordance with the determined scale of fees in respect of the provision of nursing home care in the nursing home."

Circumstances where additional return on investment is not to be taken into account in determining a scale of fees

"3A. Where the Secretary has, in previously determining a scale of fees in relation to a nursing home, taken into

account an additional return on investment in relation to the nursing home, the Secretary shall not, in determining a scale of fees in relation to the nursing home, take into account an additional return on investment in relation to the nursing home unless the principles that the Secretary applied in determining the first-mentioned additional return on investment in relation to a nursing home have been altered, varied or amended.

Fees to be reasonable, &c.

"3B. Notwithstanding anything contained in these principles, the Secretary—

- (a) may, in determining a scale of fees in relation to a nursing home, take into account the scale of fees determined in respect of, and the level of costs incurred in, other comparable nursing homes; and

Extensive care patients

"3C. The Secretary shall—

- (b) by omitting from sub-principle (4) "in the relevant operating expenditure"; and
- (c) by adding at the end the following sub-principles:

"(9) Where, pursuant to a request made for the purposes of paragraph 3 (b) in respect of a nursing home, the Secretary in determining a scale of fees in relation to the nursing home, takes into account the additional return on investment in relation to the nursing home, the Secretary may, in determining the scale of fees, take into account as a loading any additional income from fees that would have been gained by the proprietor of the nursing home in respect of the period commencing on—

- (a) in a case where the request was received by the Secretary not later than 3 months after the day of commencement of this sub-principle—
 - (i) if sub-paragraph (ii) does not apply—1 July 1984; or
 - (ii) if the person who made the request became the proprietor of the nursing home on a day after 1 July 1984—that day;

- (b) in a case where the request was received by the Secretary more than 3 months after the day of commencement of this sub-principle but before 1 January 1986—

- (i) if sub-paragraph (ii) does not apply—the day that is 12 months earlier than the day on which the request was received by the Secretary; or
- (ii) if the person who made the request became the proprietor of the nursing home on a day after the first-mentioned day in sub-paragraph (i)—the day on which the person became the proprietor of the nursing home; or

- (c) in a case where the request was received by the Secretary on or after 1 January 1986—the day on which the request was received,

and ending on the expiration of the day immediately preceding the day on which the scale of fees is to take effect if the scale of fees applicable in respect of the nursing home during that period had been determined account being taken of the additional return on investment in relation to the nursing home.

“(10) Where, for the first time after a person has acquired the business or undertaking carried on at a nursing home, the Secretary is determining a scale of fees in relation to the nursing home, the Secretary shall take into account any loadings reflected in the scale of fees applying before the acquisition.”.

New Heading

5. After Principle 8 the following heading is inserted:

“PART II—RETURN ON INVESTMENT”

Return on land, buildings, furniture, &c.

6. Principle 9 is amended—

- (a) by omitting from sub-principle (1) all words from and including “subject” to and including “fees” and substituting “subject to sub-principles (2) and (4) to (8) inclusive and principle 12A, in determining the return on investment in relation to a nursing home”;
- (b) by omitting from sub-principle (3) “herein” and “a scale of fees” and substituting “and principle 12A” and “the return on investment in relation to a nursing home” respectively;
- (c) by omitting from sub-principle (4) all words from and including “the Permanent Head” to and including “reflected” and substituting “the Secretary shall, in determining a return on investment in relation to the nursing home, take into account, in lieu of the return referred to in sub-principle (1) and the returns referred to in sub-principle (3), the returns on the matters referred to in those sub-principles reflected”;
- (d) by omitting from sub-principle (5) “a scale of fees, disregard any increase” and all words from and including “sub-principles (6) and (7)” and substituting “the return on investment in relation to a nursing home, disregard any increase or reduction” and “sub-principles (6), (7), (7A), (7B), (7C) and (7D) and principles 12 and 12A shall not vary the return on investment” respectively;
- (e) by omitting from sub-principle (6) “in determining a scale of fees” and substituting “subject to sub-principle (7D), in determining the return on investment in relation to a nursing home”; and
- (f) by omitting sub-principle (7) and substituting the following sub-principle:

“(7) Where—

- (a) the proprietor of a nursing home has, on or after 1 July 1984, incurred expenditure, other than expenditure to which sub-principle (6)

applies, in respect of works that relate to the modernisation or upgrading of the land or buildings used as the nursing home or of the facilities or amenities provided by the nursing home; and

- (b) those works were approved by the Secretary as works that are necessary for the provision of adequate patient care to patients in the nursing home, then, if the proprietor of the nursing home, at the time of the making of the application for the determination of a scale of fees in relation to the nursing home, requests the Secretary so to do, the Secretary shall, subject to sub-principle (7A), in determining the return on investment in relation to the nursing home, take into account a return on that expenditure ascertained in accordance with sub-principles (7B), (7C) and (7D).

“(7A) Where the expenditure referred to in sub-principle (7) in relation to a nursing home, or any part of that expenditure, is financed, by way of a grant or subsidy, by the Federal Government or by the Government of a State or Territory, the Secretary shall, for the purposes of sub-principle (7), disregard the expenditure, or that part of the expenditure, as the case may be.

“(7B) Subject to sub-principle (7C), a return on the expenditure referred to in sub-principle (7) in relation to a nursing home shall—

- (a) in respect of so much of the expenditure as relates to works on the land or buildings used as the nursing home, be taken to be a return of 10 per cent per annum on the amount of the expenditure incurred in relation to those works; and
- (b) in respect of so much of the expenditure as relates to the acquisition of furniture, fittings, plant, equipment or other chattels (in this sub-paragraph referred to as ‘assets’), be taken to be a return, at a rate equal to the rate of return on Australian Savings Bonds on the date on which the request to take into account the return on that expenditure in determining the return on investment in relation to the nursing home was received by the Secretary, on—
- (i) except where sub-paragraph (ii) applies—the cost of the assets; or
- (ii) in the case of assets acquired to replace existing assets—the amount by which the cost incurred by the proprietor of the nursing home in acquiring the assets exceeds the cost previously incurred by the proprietor in acquiring the existing assets.

“(7C) Where—

- (a) the proprietor of a nursing home makes a request to the Secretary to take into account, in determining a scale of fees in respect of the nursing home, a return on expenditure incurred by the proprietor in respect of the nursing home, being expenditure of the kind referred to in sub-principle (7);
- (b) before the commencement of this principle the Minister has, in relation to a previous determination for the purposes of sub-paragraph 40AA (6) (c) (i) of the Act of a scale of fees in relation to the nursing home, made a decision under sub-section 40AE (3) of the Act varying the scale of fees; and
- (c) in making that decision the Minister took into account a return on the expenditure referred to in paragraph (a),

the Secretary shall reduce the amount that, but for this sub-principle, would have been the amount of the return on that expenditure that the Secretary would have taken into account in determining the scale of fees by the amount of the return referred to in paragraph (c)."

"(7D) Where, in relation to a nursing home, it appears to the Secretary that the aggregate (in this sub-principle referred to as the 'relevant aggregate') of the fair market rental referred to in sub-principle (1) in relation to the nursing home and—

- (a) in a case where the proprietor of the nursing home has incurred expenditure of the kind referred to in sub-principle (6) in relation to the nursing home—so much of the investment expenditure that, but for this sub-principle, would in accordance with sub-principle (6) have been taken into account in determining the return on investment in relation to the nursing home as relates to works on the land and buildings used as the nursing home; or
- (b) in a case where the proprietor of the nursing home has incurred expenditure of the kind referred to in sub-principle (7) in relation to the nursing home—so much of the return on expenditure that, but for this sub-principle, would in accordance with sub-principle (7) have been taken into account in determining the return on investment in relation to the nursing home as relates to works on the land and buildings used as the nursing home,

would be likely to exceed the amount that, regard being had to those works, could reasonably be assessed as being, for the time being, the fair market rental in respect of the land and buildings used as the nursing home, the Secretary—

- (c) shall ascertain the fair market rental, for the time being, of the land and buildings used as the nursing home as determined by a valuer from the Valuation Branch of the Australian Taxation Office having regard to the works carried out on those land and buildings; and
- (d) if the fair market rental of the land and buildings used as the nursing home as determined for the purposes of paragraph (c) does not exceed the relevant aggregate in relation to the nursing home—shall, in determining the return on investment in relation to the nursing home, disregard the fair market rental referred to in sub-principle (1) in relation to the nursing home and—
 - (i) in a case referred to in paragraph (a)—such proportion of the investment expenditure referred to in that paragraph in relation to the nursing home as is specified in that paragraph; or
 - (ii) in a case referred to in paragraph (b)—such proportion of the return on expenditure referred to in that paragraph in relation to the nursing home as is specified in that paragraph,and take into account the fair market rental of the land and buildings used as the nursing home as determined for the purposes of paragraph (c).

"(7E) In sub-principle (7D), a reference in relation to a nursing home to the fair market rental referred to in sub-principle (1) shall, in the case of a nursing home in relation to which sub-principle (4) applies, be read as a reference to the return on investment that the Secretary is, in accordance with that last-mentioned sub-principle, to take into account, in lieu of the return referred to in sub-principle (1), in determining the return on investment in relation to the nursing home."

7. Principles 10, 11 and 12 and the heading "PART II—OPERATING EXPENDITURE" are repealed and the following substituted:

Rent

"10. (1) Where the premises occupied by a nursing home are or were at any time after they were approved as an approved nursing home, leased to the person who is, or was at that time, the proprietor of the nursing home, the Secretary shall, in determining the return on investment in respect of the nursing home—

- (a) take into account all reasonable increases and, subject to sub-principle (2), all reductions in the rent payable in respect of the premises during the period or periods during which the premises were so leased; and
- (b) disregard all other expenditure incurred on rent in respect of the premises.

"(2) Where—

- (a) there is a reduction in the rent payable by the proprietor of a nursing home in respect of the premises occupied by the nursing home; and
- (b) the amount of rent that, as a result of that reduction, becomes payable in respect of the premises is less than the amount of rent (in this sub-principle referred to as the 'original rent') that was payable when the proprietor became, or last became, the lessee of the premises,

the Secretary shall disregard so much of the reduction as is equal to the amount by which the amount of the original rent exceeds the amount of the rent that so becomes payable.

Interest

"11. (1) The Secretary shall, subject to sub-paragraph (2), in determining the return on investment in relation to a nursing home, disregard all interest payments made by the proprietor of the nursing home.

"(2) Where the proprietor of a nursing home has borrowed moneys to acquire the premises occupied by the nursing home or the business or undertaking carried on at the nursing home or to make any investment of the kind referred to in sub-principle 9 (6) or (7), the Secretary shall, in determining the return on investment in relation to the nursing home, take into account all reasonable increases and, subject to sub-principle (3), all reductions in expenditure associated with a variation in the rate of interest in respect of those moneys.

"(3) Where there is a reduction (in this sub-principle referred to as 'the relevant reduction') in the rate at which interest is payable on moneys borrowed for a purpose referred to in sub-principle (2), then—

- (a) if there has not been at any time previous to the relevant reduction an increase in the rate at which interest on those moneys was payable—the Secretary shall disregard the reduction in expenditure associated with the relevant reduction; or
- (b) if paragraph (a) does not apply and the rate of interest that, as a result of the relevant reduction, becomes applicable in respect of those moneys is less than the rate of interest that was applicable in respect of those moneys when those moneys were borrowed—the Secretary shall disregard so much of the reduction in expenditure associated with the relevant reduction as would not have been incurred if the first-mentioned rate of interest had been equal to the last-mentioned rate of interest.

Reduced return on investment

"12. Where the number of beds determined for the time being by the Minister as the approved number of beds in relation to a nursing home is less than the number of beds previously determined as the approved number of beds in relation to the nursing home, the Secretary may determine

that the return on investment in relation to the nursing home shall be such amount as bears to the amount that, but for this principle, would have been the amount of the return on investment in relation to the nursing home the same proportion as the first-mentioned number of beds bears to the last-mentioned number of beds.

Return on Investment where Minister Varied Scale of Fees previously determined

"12A. Notwithstanding anything contained in principles 9, 10, 11 and 12, where—

- (a) the Minister has, in relation to a previous determination for the purposes of sub-paragraph 40AA (6) (c) (i) of the Act of a scale of fees in relation to a nursing home, made a decision under sub-section 40AE (3) of the Act varying the scale of fees; and
- (b) in making that decision the Minister varied the return on investment in relation to the nursing home that was taken into account for the purpose of making that previous determination, the Secretary shall, in determining the return on investment in relation to the nursing home, take into account the return on investment taken into account by the Minister in making that decision.

"PART III—ADDITIONAL RETURN ON INVESTMENT"

Interpretation

"12B. In this Part, 'yearly return per bed', in relation to a nursing home in respect of which the proprietor has made a request for the purposes of paragraph 3 (b), means the amount to the nearest dollar obtained by dividing—

- (a) where the premises occupied by the nursing home were approved as an approved nursing home before 1 July 1984 and have, since the day of that approval, continued to be so approved and the request is the first made by the proprietor after the commencement of this Part—the amount that is, for the purposes of this Part, to be taken to be, in accordance with principle 12C, the amount of the notional return on investment in respect of the nursing home as at 1 July 1984 by the number of beds that was on that date the approved number of beds in relation to the nursing home; or
- (b) where paragraph (a) does not apply—the amount of the return on investment determined, or last determined, by the Secretary in respect of the nursing home by the number of beds determined for the time being by the Minister as the approved number of beds in relation to the nursing home.

Notional return on investment as at 1 July 1984

"12C. Where the premises occupied by a nursing home were approved, as an approved nursing home before 1 July 1984, and have since the day of that approval, continued to be so approved, then, for the purposes of this Part, the notional return on investment in relation to the nursing home as at 1 July 1984 shall be taken to be—

- (a) where paragraph (b) does not apply—the amount that on 1 July 1984 was the amount determined, in accordance with principle 9 as then in force, to be the return to the proprietor of the nursing home on the investment in the nursing home and the business or undertaking carried on at the nursing home; or
- (b) where there has been during the period commencing on the day on which the premises occupied by the nursing home were first approved as a nursing home and ending on the expiration of 30 June 1984—
 - (i) any increase in the rent payable in respect of those premises that the Permanent Head has taken, or would have been entitled to take, into account in accordance with principle 10,

11 or 20 as in force before the commencement of this Part in determining a scale of fees in relation to the nursing home; or

- (ii) any increase in the rate of interest in respect of moneys borrowed by the proprietor of the nursing home that the Permanent Head has taken, or would have been entitled to take, into account in accordance with principle 19 as in force before the commencement of this Part in determining a scale of fees in relation to the nursing home,

—the aggregate of—

- (iii) the amount referred to in paragraph (a); and
- (iv) the total amount paid or payable by the proprietor of the nursing home as additional rent and additional interest as a result of the increases in rent of the kind referred to in sub-paragraph (i) and the increases in interest rate of the kind referred to in sub-paragraph (ii) that took effect during that period.

Amount of additional return on investment

"12D. (1) Subject to sub-principles (2) and (3), the additional return on investment in relation to a nursing home in respect of which the proprietor has made a request for the purposes of paragraph 3 (b) is—

- (a) if the yearly return per bed in relation to the nursing home does not exceed \$1,100—such amount in dollars as is ascertained in accordance with the formula—

$$A \times (1400 - B); \text{ or}$$

- (b) if the yearly return per bed in relation to the nursing home exceeds \$1,100 but does not exceed \$2,600—such amount in dollars as is ascertained in accordance with the formula—

$$\frac{A \times 2600 - B}{5}$$

where—

A is—

- (c) where the premises occupied by the nursing home were approved as an approved nursing home before 1 July 1984 and have, since the day of that approval continued to be so approved, and the request is the first made by the proprietor after the commencement of this Part—the number of beds that was on 1 July 1984 the approved number of beds in relation to the nursing home; or
- (d) if paragraph (c) does not apply—the number of beds determined by the Minister as the approved number of beds in relation to the nursing home; and

B is the yearly return per bed in relation to the nursing home;

"(2) Where the investment, or any part of the investment, in a nursing home or the business or undertaking carried on at the nursing home is financed by moneys received by way of a grant or subsidy from the Federal Government or from the Government of a State or Territory, the additional return on investment in relation to the nursing home is such amount to the nearest dollar as is ascertained in accordance with the formula—

$$\frac{C \times E - D}{E}$$

where—

C is the amount ascertained in accordance with sub-principle (1) in relation to the nursing home;

D is the total amount of moneys received by the proprietor by way of grant or subsidy in relation to the investment; and

E is the total amount of the investment in the nursing home and the business or undertaking carried on at the nursing home.

“(3) Where—

- (a) before the commencement of this Part, the Minister has, in relation to a previous determination for the purposes of sub-paragraph 40AA (6) (c) (i) of the Act of the scale of fees in relation to a nursing home, made a decision under sub-section 40AE (3) of the Act varying the scale of fees; and
- (b) in making that decision the Minister took into account an amount ascertained in accordance with principles that are substantially similar to the principles set out in this Part,
