NOTICES UNDER THE INDEPENDENT AIR FARES COMMITTEE ACT — 1981

COST ALLOCATION REVIEWS: ANSETT TRANSPORT INDUSTRIES LTD and AUSTRALIAN NATIONAL AIRLINES COMMISSION

In accordance with the relevant provisions of Section 13 of the *Independent Air Fares Committee Act 1981*, the Minister for Aviation, the Hon. Peter Morris, has requested the Independent Air Fares Committee to conduct cost allocation reviews in relation to air services provided by Ansett Transport Industries Ltd and the Australian National Airlines Commission over all their routes.

As directed by the Minister, the cost allocation reviews will cover the following passenger operators:

Ansett Transport Industries Ltd
Ansett Airlines of Australia
Airlines of Northern Australia
Airlines of South Australia
Air New South Wales
Ansett W.A.

Australian National Airlines Commission
Trans Australia Airlines
BPA Pty Ltd/Air Queensland Ltd.

The Minister has specified that these cost allocation reviews be completed, and determinations made, on or before 30 June 1986.

As part of the reviews, the Committee plans to hold public hearings during February and March 1986 in all States and Territories.

Notices will be placed in the *Gazette* and national and metropolitan newspapers in October 1985 giving information about the hearings and inviting submissions on matters to be considered by the Committee during the cost allocation reviews.

<i>Operator</i>	<i>Section of Act</i>	<i>Date notified</i>	<i>Brief particulars of terms and reasons</i>
Decisions			
East-West Airlines	17 (4) and 17 (6)	22.7.85	Approval for East-West Airlines (EWA) to offer discount return excursion fares until 30 June 1986, in accordance with the previously approved fare levels and conditions, at the stated percentages off (as shown in brackets below) the relevant Ansett/TAA jet economy return fare, on the following routes: — \$175 (approx 40.8%) Sydney/Melbourne via Albury or vice versa — \$180 (approx 41.1%) Sydney/Brisbane via Newcastle or vice versa — \$157 (approx 42.4%) Melbourne/Hobart via Devonport or vice versa — \$469 (approx 38.8%) Sydney/Perth via Yulara or vice versa. Approval to offer until 30 June 1986 on the Sydney/Perth via Yulara or vice versa route the following discount air fares, at the stated percentages off the Ansett/TAA jet economy fare, under the specified conditions as proposed by the operator: — \$299 one-way (approx 22.0%) — \$349 one-way and including a stopover at Yulara (approx 9.0%) — \$519 return and including one stopover at Yulara (approx 32.3%).

Operator	Section of Act	Date notified	Brief particulars of terms and reasons
			Approved on basis of estimates provided by EWA that the above discount fares will generate additional traffic and improve profitability. The Committee concluded from its assessment that the appropriate costs attributable to the discount fares would be covered and that approval was unlikely to result in an increase in trunk route economy fares. The Committee intends to monitor the ongoing results of these discount fares. At the request of the EWA, the approval notified in <i>Gazette</i> No. G6 dated 12.2.85 in relation to a \$449 Perth/Sydney via Yulara discount return air fare is revoked on the basis that the fare is now superseded.
Air New South Wales	17 (4)	26.7.85	Approval for Air New South Wales to offer a discount return fare at 50% discount off the normal economy fare on the Sydney/Maroochydore route until 23 August 1985, under specified conditions as proposed by the operator. Approved on basis of estimates provided by the operator that the discount fare will generate additional traffic and improve profitability.
Hazelton Air Services	17 (4)	26.7.85	Approval for Hazelton Air Services to offer a discount fare at 20% discount off the normal economy air fare on all routes except Mudgee until 30 June 1986, under specified advance purchase and other conditions as proposed by the operator. Approved on basis of estimates provided by the operator that the discount fare will generate additional traffic and improve profitability.
East-West Airlines	17 (4)	1.8.85	Approval to offer during the period 1-16 August 1985 the 50% discount air fare notified in <i>Gazette</i> No. G27 of 9.7.85, under the same conditions as previously approved but limited to the following routes: Sydney-Albury/Brisbane/Coolangatta/Devonport/Hobart/Maroochydore/Melbourne/Perth. Melbourne-Devonport/Wynyard/Hobart. Approved on basis of estimates provided by the operator that the discount fare will generate additional traffic and improve profitability.

INDUSTRIES ASSISTANCE COMMISSION**SCOPE OF POWER ELECTRONICS INQUIRY**

The Government has requested the IAC to undertake an inquiry into the assistance arrangements for the industry designing, producing and/or selling in Australia the range of goods known as power electronic equipment. The IAC has prepared a background paper of some 50 pages on the inquiry. This has been distributed to those known to be interested, and is available to any others who wish to receive it.

The definition of the boundaries of the power electronics industry is itself an issue in this inquiry, and the Commission is seeking views on this matter.

On the basis of the limited information available to it, the Commission has identified a range of tariff items within which it expects the goods under reference will fall. These tariff items include not only specific types of 'power electronic' goods identified by the Minister, but also:

- goods which incorporate 'power electronic' goods (e.g. electric motors incorporating starting and/or speed control devices);
- devices incorporated in, or used with, 'power electronic goods' (e.g. programmable controllers and electrical time switches); and

- electrical/electronic components typically incorporated within 'power electronic' goods (e.g. generators, accumulators, capacitors, diodes, transistors, microcircuits, transformers, etc.).

In effect, these tariff items delineate the likely maximum scope of the inquiry. At this stage, the Commission expects that the inquiry may encompass some or all of the products within the following Customs Tariff items:

Tariff Item	Goods included
85.01	Electrical goods, as follows: generators, motors, converters (whether rotary or static), transformers, rectifiers (including metal tank mercury arc rectifiers) and rectifying apparatus, inductors

PURSUANT to sub-section 168 (2) of the Companies (Queensland) Code ("the Code"), I, James Victor Mills Green, Commissioner for Corporate Affairs for the State of Queensland ("the Commissioner"), hereby declare that the deed specified in Schedule A ("the Deed"), which makes provision for the appointment of Queensland Trustees Limited as trustee for the holders of the prescribed interests to which the Deed relates, is not required to contain covenants to the effect of such matters referred to hereunder or to contain such of the matters provided for in Regulations made for the purposes of paragraph 166 (2) (b) referred to hereunder—

- (a) sub-section 168 (1) (b) (ii);
- (b) sub-section 168 (1) (b) (iii);
- (c) sub-section 168 (1) (g);
- (d) clause 7 (a) of Schedule 5;
- (e) clause 7 (b) of Schedule 5;
- (f) clause 7 (f) of Schedule 5; and
- (g) clause 11 (a) of Schedule 5; on condition that—

1. The exemption from the requirements of Clause 7 (f) of Schedule 5 to the Companies (Queensland) Regulations applies insofar as that clause would require the management company/owner to disclose its profit on the development.
2. The deed shall contain a declaration in accordance with Clause 11 (a) of Schedule 5 to the Companies (Queensland) Regulations varying the term of "6 months" to "18 months".
3. The deed shall contain a provision for the management company to be required to use its best endeavours to cause any retirement village units or apartments to be purchased at the request of the holder of any unit or apartment.

And pursuant to sub-section 215C (2) of the Code I hereby exempt the persons specified in Schedule B from compliance with all the provisions of Division 5 of Part IV of the Code, in relation to any invitation to the public to apply for or purchase, or any offer to the public for purchase of any prescribed interests in the retirement village scheme specified in Schedule A, on condition that—

The persons specified in Schedule B shall comply at all relevant times with Division 6 of Part IV of the Code.

And pursuant to sub-section 215C (2) of the Code, I hereby exempt the persons specified in Schedule B from compliance with the undermentioned clauses of Schedule 6 to the Companies (Queensland) Regulations and sub-section 110 (2) of the Code in relation to a Statement to be registered pursuant to Section 170 of the Code ("the Statement"), in respect to the issue of prescribed interests in the retirement village scheme specified in Schedule A—

- (a) clauses 5, 8 and 10 of Schedule 6;
 - (b) clause 16 of Schedule 6;
 - (c) clause 22 of Schedule 6;
 - (d) clause 24 of Schedule 6;
 - (e) clause 25 of Schedule 6;
 - (f) clause 27 of Schedule 6;
 - (g) clause 28 of Schedule 6;
 - (h) clause 30 of Schedule 6;
 - (i) clause 38 (a) of Schedule 6; and
 - (j) clause 41 of Schedule 6; on condition that —
1. The Statement shall include a provision that funds subscribed by unitholders, whether as deposits or paid at any other time before completion of their respective units or apartments, will not be used to finance the development, and accordingly all such sums will be held by the Trustee approved for this issue of prescribed interests in a trust account until the purchaser is entitled to take up residence.
 2. The Statement and any Application Form issued with the Statement shall contain a reference to the effect that applicants for units or apartments shall be entitled within seven (7) days of executing the Agreement to Lease, to withdraw the Agreement to Lease and to have all application monies returned to the applicant.
 3. The Statement shall include a provision for the manner in which continuing charges and levies (including provision for maintenance and refurbishment) are to be calculated and imposed on unitholders.
 4. The Statement shall include a provision for the management company to pay the same continuing charges in respect of unsold units or apartments as unitholders are required to pay in respect of units or apartments which they have brought.
 5. The Statement provides for inclusion of a schedule of finishes and fittings for individual village units or apartments.
 6. The Statement shall include a provision for the management company to use its best endeavours to cause any retirement village units or apartments to be purchased at the request of the holder of that unit or apartment.
 7. The Statement shall include a provision setting out the extent of the investors' entitlement to medical or nursing home care in the retirement village.
 8. The Statement shall include a provision requiring copies of the plans and specifications and any amendments thereto, relating to the retirement village to be freely available wherever units or apartments in the retirement village are offered for sale.
 9. The Statement shall contain a brief reference to the covenants and requirements for which exemption has been granted.
 10. The exemption from the requirements of Clause 30 of Schedule 6 to the Companies (Queensland) Regulations applies insofar as that clause would require the management company/owner to disclose its profit on the development.

11. The Statement shall contain a declaration that no prescribed interests purchased or subscribed for pursuant to the Statement shall be issued to applicants later than 18 months after the date appearing in the Statement pursuant to Clause 1 of Schedule 6 to the Companies (Queensland) Regulations. This exemption shall cease to have effect if the nature of the scheme changes during the 18 month period referred to above.
12. The exemption from the requirements of Clause 25 of Schedule 6 to the Companies (Queensland) Regulations applies insofar as that clause now only requires the developer of the land to disclose that it will receive the net proceeds of subscriptions.
13. The exemption from the requirements of Clause 41 of Schedule 6 to the Companies (Queensland) Regulations applies insofar as the information need only relate to the twelve months immediately preceding the date of the Statement.
14. The Statement shall include a notice advising applicants that the promotor of this retirement village is required to provide the relevant information and register a Statement with the Commissioner. The notice will further advise that security of tenure is dependant on contractual arrangements between the applicant and the promotor and that applicants should seek professional advice.
15. The Directors' report and financial information in the Statement shall be updated by the issue of a supplement to the Statement at 6 monthly intervals, the first such supplement to be issued no later than 6 months after the date of the Statement and such supplement to comply with the requirements of Schedule 6 to the Regulations except to the extent of any exemptions/modifications granted herein, and for the purposes of the various reports, substituting "issue of the Supplement" for "issue of the Statement" wherever the latter term appears and to include a reference as to whether the nature of the scheme has changed during the interval.
16. The same number of copies of each supplement shall be lodged with the Commissioner, as was furnished to the Commissioner in relation to the registered Statement, prior to its issue.
17. A copy of the most recent supplement shall be enclosed with every copy of the Statement issued after the date on which the supplement is issued.

And pursuant to sub-section 215 (2) of the Code I hereby exempt the persons specified in Schedule B from the restrictions contained in Sections 99 and 100 of the Code, as applied by sub-section 170 (3) of the Code in respect to the issue of prescribed interests in the retirement village scheme specified in Schedule A, on condition that —

1. The advertisement does not include any reference to the Commission's or the Commissioner's approval of the scheme nor to the holding of licences under the Securities Industry (Queensland) Code.
2. The advertisement contains a disclosure that applications may proceed only by means of the form included with the Statement. This disclosure shall be given at least equal prominence with the print size used in the body of the advertisement.
3. Queensland Trustees Limited has given written approval in accordance with the relevant approved Deed to the advertisement prior to its lodgement for publication.

And pursuant to sub-section 215C (2) of the Code, I hereby exempt the persons specified in Schedule B from compliance with sub-section 98 (1) (eb) of the Code insofar as the Commissioner requires a price list ("the List") for the prescribed interests in the trust relating to the retirement village scheme specified in Schedule A to be attached to the Statement and a copy of both the List and the Statement to be registered, on condition that—

1. The Statement, proposed to be lodged with the Commissioner in relation to an issue of prescribed interests in a retirement village scheme, entitling the holder to use

- and occupancy of a unit or apartment in the retirement village specified in Schedule A, shall contain a List to be issued as part of the Statement in the form of a loose-leaf insert and not attached to the Statement.
2. The List and Statement are identical with the registered List and Statement in all respects save that the prices attaching to the units or apartments have been altered and before issue to any person, the same number of copies of the List and Statement have been lodged with the Commissioner as was furnished to the Commissioner in relation to the registered Statement.
 3. The prices are set out in the List and the List discloses the date from which the prices attaching to the retirement village units or apartments became effective.
