Special Information

NOTICES UNDER THE INDEPENDENT AIR FARES COMMITTEE ACT-1981

Cost Allocation Reviews: Ansett Transport Industries Ltd and Australian National Airlines Commission

As advised in *Gazette* No. G 32 dated 13.8.85, the Independent Air Fares Committee, in accordance with the relevant provisions of the IAFC Act 1981, is undertaking cost allocation reviews in relation to air services provided by Ansett Transport Industries Ltd and the Australian National Airlines Commission over all their routes.

As directed by the Minister for Aviation, the Hon. P. Morris, the cost allocation reviews will cover the following passenger operators:

Ansett Transport Industries Ltd
Ansett Airlines of Australia
Airlines of South Australia
Air N.S.W.
Ansett N.T.
Ansett W.A.

Australian National Airlines Commission
Trans Australia Airlines
Air Queensland Ltd.

The Minister has specified that the cost allocation reviews be completed, and determinations made, on or before 30 June 1986.

The members of the Committee are Mr K. F. Wraith (Chairman), Dr D. W. Zink and Mr A. Oliver, C.M.G.

The Committee plans to hold public hearings in all States, as well as the Northern Territory and the Australian Capital Territory, commencing mid-February 1986. The locations, dates and venues for these public hearings will be notified in the *Gazette* and national and capital city newspapers.

An information paper, which includes details of matters the Committee wishes to consider during the cost allocation reviews, can be obtained by telephoning the office of the IAFC (Mr Geoff Asher (03) 62 7174) or making a request in writing to the Secretary at the address set out below.

When conducting a cost allocation review the Committee is required by the Act to identify all costs (including provision for profit) incurred by the operator in providing regular public transport air services and then to attribute (allocate) these costs to two components, namely:

- (a) a fixed initial amount referred to as the 'flag-fall' component, and
- (b) an amount for each kilometre travelled referred to as the 'distance' component.

These cost allocations are subsequently used by the Committee to determine the amount of economy air fares or formula(e) from which economy fares are calculated.

Interested persons, organisations and associations are invited to submit in writing any views they consider should be taken into account in the cost allocation reviews. They should also indicate whether they wish to give oral evidence at the hearings. After considering submissions the Committee will determine those persons/organisations from whom oral evidence will be heard.

Those submissions lodged with the Committee which do not contain confidential information will be made available to the public.

The Committee may, if it thinks fit, direct that the hearings be held in public or in private and give directions as to the persons who may be present during such hearings.

The closing date for submissions is Friday, 17 January 1986. Submissions of a confidential nature should be clearly marked and be separate from public submissions. Five copies of submissions containing matters considered to be of a confidential nature and ten copies of all submissions would be appreciated. Submissions should be addressed to: The Secretary, Independent Air Fares Committee, G.P.O. Box 94A, Melbourne, Vic. 3001 Telex: 38145.
