## Variation of closing times

### Commonwealth of Australia Gazette

Monday, 3 October 1988 is a public holiday in the Australian Capital Territory, thus affecting the closing times for submission of copy for several issues of the *Gazette*. Notices for publication should be lodged at the Gazette Office, unless otherwise specified, by the following times for the issues concerned.

#### Government Notices Gazette Issues:

Issue dated 5 October 1988:

*All notices:* Wednesday, 28 September 1988 at 10.00 a.m.

### GENERAL INFORMATION

#### IMPORTANT COPYRIGHT NOTICE

##### © Commonwealth of Australia

This work is copyright. Apart from any use as permitted under the *Copyright Act 1968*, no part may be reproduced by any process without written permission from the Director Publishing and Marketing AGPS. Inquiries should be directed to the Manager, AGPS Press, Australian Government Publishing Service, GPO Box 84, Canberra ACT 2601.

**Government Notices** issues, published each Wednesday, containing all legislation, proclamations, special information and government departments notices and are sold at \$5.95 each or on subscription of \$290.00 (50 issues), \$150.00 (25 issues) or \$75.00 (12 issues).

**NOTICES FOR PUBLICATION** and related correspondence should be addressed to:

Gazette Officer, Australian Government Publishing Service, GPO Box 4007, Canberra ACT 2601. Telephone (062) 95 4656

or lodged at AGPS, Government Printing Office Building, Wentworth Avenue, Kingston. Notices are accepted for publication in the next available issue, unless otherwise specified.

Except where a standard form is used, all notices for publication must have a covering instruction setting out requirements. A typewritten original or good copies are to be provided, wherever possible double-spaced, with a margin surrounding the typewritten matter. Copy is to be confined to one side of the paper, sheets are to be of uniform size (preferably A4), numbered consecutively and fastened securely together. Dates, proper names and signatures particularly are to be shown clearly.

Copy will be returned unpublished if not submitted in accordance with these requirements.

**CLOSING TIMES.** Notices for publication should be lodged at AGPS, Government Printing Office Building, unless otherwise specified, by the following times (except at holiday periods for which special advice of earlier closing times will be given).

*Government Notices Gazette all copy:* Friday at 10.00 a.m. in the week before publication.

#### PRIVATE NOTICES

The rates of charge and conditions applying to acceptance of copy for private notices are as follows:

- (a) minimum charge up to 125 words \$58.00;
- (b) each 25 words (or part thereof) thereafter \$12.00.

Remittances must be forwarded with a copy of the notice for publication unless prior credit approval has been granted for account customers. Account customers are reminded that payment is due immediately on presentation of invoice. Should payment not be received within twenty-eight days of the invoice date, credit privileges will be withdrawn.

Notices received without payment or from account customers whose credit privileges have been withdrawn will be returned unpublished.

**SUBSCRIPTIONS** are payable in advance and are accepted for a maximum period of one year. All subscriptions are on a firm basis and refunds for cancellations will not be given. Rates include surface postage in Australia and overseas. Other carriage rates are available on application.

**AVAILABILITY.** The *Gazette* may be purchased by mail from:

#### OTHER ISSUES OF THE GAZETTE

**Public Service** issues contain notices concerning administrative matters, including examinations, vacancies, transfers and promotions within the Australian Public Service and the Services of the Australian Postal Commission, Australian Telecommunications Commission, Commonwealth Teaching Service and Defence Force appointments etc. These issues are published weekly at 10.30 a.m. on Thursday, and sold at \$8.95 each or on subscription of \$395.00 (50 issues), \$206.00 (25 issues) or \$103.00 (12 issues).

**Business** issues, published each Tuesday, containing Notices under the Co-operative Companies and Securities Scheme, Bankruptcy Act and Private Notices and sold at \$3.95 each or on subscription of \$220.00 (50 issues), \$116.00 (25 issues) or \$58.00 (12 issues).

**Special** issues include notices which require urgent publication. All costs associated with producing Specials will be borne by the responsible department or authority. A limited number of *Special Gazettes* will be made available for sale from the Commonwealth Government Bookshop, Canberra, on the day of publication. General distribution of these notices will be by their inclusion in the next published issue of the *Government Notices Gazette* or *Business Gazette* as well as in the next published issue of the series of the *Gazette* in which the notice would normally have been published.

**Tariff concessions** issues contain notices of tariff concessions proposed, granted or revoked in accordance with the provisions of Part XVA of the *Customs Act 1901*. These issues are published each Wednesday and are sold at \$1.95 or on subscription only at \$115.00 for 50 issues including surface postage.

**Periodic** issues contain lengthy notices of a non-urgent nature, including the following: certificates of Australian citizenship; registered tax agents; authorised celebrants; unclaimed deposits and moneys; Australian Public Service conditions of entry and advancement; appointments to the Australian Public Service; holders of import licences and tariff quotas. Issues are made at irregular intervals as required, at individual prices according to size. Advice of availability is given in the *Government Notices, Business and Public Service* issues immediately following the day of publication. Periodic issues are not available on subscription, but standing orders are accepted for all selected issues.

**Purchasing and Disposals** issues of the *Gazette* provide information on Commonwealth purchases and disposals and other matters of general interest to persons buying from or selling to the Commonwealth. These issues are published each Wednesday and sold at \$3.95 or on subscription of \$200.00 including postage for 50 issues.

**Index issues** contain references to entries in the Government Notices issues and entries in the Orders in Council, Notices under the Superannuation Act, Notices under the

Public Service Act, and Determinations under the Public Service Act sections of the Public Service issues. Index issues are published quarterly, are available over the counter from Commonwealth Government Bookshops and are supplied without charge to annual subscribers to the Government Notices issues.

**Employment, Education and Training****NOTIFICATION OF NON-GOVERNMENT SCHOOLS SEEKING ELIGIBILITY FOR COMMONWEALTH FINANCIAL ASSISTANCE**

The following schools have notified their intention to seek eligibility for Commonwealth financial assistance in respect of their proposed commencement or, in the case of existing non-government schools, their proposed change in operation.

Interested parties have the opportunity to make submissions about particular proposals. Such submissions must be made no later than four weeks following publication of the *Gazette* and must address specific issues or matters of concern with the school's proposal. In general, the submission should be based on the criteria against which the funding priority of the proposal will be assessed. Submissions received within the four week period will be forwarded to the New Schools Committees for their consideration when recommending a funding priority. They will also be made available to proponents of the new schools or schools changing operations.

Interested parties should note that submissions received after the four week period cannot be considered by the Committees.

Submissions should be directed to The Secretary, Commonwealth Department of Employment Education and Training, PO Box 826, Woden ACT 2606. Attention: New Schools Section

**NOTICE OF APPLICATION FOR CONSENT TO A  
CHANGE IN THE CONDITIONS OF ELIGIBILITY  
FOR MEMBERSHIP**

(R No. 146 of 1988)

NOTICE is given that an application has been made to me under the *Conciliation and Arbitration Act 1904* for consent to an alteration of the rules of the External Plant Officers Association insofar as those rules relate to the conditions of eligibility for membership of the organization.

The alteration is sought from the following:

**"4 — ELIGIBILITY FOR MEMBERSHIP**

There shall be eligible for membership of the External Plant Officers Association employees of the Australian Telecommunications Commission, the Department of Aviation and the Department of Transport engaged in technical, supervisory or managerial duties which are directly related to those functions in lines or external plant work, and, without limiting the foregoing avocations,

- (a) Senior Lines Officer, Principal Lines Officer, External Plant Manager, Installation Manager, Program Manager and Technical Services Manager;
- (b) Lines Officer (provided that they are persons who immediately before becoming Lines Officers were members of the Association and employed as Technical Officers (external plant));
- (c) Technical Officer, Senior Technical Officer, Principal Technical Officer provided that they are carrying out lines or external plant work and have worked in the lines area for at least six years;
- (d) Inspector (Radio External Plant), Lines Inspector, Senior Lines Inspector and Lines Controller;

Provided that a person employed as a Drafting Officer (Operations) shall not be eligible for membership of the Association.

Provided the eligibility for membership in the Association does not include employees of the Australian Telecommunications Commission employed in the Internal Plant area.

Provided that any employee coming within the conditions of eligibility for membership of the Professional Radio and Electronics Institute as it stood as at 12th January 1987 shall not be eligible for membership of the Association.

Provided that any employee eligible for membership of the Australian Postal and Telecommunications Union other than Lines Officer (who immediately before appointment as such was a member of the Association and employed as a Technical Officer Grade 1 (External Plant)), Senior Lines Officer, Principal Lines Officer, External Plant Manager, Installation Manager, Program Manager or Technical Services Manager shall not be eligible for membership of the Association."

To the following:

**"4 — ELIGIBILITY FOR MEMBERSHIP**

**AUSTRALIAN DRIED FRUITS CORPORATION  
CONTRACTS FOR CARRIAGE OF DRIED FRUIT**

In pursuance of section 11 (1) of the *Australian Dried Fruits Corporation Act 1978*, the Australian Dried Fruits Corporation hereby approves the Shipping Conferences and Companies listed in Column 1 of the following schedule to carry Australian dried fruit to the places designated in Column 2 of the Schedule. This schedule is additional to schedule notified in previous *Gazette*.

**SCHEDULE**

Column 1	Column 2

Statutory Rules 1988 No ... 1

STANDARD UNDER THE RADIOCOMMUNICATIONS  
ACT 1983

I, Peter Morris, the Minister for Transport and Communications Support hereby make the following standard under Section 9 of the Radiocommunications Act 1983.

Dated ..... 1988

Minister for Transport and Communications Support

-----

STANDARD UNDER THE RADIOCOMMUNICATIONS ACT 1983  
FOR 27 MHz RADIOCOMMUNICATIONS EQUIPMENT USED  
IN THE INSHORE BOATING SERVICE

PART 1 - PRELIMINARY

Citation

1. This standard may be cited as "Ministerial Standard 244".

Interpretation

2. In this standard unless the contrary intention appears -

"A3E" means an emission whose basic characteristic is that of a double sideband, amplitude modulated single channel carrier containing primarily analogue telephony information;

"ALC" means automatic level control;

"ALC threshold" means the operating point on a transmitter output power characteristic at which an increase in the modulating signal level does not cause a proportional increase in output power;

"battery-end-of-life voltage" means the manufacturer's declared voltage below which the battery is incapable of operating the equipment in accordance with the manufacturer's stated specifications;

"dB" means decibel;

"dBm" means decibel relative to one milliwatt;

"device" means a device to which this standard applies;

"emission" means radiation produced, or the production of radiation, by a radiocommunications transmitter;

"handheld" means an IBS radio intended to be carried on the person and deriving primary power from a replaceable or rechargeable internal battery;

"Hz" means Hertz;

"IBS radio" means a radiocommunications transmitter or receiver used or intended for use in the Inshore Boating Service;

"inshore boating service" means a radiocommunications service that is used principally for the transmission of messages between limited coast stations and ship stations, or between ship stations operating in inshore waters.

"J3E" means an emission whose basic characteristic is that of a single sideband, amplitude modulated suppressed carrier on a single channel containing primarily analogue telephony information;

"kHz" means Kilohertz;

"limited coast station" means a station on land established for the purpose of communicating by radio with ship stations at sea and which is not used for the transmission and reception of messages on behalf of the public;

"MHz" means Megahertz;

"multi-role device" means a device which is or includes a radiocommunications transmitter and which is capable of operation on-

- (a) 27 MHz Inshore Boating Service frequencies; and
- (b) any other frequency;

"mW" means milliwatt;

"out-of-band emission" means an emission which results from the modulation process on a frequency or frequencies outside the permitted bandwidth, but excluding spurious emissions;

"permitted bandwidth" means

- (a) where the transmitter operates in the A3E emission mode, the 8 kHz band centred on the operating carrier frequency; or
- (b) where the transmitter operates in the J3E upper sideband emission mode, the 4 kHz band centred on a frequency 2 kHz above the suppressed operating carrier frequency;

"pX" means peak envelope power;

"radiation" means the outward flow of energy from any source by means of radio transmission;

"radio transmission" has the same meaning as in section 3 of the Radiocommunications Act 1983;

"radiocommunications transmitter" has the same meaning as in section 3 of the Radiocommunications Act 1983;

"rated peak envelope power" means the peak envelope power at the transmitter output with a modulating signal comprising two non-harmonically related sinusoids, in the frequency range 300 to 3000 Hz inclusive, at a level of modulation so that:

- (a) the transmitter is operating 10 dB above the ALC threshold; and
- (b) the radio frequency sidebands corresponding to the modulating sinusoids are of equal level;

"receiver" has the same meaning as in section 3 of the Radiocommunications Act 1983;

"reference audio frequency output power" means an audio power of 100 mW at the receiver output;

-4-

"reference sensitivity" means the minimum input signal level that can be applied to a receiver to produce standard SINAD ratio at reference audio frequency output power;

"reference sideband power" means the level of radio frequency sidebands produced when a transmitter is operating at rated peak envelope power;

"SINAD ratio" means the ratio, at the receiver output, of the power of the signal plus noise plus distortion to the power of the noise plus distortion;

"spurious emission" means an emission on a frequency or frequencies which are outside the permitted bandwidth and the level of which may be reduced without affecting the corresponding transmission of information;

"standard device" means a device which complies with this standard;

"standard modulating signal" means a modulating signal comprising two non-harmonically related sinusoids, in the frequency range 300 to 3000 Hz inclusive, at a level of modulation 20 dB below that required to establish rated peak envelope power;

"standard SINAD ratio" means a SINAD ratio of 12 dB;

"THD" means total harmonic distortion;

"transmitter" means a radiocommunications transmitter;

"unwanted emission" means a spurious emission or an out-of-band emission;

"W" means Watts; and

"°C" means degrees Celsius.

#### Devices to which this standard applies

3. (1) Subject to sub-clause 3(2) this standard applies to
  - (a) 27 MHz IBS radios; and
  - (b) multi-role devices.
- (2) Parts 3 and 4 of this standard do not apply to a multi-role device in respect of its operation in services other than the 27 MHz Inshore Boating Service.

## PART 2 - GENERAL

## Equipment markings

4. (1) Subject to sub-clause 4(3), there shall be displayed on a device -
- (a) a compliance statement in the form set out in item 1 of the schedule -
    - (i) indicating that the device complies with this standard; and
    - (ii) citing the type approval number shown on the compliance statement certificate issued in respect of the device under Section 12 of the Radiocommunications Act 1983; and
  - (b) its type or model designation which shall be distinctively different from that of imported equipment requiring modification before it complies with this standard.
- (2) A statement or marking displayed on a device in accordance with sub-clause 4(1) shall be clearly visible on the exterior surface of the device, indelible, tamper proof and affixed in such a manner as not to be removeable except by destruction or defacing.
- (3) Paragraph 4(1)(a) does not apply to a device unless the importer, manufacturer or supplier of the device, as the case may be, has been issued with a compliance statement certificate in respect of the device.

## Adjustment mechanisms

5. (1) For the purpose of this clause an 'adjustment mechanism' is a mechanism which enables the operation of a standard device to be altered so that the device contravenes the requirements of this standard.
- (2) Any adjustment mechanism shall be contained within the housing of a device and shall be accessible only with the use of tools such as screwdrivers and spanners.

## Conditions of operation

6. The requirements of Parts 3 and 4 shall be met by a device when it operates at:
- (1) ambient temperatures of between 0°C and 55°C inclusive; and

- (2) (a) subject to sub-clause (b), voltages within  $\pm 10\%$  of the primary supply voltage declared by the manufacturer; and
- (b) in the case of handheld devices, voltages between the primary supply voltage stated by the manufacturer, and the battery-end-of-life voltage.

### PART 3 - TRANSMITTER

#### Application

7. In this part 'transmitter' means a device which is a radiocommunications transmitter.

#### Emission modes

8. (1) Subject to sub-clause 8(2) and 8(3), a transmitter shall be capable of operation only in -
- (a) the A3E emission mode; or
  - (b) the J3E upper sideband emission mode.
- (2) A transmitter shall, subject to sub-clause 8(3), be capable of operation only in the A3E emission mode on the distress and calling channel 88 (27.880 MHz).
- (3) Information other than speech telephony shall not -
- (a) be transmitted on the distress and calling channels 88 (27.880 MHz) and 86(27.860 MHz); and
  - (b) exceed 3 seconds in any 60 seconds interval on any other channel.

#### Nominal carrier frequency

9. A transmitter shall, subject to clause 10, be capable of operating only on a channel designated in the first column of the table set out in item 2 of the schedule, being a channel whose nominal carrier frequency is specified in the second column opposite that channel.

#### Frequency error

10. The carrier frequency error of a transmitter shall not exceed  $\pm 1.4$  kHz.

**Mandatory distress channels**

11. (1) A transmitter shall, subject to clause 10, be capable of operating on -
  - (a) the primary distress and calling channel 88 (27.880 MHz); and
  - (b) the secondary distress and calling channel 86 (27.860 MHz).
- (2) When channel 88 is selected the radio shall clearly indicate that it is on the primary distress channel.

**Transients**

12. Emissions from a transmitter shall be inhibited until the operating carrier frequency has stabilized within the limit specified in clause 10.

**Carrier power**

13. The output carrier power of a transmitter operating in the A3E emission mode shall not exceed 4 W.

**Rated peak envelope power**

14. The rated peak envelope power of a transmitter operating in the J3E emission mode shall not exceed 12 W.

**Modulation limiting**

15. Where a transmitter operates in the A3E emission mode the depth of amplitude modulation under any modulation conditions shall not exceed 100%.

**Modulation sensitivity**

16. Where a transmitter operates in the A3E emission mode, a 1000 Hz sinusoidal signal applied to the transmitter microphone at a sound pressure of 2.5 pascals shall produce a modulation depth of not less than 80%.

**Automatic level control**

17. Where a transmitter operates in the J3E emission mode, a step increase of 20 dB in the level of standard modulating signal shall not cause -
  - (1) any transient pX to exceed 12 W by more than 1 dB; and
  - (2) where the transient pX exceeds 12 W, the time taken for the output power to reduce within 0.5 dB of the steady-state pX to exceed 10 milliseconds.

### Out-of-band emission suppression

18. Where a transmitter operates in the A3E emission mode the power of each out-of-band emission shall not exceed -
- (1) 11 dBm, where the frequency of the emission differs from the operating carrier frequency by greater than 4 kHz but not greater than 8 kHz;
  - (2) 1 dBm, where the frequency of the emission differs from the operating carrier frequency by greater than 8 kHz but not greater than 20 kHz;
  - (3) -24 dBm, where the frequency of the emission differs from the operating carrier frequency by greater than 20 kHz.

### Spurious emissions

19. The power of any spurious emission from a transmitter operating in the A3E emission mode shall not exceed -26 dBm.

### Unwanted emission suppression

20. Where a transmitter operates in the J3E emission mode the power of each out-of-band emission shall be attenuated relative to the reference sideband power of the transmitter by at least -
- (1) 24 dB, where the frequency of the emission differs from the centre frequency of the permitted bandwidth by greater than 2 kHz but not greater than 6 kHz;
  - (2) 34 dB, where the frequency of the emission differs from the centre frequency of the permitted bandwidth by greater than 6 kHz but not greater than 10 kHz;
  - (3) 59 dB, where the frequency of the emission differs from the centre frequency of the permitted bandwidth by greater than 10 kHz.

## PART 4 - RECEIVER

### Application

21. In this part 'receiver' means a device which is a radiocommunications receiver.

**Mandatory distress channels**

22. A receiver shall be capable of reception of A3E mode emissions on channel 88(27.880 MHz).

**Reference sensitivity**

23. The reference sensitivity of a receiver shall be equal or lower in level than -101 dBm.

**Conducted spurious signals**

24. The power of any spurious signal from a receiver shall not exceed -57 dBm.

**Spurious response immunity**

25. The spurious response immunity of a receiver shall be equal or higher in level than -41 dBm at frequencies offset from the operating carrier frequency by greater than 15 kHz and within the frequency band 100 kHz to 1000 MHz.

**Rated audio frequency output power**

26. A receiver which is not a handheld device shall have a rated audio output power of not less than 1 Watt with a maximum THD of 10%.

SCHEDULE

SECTION A. INTERPRETATION

Item 1. In this schedule, unless the contrary intention appears -

- (a) where a rate of postage, other charge or fee is shown as applying to a lodgment the size of which is represented by 2 figures separated by a dash - the rate or fee applies to any quantity of articles lodged by one person at one time that is equal in number to the first or second figure or greater than the first and less than the second;
- (b) where a rate of postage, other charge or fee is shown as applying to an article or lodgment the mass of which is represented by 2 numbers of grams or kilograms separated by a dash - the rate or fee applies to any article or lodgment, as the case requires, that is equal in mass to the first or second mass so represented or is greater than the first and less than the second;
- (c) where a rate of postage, other charge or fee -
  - (i) is shown as applying to a range of masses of articles or lodgments that is expressed in grams or kilograms;  
or
  - (ii) is payable according to the number of grams, kilograms or units of a specified mass in an article or lodgment,  
an article or lodgment the mass of which is not exactly divisible by a gram, kilogram or specified unit, as the case requires, shall be treated, for the purpose of that rate or fee, as if its mass were increased to the next greater mass that is so divisible;
- (d) where rates of postage, other charges or fees are tabulated, they apply to articles, lodgments and services set out opposite them and in the headings of the columns in which the rates or fees appear;
- (e) a reference to local delivery is a reference to delivery of an article that has been lodged at an office -
  - (i) for delivery to a private box, locked bag or private mail bag at, or by counter mail delivery, street mail delivery or contractor roadside mail delivery from, that office;  
or
  - (ii) for delivery to a private box, locked bag or private mail bag at, or by counter mail delivery from, a second office that is within the street mail delivery area of the first office,

and, for the purpose of that reference, lodgment at an office means lodgment at a counter at that office (or, where that office does not have counter lodgment facilities, at a counter of an alternative office designated by a State Manager for the purpose) or in a private mail bag or community bag that is brought to that office or delivery to a mail contractor or postman, who is required, in the course of his duties, to hand in articles so delivered at that office;

## 2.

- (f) "Domestic" services relate to the lodgment of articles in Australia for delivery in Australia, Norfolk Island, the Territory of Cocos (Keeling) Islands or the Territory of Christmas Island and "Overseas" services relate to articles lodged in Australia for delivery elsewhere;
- (g) for the purposes of paragraph (f) -
- (i) articles lodged in Australia for delivery to HMA Ships in Australia and elsewhere; and
- (ii) articles lodged, by persons serving in HMA Ships outside Australia, in closed mails which are delivered to overseas postal administrations or to Department of Defence personnel for transmission to Australia,
- shall be deemed to have been lodged for transmission by the Domestic service;
- (h) for the purpose of calculating rates of postage and other charges -
- (i) an article referred to in sub-paragraph (g)(i) shall be deemed to have been delivered in the postcode area indicated in the address given by the sender; and

**AUSTRALIAN BROADCASTING TRIBUNAL  
RENEWAL OF A COMMERCIAL TELEVISION  
LICENCE TO SERVE SOUTHERN TASMANIA—TVT  
HOBART**

The Australian Broadcasting Tribunal has commenced an inquiry into the application by Tasmanian Television Limited for the renewal of the licence for TVT-6 Hobart Tasmania. The licence is due to expire on 19 December 1988.

The issue to be considered in the inquiry is whether the Tribunal should refuse to renew the licence for any of the reasons set out in s. 86 (11B) of the *Broadcasting Act 1942*, and in particular:

- (a) Whether the licensee has complied with its undertakings to provide an adequate and comprehensive service pursuant to the licence, and to use and encourage the use of Australia's creative resources;
- (b) Whether the licensee is no longer a fit and proper person to hold the licence;
- (c) Whether the licensee has the necessary financial technical and management capabilities;
- (d) Whether a condition of the licence has not been complied with;
- (e) Whether the service is commercially viable.

If you wish to make a submission to the inquiry on any of these matters, you should lodge it with the Tribunal's North Sydney office by 5.00 p.m. on 19 October 1988.

Before lodging a submission, you should inspect the inquiry file (containing the applications and other useful background information) and read the Tribunal's *Guide for submitters* (copies are available from the Tribunal and are attached to the inquiry file). The inquiry file can be inspected during business hours at the Tribunal office:

### ARRANGEMENT BETWEEN THE COMMONWEALTH AND QUEENSLAND IN RELATION TO THE DEMERSAL NET FISHERY

AN ARRANGEMENT entered into between the Commonwealth of Australia of the one part ("the Commonwealth") and the State of Queensland ("the State") of the other part.

#### WHEREAS:

- (a) paragraph 12H (4) (b) of the *Fisheries Act 1952* of the Parliament of the Commonwealth ("the Act") provides that the Commonwealth may make an arrangement with a State with respect to a particular fishery in waters adjacent to the State, not being a fishery to which an arrangement under sub-section 12H (1) applies, that the fishery (being a fishery wholly or partly in waters on the seaward side of the coastal waters of the State) is to be managed in accordance with the law of the State;
- (b) no Arrangement has been entered into under sub-section 12H (1) of the Act with respect to the fishery for which this Arrangement provides ("the fishery");
- (c) under sub-section 12J (1) of the Act an Arrangement under, inter alia, paragraph 12H (4) (b) shall be made by an instrument in writing approved by the Governor-General and the Governor or Governors of the State or States concerned;
- (d) sub-section 36H (1) of the *Fisheries Act 1976-1984* of the Parliament of the State of Queensland ("the State Act") empowers the State, in accordance with section 12J of the Act, to make an arrangement referred to in section 12H of the Act for the management of a particular fishery; and
- (e) both the Commonwealth and the State are desirous of exercising their powers to conclude an Arrangement in relation to the fishery.

NOW THEREFORE, in pursuance of the Act and the State Act and of all other powers so enabling, it is mutually Arranged as follows:

1. The arrangement entered into between the Commonwealth and the State in relation to the Demersal Net Fishery published in the *Commonwealth of Australia Gazette* No. S104 on 1 June 1987 is pursuant to sub-section 12J (2) of the Act terminated.
2. The fishery to which this Arrangement applies is the fishery with the use of equipment known as otter trawl net, beam trawl net or otter try-net in the area of waters adjacent to the State bounded by a line—
  - (a) commencing at the northern-most intersection of the shore of Cape York Peninsula with the meridian of Longitude 142°31'49" East;
  - (b) running thence north along that meridian to its intersection with the parallel of Latitude 10°41'17" South;
  - (c) thence east along that parallel to its intersection with the meridian of Longitude 144° East;
  - (d) thence north along that meridian to its intersection with the parallel of Latitude 10°28' South;
  - (e) thence east along that parallel to its intersection with the meridian of Longitude 144°10' East;

- (f) thence northerly along the geodesic to the point of Latitude 10°15' South, Longitude 144°12' East;
  - (g) thence north-easterly along the geodesic to the point of Latitude 9°54' South, Longitude 144°28' East;
  - (h) thence north along the meridian of Longitude 144°28' East to its intersection with the outer limit of the Australian fishing zone;
  - (j) thence south-easterly along that outer limit to its intersection with the meridian of Longitude 145° East;
  - (k) thence southerly along that meridian to its intersection with the parallel of latitude 13° South;
  - (m) thence south-easterly along the geodesic to the point of Latitude 15° South, Longitude 146° East;
  - (n) thence south-easterly along the geodesic to the point of Latitude 18°20' South, Longitude 148°20' East;
  - (p) thence south-easterly along the geodesic to the point of Latitude 18°45' South, 152°35' East;
  - (q) thence southerly along the geodesic to the point of Latitude 22°15' South, Longitude 154°40' East;
  - (r) thence south along the meridian of Longitude 154°40' East to its intersection with the parallel of Latitude 27°48' South;
  - (s) thence west along that parallel to its intersection with the meridian of Longitude 154°22' East;
  - (t) thence south-westerly along the geodesic to the point of Latitude 27°58' south, 154° East;
  - (u) thence westerly along the geodesic to the intersection of the eastern shore of Australia with the parallel of Latitude 28°10' South;
  - (w) thence northerly along the eastern shore of Australia to the point of commencement.
3. The fishery is to be managed in accordance with the law of Queensland.
  4. This Arrangement shall, upon being executed on behalf of the Commonwealth and of the State and upon being approved by the Governor-General of the Commonwealth and the Governor of the State, take effect in accordance with both the Act and the State Act.

Dated the 14th day of June 1988.

#### ARRANGEMENT BETWEEN THE COMMONWEALTH AND QUEENSLAND IN RELATION TO THE CRAB FISHERY

AN ARRANGEMENT entered into between the Commonwealth of Australia of the one part ("the Commonwealth") and the State of Queensland ("the State") of the other part.

#### WHEREAS:

- (a) paragraph 12H (4) (b) of the *Fisheries Act 1952* of the Parliament of the Commonwealth ("the Act") provides that the Commonwealth may make an arrangement with a State with respect to a particular fishery in waters adjacent to the State, not being a fishery to which an arrangement under sub-section 12H (1) applies, that the fishery (being a fishery wholly or partly in waters on the seaward side of the coastal waters of the State) is to be managed in accordance with the law of the State;
- (b) no Arrangement has been entered into under sub-section 12H (1) of the Act with respect to the fishery for which this Arrangement provides ("the fishery");
- (c) under sub-section 12J (1) of the Act an Arrangement under, inter alia, paragraph 12H (4) (b) shall be made by an instrument in writing approved by the Governor-General and the Governor or Governors of the State or States concerned;
- (d) sub-section 36H (1) of the *Fisheries Act 1976-1984* of the Parliament of the State of Queensland ("the State Act") empowers the State, in accordance with section 12J of the Act, to make an arrangement referred to in section 12H of the Act for the management of a particular fishery; and

- (e) both the Commonwealth and the State are desirous of exercising their powers to conclude an Arrangement in relation to the fishery.

NOW THEREFORE, in pursuance of the Act and the State Act and of all other powers so enabling, it is mutually arranged as follows:

1. The Arrangement entered into between the Commonwealth and the State in relation to the Crab Fishery published in the *Commonwealth of Australia Gazette* No. S104 on 1 June 1987 is pursuant to sub-section 12J (2) of the Act terminated.
2. The fishery to which this Arrangement applies is the fishery for crustaceans of the Order Decapoda, Infra-order Brachyura (commonly known as crabs) with the use of a crab pot, dilly or tangle net in the area of waters adjacent to the State—
  - (a) bounded by a line—
    - (i) commencing at the northern-most intersection of the shore of Cape York Peninsula with the meridian of Longitude 142°31'49" East;
    - (ii) running thence north along that meridian to its intersection with the parallel of Latitude 10°28' South;
    - (iii) thence east along that parallel to its intersection with the meridian of Longitude 143°56' East;
    - (iv) thence southerly along the geodesic to the point of Latitude 10°41' South, Longitude 143°59' East;
    - (v) thence east along the parallel of Latitude 10°41' South to its intersection with the meridian of Longitude 145° East;
    - (vi) thence south along that meridian to its intersection with the parallel of Latitude 13° South;
    - (vii) thence southerly along the geodesic to the point of Latitude 15° South, Longitude 146° East;
    - (viii) thence southerly along the geodesic to the point of Latitude 17°30' South, Longitude 147° East;
    - (ix) thence south-easterly along the geodesic to the point of Latitude 21° South, Longitude 152°55' East;
    - (x) thence southerly along the geodesic to the point of Latitude 24°30' South, Longitude 154° East;
    - (xi) thence south along the meridian of Longitude 154° East to its intersection with the parallel of Latitude 27°58' South;
    - (xii) thence westerly along the geodesic to the intersection of the eastern shore of Australia with the parallel of Latitude 28°10' South;
    - (xiii) thence northerly along the eastern shore of Australia to the point of commencement;
  - (b) bounded by a line—
    - (i) commencing at the intersection of the southern shore of the Gulf of Carpentaria with the meridian of Longitude 138° East;
    - (ii) running thence north along that meridian to its intersection with the line, every point on which is 25 nautical miles seaward of the nearest point on the baseline from which the breadth of the territorial sea of Australia is measured;
    - (iii) thence easterly and northerly along that line to its intersection west of Cape York Peninsula with the parallel of Latitude 10°48' south;
    - (iv) thence east along that parallel to its intersection with the western shore of Cape York Peninsula;
    - (v) thence southerly and westerly along the shore of the Gulf of Carpentaria to the point of commencement.
3. The fishery is to be managed in accordance with the law of Queensland.

4. This Arrangement shall, upon being executed on behalf of the Commonwealth and of the State and upon being approved by the Governor-General of the Commonwealth and the Governor of the State, take effect in accordance with both the Act and the State Act.

Dated the 14th day of June 1988.

Signed for and on behalf of the Commonwealth of Australia by the Honourable JOHN CHARLES KERIN, Minister for Primary Industries and Energy, in the presence of Jeff Gilmore

## ARRANGEMENT BETWEEN THE COMMONWEALTH AND QUEENSLAND IN RELATION TO THE ROCK LOBSTER DIVE FISHERY

AN ARRANGEMENT entered into between the Commonwealth of Australia of the one part ("the Commonwealth") and the State of Queensland ("the State") of the other part.

WHEREAS:

- (a) paragraph 12H (4) (b) of the *Fisheries Act 1952* of the Parliament of the Commonwealth ("the Act") provides that the Commonwealth may make an arrangement with a State with respect to a particular fishery in waters adjacent to the State, not being a fishery to which an arrangement under sub-section 12H (1) applies, that the fishery (being a fishery wholly or partly in waters on the seaward side of the coastal waters of the State) is to be managed in accordance with the law of the State;
- (b) no Arrangement has been entered into under sub-section 12H (1) of the Act with respect to the fishery for which this Arrangement provides ("the fishery");
- (c) under sub-section 12J (1) of the Act an Arrangement under, inter alia, paragraph 12H (4) (b) shall be made by an instrument in writing approved by the Governor-General and the Governor or Governors of the State or States concerned;
- (d) sub-section 36H (1) of the *Fisheries Act 1976-1984* of the Parliament of the State of Queensland ("the State Act") empowers the State, in accordance with section 12J of the Act, to make an arrangement referred to in section 12H of the Act for the management of a particular fishery; and
- (e) both the Commonwealth and the State are desirous of exercising their powers to conclude an Arrangement in relation to the fishery.

NOW THEREFORE, in pursuance of the Act and the State Act and of all other powers so enabling, it is mutually arranged as follows:

1. The arrangement entered into between the Commonwealth and the State in relation to the Rock Lobster Dive Fishery published in the *Commonwealth of Australia Gazette* No. S104 on 1 June 1987 is pursuant to sub-section 12J (2) of the Act terminated.
2. The fishery to which this Arrangement applies is the fishery for crustaceans of the family Palinuridae (commonly known as rock lobsters) by diving (with or without the use of mechanical or self-contained under-water breathing apparatus) and collection by hand or with the use of an implement held in the hand, in the area of waters adjacent to the State bounded by a line—
  - (a) commencing at the northern-most intersection of the shore of Cape York Peninsula with the meridian of Longitude 142°31'49" East;
  - (b) running thence north along that meridian to its intersection with the parallel of Latitude 10°41'17" South;
  - (c) thence east along that parallel to its intersection with the meridian of Longitude 145° East;
  - (d) thence south along that meridian to its intersection with the parallel of Latitude 13° South;
  - (e) thence southerly along the geodesic to the point of Latitude 15° South, Longitude 146° East;
  - (f) thence southerly along the geodesic to the point of Latitude 17°30' South, Longitude 147° East;

**ARRANGEMENT BETWEEN THE COMMONWEALTH AND QUEENSLAND IN RELATION TO THE DEMERSAL REEF FISHERY**

AN ARRANGEMENT entered into between the Commonwealth of Australia of the one part ("the Commonwealth") and the State of Queensland ("the State") of the other part.

**WHEREAS:**

- (a) paragraph 12H (4) (b) of the *Fisheries Act 1952* of the Parliament of the Commonwealth ("the Act") provides that the Commonwealth may make an arrangement with a State with respect to a particular fishery in waters adjacent to the State, not being a fishery to which an arrangement under sub-section 12H (1) applies, that the fishery (being a fishery wholly or partly in waters on the seaward side of the coastal waters of the State) is to be managed in accordance with the law of the State;
- (b) no Arrangement has been entered into under sub-section 12H (1) of the Act with respect to the fishery for which this Arrangement provides ("the fishery");
- (c) under sub-section 12J (1) of the Act an Arrangement under, inter alia, paragraph 12H (4) (b) shall be made by an instrument in writing approved by the Governor-General and the Governor or Governors of the State or States concerned;
- (d) sub-section 36H (1) of the *Fisheries Act 1976-1984* of the Parliament of the State of Queensland ("the State Act") empowers the State, in accordance with section 12J of the Act, to make an arrangement referred to in section 12H of the Act for the management of a particular fishery; and
- (e) both the Commonwealth and the State are desirous of exercising their powers to conclude an Arrangement in relation to the fishery.

NOW THEREFORE, in pursuance of the Act and the State Act and of all other powers so enabling, it is mutually arranged as follows:

- 1. The arrangement entered into between the Commonwealth and the State in relation to the Demersal Reef Fishery published in the *Commonwealth of Australia Gazette* No. S104 on 1 June 1987 is pursuant to sub-section 12J (2) of the Act terminated.
- 2. The fishery to which this Arrangement applies is the fishery for all species of fish of the Superclass Pisces, other than such of the species of the family Scombridae (commonly known as tuna and tuna-like fish) as are not of the genera *Scomberomorus*, *Scomber*, *Acanthocybium*, *Grammatorcynus* and *Rastrelliger*, with the use of equipment known as hand-line, drop-line, trolling-line or rod and line, in the area of waters adjacent to the State—
  - (a) bounded by a line—
    - (i) commencing at the northern-most intersection of the shore of Cape York Peninsula with the meridian of Longitude 142°31'49" East;
    - (ii) running thence north along that meridian to its intersection with the parallel of Latitude 10°28' South;
    - (iii) thence east along that parallel to its intersection with the meridian of Longitude 143°56' East;
    - (iv) thence southerly along the geodesic to the point of Latitude 10°41' South, Longitude 143°59' East;
    - (v) thence east along the parallel of Latitude 10°41' South to its intersection with the meridian of Longitude 145° East;
    - (vi) thence south along that meridian to its intersection with the parallel of Latitude 13° South;
    - (vii) thence southerly along the geodesic to the point of Latitude 15° South, Longitude 146° East;

- (viii) thence southerly along the geodesic to the point of Latitude 17°30' South, Longitude 147° East;
  - (ix) thence south-easterly along the geodesic to the point of Latitude 21° South, Longitude 152°55' East;
  - (x) thence southerly along the geodesic to the point of Latitude 24°30' South, Longitude 154° East;
  - (xi) thence south along the meridian of Longitude 154° East to its intersection with the parallel of Latitude 27°58' South;
  - (xii) thence westerly along the geodesic to the intersection of the eastern shore of Australia with the parallel of Latitude 28°10' South;
  - (xiii) thence northerly along the eastern shore of Australia to the point of commencement;
- (b) bounded by a line—
- (i) commencing at the intersection of the southern shore of the Gulf of Carpentaria with the meridian of Longitude 138° East;
  - (ii) running thence north along that meridian to its intersection with the line, every point on which is 25 nautical miles seaward of the nearest point on the baseline from which the breadth of the territorial sea of Australia is measured;
  - (iii) thence easterly and northerly along that line to its intersection west of Cape York Peninsula with the parallel of Latitude 10°48' south;
  - (iv) thence east along that parallel to its intersection with the western shore of Cape York Peninsula;
  - (v) thence southerly and westerly along the shore of the Gulf of Carpentaria to the point of commencement.
3. The fishery is to be managed in accordance with the law of Queensland.
4. This Arrangement shall, upon being executed on behalf of the Commonwealth and of the State and upon being approved by the Governor-General of the Commonwealth and the Governor of the State, take effect in accordance with both the Act and the State Act.

Signed for and on behalf of the State of Queensland by the Honourable NEVILLE JOHN HARPER, Minister for Primary Industries, in the presence of K. Osborne, J.P. } N. J. HARPER

I, THE GOVERNOR-GENERAL of the Commonwealth of Australia, acting with the advice of the Federal Executive Council, in pursuance of sub-section 12J (1) of the *Fisheries Act 1952*, hereby approve this instrument.

- (g) by omitting, from subprinciple (6), the word "actual" (wherever occurring) and by substituting the word "estimated";
- (h) by omitting paragraph (a) of subprinciple (9), and inserting the following paragraph -

"(a) the Secretary makes a further determination during a financial year of the standard fee for non-classified patients or of the standard fee for classified patients for an approved nursing home under subsections 40AG(2) or 40AGA(2) of the Act in accordance with paragraphs 40AG(3)(b) or 40AGA(3)(b); and"

- (j) by omitting paragraph (b) of the subprinciple (9), and inserting the following paragraph -

"(b) the amount which represents AIA/ABD in the formula in subsections 40AG(5) or 40AGA(5) of the Act is different to the amount which represented that component of the formula in the determination of the standard fee for non-classified patients or of the standard fee for classified patients which took effect at the beginning of the financial year;"

- (k) by inserting, in subprinciple (11), the word "Assistance" between the words "Nursing Homes" and the word "Act";

- (l) by omitting subprinciple (19) and inserting the following subprinciple -

(19) Where -

- (a) costs of the types referred to in paragraph 24(4)(b), paragraph 30(6)(b) or subparagraphs 30(6)(e)(i), (ii), (iii) and (iv) were incurred prior to 1 July 1987 but were paid on or after 1 July 1987;
- (b) the Secretary is satisfied that the proprietor of the nursing home could not reasonably be expected to have known of these costs prior to 1 July 1987; and
- (c) some or all of this cost has not been taken into account in setting the home's scale of fees under the Act or its budget approved under Clause 6.1 of the agreement entered into under subsection 15(1) of the Nursing Homes Assistance Act and in force in relation to the financial year commencing before 1 July 1987;

the Secretary shall take into account as a loading such part of the cost referred to in paragraph (c) as the Secretary considers appropriate; and

- (m) by omitting subprinciple (20) and inserting the following subprinciple -

(20) In respect of all approved nursing homes (other than homes in which all of the patients are in a class of patients determined by the Minister pursuant to subsection 40AFB(3) of the Act), the Secretary shall, to assist in the provision of a registered nurse at all times, take into account as a loading the amount determined in accordance with the following formula
