Taxation (Administration) Ordinance 1987

Determination No. 2 of 1988

STAMP DUTY (SURRENDER AND RE-GRANT) DETERMINATION

Under subsection 99 (1) of the *Taxation (Administration) Ordinance 1987* I determine that the amount of stamp duty payable under the *Stamp Duties and Taxes Ordinance 1987* on a Crown lease first referred to in paragraph 17 (1) (ca) of that Ordinance, and the method by which that amount is to be calculated, are as follows:

1. The amount of duty is the amount (if any) by which the amount of duty which would, if the amendments effected by section 4 of the *Stamp Duties and Taxes (Amendment) Ordinance (No. 2) 1988* had not been made, have been payable on the Crown Lease exceeds the amount of duty which would have been payable on the previous Crown lease if it had been transferred on the date of surrender.
2. For the purposes of this determination:
 - (a) it shall be assumed that the value of the interest in a Crown Lease is, subject to paragraph (b), the unimproved value of the parcel of land held under that lease for the purposes of the *Rates and Land Tax Ordinance 1926*; and
 - (b) section 5 of that Ordinance shall be read as if the reference to 'the relevant date' in that section were a reference to:
 - (i) as regards the Crown lease—the date of grant; and
 - (ii) as regards the previous Crown lease—the date of surrender.

This determination shall be deemed to have commenced on 1 August 1987.

Dated this 13th day of October 1988.

Fellows would be expected to engage in research on some specific aspects of

public sector management and to contribute to seminars and other activities organised by the Centre.

The Centre would meet the travel costs of appointees from outside Brisbane, and provide some assistance with accommodation costs. It is expected that Fellows would normally be on salary or part salary from their employers, but in relevant cases the Centre may provide some stipend, to be determined for each case.

**ANTI-DUMPING AUTHORITY
NOTICE OF INQUIRY INTO IMPORTS OF
COLOURED PENCILS FROM BRAZIL, HUNGARY
AND POLAND**

The Minister for Science, Customs and Small Business has been advised of a preliminary finding by the Australian Customs Service that there are sufficient grounds for the publication of a dumping duty notice sought in respect of imports of coloured pencils from Brazil, Hungary and Poland.

The Minister, acting under section 9 of the Anti-Dumping Authority Act, has now requested the Authority to consider and report on this matter. The Authority intends to make its report no later than 15 February 1989.

Interested parties are invited to make submissions to the Authority as soon as possible, but certainly not later than

5 December 1988. Submissions should preferably address specific matters raised in the Australian Customs Service's report on its preliminary finding. Copies of that report can be obtained from the Office Manager, Dumping Control, Canberra by telephoning (062) 75 6060.

Following the receipt of submissions, it is likely that a meeting of parties will be arranged to explore issues raised and that after that meeting a further opportunity will be afforded for parties to make submissions to the Authority on these issues.

The Authority has adopted the 'public file' system used by Customs and explained in Australian Customs Notice number 87/169. Briefly, this means that a submission containing confidential information should be accompanied by another version, omitting the confidential material but containing a non-confidential summary of it, which can be made available to other parties to the inquiry. Three copies of each version are required.

For further information regarding this inquiry please telephone (062) 76 1631.

The Australian Broadcasting Tribunal has commenced an inquiry into the application for licence renewal by Triple R Broadcasters Ltd, licensee of 3RRR Melbourne. The licence is due to expire on 17 February 1989.

- Whether the licensee has complied with its undertakings to provide an adequate and comprehensive service in regards to its licence and utilizes and encourages the use of Australia's creative resources;
- Whether the licensee is no longer a fit and proper person to hold the licence;
- Whether the licensee has the necessary financial technical and management capabilities;
- Whether a condition of the licence has not been complied with;
- Whether the service is commercially viable;
- Whether the licensee meets the needs of the local community with respect to services and programs;
