## AUSTRALIAN ELECTORAL COMMISSION

### Application for Registration as a Political Party

The Australian Electoral Commission has received the following application for registration as a political party under the *Commonwealth Electoral Act 1918* (the Act).

Name of Party:           **Citizens' Initiated Referendum Party**

Abbreviation of name:       **C.I.R. Party**

Name and address of proposed registered officer:           **John Daniel Parker  
2 Apollo Place  
Lilli Pilli NSW 2229**

The application was made on 20 January 1989 by 10 members of the party. The party's application states that it wishes to receive election funding in reimbursement of its campaign expenditure.

If you believe that the party should not be registered:

- because it is not an organisation with an object of promoting the election to the Federal Parliament of its endorsed candidate(s); or
- because it has less than 500 members; or
- because the application does not fulfil the technical requirements specified in the Act; or
- because the party's name is likely to be confused with the name (or abbreviation) of another registered political party

you can state your reasons in writing to the Australian Electoral Commission before 1 March 1989. Submissions, which must be signed and contain your address, should be sent to the Australian Electoral Commission PO Box E201 Queen Victoria Terrace ACT 2600.

If you intend to lodge a submission objecting to the party's registration please contact Sue Sayer on (062) 714413 for more detailed information on the technical requirements in the Act. It should also be noted that submissions will be forwarded to the applicants for comment.

### AUSTRALIAN BROADCASTING TRIBUNAL

*Broadcasting Act 1942*

#### SHARE TRANSACTION—COMMERCIAL RADIO SERVICE 2KY

Notice of Inquiry

Submissions Invited

The Australian Broadcasting Tribunal commenced an inquiry on 29 January 1988 into the appointment of HB French, JP Gibson and P Mansford as new trustees pursuant to the rules of the Labour Council of NSW. Since opening this inquiry the Tribunal has received a further application naming LE Jamieson as trustee replacing HB French. Trustees JP Gibson, P Mansford and LE Jamieson are deemed to control all the shares of 2KY Broadcasting Pty Ltd, licensee of commercial radio service 2KY Sydney.

The issues to be considered in the inquiry are whether, if the application was for consent to the transfer of the licence

under section 89A of the *Broadcasting Act 1942*, the Tribunal should refuse consent having regard particularly to:

- (a) whether it would be advisable in the public interest, because:
- (i) the applicants are not fit and proper persons to hold the licences
  - (ii) the applicants do not have the necessary financial, technical and management capabilities.
  - (iii) the applicants are not capable of complying with the conditions of the licence;
- (b) the applicants' compliance with undertakings to provide adequate and comprehensive services and to use and encourage the use of Australian creative resources;
- (c) whether if consent was given, contraventions of section 90C (limitation of interests), section 90F (limitations of directorships) section 90G (foreign ownership provisions) section 92B (cross media ownership) or section 92D (cross media directorships) would occur.

Any person wishing to make a submission on these issues may lodge it with the Tribunal by 17 March 1989.

Before you lodge a submission, it would assist you to inspect the relevant inquiry file (containing the applications and other useful background information) and read the Tribunal's 'Guide for Submitters' (copies are available from the Tribunal and are attached to the inquiry files). Background papers on the transactions can be obtained and inquiry files can be inspected during business hours at the following address:
