LATE COPY/AUTHOR'S CORRECTIONS SURCHARGES

Late copy may be accepted on payment of a surcharge. Late copy is a notice submitted for publication in a nominated *Gazette* for which the copy deadline has closed but printing has not commenced. The late copy surcharge will be an additional fifty per cent of the current rate.

A surcharge will also apply for author's corrections made after the copy deadline. These corrections will be charged at \$2.00 per altered printed line.

For further information contact Don Kime on (062) 95 4657.

IMPORTANT NOTICE

The ACT *Gazette* is now available on subscription. Refer to the back page of this *Gazette* for further details.

NEW SPECIAL GAZETTE RATES

The Special *Gazette* surcharge has been revised. The new rate will be \$100.00 per printed page. This replaces the previous charge of \$100.00 per issue, and will be effective from 1 July 1989.

Inclusion of a surcharge is necessary to cover the costs of reproducing Special *Gazette* issues at the back of the Government Notices *Gazette*, to allow total dissemination of the information. Prior to the last revision of the *Gazette* advertising rates Special issues were consistently one to two pages in length. Since this time there has been an increase in the demand for multi-paged Special issues and therefore the rate of \$100.00 per page no longer covers associated production costs.

It is suggested that multi-paged notices could be published in the Government Notices or Periodic issues of the *Gazette*, rather than a Special issue, if time constraints permit.

Special Information

NOTICES UNDER THE INDEPENDENT AIR FARES COMMITTEE ACT 1981

<i>Operator and reference</i>	<i>Section of Act</i>	<i>Date notified</i>
Determination		
KENDELL AIRLINES (A21/89)	15	22.6.89
Determination of the following one-way economy air fares (excluding passenger taxes) effective from 1 July 1989:		
	\$	\$
Albury-Melbourne	100	Ceduna-Streaky Bay 66
-Wagga	69	Cooper Pedy-Olympic Dam 109
Adelaide-Ayers Rock	320	-Woomera 125
-Broken Hill	132	King Is-Melbourne 100
-Ceduna	155	Melbourne-Mt Gambier 118
-Cooper Pedy	209	-Merimbula 138
-Streaky Bay	138	-Mildura 140
-Mt Gambier	118	-Cooma 128
-Olympic Dam	156	-Portland 109
-Pt Lincoln	94	-Wagga 118
-Woomera	141	Mt Gambier-Portland 65
-Whyalla	89	Merimbula-Cooma 68
Ayers Rock-Cooper Pedy	165	Olympic Dam-Woomera 48

In making this determination (representing an average increase in fares of 7.75 per cent), the Committee had regard to cost and revenue estimates for the 1989/90 financial year submitted by Kendell Airlines but, after making adjustments to certain costs, concluded that a lower level of fare increase than that sought by the operator was justified in the circumstances.

Decision

EAST-WEST AIRLINES (D53/89) 17 (4) 20.6.89
Approval to offer 'conditionless' discount fares on the Melbourne-Sydney via Canberra/Albury routes at \$99 one-way and \$181 return (representing discounts of 45 per cent and fifty per cent respectively off the Ansett/Australian economy fares), effective from 26 June 1989 until 31 October 1990.

Approved on basis of estimates provided by the operator that the discount fare will generate additional traffic and improve profitability. The Committee intends to monitor the operating results of these fares monthly.

Community Services and Health

COMMONWEALTH OF AUSTRALIA

Health Insurance Act 1973

STATEMENT UNDER SECTION 106AA

On the 7th day of February 1989, I, NEAL BLEWETT, Minister of State for Community Services and Health, made a determination under section 106 of the *Health Insurance Act 1973* (the Act), in respect of Dr Leslie Sumanasinghe Kotagama, Consultant Physician of 215 Beecroft Rd, Cheltenham, New South Wales.

Particulars of Determination

A copy of the determination is at Attachment A.

Reasons for Determination

The determination was made by me on the basis of a report made under section 104 of the Act by the Medical Services Committee of Inquiry for the State of New South Wales, after its inquiry into the practice of Dr Kotagama.

The Committee was of the opinion that in respect of the patients under reference, certain of the services were excessive, in that they were not reasonably necessary for the adequate medical care of the patients concerned. The committee arrived at this opinion by referring to all the evidence before it and bringing to bear the knowledge and experience of its members.

Comments

The Government is seriously concerned by the practice of doctors like Dr Kotagama who provide services which are not reasonably necessary for the adequate medical care of the patients concerned. Excessive services are a drain on public funds and every effort is being made to reduce the magnitude of the problem.

Dated this 24th day of May 1989.

- (c) Medicare benefits within the meaning of subsection 3 (1) of the Act in respect of the abovementioned services have been paid or are payable to the said Leslie Sumanasinghe Kotagama;

LODGMET OF FRANKING ACCOUNT RETURNS

Under the provisions of the *Income Tax Assessment Act 1936* ('the Act') and the *Income Tax Regulations* made under that Act ('the Regulations') I hereby require every

company, and the trustee of every corporate trust estate treated as a company for the purposes of Part IIIAA of the Act, described below to lodge with me in the prescribed manner and at the appropriate place on or before the relevant date specified:

- a franking account return; and
- with that return, a copy of each declaration made for the purposes of section 160AQF of the Act,

for each franking year of the company or corporate trust estate ending during the period from 30 June 1989 to 29 June 1990.

COMPANIES REQUIRED TO LODGE FRANKING ACCOUNT RETURNS

Companies and corporate trust estates treated as companies for the purposes of Part IIIAA of the Act, required to lodge a franking account return are those in respect of which a franking credit or franking debit arose, which paid a frankable dividend, in a franking year ending during the period from 30 June 1989 to 29 June 1990.

DATE OF LODGMET OF FRANKING ACCOUNT RETURN

The relevant date for lodgment of the franking account return is:

- where franking deficit tax is payable for the franking year, by the due date for payment of the franking deficit tax, that is, the last day of the month after the end of the franking year; or
- where franking deficit tax is not payable for the franking year, by the due date for lodgment of the income tax return of the company or corporate trust estate for the year ending on 30 June 1990 or the substituted accounting period adopted under the Act instead of that year.

INCOME TAX AND FRANKING ACCOUNT RETURN FORMS

The Regulations provide that, unless otherwise prescribed, every income tax return shall:

- contain all of the information and particulars mentioned or referred to in that form;
- be verified by signed declaration where called for in that form; and
- be accompanied by all balance sheets, profit and loss accounts, statements and other documents that are asked for in the form, or are otherwise necessary.

The Act provides that every franking account return shall:

- be in the form provided or authorised by me for the purposes of section 160ARE of the Act;
- be furnished in accordance with the Regulations;
- be signed on behalf of the company or corporate trust estate furnishing the return; and
- contain such information as is required for the due completion of the return.

EXTENSION OF TIME TO LODGE RETURNS

Nothing in this notice prevents me or a duly authorised officer of the Australian Taxation Office from granting an extension, in writing, for lodgment of any return or returns beyond the lodgment date specified in this notice or from requiring the lodgment of a return or returns before that date.

Where the income tax return of a company or corporate trust estate is subject to an approved lodgment arrangement, the franking account return will be subject to the same arrangements if it is required to be lodged by the due date for lodgment of the income tax return. This will not apply where franking deficit tax is payable.

PENALTIES FOR NON-COMPLIANCE

Any person who does not comply with a requirement of this notice commits an offence and is liable, on conviction, to a penalty not exceeding \$2000 if it is the first offence. If

any person is convicted for a second offence, that person becomes liable to a penalty not exceeding \$4000. If any person is convicted for a third or subsequent offence, that person (not being a company) becomes liable to a penalty not exceeding \$5000 or imprisonment for a period of not more than 12 months, or both. A company may be fined \$25 000. Alternatively:

- the person may, in relation to an income tax return, become liable to pay, as a penalty, additional tax equal to double the amount of the tax payable by that person for the year;

- the company or trustee of a corporate trust estate may, in relation to a franking account return, become liable to pay, as a penalty, additional tax equal to double the amount of the franking deficit tax payable by that company or corporate trust estate for the franking year.

DUMPING AND SUBSIDY INVESTIGATIONS

**SODIUM TRIPOLYPHOSPHATE FROM BELGIUM, ISRAEL,
JAPAN AND YUGOSLAVIA**

CUSTOMS ACT 1901 - NOTICE UNDER SUB-SECTION 269TC(4)

The Australian Customs Service (ACS) has accepted for investigation a dumping complaint submitted by the Australian industry producing sodium tripolyphosphate. The complaint alleges material injury is being caused and threatened to the Australian industry by exports of sodium tripolyphosphate from Belgium, Israel, Japan and Yugoslavia to Australia at dumped prices.

The ACS has also accepted for investigation an application for a countervailing duty notice submitted by the Australian industry producing sodium tripolyphosphate. The complaint alleges material injury is being caused and threatened to the Australian industry by exports of sodium tripolyphosphate from Israel to Australia at subsidised prices.

Albright and Wilson (Australia) Limited is the applicant and is the sole producer of sodium tripolyphosphate in Australia.

The goods under complaint are classified within sub-paragraph 2835.31.00 (statistical code 22) of Schedule 3 of the Customs Tariff Act 1987. The rates of duty are general 17.5% and developing country 12.5%.

The ACS will prepare a preliminary finding on the complaint within 120 days of the publication of this notice. If the finding is that there are sufficient grounds for publication of a dumping and/or countervailing notice, provisional measures (involving the taking of securities under Section 42 of the Customs Act 1901) may be imposed. A positive preliminary finding would be referred to the Anti-Dumping Authority for further investigation and report to the Minister (within 120 days) on whether dumping and/or countervailing duties should be imposed.

The ACS has published Australian Customs Notice (ACN) No. 89/70 notifying initiation of the investigation and the procedures involved. Copies of the ACN are available from the Publications Section, Customs House, Canberra, or regional offices of the Australian Customs Service in each capital city.

All interested parties are invited to lodge written submissions with Mr John McDermott, Dumping Operations, Australian Customs Service, Customs House, 5 Constitution Avenue, Canberra, ACT 2601, no later than 22 July 1989.

This notice is deemed to be effective from 14.6.89.
