**AUSTRALIAN BROADCASTING TRIBUNAL
NOTICE OF RECOMMENCEMENT OF PUBLIC
INQUIRY INTO THE GRANT OF A COMMERCIAL
FM RADIO LICENCE TO SERVE KEMPSEY, NSW**

The Tribunal has recommended its inquiry into whether to grant a commercial FM radio licence to serve Kempsey and surrounding areas.

The Minister for Transport and Communications called for applications for an independent FM licence in a notice dated 25 January 1989. The Tribunal received one application from Kempsey FM Pty Ltd.

An application for a supplementary licence has also been lodged with the Minister for Transport and Communication, by the licensee of commercial radio station 2MC Kempsey, Mid Coast Broadcasters Pty Ltd. The Minister referred this application to the Tribunal on 25 October 1989.

The Tribunal will now consider the issues outlined in the Notice of Inquiry published in the Commonwealth *Gazette* on 3 May 1989 in relation to both of these applications.

If you wish to make a submission to the inquiry you should forward it to reach the Tribunal's North Sydney office no later than 5.00 p.m., Friday 29 December 1989. Copies of the applications and the original Notice of Inquiry have been placed on the public inquiry file which is available for inspection at the following locations:

AUSTRALIAN BROADCASTING TRIBUNAL

Broadcasting Act 1942

**SHARE TRANSACTION COMMERCIAL RADIO
STATIONS 2NM MUSWELLBROOK AND 3BA
BALLARAT**

NOTICE OF INQUIRY—SUBMISSIONS INVITED

The Australian Broadcasting Tribunal has commenced an inquiry into the acquisition by Christina Grant Investments Pty Ltd of prescribed interests in commercial radio stations 2NM Muswellbrook and 3BA Ballarat.

The issues to be considered in the inquiry are whether, if the application were for consent to the transfer of a licence under section 89A of the *Broadcasting Act 1942*, the Tribunal should refuse consent having particular regard to:

- (a) whether it would be advisable in the public interest because:
 - (i) the applicant is not a fit and proper person to hold the licence;
 - (ii) the applicant does not have the necessary financial, technical and management capabilities;
 - (iii) the applicant is not capable of complying with the conditions of the licence;
- (b) the applicant's compliance with the undertakings to provide an adequate and comprehensive service and to use and encourage the use of Australian creative resources; and
- (c) whether, if consent were to be given, contraventions of s90C (limitations of interests), s90F (limitations of directorships) or s90G (foreign ownership provisions) would occur.

Any person wishing to make a submission on these or any other relevant issues should lodge it with the Tribunal by 29 December 1989.

Before lodging a submission, inspection of the inquiry file (containing the applications, other useful background information and the Tribunal's *Guide for Submitters*) is recommended. Inquiry files can be inspected during business hours at the following addresses:
