Pre-Acquisition Declaration

(Section 22)

1. I, Cathy Argall, State Manager of the Australian Property Group in Queensland, a person to whom the Minister administering the Lands Acquisition Act 1989 (the Act) has by delegation dated the 7th day of June 1989 delegated his powers and functions under sub-section 22(1) of the Act, **DECLARE** that I am considering the acquisition by the Commonwealth of Australia, an acquiring authority under the Act, of an interest in land in the Longreach region specified in the Schedule, for the public purpose of Defence, namely a Jindalee Over-The-Horizon Radar Transmitter Site.
2. The land appears to me to be suitable for development for use for that public purpose.

ANTI-DUMPING AUTHORITY**NOTICE OF INQUIRY INTO****LOW DENSITY POLYETHYLENE FROM**

THE ARGENTINE REPUBLIC, THE FEDERATIVE REPUBLIC OF BRAZIL,
CANADA, FINLAND, FRANCE, ISRAEL, JAPAN, THE STATE OF QATAR,
SINGAPORE AND THE UNITED STATES OF AMERICA

The Australian Customs Service (ACS) has made a preliminary finding that there are sufficient grounds for the publication of dumping duty notices sought in respect of low density polyethylene from the Argentine Republic, the Federative Republic of Brazil, Canada, Finland, France, Israel, Japan, the State of Qatar, Singapore and the United States of America.

The ACS, acting under paragraph 269TD(2)(b) of the Customs Act 1901, has now referred the question of whether the publication of the dumping duty notices is so justified to the Authority. The commencement date for the inquiry is 7 February 1991 and the Authority will report to the Minister no later than 6 June 1991.

Interested parties are invited to make submissions to the Authority as soon as possible, but certainly no later than 25 March 1991. Preferably, submissions should address specific matters raised in the ACS report on its preliminary finding. Copies of that report can be obtained from the office manager, Dumping Control, ACS, Canberra, by telephoning (06) 275 6060.

Following receipt of submissions, it is possible that a meeting of parties will be arranged to explore issues raised. After that meeting, a further opportunity will be afforded parties to make submissions to the Authority on those issues.

The Authority has adopted the "public file" system used by the ACS and explained in Australian Customs Notice 87/169. Briefly, this means that a submission containing confidential material should be accompanied by another version, omitting the confidential material (but containing a non-confidential summary of the material), which can be made available to other parties to the inquiry. Three copies of each version are required.

The Authority's address for submissions is 51 Allara Street, Canberra City, ACT 2601.

For further information regarding this inquiry, please telephone the Authority in Canberra on (06) 276 1621.
