THIS AGREEMENT is made the *14* day of *February* 1990. *91* 

THE COMMONWEALTH OF AUSTRALIA (in this Agreement called "the Commonwealth") of the one part and

THE STATE OF WESTERN AUSTRALIA (in this Agreement called "the State") of the other part.

WHEREAS

- (a) there has been established under Western Australian law the office of the Commissioner for Equal Opportunity (in this Agreement called "the Commissioner");
- (b) the Commissioner is charged under the Equal Opportunity Act 1984 with the performance of certain functions, including the investigation and conciliation of complaints of prescribed discrimination;
- (c) the Commonwealth of Australia agrees to enter into an agreement with the State of Western Australia in terms of which:
 - (i) the Commissioner shall undertake:
 - to provide information and advice on the Federal Sex Discrimination Act 1984 and the Racial Discrimination Act 1975;
 - to receive and investigate complaints lodged under the Federal Racial Discrimination Act 1975 and Sex Discrimination Act 1984 and, where appropriate, endeavour to effect a settlement;
 - (ii) the Commonwealth shall pay certain sums to the State of Western Australia in recognition of this service;
- (d) the State of Western Australia agrees to enter into a co-operative arrangement in terms of Section 16 of the Human Rights and Equal Opportunity Commission Act 1986 under which the Commissioner will discharge certain complaint-related functions on behalf of the Commission;

IT IS AGREED AS FOLLOWS:

Interpretation

- 1 In this Agreement unless the context otherwise requires or the contrary intention appears:
 - (a) "Commission" means the Human Rights and Equal Opportunity Commission established under Section 7 of the Human Rights and Equal Opportunity Commission Act 1986;
 - (b) "Commissioner" means the Commissioner for Equal Opportunity established under Section 75 of the Western Australian Equal Opportunity Act 1984;
 - (c) "Human Rights Commissioner" means the Human Rights Commissioner appointed pursuant to Section 8(1)(6) of the Human Rights and Equal Opportunity Commission Act 1986;
 - (d) "Minister" means the respective Attorneys-General or Acting Attorneys-General for the Commonwealth or the State, or such other Minister of the Commonwealth or State having responsibility for the matters to which this Agreement relates;
 - (e) "Secretary" means the Secretary of the Attorney-General's Department of the State and includes a person for the time being occupying or performing the duties of the office;

 - (a) the Annexures referred to are the Annexures to this Agreement which shall be deemed to be an integral part of this Agreement;
 - (b) a reference to any legislation includes that legislation as amended from time to time and any statutory modification or re-enactment thereof.

Objectives of the Arrangement

- 3 The objectives of this arrangement are to:
 - (a) provide one point of contact for advice and for the handling of complaints under both Federal and State legislation;
 - (b) facilitate efficient and economic handling of complaints by ensuring that available remedies are used in an effective and co-ordinated way; and

(c) make the experience and expertise of the Commonwealth and Western Australian instrumentalities mutually available.

4 It will be made apparent to the public visiting the Commissioner's Office, and on correspondence despatched from the Office, that the Commissioner acts for the Commonwealth in handling complaints under the laws described in Clause 5 below.

Complaint Handling

5 For the purpose of dealing with any complaint under the Federal Racial Discrimination Act 1975 and the Federal Sex Discrimination Act 1984 the Commissioner is hereby authorised to perform the function of the Commission set out in:

(a) Section 20(1)(a) of the Racial Discrimination Act (and is granted such powers as are necessary for, and incidental or conducive to, the performance of those functions); and

(b) Section 48(1)(a) of the Sex Discrimination Act 1984.

The Commissioner is further charged with the functions and given the powers of a Federal Commissioner as conferred by the Federal Race and Sex Discrimination Commissioners and approved by the Commission pursuant to Section 40 of the Racial Discrimination Act and Section 104 of the Sex Discrimination Act in relation to the matters described in sub clauses (a) and (b) above.

6 The Commissioner shall, in handling complaints under the Federal legislation referred to in Clause 5, observe the general principles of complaint handling set out in Annexure A. The Commissioner agrees to consult with the Commission on complaints handling procedures.

7 The Commissioner will generally be responsible for advising on, investigating and conciliating complaints under the Federal legislation referred to in Clause 5 above, whether such complaints originate in the State of Western Australia or are referred to the Commissioner by the Commission. The Commissioner may, after consultation with the Commission, decline to handle any particular complaint under Federal legislation.

8 The Commissioner shall normally investigate and conciliate any complaint contemplated by this agreement, until, in accordance with the delegations granted by the Commission, the matter is required to be forwarded to the Commission for appropriate action.

9 The Commissioner agrees to provide the Commission with draft referral reports on complaints forwarded to the Commission

pursuant to Clause 8 in accordance with the guidelines set out in Annexure B or in such form as may be agreed.

- 10 After consultation with the Commissioner, the Commission may assume or resume responsibility for handling a particular complaint under Federal legislation. It is recognised that complaints under Federal legislation more appropriately handled by the Commission include those where:
- (a) the outcome is likely to require changes in Federal administration or to legislation;
 - (b) a significant point of Federal law is involved;

- 12 The Commissioner agrees to advise the Commission as soon as possible of any possible controversy or public sensitivity which becomes apparent in relation to any complaint under Federal legislation. The Commission will similarly advise the Commissioner in respect of any such controversy or public sensitivity which comes to its attention in relation to the handling of a complaint under Federal legislation by the Commissioner or in the handling of a complaint originating in the State by the Commission.

- (e) an audited financial statement of expenditure of Commonwealth funds as soon as practicable after the end of the financial year.

15 For the purposes of statistical reporting:

- (a) only matters which are accepted as complaints under relevant Federal legislation are to be recorded as such; and matters which are found to fall outside the jurisdiction of the Federal legislation should be recorded separately;
- (b) no complaint shall be accepted and registered as a complaint under both State and Federal legislation.

16 The Commission shall provide to the Commissioner:

- (a) a copy of its Annual Report as soon as possible after tabling of the Report in the Federal Parliament;

- 20 Funds payable to the State of Western Australia by the Commonwealth in accordance with Clauses 17 and 18 will be paid in advance in four equal instalments, each such instalment being due within three weeks of the Commissioner submitting the preceding quarter's report pursuant to Clause 14.

Extension of Services

- 21 The parties agree that, should the Commonwealth amend or enact legislation requiring expansion of services provided by the State of Western Australia on behalf of the Commonwealth, any extension of services will not be undertaken without further negotiation and funding.

DRAFT NOTICE:

"COMMONWEALTH OF AUSTRALIA

Trade Practices Act 1974

DECLARATION OF UNSAFE GOODS

I, MICHAEL CARTER TATE, Minister of State for Justice and Consumer Affairs, pursuant to section 65C(5) of the Trade Practices Act 1974, DECLARE goods of a kind specified below ('the goods') to be unsafe goods in that it appears to me the goods will or may cause injury to a person.

The effect of this declaration is to ban the supply of these goods for a period of eighteen months.

Particulars of Goods:

Gas masks which contain asbestos.

Dated this day 1991

MICHAEL CARTER TATE

Summary of Reasons for Proposed Publication:

Advice from the Australian Government Analytical Laboratories has indicated that some World War II gas masks contain asbestos in the filter component. Asbestos is an inappropriate substance for this type of apparatus due to the risk to the user of inhaling the asbestos fibres.

INITIATION OF AN INVESTIGATION INTO THE ALLEGED DUMPING OF
THERMOPLASTIC, RUBBER MODIFIED, MINERAL FILLED, POLYPROPYLENE
COMPOUND FROM JAPAN.
NOTICE UNDER SUB-SECTION 269TC(4)

I, JOHN MELVILLE THOMPSON, delegate of the Comptroller-General of the Australian Customs Service (Customs) have accepted an application made by PolyPacific Pty Ltd under sub-section 269TB(1) of the Customs Act 1901, that there are reasonable grounds to initiate an investigation into the allegation that material injury is being caused to the Australian industry by dumped exports of thermoplastic, rubber modified, mineral filled, polypropylene compound from Japan.

The goods under inquiry are classified within sub-headings 3902.30.00 (statistical code 09) in Schedule 3 to the Customs Tariff Act 1987. The rate of duty for the relevant period has been from 1 January 1989 to 30 June 1991 - 17.5% and from 1 July 1990 to date 15%.

The producer of the goods in Japan is Mitsui Petrochemical Industries Ltd of Tokyo.

Customs will make a preliminary finding on the application as soon as possible and within 120 days after publication of this notice. If the finding is that there are sufficient grounds for the publication of a dumping notice, provisional measures (including the taking of securities under Section 42 of the Customs Act 1901) may be imposed. A positive preliminary finding would be referred to the Anti-Dumping Authority for further investigation and report to the Minister (within 120 days) on whether dumping duties should be imposed.

Customs has published Australian Customs Notice (ACN) No. 91/32 notifying initiation of the investigation and the procedures to be adopted for the investigation. Copies of the ACN are available from the Publications Section, Customs House, Canberra, ACT 2601 or regional offices of Customs in each capital city.

To facilitate the investigation all interested parties are invited to lodge two copies of written submissions in accordance with the appropriate dumping questionnaire with the Director, Dumping Operations 2, Australian Customs Service, Customs House, 5 Constitution Avenue, Canberra, ACT 2601, no later than 8 April 1991.

INITIATION OF AN INVESTIGATION INTO THE ALLEGED DUMPING
AND SUBSIDISATION OF CANNED PEACHES AND CANNED PEARS
EXPORTED FROM SPAIN AND THE PEOPLE'S REPUBLIC OF CHINA,
AND CANNED PEACHES EXPORTED FROM GREECE

NOTICE UNDER SUB-SECTION 269TC(4)

I, JOHN MELVILLE THOMPSON, delegate of the Comptroller-General of the Australian Customs Service (Customs), have examined an application made by the Canned Fruits Industry Council of Australia Limited under sub-section 269TB(1) of the Customs Act 1901 and am satisfied there are reasonable grounds to initiate an investigation into allegations that material injury is being caused to an Australian industry by dumped and/or subsidised exports of canned peaches and canned pears from Spain and the People's Republic of China, and by dumped and/or subsidised exports of canned peaches from Greece.

The goods under inquiry are canned peaches in syrup, juice or water, and canned pears in syrup, juice or water classified under sub-headings 2008.70.00 (statistical code 28) and 2008.40.00 (statistical code 31) respectively in Schedule 3 to the Customs Tariff Act 1987. The rate of duty is 10 per cent general rate or 5 per cent developing country rate.

Customs will make a preliminary finding on the application as soon as possible and within 120 days after publication of this notice. If the finding is that there are sufficient grounds for the publication of a dumping and/or a countervailing duty notice, provisional measures (including the taking of securities under Section 42 of the Customs Act 1901) may be imposed. A positive preliminary finding would be referred to the Anti-Dumping Authority for further investigation and report to the Minister (within 120 days) on whether dumping and/or countervailing duties should be imposed.

Copies of the ACN are available from the Publications Section, Customs House, Canberra, ACT 2601 or regional offices of Customs in each capital city.

CUSTOMS ACT 1901 - PART XV B

INITIATION OF AN INVESTIGATION INTO THE ALLEGED DUMPING
OF PORTLAND AND BLENDED CEMENTS EXPORTED FROM JAPAN

NOTICE UNDER SUB-SECTION 269TC(4)

I, JOHN MELVILLE THOMPSON, delegate of the Comptroller-General of the Australian Customs Service (Customs) have accepted an application made by Australian Cement Limited, Goliath Portland Cement Company Limited and Blue Circle Southern Cement Limited under sub-section 269TB(1) of the Customs Act 1901, that there are reasonable grounds to initiate an investigation into the allegation that material injury is being caused to the Australian industry by dumped exports of portland and blended cements from Japan.

The goods under inquiry are classified within sub-headings 2523.29.00 (statistical code 31) in Schedule 3 to the Customs Tariff Act 1987. The rate of duty is free.

The producer of the goods in Japan is Ube Industries.

Customs will make a preliminary finding on the application as soon as possible and within 120 days after publication of this notice. Provisional measures (including the taking of securities under Section 42 of the Customs Act 1901) may be imposed following a positive preliminary finding by Customs. A positive preliminary finding would be referred to the Anti-Dumping Authority for further investigation and report to the Minister (within 120 days) on whether dumping duties should be imposed.

Customs has published Australian Customs Notice (ACN) No. 91/30 notifying initiation of the investigation and the procedures to be adopted for the investigation. Copies of the ACN are available from the Publications Section, Customs House, Canberra, ACT 2601 or regional offices of Customs in each capital city.

To facilitate the investigation all interested parties are invited to lodge two copies of written submissions in accordance with the appropriate dumping questionnaire with the Director, Dumping Operations 2, Australian Customs Service, Customs House, 5 Constitution Avenue, Canberra, ACT 2601, no later than 3 April 1991.

AUSTRALIAN CUSTOMS SERVICE
CUSTOMS ACT 1901 PART XV BPRELIMINARY FINDING INTO THE ALLEGED DUMPING OF AGRICULTURAL
GROUND ENGAGING TOOLS FROM THE FEDERATIVE REPUBLIC OF BRAZIL

NOTICE UNDER SUB-SECTION 269TD(2)

A notice appeared in Commonwealth of Australia Gazette No.S276 of 18 October 1990 advising of the initiation of an investigation into the alleged dumping of agricultural ground engaging tools (AGET) from The Federative Republic of Brazil (Brazil).

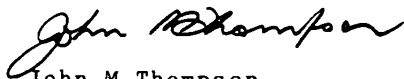

The notice was published following an application by ITC (Australia) on behalf of Connor Shea Napier, a division of Clyde Industries for the imposition of dumping duties. The Australian Customs Service (Customs) has now considered the application, taking into account submissions received and any other matters that the Comptroller-General considers relevant.

I, John Melville Thompson, delegate of the Comptroller-General of Customs, have made a preliminary finding under sub-section 269TD(2) of the Customs Act 1901, there being reasonable grounds to conclude that:

- (a) AGET from Brazil are being exported to Australia at dumped prices;
- (b) the Australian industry suffered material injury by reason of the export of AGET from Brazil at dumped prices; and
- (c) there is threat of material injury to the Australian industry from exports of AGET from Brazil at dumped prices.

Customs will, within seven (7) days of the publication of this notice, refer the question as to whether the publication of the dumping duty notice sought by ITC (Australia) is so justified to the Anti-Dumping Authority as required by paragraph 269TD(2)(b) of the Customs Act 1901.

Customs also concludes there is a threat of material injury to the Australian industry producing AGET pending finalisation of this matter. Accordingly, provisional anti-dumping measures in the form of cash or documentary securities will be taken pursuant to section 42 of the Customs Act 1901.

The notice was published following an application by ITC (Australia) on behalf of Connor Shea Napier, a division of Clyde Industries Ltd for the imposition of a countervailing duty notice. The Australian Customs Service (Customs) has now considered the application, taking into account submissions received and any other matters considered relevant and has prepared a report on the investigation.

The conclusion set out in the report is that certain AGET exported to Australia from Brazil are not subsidised. Accordingly, a preliminary finding has been made that sufficient grounds do not exist for the publication of a countervailing duty notice in respect of certain AGET exported from Brazil.
