ARRANGEMENT BETWEEN THE COMMONWEALTH OF AUSTRALIA AND THE STATE OF NEW SOUTH WALES UNDER SECTION 16 OF THE HUMAN RIGHTS AND EQUAL OPPORTUNITY COMMISSION ACT 1986

- 1 Pursuant to Section 16 of the Human Rights and Equal Opportunity Commission Act 1986, it is agreed pursuant to this arrangement (referred to herein as "the arrangement") that the President as statutory head of the New South Wales Anti-Discrimination Board (referred to herein as "the Board") constitutes an appropriate agency to receive and investigate complaints under that Act, the Racial Discrimination Act 1975 and the Sex Discrimination Act 1984 (referred to herein as "the complaints") on behalf of the Human Rights and Equal Opportunity Commission (referred to herein as "the Commission") and, where appropriate, to endeavour to effect a settlement of such complaints.
- 2 There will be one office in New South Wales, the Office of the Anti-Discrimination Board and of the Federal Human Rights and Equal Opportunity Commission (referred to herein as "the Office"), for the handling of complaints relating to human rights violations including sex and racial discrimination. It will be made apparent to the public visiting the Office and in the correspondence forwarded from the Office and in other materials that the Board acts for the Commission in handling complaints under Commonwealth legislation.
- 3 The objectives of this arrangement are to:
 - (i) provide one point of contact both for advice and for the handling of complaints;
 - (ii) facilitate efficient and economic handling of complaints by ensuring that available remedies are used in an effective and co-ordinated way; and
 - (iii) make the experience and expertise of the Commonwealth and New South Wales agencies mutually available.
- 4 It is agreed that the Board will generally be responsible for the handling of complaints originating in the State of New South Wales, whether originally received by the Board or referred to the Board by the Commission. However, the Board has the right, in consultation with the Commission, to decline to handle a particular complaint.
- 5 It is agreed that the Board will normally handle all complaints to conclusion, through either settlement or dismissal, unless referred to the Commission for inquiry.
- 6 The Commission has the right, after consultation with the Board, to assume or resume responsibility for handling a particular complaint.

- 7 The Board and the Commission will consult in relation to the promotion and observance of human rights and equal opportunity and, in particular, in relation to details of arrangements for handling complaints.
- 8 The Board agrees to observe the guidelines for handling complaints under Commonwealth legislation as set out in Annexure A to the arrangement or as varied by agreement from time to time.
- 9 The Board agrees to provide to the Commission referral reports on complaints referred to the Commission for inquiry as set out in Annexure B to the arrangement or as varied by agreement from time to time.
- 10 The Board agrees to make available for inspection upon request by the Commission any documents held by the Board as part of its investigation of any complaint pursuant to this arrangement.
- 11 It is recognised that complaints that are of a kind more appropriately handled by the Commission include those where:
- (i) the outcome is likely to require changes in Commonwealth administration or legislation;
 - (ii) a significant point of Commonwealth law is involved;
 - (iii) a significant issue of national policy is raised;
 - (iv) parties in more than one State are involved as complainants or respondents;
 - (v) a Commonwealth Department or agency is involved at the national level; or
 - (vi) the complaint raises matters affecting Australia's relations with another country or countries.

ANTI-DUMPING AUTHORITY

NOTICE OF INQUIRY INTOSODIUM CYANIDEFROM THE FEDERAL REPUBLIC OF GERMANY, ITALY,
JAPAN, THE REPUBLIC OF KOREA, THE UNITED KINGDOM AND
THE UNITED STATES OF AMERICA

The Australian Customs Service (ACS) has made a preliminary finding that there are sufficient grounds for the publication of dumping duty notices sought in respect of sodium cyanide from the Federal Republic of Germany, Italy, Japan, the Republic of Korea, the United Kingdom and the United States of America.

The ACS, acting under paragraph 269TD(2)(b) of the Customs Act 1901, has now referred the question of whether the publication of the dumping duty notices is so justified to the Authority. The commencement date for the inquiry is 23 February 1991 and the Authority will report to the Minister no later than 24 June 1991.

Interested parties are invited to make submissions to the Authority as soon as possible, but certainly no later than 16 April 1991. Preferably, submissions should address specific matters raised in the ACS report on its preliminary finding. Copies of that report can be obtained from the office manager, Dumping Control, ACS, Canberra, by telephoning (06) 275 6060.

Following receipt of submissions, it is possible that a meeting of parties will be arranged to explore issues raised. After that meeting, a further opportunity will be afforded parties to make submissions to the Authority on those issues.

The Authority has adopted the "public file" system used by the ACS and explained in Australian Customs Notice 87/169. Briefly, this means that a submission containing confidential material should be accompanied by another version, omitting the confidential material (but containing a non-confidential summary of the material), which can be made available to other parties to the inquiry. Three copies of each version are required.

The Authority's address for submissions is 51 Allara Street, Canberra City, ACT 2601.

Any questions concerning the Authority's inquiry should be directed to Peter Evans on (06) 276 1641.

[NOTE: Payments to producers will be made on or before 14 August 1991]

Weekly Average Price

8. (1) For the first week of the eligible period, and before the end of the second week of the period, a Weekly Average Price per kilogram for each type of wool is to be determined having regard to the average of sale prices obtained per kilogram for wool of that type in the first 2 weeks of the eligible period.

(2) For each week in the eligible period after the first week:

(a) a micron indicator; or

(b) a carding indicator;

in relation to each type of wool is to be determined and published.

(3) For a sale of wool in a week of the eligible period after the first week, the Weekly Average Price per kilogram for wool of that type is calculated using the formula:

$$\frac{I}{MRPI} \times 100 \times MRP$$

where:

“I” means the micron or carding indicator determined for the week before the week in which the sale took place; and

“MRPI” means the micron or carding indicator, in relation to the reserve price of the type of wool, that was published by the Corporation and in force immediately before the minimum reserve price scheme was suspended; and

“MRP” means the minimum reserve price.

Determination of supplementary payment

9. (1) If the sale price per kilogram for wool in a week is greater than or equal to the relevant Weekly Average Price per kilogram for that type of wool, the amount of supplementary payment is an amount per kilogram equal to the difference between the sale price and the minimum reserve price per kilogram for that type of wool, multiplied by 0.75.

EXAMPLE: (a) minimum reserve price = 1508 cents per kilogram clean;
(b) Weekly Average Price = 1206 cents per kilogram clean
(c) sale price = 1300 cents per kilogram clean;
(d) supplementary payment = $(1508 - 1300) \times 0.75$;
(e) supplementary payment = 156 cents per kilogram clean

(2) If the sale price per kilogram for wool in a week is less than the relevant Weekly Average Price for that type of wool, the amount of supplementary payment is an amount per kilogram equal to the difference between the Weekly Average Price and the minimum reserve price per kilogram for that type of wool multiplied by 0.75.

EXAMPLE: (a) minimum reserve price = 1508 cents per kilogram clean;
(b) Weekly Average Price = 1206 cents per kilogram clean;
(c) sale price = 1100 cents per kilogram clean;
(d) supplementary payment = $(1508 - 1206) \times 0.75$;
(e) supplementary payment = 226.5 cents per kilogram clean

(3) If the sale price per kilogram for wool in a week is greater than the minimum reserve price for that type of wool, no supplementary payment is payable.

[NOTE: The figure of 0.75 used in this clause represents the deduction of wool tax of 25%]

Minimum supplementary payment

10. A producer is not entitled to be paid a supplementary payment if the total amount of that particular payment is less than \$25.

PART 4—SPECIAL CATEGORIES OF WOOL

Wool for which the producer's reserve price has not been met

11. (1) Subject to subclause (3), if:

- (a) wool is offered for sale in the eligible period; and
- (b) the price that is bid for the wool is less than the producer's reserve price for that wool;

the producer is not entitled to be paid a supplementary payment until:

- (c) the date on which the wool is sold under subclause (2); or
- (d) the date of an auction of a type referred to in clause 13;

whichever occurs first.

(2) Wool to which this clause applies may be offered for sale before the end of the period applicable under subclause (1).

(3) If the wool is sold at an auction of a type referred to in clause 13, the amount of the supplementary payment is to be calculated on the basis of the price received for that sale.

Wool for which no bid is received

12. (1) Subject to subclause (3), if:

- (a) wool is offered for sale in the eligible period; and
- (b) no bid is received for the wool;

the producer is not entitled to be paid a supplementary payment until:

- (c) the date on which the wool is sold under subclause (2); or
- (d) the date of an auction of a type referred to in clause 13;

whichever occurs first.

(2) Wool to which this clause applies may be offered for sale before the end of the period applicable under subclause (1).

(3) If the wool is sold at an auction of a type referred to in clause 13, the amount of the supplementary payment is to be calculated on the basis of the price received for that sale.

PART 5—SALES

Special auctions

13. (1) A special auction for wool:

- (a) to which clause 12 applies; or
- (b) that has been offered for sale in the eligible period (other than in the first week of the period) and for which no bid is received;

is to be conducted during the eligible period.

(2) An auction for wool that has not been sold at the end of the eligible period is to be conducted before 31 July 1991.

PART 6—ADMINISTRATION

How are supplementary payments to be made?

14. A supplementary payment is to be made:

- (a) if the payment is to be made to a producer—not more than 14 days after the payment is approved; or
- (b) if the payment is to be made to a registered person, other than a wool-broker—into a bank or other account operated by the person no more than 14 days after the payment is approved; or
- (c) if the payment is to be made to a registered person who is a wool-broker—as soon as practicable after the wool is sold.

Review of decisions

15. If a producer requests the Corporation to review a decision in relation to a supplementary payment to the producer, the Corporation may confirm, vary or revoke the decision.

Appraisal of wool

16. For the purposes of paragraph 4 (d) of these Guidelines, wool is to be appraised:

- (a) at a centre in Brisbane and Adelaide—on Thursday of each week; and
- (b) at a centre in Sydney, Fremantle and Melbourne—each working day.

Keeping of records

17. A producer is not eligible to be paid a supplementary payment unless the producer keeps records that are sufficient to establish:

- (a) the type of wool in relation to which the payment is sought; and
- (b) the sale price of that wool.

[NOTE: The *Crimes Act 1914* imposes penalties on a person who:

- (a) obtains money from the Commonwealth or a Commonwealth authority by false pretences; or
 - (b) imposes on the Commonwealth or a Commonwealth authority by a false representation; or
