Determination No 1990-91/19

9128319

COMMONWEALTH OF AUSTRALIA

HEALTH INSURANCE ACT 1973

Statement Under Section 106AA

On the thirteenth day of November 1990, I, Brian Howe, Minister of State for Community Services and Health, determined under section 106 of the Health Insurance Act 1973, that Dr John Stanley MacPherson of 4/3 Wentworth Street, Manly in Sydney, provided excessive services and that he be reprimanded, counselled by medical officers of the Health Insurance Commission and repay \$31,987.80 to the Commonwealth of Australia for services found to be not medically necessary for the adequate medical care of the patients concerned.

Reasons for Determination

The determination was made by me on the basis of recommendations made under section 105 of the Act by the Medical Services Committee of Inquiry for the State of New South Wales, after its inquiry into the practises of Dr MacPherson.

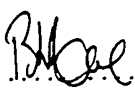

The Committee consisted of four medical practitioners appointed after consultation with the Australian Medical Association. After an extensive inquiry where oral evidence was taken over 7 hearings, the Committee concluded that 2078 services provided to 40 individuals over a 12 month period were not reasonably medically necessary. In the main, these excessive services were caused by Dr MacPherson's use of prolonged and continuing courses of acupuncture. Dr MacPherson provided extensive on-going acupuncture treatments at the request of the patients without medical review of the necessity of each treatment but rather left it to the patient's discretion as to whether treatment was required.

I thank the Committee for the work undertaken in the inquiry.

Comments

The Government is seriously concerned by the practice of practitioners like Dr MacPherson who provide services which are not reasonably necessary for the adequate medical care of the patients concerned. Excessive services are a drain on public funds and every effort is being made to reduce the magnitude of the problem.

Dated this 12th day of February, 1991.

Minister of State for Community Services and Health

COMMONWEALTH OF AUSTRALIA

HEALTH INSURANCE ACT 1973

Statement Under Section 106AA

On the twenty third day of January 1990, the then Minister of State for Community Services and Health, the Honourable Neal Blewett, determined under section 106 of the Health Insurance Act 1973, that Dr Roger John Masse DUNLOP of 120 Ocean Street, Edgecliff in New South Wales, provided excessive services and that he be counselled by medical officers of the Health Insurance Commission and repay \$997.45 to the Commonwealth of Australia for services found to be not medically necessary for the adequate medical care of the patients concerned.

Reasons for Determination

The determination was made on the basis of recommendations made under section 105 of the Act by the Medical Services Committee of Inquiry for the State of New South Wales, after its inquiry into the practises of Dr Dunlop.

The Committee consisted of three medical practitioners appointed after consultation with the Australian Medical Association. After an extensive inquiry where oral evidence was taken over 11 hearings, the Committee concluded that 67 services provided to 6 of the 35 individuals over a 12 month period were not reasonably medically necessary. The majority of these excessive services were caused by Dr Dunlop's provision of vitamin B12 injections. The Committee considered vitamin B12 injections not medically necessary unless used for specific conditions, and as such, services claimed primarily for these injections were considered excessive.

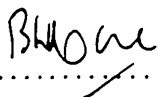

Dr Dunlop sought a review of the determination by the Medical Services Review Tribunal, however, he withdrew the appeal prior to the hearing taking place. The Tribunal affirmed the determination that Dr Dunlop had provided excessive services and was to be counselled and repay \$997.45.

I thank the Committee and the Tribunal for the work undertaken in this matter.

Comments

The Government is seriously concerned by the practice of practitioners like Dr Dunlop who provide services which are not reasonably necessary for the adequate medical care of the patients concerned. Excessive services are a drain on public funds and every effort is being made to reduce the magnitude of the problem.

Dated this 8th day of February, 1991.

COMMONWEALTH OF AUSTRALIA**HEALTH INSURANCE ACT 1973****Statement Under Section 106AA**

On the twenty seventh day of August 1990, I, Brian Howe, Minister of State for Community Services and Health, determined under section 106 of the Health Insurance Act 1973, that Dr Patrick Glen McCabe of Shore Acres Health College, Whiting Street, Labrador in Queensland, provided excessive services and that he be counselled by medical officers of the Health Insurance Commission and repay \$17,978.10 to the Commonwealth of Australia for services found to be not medically necessary for the adequate medical care of the patients concerned.

Reasons for Determination

The determination was made by me on the basis of recommendations made under section 105 of the Act by the Medical Services Committee of Inquiry for the State of Queensland, after its inquiry into the practises of Dr McCabe.

The Committee consisted of five medical practitioners appointed after consultation with the Australian Medical Association. After an extensive inquiry where oral evidence was taken over 5 hearings, the Committee concluded that 1138 services provided to 32 individuals over a 12 month period were not reasonably medically necessary. These excessive services were caused by Dr McCabe's use of "infusion therapy" (an unscientific use of mineral solutions administered intravenously) and preferential use of intramuscular injections of vitamin B12 over oral medication.

I thank the Committee for the work undertaken in the inquiry.

Comments

The Government is seriously concerned by the practice of doctors like Dr McCabe who provide services which are not reasonably necessary for the adequate medical care of the patients concerned. Excessive services are a drain on public funds and every effort is being made to reduce the magnitude of the problem.

ANTI-DUMPING AUTHORITY

NOTICE OF INQUIRY INTO
AGRICULTURAL GROUND ENGAGING TOOLS
FROM THE FEDERATIVE REPUBLIC OF BRAZIL

The Australian Customs Service (ACS) has made a preliminary finding that there are sufficient grounds for the publication of a dumping duty notice sought in respect of certain agricultural ground engaging tools exported from the Federative Republic of Brazil.

The ACS, acting under paragraph 269TD(2)(b) of the Customs Act 1901, has now referred the question of whether the publication of the dumping duty notice is so justified to the Authority. The commencement date for the inquiry is 2 March 1991 and the Authority will report to the Minister no later than 1 July 1991.

Interested parties are invited to make submissions to the Authority as soon as possible, but certainly not later than 22 April 1991. Preferably, submissions should address specific matters raised in the ACS report on its preliminary finding. Copies of that report can be obtained from the Office Manager, Dumping Control, ACS, Canberra, by telephoning (06) 275 6060.

Following receipt of submissions, it is possible that a meeting of interested parties will be arranged to explore issues raised. Should such a meeting take place, parties will have a further opportunity to make submissions to the Authority on any new issues.

The Authority has adopted the "public file" system used by the ACS and explained in Australian Customs Notice 87/169. Briefly, this means that a submission containing confidential information should be accompanied by another version, omitting the confidential information but containing a non-confidential summary, which can be made available to other parties to the inquiry. Three copies of each version are required.

The Authority's address for submissions is 51 Allara Street, Canberra City, ACT 2601.

For further information regarding this inquiry, please telephone Mr John Arndell on (06) 276 1744.

BROADCASTING ACT 1942

JOINT SHARE TRANSACTION AND LICENCE RENEWAL COMMERCIAL RADIO SERVICE 2EC BEGA

NOTICE OF INQUIRY PUBLIC SUBMISSIONS INVITED

The Australian Broadcasting Tribunal has commenced an inquiry into the acquisition of all the issued capital of Zamopress Pty Ltd, licensee of commercial radio service 2EC Bega, by East Coast Radio Pty Ltd.

Applications for approval of the transaction have been lodged by East Coast Radio and other persons indirectly acquiring a prescribed interest in the licence.

The Tribunal has previously invited submissions relating to the renewal of the 2EC licence, and advised that the issues to be considered during this inquiry are whether, having regard to the criteria in s.86AA of the Act, the Tribunal should renew the 2EC licence (refer Public Inquiry File IL/90/40). The Tribunal has decided that the licence renewal inquiry will be considered jointly with the present share transaction inquiry.

The new issues to be considered in this joint inquiry derive from the criteria for the transfer of a commercial licence which are set out in s.89A(8) of the Broadcasting Act 1942.

The issues are whether the Tribunal should refuse consent having particular regard to:

- (a) whether the applicant has given an undertaking to comply with the conditions of the licence, to provide an adequate and comprehensive service pursuant to the licence, to encourage the provision of Australian programs and to use and encourage the use of Australian creative resources;
- (b) whether the giving of consent would be contrary to a provision of the Act;
- (c) whether it would be advisable in the public interest, because the Tribunal is not satisfied that:
 - (i) the applicant is a fit and proper person to hold the licence;
 - (ii) the applicant has the financial, technical and management capabilities necessary to provide an adequate and comprehensive service;
 - (iii) the applicant is otherwise capable of complying with the conditions of the licence.
- (d) whether if consent was given, contraventions of s.90C (limitations of interests), s.90F (limitations of directorships), s.90G (foreign ownership provisions), s.92JB (limitations of cross media interests), or s.92JD (limitations of cross media directorships) would occur
- (e) such other matters relevant to the inquiry as the Tribunal see fit.

If you would like to give your views on these or other relevant matters, you can make submissions to the Tribunal by close of business 26 April 1991.

Before you lodge a submission you may wish to inspect the relevant inquiry file (File No: IL/90/40) containing the applications, other useful background information and the Tribunal's pamphlet called A Guide to Submitters. Information papers relating to the transaction may be obtained and inquiry files can be inspected during business hours at the following addresses:

2. In these Guidelines, unless the contrary intention appears: "eligible period" means the period commencing on the date of commencement of these Guidelines and ending on 30 June 1991 (inclusive);

"eligible wool" means the wool specified in clause 4;

"minimum reserve price" means the most recent minimum reserve price per kilogram clean for wool of a particular type that was determined under section 66 of the Act;

"producer's reserve price" means a reserve price per kilogram clean fixed by a producer and below which the producer will not sell the wool;

“registered person” means a person who is registered under Part IV of the *Wool Tax (Administration) Act 1964*;

“specialty type wool” means a type of wool specified as a specialty type in the edition of the publication “Australian Wool Selling Regulations”, published by the Corporation, that was current on 18 August 1986;

“the Act” means the *Wool Marketing Act 1987*;

“wool tax Act” means:

- (a) the *Wool Tax Act (No. 1) 1964*; or
- (b) the *Wool Tax Act (No. 2) 1964*; or
- (c) the *Wool Tax Act (No. 3) 1964*; or
- (d) the *Wool Tax Act (No. 4) 1964*; or
- (e) the *Wool Tax Act (No. 5) 1964*.

Objects

3. The objects of these Guidelines are:

- (a) to facilitate the payment to a producer of the difference between:
 - (i) a price, for wool sold by the producer, determined under these Guidelines; and
 - (ii) the payment that the producer would have received if the reserve price scheme had not been suspended under section 143 of the Act; and
- (b) to encourage producers to seek the best possible price for sales of eligible wool.

PART 2 — ELIGIBLE AND INELIGIBLE WOOL

Eligible wool

4. (1) Shorn wool:

- (a) that is offered at auction or sold privately in the eligible period; and
- (b) that has not previously been sold; and
- (c) in the case of wool that:
 - (i) is sold at auction; and
 - (ii) is not specialty type wool;
 that is sold by objective measurement; and
- (d) in the case of wool that is sold privately — for which:

- (i) an approved test certificate; and
 - (ii) an approved grab sample;
- have been given to the Corporation for purposes that include appraisal of the wool;

is eligible wool.

(2) Wool:

- (a) that is bulked or interlotted; and
- (b) for which the producer is entitled to receive the proceeds of the sale when the wool is sold;

is eligible wool.

Ineligible wool: prematurely shorn wool

5. Wool that:

- (a) is offered for sale within the period from 15 March 1991 to 30 June 1991 (inclusive); and
- (b) having regard to the usual practices of the industry, would have been sold after the end of the eligible period;

is not eligible wool.

Other ineligible wool

6. (1) Subject to subclauses (2) and (3), wool that is sold by a producer after 31 March 1991 is only eligible wool if the producer gives to the Corporation, directly or through a registered person:

- (a) evidence that the producer has sold wool during the period from 1 April to 30 June (inclusive) in at least 2 of the past 3 years; or
- (b) evidence that the producer's wool has not been presented at a roster for an auction before 31 March 1991 because of the limitation of places available at the auction or the deferral of sales.

(2) If, at any time during the period from 1 April 1991 to 30 June 1991 (inclusive), the total quantity of wool that is offered by the producer for sale in the circumstances specified in paragraph (1) (a) exceeds 115% of the average of the quantity that the producer has sold during the period from 1 April to 30 June (inclusive) in the 2 of the preceding 3 years in which the producer has sold the most wool, no further wool offered for sale in that period by the producer is eligible wool.

(3) Wool that is:

(a) sold by a producer after 14 March 1991; and

(b) of a type to which clause 5 applies;

is only eligible wool if the producer gives to the Corporation, directly or through a registered person, evidence that it is the producer's normal practice to sell wool of that type at that time.

(4) In spite of subclauses (1), (2) and (3):

(a) if:

(i) a producer has not previously sold wool in a period

from 1 February to 30 June in a year (inclusive); or

(ii) the only time that a producer has sold wool during the period from 1 February to 30 June in a year (inclusive) is in the period from 1 February 1990 to 30 June 1990 (inclusive);

wool that is sold by the producer during the period from 1 April 1991 to 30 June 1991 (inclusive) is only eligible wool if the producer gives to the Corporation, directly or through a registered person, evidence that:

(iii) that wool would have normally been sold in that period; and

(iv) the producer has not sold a quantity of wool during the period from 1 April 1991 to 30 June 1991 (inclusive) that exceeds 115% of the quantity that the producer had sold during the period from 1 April 1990 to 30 June 1990 (inclusive); and

(b) if:

(i) a producer is offering wool of a particular type for sale at a particular time within the eligible period; and

(ii) the wool is not eligible wool under subclause (1), (2) or (3);

wool sold by the producer is only eligible wool if the producer gives to the Corporation, directly or through a registered person, evidence that the producer has offered the wool for sale as a result of:

(iii) circumstances beyond the control of the producer;
or

- (iv) an intention, formed by the producer before 31 January 1991, to sell that wool at that time as part of the producer's normal practice.

(5) In spite of subclauses (1), (2), (3) and (4), wool is not eligible wool if:

- (a) wool tax has been levied on the wool under a wool tax Act before the sale to which the application for payment relates; and
- (b) payments in respect of the particular wool type were not able to be made under the reserve price scheme.

[NOTE: This category includes carpet wool as defined in subsection 4 (1) of the *Wool Tax (Administration) Act 1964* and fellmongered wool]

PART 3 — SUPPLEMENTARY PAYMENTS

Eligibility to receive supplementary payments

7. (1) A supplementary payment may only be made:
- (a) in respect of eligible wool; and
 - (b) to the producer after application:
 - (i) by the producer; or
 - (ii) by a registered person authorised by the producer to make the application; and
 - (c) if the wool is sold at auction — the wool is sold at an auction approved by the Corporation.

(2) Subject to subclause (3), a supplementary payment will not be made in respect of wool if an application for the payment is sent to the Corporation after 31 July 1991.

(3) Subclause (2) does not apply to wool sold at an auction of a kind referred to in clause 13.

[NOTE: Payments to producers will be made on or before 14 August 1991]

Weekly Average Price

8. (1) For the first and second weeks of the eligible period, and before the end of the second week of the period, a Weekly Average Price per kilogram clean for each type of wool is to be determined using the average of sale prices obtained per kilogram clean for wool of that type in the first 2 weeks of the eligible period.

(2) For each week in the eligible period after the second week:

- (a) a micron indicator; or
- (b) a carding indicator;

for each type of wool is to be determined and published.

(3) For a sale of wool in a week of the eligible period after the second week, the Weekly Average Price per kilogram clean for wool of that type is calculated using the formula:

$$\text{MRP} \quad \times \quad \frac{\text{I}}{\text{MRPI}}$$

where:

“MRP” means the minimum reserve price for that type of wool; and

“I” means the relevant micron or carding indicator for that type of wool determined for the week before the week in which the sale took place; and

“MRPI” means the relevant micron or carding indicator for that type of wool that is derived from the figures specified in the edition of the publication entitled “Minimum Reserve Price Schedule Season 1990-1991”, published by the Corporation, that was current on 31 January 1991.

Determination of supplementary payment

9. (1) If the sale price per kilogram clean for wool in a week is greater than or equal to the relevant Weekly Average Price per kilogram clean for that type of wool, the amount of supplementary payment is an amount per kilogram clean equal to the difference between the sale price and the minimum reserve price per kilogram clean for that type of wool, multiplied by 0.75.

-
- EXAMPLE:**
- (a) minimum reserve price = 1508 cents per kilogram clean;
 - (b) Weekly Average Price = 1206 cents per kilogram clean
 - (c) sale price = 1300 cents per kilogram clean;
 - (d) supplementary payment = $(1508 - 1300) \times 0.75$;
 - (e) supplementary payment = 156 cents per kilogram clean
-

(2) If the sale price per kilogram clean for wool in a week is less than the relevant Weekly Average Price per kilogram clean for that type of wool, the amount of supplementary payment is an amount per kilogram clean equal to the difference between the Weekly Average Price and the minimum reserve price per kilogram clean for that type of wool, multiplied by 0.75.

-
- EXAMPLE:**
- (a) minimum reserve price = 1508 cents per kilogram clean;
 - (b) Weekly Average Price = 1206 cents per kilogram clean;
 - (c) sale price = 1100 cents per kilogram clean;
 - (d) supplementary payment = $(1508 - 1206) \times 0.75$;
 - (e) supplementary payment = 226.5 cents per kilogram clean
-

(3) If the sale price per kilogram clean for wool in a week is greater than the minimum reserve price per kilogram clean for that type of wool, no supplementary payment is payable.

[NOTE: The figure of 0.75 used in this clause represents the deduction of wool tax of 25%]

Minimum supplementary payment

10. A producer is not entitled to be paid a supplementary payment if the total amount of that particular payment is less than \$25.

PART 4 — SPECIAL CATEGORIES OF WOOL**Wool for which the producer's reserve price has not been met**

11. (1) Subject to subclause (3), if:

- (a) wool is offered for sale in the eligible period; and
- (b) the price that is bid for the wool is less than the producer's reserve price for that wool;

the producer is not entitled to be paid a supplementary payment until:

- (c) the date on which the wool is sold under subclause (2); or
- (d) the date of an auction of a type referred to in clause 13;

whichever occurs first.

(2) Wool to which subclause (1) applies may be offered for

sale:

- (a) in the case of wool that was offered during the first week of the eligible period — in the next 2 sales at the same venue; and
- (b) in any other case — at the same venue before the end of the eligible period.

(3) If the wool cannot be sold under subclause (2), but is sold at an auction of a type referred to in clause 13, the amount of the supplementary payment is to be calculated under Part 3 on the basis of the price received for that sale.

Wool for which no bid is received

12. (1) Subject to subclause (3), if:

- (a) wool is offered for sale in the eligible period; and
- (b) no bid is received for the wool;

the producer is not entitled to be paid a supplementary payment until:

- (c) the date on which the wool is sold under subclause (2); or
- (d) the date of an auction of a kind referred to in clause 13;

whichever occurs first.

(2) Wool to which subclause (1) applies may be offered for

sale:

- (a) in the case of wool that was offered during the first week of the eligible period — in the next 2 sales at the same venue; and

- (b) in any other case — at the same venue before the end of the eligible period.

(3) If the wool cannot be sold under subclause (2), but is sold at an auction of a type referred to in clause 13, the amount of the supplementary payment is to be calculated under Part 3 on the basis of the price received for that sale.

PART 5 — SALES

Special auction sales

13. (1) A special auction for wool:

- (a) to which clause 11 applies; or
- (b) that has been offered for sale in the eligible period (other than in the first week of the period) and for which no bid is received;

is to be conducted during the eligible period.

(2) An auction for wool that has not been sold at the end of the eligible period is to be conducted before 31 July 1991.

PART 6 — ADMINISTRATION

How are supplementary payments to be made?

14. A supplementary payment is to be made:

- (a) if the payment is to be made to a producer — no more than 14 days after the payment is approved; or
- (b) if the payment is to be made to a registered person, other than a wool-broker — into a bank account operated by the registered person no more than 14 days after the payment is approved; or
- (c) if the payment is to be made to a registered person who is a wool-broker — as soon as is practicable after the wool is sold.

Review of decisions

15. If a producer requests the Corporation to review a decision in relation to a supplementary payment to the producer, the Corporation may confirm, vary or revoke the decision.

Appraisal of wool

16. For the purposes of paragraph 4 (d) of these Guidelines, wool is to be appraised:

- (a) at a centre in Brisbane and Adelaide — on Thursday of each week; and
- (b) at a centre in Sydney, Fremantle or Melbourne — each working day.

Keeping of records

17. A supplementary payment is not to be made to:

- (a) a producer; or
- (b) a registered person who makes a claim on behalf of a producer:

unless the producer or the registered person, as the case may be, keeps records that are sufficient to establish:

- (c) the kind of the wool in relation to which the payment is sought; and
- (d) the sale price of that wool; and
- (e) that the producer is eligible to be paid a supplementary payment.

[NOTE: The *Crimes Act 1914* imposes penalties on a person who:

- (a) obtains money from the Commonwealth or a Commonwealth authority by false pretences; or
- (b) imposes on the Commonwealth or a Commonwealth authority by a false representation; or
- (c) makes a false statement in connection with an application for a payment by the Commonwealth; or
- (d) attempts to do, or conspires with, or assists, another person to do, any of these things]

Repeal of the Wool Marketing (Supplementary Payments) Guidelines (No. 1) of 1991

19. The Wool Marketing (Supplementary Payments) Guidelines (No. 1) of 1991 are repealed.
