In interpreting the various sub-rules of Rule 4, the meaning of each sub rule shall be determined independently of the meaning of any other sub rule of that rule.

Information contained in the application concerning the nature and effect of the proposed alteration is as follows:

- (a) Old sub-rules 4(4), 4(5) and 4(6) set out the eligibility for membership rules of the ATU in Victoria.
- (b) The alteration to the eligibility rule deletes sub-rules 4(4), 4(5) and 4(6) which respectively set out the demarcation between the Victorian Primary Branch, the Victorian Secondary Branch and the Victorian Technical Branch.
- (c) By operation of other rule changes the three Branches referred to above are abolished and the two new Branches established namely, the Victorian No. 1 Branch and the Victorian No. 2 Branch.
- (d) New sub-rule 4(4) [which replaces old sub-rules 4(4), 4(5) and 4(6)] sets out the eligibility for membership of the ATU within Victoria.
- (da) Existing sub-rules 4(9) and 4(10) contain exceptions to various parts of the eligibility rule. Amendments are made to those sub-rules to reflect new sub-rule 4(4).
- (e) Unlike the old provisions, no demarcation is made in the new rule between Victorian Branch No. 1 and Victorian Branch No. 2.
- (f) Apart from the changes outlined above, the new rule contains a number of changes which have been made in the terminology used in the Rules to reflect changes in the names of institutions, types of employment and qualifications for employment.
- (g) The ATU does not intend by this rule change to extend its rules of eligibility for membership beyond the coverage it previously had.

Any interested organisation, registered under the Industrial Relations Act, association or person who desires to object to the application may do so by lodging in the Industrial Registry a notice of objection accompanied by a written statement within thirty-five (35) days after the publication of this advertisement and by serving on the organisation [whose address for service is: P.O. PUBLIC RADIO SERVICE 7THE HOBART

NOTICE OF NEW INQUIRY ISSUES

PUBLIC SUBMISSIONS INVITED

On 12 December 1990 the Australian Broadcasting Tribunal published a notice of the commencement of a public inquiry into whether the licence for public radio service 7THE Hobart should be revoked, suspended and/or have conditions placed upon it.

This notice is to advise that the Tribunal has decided that new issues will be considered in this inquiry.

The 7THE licence is currently subject to a licence condition which requires the licensee, Hobart FM Inc, to provide six-monthly reports to the Tribunal on particular financial, management, technical and programming matters.

Following examination of various reports provided by the licensee, and following receipt of submissions to this inquiry, the Tribunal has formed a preliminary view that the licensee has failed to provide satisfactory evidence of sufficient improvements to these areas of its operations. The Tribunal has therefore decided to expand the terms of reference of this inquiry.

The Tribunal will no longer confine its attention to the issue of whether the licensee has contravened the "sponsorship announcement" provisions of the Broadcasting Act 1942 (the Act) in deciding whether to revoke, suspend or impose conditions on the 7THE licence.

THE ISSUES TO BE CONSIDERED

The revised issues to be considered during the inquiry are:

1. Whether the Tribunal is satisfied that the licensee:

- (a) has failed to comply with its undertaking to provide an adequate and comprehensive service;

- (b) (i) is no longer a fit and proper person to hold the licence; or
- (ii) no longer has the necessary financial, technical or management capabilities to provide an adequate and comprehensive service;

[In examining (a) and (b) the Tribunal will consider in particular the licensee's performance in relation to the matters the subject of the existing reporting condition.]

or

- (c) has failed to comply with a condition of the licence.

[In examining (c) the Tribunal will consider in particular whether the sponsorship provisions of the Act have been contravened.]

If so:

2. Whether it would be advisable in the public interest to suspend or revoke the licence, to impose further conditions on the licence or to vary or revoke the reporting condition presently imposed on the licence.

If you would like to give us your views on these matters you can make a submission to the Tribunal by close of business, Friday 10 May 1991. Previous submissions to the inquiry will be taken into account.

Before making a submission, you may wish to look at the public inquiry file (File No: IL/90/123) which will be updated progressively.

The inquiry file can be inspected during business hours at the following locations:

SPECIAL INTEREST PUBLIC RADIO

LICENCE GRANT

ADELAIDE

PUBLIC SUBMISSIONS INVITED

The Australian Broadcasting Tribunal is conducting a public inquiry into whether a special interest public radio service should be introduced in Adelaide.

The Tribunal has received three applications for the licence. The applicants are:

- . Aboriginal Community College Inc;
- . The University of Adelaide; and
- . Christian Radio Incorporated.

A fourth application, from Radio Italiana Incorporated, is expected to be lodged on 26 April.

THE ISSUES TO BE CONSIDERED

A special interest service is defined as a service clearly focused on a particular interest or need, or group of common interests or needs, within an area. In the notice under subsection 82(1) in relation to the grant of this licence (dated 17 December 1990), the Minister did not specify the particular special interest or interests to be served pursuant to the licence. In this case, section 81A(4)(b) of the Act requires the Tribunal to determine the particular special interest or interests to be served pursuant to the licence.

Issues to be considered in the inquiry arise from the criteria set out in section 83C of the Broadcasting Act 1942. They include:

- (a) whether the applicant is a fit and proper person to hold the licence;
- (b) whether the applicant has the financial, technical and management capabilities necessary to provide the service;
- (c) whether the applicant is capable of complying with the conditions of the licence;

- (d) the need for the commercial viability of other overlapping services;
- (e) the undesirability of a person being in a position to exercise control of more than one public licence;
- (f) the undesirability of the Commonwealth, a State or the Northern Territory or a statutory authority of the Commonwealth, a State or a Territory, or a political party being in a position to exercise control of the licence;
- (g) the undesirability of the licence being held by a corporation whose operations pursuant to the licence will be conducted, either wholly or substantially, for the purpose of the acquisition by another person of profit or gain;
- (h) the desirability of members of the community to be served being in a position to exercise control of the licence;
- (j) the need to encourage members of the community to be served to participate in the operations of the licensee and the selection and provision of programs;
- (k) where there are two or more suitable applicants, which of the applicants is the most suitable.

SUBMISSIONS AND THE INQUIRY FILE

If you would like to give us your views on any or all of these matters, you can make a submission to the Tribunal by Friday 7 June 1991. Before making a submission, you may want to look at the public inquiry file: File No IL/91/12. This file contains a copy of each of the applications, the Minister's notice and other relevant information. You may also want to look at the Tribunal's pamphlets **Guide for Submitters** and **Inquiry Procedures**, copies of which are held on the inquiry file or are available from the Tribunal.

The inquiry files will be updated progressively and will contain all material, including submissions, on which the Tribunal will rely in reaching its decisions. The inquiry files can be inspected during business hours from Tuesday 30 April at the following locations:

COMMONWEALTH OF AUSTRALIA

Trade Practices Act 1974

Consumer Protection Notice No. 7 of 1991

INVITATION TO REQUEST COMMISSION TO HOLD A CONFERENCE IN
RELATION TO A PROPOSED DECLARATION OF UNSAFE GOODS

I, MICHAEL CARTER TATE, Minister of State for Justice and Consumer Affairs, pursuant to section 65J(1) of the Trade Practices Act 1974, INVITE any person who supplied or proposes to supply goods of a kind specified in the draft Notice shown below to notify the Trade Practices Commission in writing at the address shown below within the period of 10 days commencing on the day on which this notice is published or within such a longer period as the Commission allows, whether that person wishes the Commission to hold a conference in relation to the proposed publication, under section 65C(7) of the Trade Practices Act 1974, of the Notice.

DRAFT NOTICE:

"COMMONWEALTH OF AUSTRALIA

Trade Practices Act 1974

DECLARATION OF UNSAFE GOODS

I, MICHAEL CARTER TATE, Minister of State for Justice and Consumer Affairs, pursuant to section 65C(7) of the Trade Practices Act 1974, DECLARE goods of a kind specified below ('the goods') to be unsafe goods in that it appears to me the goods will or may cause injury to a person.

The effect of this declaration is to ban the supply by a Corporation (and in some cases by an individual) in trade or commerce of these goods.

Particulars of Goods: Chewing tobacco and snuffs intended for oral use.

Dated this day 1991

MICHAEL CARTER TATE
Minister of State for Justice and
Consumer Affairs"

Summary of Reasons for Proposed Publication:

1. The Trade Practices Act 1974 provides that where:

- (a) a period of 18 months has elapsed after the date of publication of a notice in the Gazette declaring goods to be unsafe goods; and
- (b) there is not a prescribed consumer products safety standard in respect of the goods,

the Minister may, by notice in writing published in the Gazette, impose a permanent ban on the goods.

- 2. A notice imposing an eighteen month ban on the supply of chewing tobacco and snuffs intended for oral use under section 65C(5) of the Trade Practices Act 1974 was published in Gazette No.S324 of 12 October 1989.
- 3. There is no consumer product safety standard prescribed in respect of the goods.
- 4. The International Agency for Research on Cancer and the Advisory Committee to the US Surgeon-General have concluded that users of oral smokeless tobacco products have greatly increased risks of contracting oral cancers.
- 5. The World Health Organisation has recommended a global and pre-emptive ban on all smokeless tobacco products on the basis of studies showing that these products cause cancer of the oral cavity.
- 6. The National Health and Medical Research Council has noted that medical and toxicological data clearly associated smokeless tobacco products with tumours of the mouth and jaw.

Address for notification to the Trade Practices Commission:
