WHEREAS

- (a) there has been established under Victorian law the office of Commissioner for Equal Opportunity;
- (b) the Commissioner is charged under the Victorian Equal Opportunity Act with the performance of certain functions, including the investigation and conciliation of complaints of prescribed discrimination;
- (c) the Commonwealth of Australia agrees to enter into an agreement with the State of Victoria in terms of which:
 - (i) the Commissioner shall undertake:
 - to provide information and advice on the Federal Sex Discrimination Act 1984 and the Racial Discrimination Act 1975;
 - to receive and investigate complaints lodged under the Federal Racial Discrimination Act 1975 and Sex Discrimination Act 1984 and where, appropriate, endeavour to effect a settlement;
 - (ii) the Commonwealth shall pay certain sums to the State of Victoria in recognition of this service.
- (d) the State of Victoria agrees to enter into a co-operative arrangement in terms of Section 16 of the Human Rights and Equal Opportunity Commission Act 1986 under which the Commissioner will discharge certain complaint-related functions on behalf of the Commission;

IT IS AGREED AS FOLLOWS:

INTERPRETATION

- 1 In this Agreement unless the context otherwise requires or the contrary intention appears:
- (a) "Commission" means the Human Rights and Equal Opportunity Commission established under Section 7 of the Human Rights and Equal Opportunity Commission Act 1986;
 - (b) "Commissioner" means the Commissioner for Equal Opportunity established under Section 6 of the Victorian Equal Opportunity Act 1984;

 - (b) a reference to any legislation includes that legislation as amended from time to time and any statutory modification or re-enactment thereof.

Objective of the Arrangement

- 3 The objectives of this arrangement are to:
- (a) provide one point of contact for advice and for the handling of complaints under both Federal and State legislation;

- (b) facilitate efficient and economic handling of complaints by ensuring that available remedies are used in an effective and co-ordinated way; and
 - (c) make the experience and expertise of the Commonwealth and Victorian instrumentalities mutually available.
- 4 It will be made apparent to the public visiting the Commissioner's Office, and on correspondence despatched from the Office, that the Commissioner acts for the Commonwealth in handling complaints under the laws described in Clause 5 below.

Complaint Handling

- 5 For the purpose of dealing with any complaint under the Federal Racial Discrimination Act 1975 and the Federal Sex Discrimination Act 1984 the Commissioner is hereby authorised to perform the function of the Commission set out in:

- (a) Section 20(1)(a) of the Racial Discrimination Act (and is granted such powers as are necessary for, and incidental or conducive to, the performance of those functions); and
- (b) Section 48(1)(a) of the Sex Discrimination Act 1984.

- 8 The Commissioner shall normally investigate and conciliate any complaint contemplated by this agreement, until, in accordance with the delegations granted by the Commission, the matter is required to be forwarded to the Commission for appropriate action.

- 9 The Commissioner agrees to provide the Commission with draft referral reports on complaints forwarded to the Commission pursuant to Clause 8 in accordance with the guidelines set out in Annexure B or in such form as may be agreed.
- 10 After consultation with the Commissioner, the Commission may assume or resume responsibility for handling a particular complaint under Federal legislation. It is recognised that complaints under Federal legislation more appropriately handled by the Commission include those where:

The Commission will similarly advise the Commissioner in respect of any such controversy or public sensitivity which comes to its attention in relation to the handling of a complaint under Federal legislation by the Commissioner or in the handling of a complaint originating in the State by the Commission.

Dissemination of Information

- 13 The Commission shall advise the Commissioner each year of its work program and in particular of major programs, projects and activities in respect of which her assistance will be sought. The Commissioner shall distribute literature, information and other promotional material of the Commission in the State of Victoria and shall promote generally the Commission's programs, projects and activities. Basic costs of such distribution and promotion shall be borne by the Commissioner but the Commission shall meet travel and associated costs and expenses beyond basic or nominal costs.

- 14 The Commissioner shall provide the Commission with:
- (a) information, including statistics, on a quarterly basis about the administration of complaints under Federal legislation in the State of Victoria in the form set out in Annexure C or in such form as may be agreed to from time to time;

 - (c) information, at the request of the Commission, concerning any particular complaint under Federal legislation being handled by the Commissioner;
 - (d) a draft copy of the Commissioner's annual report as set out within Annexure D within two months of the end of the financial year and the final report as soon as possible thereafter, on all activities undertaken by the Commissioner on behalf of the Commission, including an evaluation report on the effectiveness of those activities;
 - (e) an authorised financial statement of expenditure of the Commissioner as soon as practicable after the end of the financial year.

15 For the purposes of statistical reporting:

- (a) only matters which are accepted as complaints under relevant Federal legislation are to be recorded as such and matters which are found to fall outside the jurisdiction of the Federal legislation should be recorded separately;

- 18 The amount payable by the Commonwealth in each subsequent year shall be the amount paid in the 1990-91 year adjusted by the price deflator applied from time to time by the Federal Government and subject to any decisions of the Federal Government on funding generally. The price deflator currently applied by the Federal Government to these payments is the mean of movements in Average Weekly Earnings and the year-on-year non-farm Gross Domestic Product deflator.
- 19 The parties agree that the amount payable by the Commonwealth should be no more than one-third of the total budget (including payroll tax and rent) for the Commissioner (excluding any and all expenditure associated with the Equal Opportunity Board) in any one year up to a maximum amount equal to the amount agreed to in Clauses 17 and 18. In the event of the amount paid by the Commonwealth in any year exceeding one-third of the Commissioner's actual expenditure in that year, a corresponding reduction shall be made to the amount payable by the Commonwealth in the following year.
- 20 Funds payable to the State of Victoria by the Commonwealth in accordance with Clauses 17 and 18 will be paid in advance in four equal instalments, each such instalment being due within three weeks of the Commissioner submitting the preceding quarter's report pursuant to Clause 14.

**HUMAN RIGHTS AND EQUAL OPPORTUNITY COMMISSION
SEX DISCRIMINATION ACT 1984
SECTION 46(1)
NOTICE OF GRANT OF EXEMPTION
NO. 2 OF 1991**

Notice is hereby given of a decision of the Human Rights and Equal Opportunity Commission made on 14 May 1991 pursuant to sub-section 44(2) of the Sex Discrimination Act in the following terms:

The Human Rights and Equal Opportunity Commission grants to the Broken Hill Associated Smelters Pty Ltd (BHAS) a conditional exemption until 31 December 1992 from the provisions of sections 14 and 16 of the Sex Discrimination Act 1984 in respect of the employment of women processors, contract workers and apprentices in or about any process involving exposure to dust, mist, fumes or gases containing a lead material or compound in those areas of the BHAS plant at Port Pirie identified as lead hazard and lead exposure areas.

The exemption does not apply to any classifications in which BHAS currently employs women or any contracts by which BHAS currently engages women.

The grant of this exemption is conditional upon the BHAS reporting to the Human Rights and Equal Opportunity Commission on 1 January 1992 and 1 June 1992 as to the steps taken and the progress achieved by it in relation to:

- exploration of appropriate avenues for the further employment of women at BHAS, Port Pirie Plant;
- investigation and evaluation of various risk factors involved in the employment of a mixed sex workforce at BHAS Port Pirie Plant;
- the implementation of a program to employ female employees at the Port Pirie Plant in as many areas of that plant as possible consistently with the provision of an acceptably safe working environment for such female employees, particularly those positions currently designated as "A" category jobs;
- examining the appropriateness of current and economically feasible facilities and management practices to meet the needs of a mixed sex workforce and developing appropriate strategies to assist the opening up of employment opportunities for female processors and apprentices at the Port Pirie Plant.

(A) The Human Rights and Equal Opportunity Commission's findings on material questions of fact relating to the application were as follows:

- (i) Until the proclamation of the South Australian Equal Opportunity Act 1984, women were excluded from employment in lead processing in South Australia by virtue of regulation (1)(b) of the South Australian Industrial Safety Code Regulations, 1975 - 1976, made under the South Australian Safety Health and Welfare Act 1972 as amended.
 - (ii) On 17 February 1989, BHAS was granted a conditional exemption from the provisions of Sections 14 and 16 of the Act until 16 September 1990. The exemption granted was subject to the satisfactory performance of almost identical conditions referred to above. BHAS complied with all conditions imposed.
 - (iii) In March 1990, the National Occupational Health and Safety Commission released "Lead - A Public Discussion Paper" and called for submissions on it to assist in developing a Revised Standard and Code of Practice for employment, occupational health and safety in the lead industry. The Standard and Code have not yet been finalised.
 - (iv) On 11 September 1990, BHAS applied for a further three year exemption from the operation of the Act. BHAS also made an application for exemption from the operation of certain provisions under the South Australian Equal Opportunity Commission Act. In these applications, BHAS undertook to continue to maximise employment opportunities for women.
 - (v) On 12 December 1990, a joint hearing was conducted by the South Australian Equal Opportunity Tribunal and Commissioner Bryce, on behalf of the Human Rights and Equal Opportunity Commission in respect of the applications for exemption by BHAS.
- (B) These findings were based on the following evidence;
- (i) the letter of application for exemption from the BHAS dated 11 September 1990;
 - (ii) the written and oral evidence submitted by the BHAS on 12 December 1990 at the joint hearing returned to the above;
 - (iii) the National Occupational Health and Safety Commission's "Lead - A Public Discussion Paper".
- (C) The Commission's reasons for granting an exemption are as follows:
- (i) the National Occupational Health and Safety Commission has not to date finalised a Standard and Code of Practice;
 - (ii) the BHAS has effected considerable improvements in its

Occupational Health and Safety Performance particularly in the reduction of the average blood lead levels of its workers at the Port Pirie Plant since application for exemption was first made to the Commission on 19 November 1987;

- (iii) the exemption will allow the BHAS to consolidate its position in regard to the strategies developed in 1987 to maximise the employment opportunities for women through:
- (a) Occupational Health and Safety Strategies to further improve performance in health and safety, including emphasis on reducing lead in blood levels across the Port Pirie site;
 - (b) completion of the Environment and Economic Improvement Plan by December 1992; and
 - (c) the annual review of the job classification system.

Subject to the Administrative Appeals Tribunal Act 1975, application may be made to the Administrative Appeals Tribunal for review of this decision - on behalf of any person or persons whose interests are affected by it.

LICENCE RENEWAL

COMMERCIAL TELEVISION SERVICE RTQ REGIONAL QUEENSLAND

PUBLIC SUBMISSIONS INVITED

The Australian Broadcasting Tribunal is conducting a public inquiry into the renewal of the licence for commercial television service RTQ Regional Queensland. The licence for RTQ is a consolidated licence, comprised of the previous commercial television services DDQ Southern Queensland and RTQ Rockhampton. The licence is held by Rockhampton Television Limited.

An inquiry into an application for renewal of the unconsolidated RTQ licence was advertised on 19 October 1990. As the RTQ service now incorporates the previous DDQ service, the Tribunal is required to commence a new inquiry into an application for renewal of the consolidated licence.

THE ISSUES TO BE CONSIDERED

The issues to be considered during this inquiry are identical to those previously notified and arise from the criteria set out in section 86AA of the Broadcasting Act 1942. They include whether:

- (a) the licensee has complied with its undertaking to provide an adequate and comprehensive service, to encourage the provision of Australian programs, to use and encourage the use of Australian creative resources;
- (b) the licensee is no longer a fit and proper person to hold the licence;
- (c) the licensee has the necessary financial, technical and management capabilities to provide the service;
- (d) the conditions of the licence have been complied with;
- (e) the service is commercially viable;
- (f) the renewal of the licence would be contrary to a provision of the Act; or
- (g) the licensee is in contravention of the ownership and control provisions of the Act.

The Tribunal also looks at the need for the commercial viability of overlapping broadcasting services.

SUBMISSIONS AND THE INQUIRY FILE

If you would like to give us your views on these or other relevant matters, you can make a submission to the Tribunal by 26 July 1991.

To assist you, an information paper has been prepared by Tribunal staff as well as pamphlets called *A Guide to Submitters and Inquiry Procedures*. These are available by writing to the Tribunal or by phoning (02) 959 7811.

You may also want to look at the public inquiry file (File No IL91/27) which contains information relevant to this inquiry. (Other related inquiry files are IL89/104 and IL90/79). The inquiry file will be updated progressively and will contain all material, including submissions, on which the Tribunal will rely in reaching its decision. Other relevant files are IL89/104 and IL90/79. The inquiry file can be inspected during business hours at the following locations:

AUSTRALIAN CUSTOMS SERVICE

CUSTOMS ACT 1901

**PRELIMINARY FINDING INTO THE ALLEGED DUMPING OF DIOCTYL PHTHALATE
FROM BELGIUM, FRANCE, THE FEDERAL REPUBLIC OF GERMANY, VENEZUELA
AND THE REPUBLIC OF KOREA**

In the Commonwealth of Australia Gazette No. s 20 of 31 January 1991 notice was given of the initiation of an inquiry into the alleged dumping of dioctyl phthalate (DOP) from Belgium, France, the Federal Republic of Germany (Germany), Venezuela and the Republic of Korea. The Notice was published following an application by ICI Australia Operations Pty Ltd (ICI) for the imposition of dumping duties. The Australian Customs Service has now considered the application, taking into account submissions received and any other matters that the Comptroller-General considers relevant.

NOTICE UNDER SUB-SECTION 269TD(2) OF THE CUSTOMS ACT 1901

As a result of this consideration I, Richard John Hunt, delegate of the Comptroller-General of Customs, have made a preliminary finding under sub-section 269TD(2) of the Customs Act 1901, that:

- there are sufficient grounds for publication of a dumping duty notice, in respect of DOP exported from Belgium, France, Germany and Venezuela; and
- it is appropriate to take securities under section 42 of the Customs Act 1901 in respect of any dumping duty that may become payable on entry for home consumption on or after 31 May 1991 of DOP from Belgium, France, Germany and Venezuela.

I will within seven days of the publication of this Notice, refer to the Anti-Dumping Authority the question as to whether the publication of the Dumping Duty notice for Belgium, France, Germany and Venezuela sought by ICI is so justified, as required by paragraph 269TD(2)(b) of the Customs Act 1901.

NOTICE UNDER SUB-SECTION 269TD(3) OF THE CUSTOMS ACT 1901

As a result of this consideration I, Richard John Hunt, delegate of the Comptroller-General of Customs, have made a preliminary finding under sub-section 269TD(3) of the Customs Act 1901, that:

- there are not sufficient grounds for the publication of a dumping duty notice in respect of DOP exported from the Republic of Korea.

RICHARD J. HUNT
Delegate of the
Comptroller-General

31 May 1991
