COMMONWEALTH OF AUSTRALIA

Social Security Act 1991

NOTICE UNDER SUBSECTION 1237(3)

Having regard to the importance of recovering public moneys paid in excess of the entitlements authorised by Parliament, the longstanding approach under the Commonwealth Audit Act 1901 to the recovery of debts, the obligations placed on social security recipients by the Social Security Act 1991 (the Act) to notify changes in their circumstances and the importance of deterring fraudulent activity, and having regard to subsections 1237 (2) and (3) of the Act which require the Secretary of the Department of Social Security (the Secretary) to act in accordance with directions issued by me from time to time, I hereby direct that the power of the Secretary in section 1237 to waive the right of the Commonwealth to recover from a person the whole or a part of a debt must, subject to the attached schedule, be exercised in the following circumstances only:

- (a) Where the debt was caused solely by administrative error on the part of the Commonwealth, and was received by the person in good faith, and recovery would cause financial hardship to the person.
- (b) In respect of the remainder of a debt where it is cost-effective for the Commonwealth to accept a lump sum of money immediately, being a proportion of the debt that is not less than 80 per cent, and the person does not have the capacity to repay a greater proportion.
- (c) Where a debt has been written off on the ground of lack of means on the part of the person to repay, or inability to locate the person, and these circumstances still pertain after six years.
- (d) Where a Court has indicated that it imposed a longer custodial sentence because of the person's inability or unwillingness to repay a debt.
- (e) Where the Department of Social Security has settled a civil action for less than the full amount of the overpayment claimed, the difference.
- (f) Where qualification for Family Allowance is accepted as existing (though not actually paid) in a period in respect of which a pension, benefit or allowance has been overpaid - the amount of Family Allowance that would have been payable in that period is to be deducted from the overpayment. Any such amount is limited to Family Allowance for a period of three years prior to the end of the period in respect of which pension, benefit or allowance had been overpaid.
- (g) Where in the opinion of the Secretary special circumstances apply such that the circumstances are extremely unusual, uncommon or exceptional (as discussed by the Federal Court of Australia in Beadle v. Director-General of Social Security (1985) 7 ALD 670).

BROADCASTING ACT 1942**SHARE TRANSACTION
COMMERCIAL RADIO SERVICE 4HI EMERALD****NOTICE OF INQUIRY
PUBLIC SUBMISSIONS INVITED**

The Australian Broadcasting Tribunal has commenced a joined inquiry into the acquisition (amounting to a prescribed interest) of all the issued capital (519,399 shares) of Queensland Regional Broadcasting Pty Ltd by Maranoa Broadcasting Co Ltd (whose directors are non-prescribed parties to the transaction holding 29.56% of Maranoa respectively) and the acquisition by the Directors of Maranoa of an increase in shareholding interests in Maranoa (to 29.66%, 29.65% and 29.65% respectively) thus enlarging an existing prescribed interest. The licence affected by these transactions is commercial radio service 4HI Emerald.

Applications have been lodged by Maranoa Broadcasting Co Ltd and by the Directors of Maranoa Mr A T Berry, Mr R B Coomber and Mr G J McVean.

The issues to be considered in the inquiry derive from the criteria for the transfer of a commercial licence which are set out in section 89A(8) of the Broadcasting Act 1942 ("the Act"). The issues are whether the Tribunal should refuse consent having particular regard to:

- (a) whether the applicant has given an undertaking to comply with the conditions of the licence, to provide an adequate and comprehensive service pursuant to the licence, to encourage the provision of Australian programs and to use and encourage the use of Australian creative resources;
- (b) whether the giving of consent would be contrary to a provision of the Act;
- (c) whether it would be advisable in the public interest, because the Tribunal is not satisfied that:
 - (i) the applicant is a fit and proper person to hold the licences;

- (ii) the applicant has the financial, technical and management capabilities necessary to provide an adequate and comprehensive service;
- (iii) the applicant is otherwise capable of complying with the conditions of the licence;
- (d) whether it would be advisable in the public interest to refuse consent because of the need to avoid undue concentration of influence;
- (e) whether, if consent was given:
 - (i) a contravention, amounting to an offence of s90C (limitations of radio interest) or s92JB (limitations of cross-media interests) would likely occur;
 - (ii) a person would be contravening s90F (limitations of directorships) or s92JD (limitations of cross-media directorships)
 - (iii) a condition specified in s90G (foreign control provisions) would be contravened.

Any person willing to make a submission on these issues may lodge it with the Tribunal by 4 September 1991.

Before you lodge a submission, it would assist you to inspect the relevant inquiry files (10/91/41 and 10/91/42) containing the applications and other useful background information, and read the Tribunal's Guide to Submitters (copies are available from the Tribunal and are attached to the inquiry files).

Background papers on the transactions will be made available on request or may be obtained and the inquiry files inspected during business hours at the following addresses:
