The shipment arrived in the Netherlands on 26 December 1994 for experimental treatment to determine whether a Dutch soil washing process could be used to clean up contaminated soil at the Dulux Cabarita site in NSW.

Following treatment in the Netherlands, ICI Australia Operations Pty Ltd propose to import the treated soil (comprising approximately 120 tonnes of cleaned solid gravel like material and 30 tonnes of contaminated residue) to Australia departing Rotterdam after 1 February 1995.

The waste is to travel direct from Rotterdam to Botany Bay and once landed, all transport, storage and disposal of the material will be in accordance with NSW Environment Protection Authority requirements.

EXPLANATORY STATEMENTNATIONAL HEALTH ACT 1953**24 HOUR REGISTERED NURSE AND SMALL NURSING HOMES ADDITIONAL FUNDING PRINCIPLES UNDER SUB-SECTION 48B(1)**

(24SH 4/1994)

24 Hour Registered Nurse and Small Nursing Homes Additional Funding Principles are formulated in accordance with the provisions of Sub-sections 48B(1)(a) and 48B(1)(b) of the National Health Act 1953.

Prior to May 1992, 24 Hour Registered Nurse supplementary funding and Small Nursing Homes supplementary funding were provided in accordance with the Nursing Home Financial Arrangements Principles 1989.

The 24 Hour Registered Nurse and Small Nursing Homes Additional Funding Principles ("the Principles") formulated on 19 May 1992 enabled supplementary funding to be paid as an addition to, rather than as part of, the nursing home fee. This simplified administrative processes.

When the Principles were tabled, the Senate Standing Committee on Regulations and Ordinances expressed concerns regarding Ministerial discretions within the Principles. One use of the discretions was to index the funding amounts.

On 12 December 1992, the Minister for Aged, Family and Health Services revoked the Principles and formulated replacement Principles which removed these discretions. It is therefore necessary to change the Principles each quarter to index the funding.

It is proposed to revoke the current Principles and formulate replacement Principles which take account of known movements in award wages or those anticipated in the September 1994 quarter.

The replacement Principles differ from the current Principles only in that the amounts specified in Sections 6(a), 6(b) and 10(a) are varied in accordance with award movements.

Dated the 5th day of January 1995

BRIAN HOWE
Acting Minister of State for Human Services and Health

Determination No 1994-95/13

EXPLANATORY STATEMENT

ISSUED BY THE AUTHORITY OF THE DEPUTY PRIME MINISTER AND
ACTING MINISTER FOR HUMAN SERVICES AND HEALTH

NATIONAL HEALTH ACT 1953

Section 58G(2) of the National Health Act 1953 specifies that the domiciliary nursing care benefit is payable at a rate of \$52.00 per fortnight or if the Minister has determined, in writing, a higher rate per fortnight - that higher rate.

Section 58GA(1)(a) of the National Health Act 1953 specifies that a pro rata instalment is based on \$3.71, or such greater amount (if any) determined in writing, by the Minister.

A decision was made in the 1992 Budget context to provide for the annual indexation of DNCB from January 1994. It is to be indexed in a manner similar to indexation of pensions paid by the Department of Social Security (DSS). The current rate of DNCB is \$53.20 per fortnight, or \$3.80 per day.

The indexation factor used by DSS is the Consumer Price Index (CPI) and the resultant increase in rate is rounded to the nearest ten cents per fortnight.

The appropriate measure is the September to September increase in the CPI. In 1993-94 this index increased by 1.91%.

For the purposes of Section 58G(2) of the National Health Act 1953, the indexed rate will be \$54.20 per fortnight effective from 4 January 1995 and payable from the next pay day on 18 January 1995.

For the purposes of Section 58GA(1)(a) of the National Health Act 1953, the indexed rate will be \$3.88 per day. That is one fourteenth of the fortnightly rate.

This determination is by virtue of section 139B of the Act, a disallowable instrument for the purpose of section 46A of the Acts Interpretation Act 1902 and is therefore required to be laid before each House of the Parliament.

AUSTRALIAN CUSTOMS SERVICE

INITIATION OF AN INQUIRY

Alleged Dumping of General Lighting Service Lamps exported from Italy

CUSTOMS ACT 1901 NOTICE UNDER SUBSECTION 269 TC(4)

I, Larry John Roux, delegate of the Comptroller-General of Customs, have accepted an application made under subsection 269TB(1) of the Customs Act 1901, which alleges that there are reasonable grounds to publish a dumping duty notice in respect of general lighting service lamps exported to Australia from Italy.

The goods the subject of this notice are general lighting service lamps having the following specifications:

rating	25, 40, 60, 75 and 100 watt
dimensions	60mm, spherical with neck
finish	clear, pearl and soft white
cap	bayonet or Edison screw (B22 and E27)
voltage	greater than 229 volts

and are classified within 8539.22.00 SKC 33 in Schedule 3 to the Customs Tariff Act 1987. The rate of duty is 8 per cent general and 3 per cent for developing countries.

The application was lodged by the sole Australian manufacturer, Electric Lamp Manufacturers (Australia) Pty Ltd, Hamilton, NSW on behalf of the Australian industry producing like goods.

The overseas manufacturer identified in the application is File Spa of Lecco, Italy.

In accordance with Customs Regulation 183AB, a preliminary finding will be made within 100 days after the publication of this notice as to whether there are sufficient grounds for the publication of a dumping duty notice in respect of the goods the subject of the application.

A preliminary finding that there are sufficient grounds for the publication of a dumping duty notice may result in the imposition of provisional measures, including the taking of securities under section 42 of the Customs Act 1901, for the period specified in subsection 45(2) of the Customs Act 1901. Any securities taken may be converted subsequently to interim dumping duty following an Anti-Dumping Authority finding that anti dumping measures should be imposed.

A preliminary finding that there are sufficient grounds for the publication of a dumping duty notice will be referred to the Anti-Dumping Authority for inquiry and report to the Minister (within 120 days) on whether dumping duties should be imposed.

Australian Customs Dumping Notice (ACDN) No 95/008 outlines the procedures for the Customs inquiry. It is in the interest of parties concerned with this inquiry to obtain a copy of that ACDN. Copies are available from the Publications Section, Customs House, Canberra or Customs Houses in each capital city.

All interested parties are invited to lodge written submissions with Lawrie Nock, Assistant Director Dumping Operations, Australian Customs Service, 2-5 Constitution Avenue, Canberra City 2601 no later than 27 February 1995.

ANTI-DUMPING AUTHORITY

CONTINUATION OF COUNTERVAILING DUTY ON BULK BRANDY FROM FRANCE

Under the 'sunset' provisions of Australia's anti-dumping legislation, countervailing measures automatically expire five years after the date on which they were imposed unless they are revoked before the end of that period. However, before the measures expire, interested parties are able to apply to the Authority for continuation of the measures for a further five years beyond the expiry date.

The countervailing duty currently applying to imports of bulk brandy from France is due to expire on 27 February 1995.

The Anti-Dumping Authority has completed its inquiry into whether the countervailing duty should be continued.

The Authority is satisfied that substantial subsidies are still payable on bulk brandy produced in France and that the subsidies are likely to continue for the foreseeable future.

The Authority is also satisfied that in the absence of countervailing measures there is a threat of material injury to the Australian industry producing bulk brandy.

In light of the above the Authority has recommended that the Minister take action to secure the continuation of the countervailing duty.

The Minister for Small Business, Customs and Construction has accepted the Authority's recommendation and, as a consequence, the countervailing measures will continue until 27 February 2000.

Requests for copies of the Authority's Report No. 141 should be directed to the Information Officer, Margaret McLeod, at the Authority by telephoning (06) 276 1742.

Superannuation Industry (Supervision) Act 1993

MODIFICATION DECLARATION No 6

I, Frederick George Herbert Pooley, Insurance and Superannuation Commissioner, under section 332 of the *Superannuation Industry (Supervision) Act 1993* (the "Act"), DECLARE that:

1. Part 19 of the Act is to have effect, in relation to public offer entities, and their trustees, as if it were modified by inserting after section 150 the following:

" **Application of Part**

150A. (1) Section 153, Division 6 and Subdivision A of Division 3 do not apply to eligible rollover funds.

(2) In this section, "eligible rollover fund" has the meaning given by section 242. "

2. The *Superannuation Industry (Supervision) Regulations* are to have effect, in relation to public offer entities, and their trustees, as if they were modified by inserting "except where the entity is an eligible rollover fund - " at the beginning of paragraph 3.10(2)(d).

This declaration is taken to have commenced to have effect on 1 July 1994.

Dated 9 January 1995

F G H Pooley
Commissioner

Superannuation Industry (Supervision) Act 1993

EXPLANATORY MEMORANDUM

ACCOMPANYING

MODIFICATION DECLARATION No 6

PURPOSE OF THE DECLARATION

1. The purpose of modification declaration number 6 is to prevent certain provisions of Part 19 of the *Superannuation Industry (Supervision) Act 1993* (the "Act"), and also a provision of the *Superannuation Industry (Supervision) Regulations* (the "regulations"), from applying to eligible rollover funds ("ERFs"), on the grounds that because of the special characteristics of ERFs, it is inappropriate for those provisions to apply to them.

BACKGROUND

2. Section 242 of the Act defines the term "eligible rollover fund".
3. Section 10 of the Act defines "public offer entity" to include a "public offer superannuation fund".
4. ERFs are public offer superannuation funds within the meaning of section 18 of the Act.
5. As public offer entities, ERFs are subject to Part 19 of the Act.
6. Part 19 of the Act contains provisions relating to the offering and issuing of superannuation interests in, and the disclosure of information about, public offer entities. These provisions are designed to ensure that actual and prospective beneficiaries and standard employer-sponsors of public offer entities are treated fairly and honestly and are adequately informed.

EFFECT OF THE DECLARATION

7. Modification declaration number 6 modifies Part 19 of the Act and regulation 3.10(2)(d) of the regulations.

8. The declaration prevents certain parts of Part 19 from applying to ERFs. These are:

- (a) Section 153, which prohibits a trustee of a public offer entity from issuing a superannuation interest other than pursuant to a formal application. Section 153 requires that a person, or an employer-sponsor on behalf of a person, makes a formal written application for the issue of a superannuation interest to the person, but this will not occur before an interest in an ERF is issued, because the person concerned will normally be uncontactable, and the interest will be issued to the person not at the instance of an employer-sponsor but at the instance of a fund trustee. It is therefore inappropriate for the section to apply to ERFs.
- (b) Subdivision A of Division 3, which requires certain information to be given to a person before a superannuation interest is issued to the person. This should not apply to ERFs because it will normally not be possible for the trustee of an ERF to give the information specified in that Subdivision to a person before a superannuation interest in the ERF is issued to the person, as the person will be likely to be lost or uncontactable.
- (c) Division 6, which affords a "cooling off period" to applicants for the issue of superannuation interests. This should not apply to ERFs because no cooling off period is required where, as is the case with an ERF, the recipient of the interest does not apply for the issue of the interest.

9. The declaration also prevents regulation 3.10(2)(d) of the regulations from applying to ERFs, so that the trustee of an ERF will not be required to notify a person in writing, before a superannuation interest in the ERF is issued to him or her, of the amount or rate of commission or brokerage that will be paid in respect of the interest. A member or prospective member of an ERF will normally not be able to be contacted.

EXPLANATION OF THE DECLARATION

PART 19

10. The declaration inserts a new section 150A, entitled "Application of Part", which provides that section 153, Division 6 and Subdivision A of Division 3 do not apply to ERFs.

REGULATION 3.10(2)(d)

11. The declaration inserts the words "except where the entity is an eligible rollover fund - " at the beginning of regulation 3.10(2)(d) of the regulations.

COMMENCEMENT

12. Modification declaration number 6 is taken to have commenced to have effect on 1 July 1994.

" **5.** By inserting after subregulation 7.04(1A) the following:

" (1B) Subject to subregulation (2), a regulated superannuation fund may accept contributions that are made in respect of a member who is age 65 or over only if the contributions are mandated employer contributions. "

6. By omitting "subregulation (1)" from subregulation 7.04(2) and substituting "subregulation (1) or (1B)"

7. By inserting after subregulation 7.05(1A) the following:

" (1B) Subject to subregulation (2), a defined benefit fund may grant an accrual of benefits in respect of a member of the fund who is age 65 or over only if the accrual is attributable to mandated employer contributions. "

**AMENDMENT OF MODIFICATION DECLARATION
No 5**

1. On 8 December 1994 the Commissioner made modification declaration number 5 which, among other things, added new subregulations 7.04(1A) and 7.05(1A) to the *Superannuation Industry (Supervision) Regulations* (the "Regulations").
2. On 20 December 1994 the Governor-General made the *Superannuation Industry (Supervision) Regulations (Amendment)*, which added new, and different, subregulations 7.04(1A) and 7.05(1A) to the Regulations.
3. The making of the *Superannuation Industry (Supervision) Regulations (Amendment)* thus resulted in there being two subregulations 7.04(1A) and two subregulations 7.05(1A).
4. To correct this anomaly, the amendment to modification declaration number 5 changes the numbering of the subregulations 7.04(1A) and 7.05(1A) which are set out in modification declaration number 5 from "7.04(1A)" and "7.05(1A)" to "7.04(1B)" and "7.05(1B)" respectively.
5. References to subregulations 7.04(1A) and 7.05(1A) in the explanatory memorandum that accompanied modification declaration number 5 should now be read as references to subregulations 7.04(1B) and 7.05(1B) respectively.
