6 - INTERPRETATION

In interpreting the various sub-rules of Rule 5, the meaning of each sub rule shall be determined independently of the meaning of any other sub rule of that rule.

Information contained in the application and supporting documents concerning the reasons for the proposal and the effect of the proposal is as follows:

the reasons for the proposal:

- (a) The Federated Teachers Union of Victoria and Victorian Secondary Teachers Association, existing Associated Bodies of the Australian Education Union in Victoria, are due to be dissolved on 29 June 1995 when the three Victorian AEU Branches are, subject to approval of rule changes by the Industrial Registrar, to be amalgamated into a single Victorian Branch.

Currently the rules of the Federated Teachers Union of Victoria and the Victorian Secondary Teachers Association provide for coverage of all persons employed by the Directorate of School Education of the State of Victoria or in Victorian Government Schools as Assistant Registrars, Bursars, Clerical Assistants, Clerical Officers, Library Assistants, Library Technicians, Managers - Administration, Registrars, School Community Officers, Technical Assistants, Typists, Word Processing Operators, Job Skills Trainees, Teacher Aides, School Services Officers, Koorie Educators and School Technical Officers. The Federated Teachers Union of Victoria and the Victorian Secondary Teachers Association have a substantial number of members in these categories.

The Australian Education Union believes that the coverage of persons in these categories is logical and necessary if these people are to retain membership of what will become the effective successor body to the Federated Teachers Union of Victoria and the Victorian Secondary Teachers Association.

- (b) The alteration to the other sections of Rule 5(4) are not seeking any extension of existing coverage but are designed to provide an update of the names of the employers of these categories of members in Victoria.

the effect of the proposal:

- (a) Rule 5 sets out the eligibility for membership of the AEU.
- (b) The alteration to sub-rule 5(4), new clause (i), seeks to extend the Union's coverage to all persons employed by the Directorate of School Education of the State of Victoria or in Victorian Government Schools as Assistant Registrars, Bursars, Clerical Assistants, Clerical Officers, Library Assistants, Library Technicians, Managers - Administration, Registrars, School Community Officers, Technical Assistants, Typists, Word Processing Operators, Job Skills Trainees, Teacher Aides, School Services Officers, Koorie Educators and School Technical Officers.
- (c) The remaining alterations to sub-rule 5(4) seek to update the terminology applying to employers currently employing the categories of members already covered.

Any interested organisation, registered under the Industrial Relations Act, association or person who desires to object to the application may do so by lodging in the Industrial Registry a written statement within thirty-five (35) days after the publication of this advertisement and by serving on the organisation [whose address for service is: P.O. Box 1158, City Road, South Melbourne, Vic. 3205] within seven (7) days after the notice of objection has been lodged, copies of the notice of objection and the written statement so lodged.

Information contained in the application and supporting documents concerning the reasons for the proposal and the effect of the proposal is as follows:

the reason for the proposal:

To allow the Australian Earthmovers and Road Contractors Federation (AERCF) to legitimately cover all aspects of civil construction, beyond civil works mainly associated with road construction, ancillary works and general earthworks for which the AERCF Rules currently provide. AERCF believes that the proposed new rules will reflect the broader activities across the full spectrum of civil engineering construction and maintenance activities our members currently do perform. AERCF believes the current Rules do not in fact completely reflect the range of members activities we find our members - from owner operators to major multi-million dollar concerns - engaging in. The impending de-registration of the Australian Federation of Construction Contractors will leave the full range civil engineering construction contractors officially unrepresented. As has already been stated, a significant proportion of AERCF's membership includes contractors involved in activities covered by AFCC's Rules (including contractors who were also AFCC's members). AERCF believes it is appropriate for it to apply to formally cover these employers.

the effect of the proposal:

To formally provide AERCF with coverage of the civil engineering construction industry in its broadest sense, without impinging on the building construction industry which AERCF does not seek to represent in any way.

Any interested organisation, registered under the Industrial Relations Act, association or person who desires to object to the application may do so by lodging in the Industrial Registry a written statement within thirty-five (35) days after the publication of this advertisement and by serving on the organisation [whose address for service is: 74 Burwood Road, Hawthorn Vic 3122] within seven (7) days after the notice of objection has been lodged, copies of the notice of objection and the written statement so lodged.

NOTICE OF PROPOSED DATA-MATCHING PROGRAM

The Department of Social Security intends to conduct a data-matching exercise on behalf of the Australian Taxation Office's Child Support Agency. The exercise will involve matching Child Support Agency records against social security customer records to check the correctness of child support obligations and current address information.

This exercise will enable the Child Support Agency to update address information to assist in the location of some non-custodial parents. Non-custodial parents whose income for the relevant child support years is shown to be below the threshold for a liability under the *Child Support (Assessment) Act 1989* will have their case reviewed. Non-custodial parents who have an existing court order and whose income level provides grounds for seeking a variation to the court order will be reminded of their right to seek that variation.

A document describing this program has been prepared in consultation with the Office of the Privacy Commissioner. A copy of the document is available from:

Assistant Secretary
Data-Matching Branch
Department of Social Security
Box 7788
CANBERRA MAIL CENTRE ACT 2610

Contact officer: Victoria Goninan (06) 244 7326

Interested parties may comment on the document to the above address before the close of business 45 days from the date of publication of this Gazette notice.

The Department of Social Security complies with the Privacy Commissioner's *Guidelines on Data-matching in Commonwealth Administration* which includes standards for data-matching to protect the rights of individuals.

Private Notice

A Message to Prudential Policyholders.

Prudential proposes to transfer its Australian life insurance business from a branch of The Prudential Assurance Company Limited (a company incorporated in the United Kingdom) to a wholly owned Australian subsidiary called Prudential Corporation Australia Limited.

We believe this will enable us to be even more responsive to your needs, while retaining the significant benefits of being part of one of the world's largest financial services groups, managing over \$150 billion worldwide.

You will not be disadvantaged in any significant way by this change in structure. Existing policies will automatically be transferred to the new company with the same policy number and the same terms and conditions. Therefore, you will not be required to sign or do anything.

The Insurance and Superannuation Commission, in its role as the regulator of the insurance and superannuation industry in Australia, supports this proposal.

As the adjacent Legal Notice explains, this transfer is scheduled to take place with effect from 1st January 1995 (subject to approval by The Federal Court). Policyholders are entitled to inspect the documents setting out the details of the proposal at any of the offices listed.

In the meantime, if you have any concerns, please contact us by either calling 1800 556 968 during normal office hours, contacting your Prudential representative, or writing to Prudential, Legal Department, GPO BOX 4149, SYDNEY NSW 2001.

CHILD CARE ACT 1972

CHILDCARE ASSISTANCE (FEE RELIEF) GUIDELINES
(VARIATION)

I, ROSEMARY CROWLEY, Minister for Family Services, in pursuance of subsection 12A(1) of the Child Care Act 1972, make this variation to the Childcare Assistance (Fee Relief) Guidelines made on 16 October 1993.

Dated *14/15 December* 1994

1. Commencement

1.1 This variation commences on 1 January 1995

2. Variation

2.1 This instrument varies the Childcare Assistance (Fee Relief) Guidelines made on 16 October 1993.

3. Clause 2

3.1 Delete the term "uplift factor" and replace with:

"**adjustment factor**" means the percentage rate applied to the retrospective income of a TNA, or an estimate of income, to bring it to an amount comparable to the current income assessment of PAYE clients."

4. Clause 5

4.1 Delete "paragraphs 22.3100 - 22.3116" from sub clause 1, paragraph (d) and replace it with "paragraphs 22.3100 - 22.3120."

4.2 Delete sub clause 3 and replace it with:

"3) All clients must re-apply for assessment:

(a) each year prior to the end of the current assessment in accordance with paragraphs 22.3200 - 22.3201; and

(b) within four weeks of a notifiable event occurring in accordance with paragraphs 22.3400 - 22.3402.

CA entitlement ceases if a new assessment has not been obtained."

5. Clause 10

5.1 Delete the last sentence of sub clause 1 and replace it with:

5.2 Delete sub clause 2 and replace it with:

"The formula CA minimum fee and the formula CA ceiling is indexed, as shown in the attached Indexation Table, annually on 1 April or by the second Monday following 1 April of each year."

6. Clause 11

6.1 Add the words "or an estimate of income" after the words "using a TNA," in the first sentence.

**AMENDMENTS TO CHAPTER 22 OF THE GUIDE TO THE
ADMINISTRATION OF THE SOCIAL SECURITY ACT.**

7. Paragraph 22.1001

7.1 Add an additional sentence:

" Original documents lodged with the application will be copied and the original documents will be returned to the client."

8. Paragraph 22.1003

8.1 Delete last sentence.

9. Paragraph 22.2000

9.1 Insert new dot point between dot points 3 and 4 as follows:

"Where a client nominates an unapproved child care service or fails to nominate a child care service, an assessment notice will be issued advising them of their potential CA entitlement. If the client advises DSS that they have arranged care in an approved service within three months of the issue of the original assessment notice, a new assessment notice will be issued to the client and the child care service using the original date of lodgement."

9.2 Delete last dot point beginning "Reassessments - where a client" and replace with:

- "Reassessment - Where a client lodges an application for reassessment, continuity of CA will be maintained if the application is lodged with DSS before the current assessment expires.
- If a parent is entitled to more CA, the the service must apply the new percentage from the date of lodgement.
 - If a parent is entitled to less CA, i.e. their income has increased by more than 25%, the service must apply the new percentage from the date of issue of the assessment notice."

10. Paragraph 22.3101

10.1 Insert third paragraph under category (c) as follows:

"An estimate may also be used where a TNA is not available. Clients may provide an estimate of income from the financial year ending in the previous calendar year. An adjustment factor will be added to this estimate. The estimate must be supported by documents such as the relevant tax return, a letter from an accountant, or a profit and loss statement. Maintenance income will be included in the income assessment."

11. Paragraphs 22.3117 - 22.3120**11.1 Add paragraphs 22.3117 - 22.3120 as follows:**

"22.3117 From 1 January 1995, the CA income test for non-PAYE clients (refer 22.3101(b) and (c)) includes the value of any net losses from rental property for the client and/or the partner. The amount of any net rental property loss is added back to the taxable income of these clients. This change does not affect the pension-type income test for PAYE clients (refer 22.3101(a)).

22.3118 Net rental property losses occur when the expenses incurred by a person on a rental property during a financial year (tax year) exceed the gross rental income for that year. The Australian Taxation Office treats the amount of net rental property loss as a deduction from a person's other assessable income in deriving the person's taxable income.

22.3119 There may be cases where clients have more than one property, one of which produces a net gain and one which produces a net loss. In these cases, gains and losses can be offset and the net rental property loss provisions applied if there is an overall net rental property loss.

22.3120 The definition of 'net rental property loss' is set out in subsection 10A(15) of the Social Security Act."

12. Paragraph 22.3400**12.1 Delete and replace with:**

"CA clients who are assessed on a PAYE basis must reapply for CA within 4 weeks if their combined family income increases by more than 25% and is likely to continue at that rate for more than 4 weeks. The new assessment takes effect from the date the assessment notice is issued. If a client notifies of an increase in income more than 4 weeks after the event, services will also apply the new percentage from the date the assessment notice is issued. Any overpayment of CA, for the period from 4 weeks after the increase in income until the date of lodgement, will be calculated and recovered from the client by DSHS."

13. Paragraph 22.3401

13.1 Delete and replace with:

"CA clients who are assessed on TNAs or estimates must reapply for CA as soon as they become aware that their combined family taxable income has increased, or is likely to increase, by more than 25%. Services will apply the new percentage from the date the assessment notice is issued. Any overpayment of CA will be calculated and recovered from the client by DSHS."

14. Paragraph 22.3402

14.1 Add additional sentences:

"Services will apply the new percentage from the date the assessment notice is issued. Any overpayment of CA, for the period from 4 weeks after the increase in income until the date of lodgement will be calculated and recovered from the client by DSHS."

- (b) the number (if any) of licences formerly allocated to the applicant under section 23DNC of the Act and in operation on 15 September 1994.

[NOTE: On 16 September 1994, the former section 23DNB of the Act was replaced by the present section 23DNB, and section 23DNC of the Act was repealed; see the *Human Services and Health Amendment Act (No. 2) 1994*.]

(3) Where this clause applies in relation to an application for the year commencing on 1 February 1996 or a subsequent year, the Minister must determine as the number of units of entitlement to be allocated to the applicant the number that is the number of units of entitlement allocated by the most recent determination under subsection 23DNB (1) or (2) of the Act in relation to the applicant.

4 *Health Insurance (Pathology—Licensed Collection Centres) Determination (No. 5)*

Other APAs

5. In determining the number of units of entitlement to be allocated to an applicant under subsection 23DNB (1) of the Act where clause 4 does not apply, the Minister must determine the number as 2, of which at least 1 is used only in the same location as an accredited pathology laboratory associated with the APA.

Restriction on varying an allocation

6. An allocation of units of entitlement in respect of a year must not be varied except in consequence of a determination referred to in clause 9.

Factors limiting allocation to a new APA in certain cases

7. (1) This clause applies to an APA ("APA1") where:
- (a) the Minister has previously made a determination in relation to another APA that was required to take into account a matter mentioned in subparagraph 9 (1) (a) (i), (ii), (iii) or (iv); and
 - (b) when the matter was so taken into account, APA1 was the other APA or former APA referred to in the relevant subparagraph.
- (2) When the Minister makes an allocation of units of entitlement under paragraph 23DNB (1) (b) of the Act in relation to APA1, the Minister must have regard to:
- (a) the allocation made in the determination mentioned in paragraph (1) (a); and
 - (b) the general principle that the total number of licensed collection centres is not to be increased.

PART 3—APPLICATIONS UNDER SUBSECTION 23DNB (2) OF THE ACT : LICENCES FOR PART OF A YEAR

APAs having no previous association with APA business

8. In making a determination of an allocation of units of entitlement under paragraph 23DNB (2) (b) of the Act in respect of an APA that:

*Health Insurance (Pathology—Licensed Collection
Centres) Determination (No. 5)* 5

- (a) does not own or control any accredited pathology laboratory that another APA has previously owned or controlled; and
- (b) has not, since becoming an APA, acquired by agreement any business of another APA; and
- (c) does not conduct any operations connected in any way with the former operations of another APA or former APA;

the Minister must determine the number of the units of entitlement in respect of the APA as 2, of which 1 is available for use only in the same location as an accredited pathology laboratory associated with the APA.

APAs having previous association with APA business

9. (1) In making a determination under paragraph 23DNB (2) (b) of the Act of an allocation of units of entitlement in respect of an APA other than an APA of the kind to which clause 8 relates, the Minister must determine a number that:

- (a) takes account, as nearly as practicable, of:
 - (i) where the APA ("APA1") uses any accredited pathology laboratory that was previously owned or controlled by another APA, the nature and extent of operations carried on by APA1 using that laboratory;
 - (ii) where subparagraph (i) applies, the nature and extent of operations of that other APA;
 - (iii) the nature and extent of any business acquired by APA1 by agreement from another APA;
 - (iv) any connection between the operations of APA1 and any former operations of another APA or former APA; and
- (b) subject to subclause (2), is not greater than the number of units of entitlement used by the other APA to hold licences, or the total number of specimen collection centres for which the other APAs held licences, immediately before APA1:
 - (i) commenced using the accredited pathology laboratory mentioned in subparagraph (a) (i); or
 - (ii) acquired the business mentioned in subparagraph (a) (iii); or

6 *Health Insurance (Pathology—Licensed Collection
Centres) Determination (No. 5)*

(iii) commenced operations having the connection mentioned in subparagraph (a) (iv);
as the case requires.

(2) For the purposes of paragraph (1) (b), a unit of entitlement that is subject, in accordance with clause 8, to restriction on its availability for use is to be disregarded.

(3) In making a determination of the kind mentioned in subclause (1) in relation to an APA, the Minister must also make determinations that have the effect, so far as practicable, of decreasing the number of units of entitlement of the other APAs referred to in that subclause to the extent that, taken overall, the first-mentioned determination and the other determinations do not increase the total number of units of entitlement.

**PART 4—LICENSED COLLECTION CENTRES : UNITS OF
ENTITLEMENT**

Number LCCs permitted by a unit of entitlement

10. (1) Prior to 1 February 1995, an APA may operate 1 licensed collection centre ("LCC") for each unit of entitlement allocated under paragraph 23DNB (1) (b) or (2) (b) of the Act to the APA.

(2) On and after 1 February 1995, the number of licensed collection centres that an APA may operate for each unit of entitlement allocated under paragraph 23DNB (1) (b) or (2) (b) of the Act to the APA is determined in accordance with the following table (applied as specified in subclause (3)):

*Health Insurance (Pathology—Licensed Collection
Centres) Determination (No. 5)*

7

TABLE

Column 1	Column 2	Column 3	Column 4
Item	No. of units of entitlement of APA	No. of LCCs per unit of entitlement	Classification of SLA in which each LCC of the APA is or will be located
1	1	1	Capital City
2	1	1	Other Major Urban
3	1	1	Rural Major
4	1	3	Rural Other
5	1	1	Remote Major
6	1	3	Remote Other
7	1	1	Other Offshore Areas

(3) For the purposes of subclause (2), the following rules govern the application of the table:

- "Statistical Local Area" ("SLA") refers to an area referred to as a Statistical Local Area, or SLA, in the Rural/Remote Areas Classification published in January 1994 by the Department of Human Services and Health; and
- the classification of an SLA is to be ascertained by reference to that publication; and
- the item that applies to an APA is the item that refers (in column 4) to the classification of SLA in which the LCC, or each of the LCCs, of the APA is, or will be, located; and
- for each quantity, stated in column 2 of the applicable item, of units of entitlement allocated to the APA, the number of LCCs that the APA may operate in an applicable SLA is the number stated in column 3 of the applicable item.

EXAMPLE: An APA operates, or proposes to operate, LCCs in an SLA that is classified, in the publication, as "Rural Other". The applicable item in the table is item 4, and accordingly the APA may operate 3 LCCs for 1 unit of entitlement (i.e., "3" - the number of LCCs - is the figure in column 3 of item 4, and "1" - the number of units of entitlement - is the figure in column 2 of item 4).
