Radiocommunications Act 1992

Radiocommunications (Apparatus Licence Fees) Direction No.1 of 1995

I, MICHAEL JOHN LEE, Minister for Communications and the Arts, pursuant to subsection 235(1) of the *Radiocommunications Act 1992*, direct the Spectrum Management Agency to amend the Radiocommunications (Transmitter Licence Tax) Determination No.2 of 1995 made under subsection 7(1) of the *Radiocommunications (Transmitter Licence Tax) Act 1983* so that a transmitter licence for an open narrowcast service transmitter used or intended to be used solely to deliver targeted community television services to the relevant target audience is not subject to the "SAT" component of the amount of tax determined in respect of the issue of the licence.

In this Direction, "targeted community television services" means television services provided for community and educational non-profit purposes under the class licence for open narrowcasting television services determined by the Australian Broadcasting Authority under paragraph 117(e) of the *Broadcasting Services Act 1992*.

BROADCASTING SERVICES ACT

NOTICE OF APPLICATION FOR RENEWAL OF LICENCE

In accordance with sections 46(2)(commercial licences) and 90(2)(community licences) of the *Broadcasting Services Act 1992*(the Act), the Australian Broadcasting Authority (ABA) hereby notifies that the companies listed below have lodged applications for the renewal of the following broadcasting licences:

The ABA is required to renew these licences unless it decides that an applicant is no longer a suitable licensee.

A company is a suitable licensee if the ABA does not decide that sub-section 41(2) (for commercial) or 83(2)(for community) of the Act applies to the company.

The ABA may decide that either section 41(2) or 83(2) of the Act applies to a licensee if it is satisfied that allowing the licensee to provide or continue to provide either a commercial or a community broadcasting service under a licence would lead to a significant risk of:

- (a) an offence against the Act or the regulations being committed; or
- (b) a breach of the conditions of the licence occurring.

In deciding whether these sub-sections apply, the ABA is required by sections 41(3)(commercial) and 83(3)(community) of the Act, to take into account:

- (a) the business record of the company; and
- (b) the company's record in situations requiring trust and candour; and
- (c) (commercial) the business record of each person who is, or would be, if a licence were allocated to the applicant, in a position to control the licence; or (community) the business record of the chief executive and each director and secretary of the applicant; and
- (d) the record in situations requiring trust and candour of each such person; and
- (e) whether the company, or a person referred to in paragraph (c) or (d), has been convicted of an offence against this Act or the regulations.

Nothing in the provisions of the Act requires the ABA to hold an investigation or a hearing into whether a licence should be renewed.
