ANTI-DUMPING AUTHORITY

Expiry of anti-dumping duties on dioctyl phthalate from Belgium, France, Germany, the Republic of Korea and Venezuela

The Anti-Dumping Authority, in accordance with Section 8A of the *Anti-Dumping Authority Act 1988*, hereby notifies that the anti-dumping duties on exports of dioctyl phthalate by certain companies in Belgium, France, Germany, the Republic of Korea and Venezuela to Australia are due to expire on 27 November 1996.

Interested parties are invited to apply to the Authority for the continuation of the anti-dumping duties within 60 days from the date of this notice. Such applications must be in writing and in an approved form. Copies of the approved form are available from Ms Margaret McLeod at the Anti-Dumping Authority, GPO Box 9839, Canberra, ACT 2601; ph (06) 276 1742; fax (06) 276 1747; internet MMCLEOD@dist.gov.au.

If an application is not received by the Authority within the period specified above, the anti-dumping duties will expire on 27 November 1996.

If an application is received and complies with the necessary requirements, the Authority must undertake an inquiry and report to the Minister within 120 days after the receipt of the application on whether the anti-dumping duties should continue for a further five years.

For an inquiry to be undertaken, an application needs to provide reasons for believing that the expiration of the anti-dumping duties would see the recurrence of dumping of dioctyl phthalate from Belgium, France, Germany, the Republic of Korea and Venezuela and for believing that any such dumping would cause or threaten to cause material injury to the Australian industry. The reasons should be supported by evidence and not be based on mere allegations or assertions.

For further information on this matter please contact Mr Sabesh Shivasabesan at the Authority on telephone (06) 276 2012; fax (06) 276 1747; or internet SABESH@dist.gov.au.
