#### ANTI-DUMPING AUTHORITY

### Notice of inquiry into certain highlighter pens from Germany

The Australian Customs Service (Customs) has made a preliminary finding that there are sufficient grounds for the publication of a dumping duty notice in respect of certain, barrel type highlighters exported by Schwan-Stabilo Schwanhaeusser Gmbh & Co (Schwan-Stabilo) from Germany.

In its preliminary finding, Customs identified Schwan-Stabilo as the sole exporter of the highlighters (which are marketed under the brand name "Stabilo Boss") from Germany.

Customs, acting under paragraph 269TD(2)(b) of the Customs Act 1901, has now referred the matter to the Anti-Dumping Authority for final inquiry. The Authority must consider if the publication of a dumping duty notice is justified. At the conclusion of its inquiry, the Authority will recommend to its Minister what (if any) action he should take.

The goods under inquiry are broad tipped barrel type highlighter pens.

During its inquiry, the Authority will address the allegations made by A.W. Faber-Castell (Aust) Pty Ltd that the highlighters have been exported to Australia from Germany at dumped prices and that this dumping has caused, and is threatening to cause, material injury to the Australian industry through loss of sales, loss of market share, price undercutting, loss of profits, reduction in employment and reduction in investment.

The inquiry will examine importations into Australia of highlighters entered for home consumption after 1 July 1995. The Authority will report to the Minister by 14 May 1997.

You are invited to make a submission to the Authority as soon as possible, but not later than 3 March 1996. Submissions should, preferably, address specific matters raised in Customs' preliminary finding report. Copies of that report can be obtained from the Office Manager, Office Management Group, Australian Customs Service, Canberra by telephoning (06) 275 6060.

Any person proposing to lodge a submission with the Authority should first obtain a copy of the information sheet prepared for this inquiry. Copies of the information sheet can be obtained by contacting Ms Margaret McLeod, Information Officer, on ph (06) 213 6754 or by internet MMCLEOD@dist.gov.au.

The Authority's address for submissions is GPO Box 9839, Canberra ACT 2601. Submissions may also be sent by facsimile to (06) 213 6761.

Submissions containing confidential information should be accompanied by another version omitting the confidential material but containing a non-confidential summary. All non-confidential submissions will be placed on the public record for this inquiry together with a copy of all relevant correspondence between the Authority and other persons and the full public record of the preceding investigation by Customs. The public record will be held at the offices of the Authority. Arrangements can be made to inspect material held on the public record by telephoning Ms Margaret McLeod.

Following receipt of submissions, it is possible that a meeting of interested parties will be arranged to explore issues raised. Should such a meeting take place, parties will have a further opportunity to make submissions to the Authority on the issues raised.

If any party to this inquiry has retained the services of a consultant to represent its interests, the Authority needs to be advised in writing as soon as possible of the name and address of the agency being used and the consultant assigned to this inquiry. For expediency's sake, would you please forward this information by facsimile to (06) 213 6761.

Should you have any questions about this inquiry, please contact Mr Jeremy Salvage, Project Manager, on ph (06) 213 6757 or by internet JSALVAGE@dist.gov.au.

Superannuation Industry (Supervision) Act 1993

### **MODIFICATION DECLARATION NO 18**

- I, Robert George Glading, Acting Insurance and Superannuation Commissioner, under section 332 of the Superannuation Industry (Supervision) Act 1993, DECLARE that the Superannuation Industry (Supervision) Regulations are to have effect, in relation to regulated superannuation funds and approved deposit funds, and their trustees, as if they were modified by adding after subregulation 2.21(3):
  - "(4) If, under subregulation (3), the trustee of a fund is required to give member information or fund information to one or more members of the fund within a period that ends on any day in January 1997 or February 1997, the trustee is taken not to breach that subregulation if the trustee gives the information to those members by the end of February 1997."

This declaration is taken to have commenced to have effect on 1 January 1997.

Dated 16 January 1997

R G Glading Acting Commissioner

### Superannuation Industry (Supervision) Act 1993

### EXPLANATORY MEMORANDUM

ACCOMPANYING

#### MODIFICATION DECLARATION No 18

#### PURPOSE OF THE DECLARATION

 The purpose of modification declaration number 18 is to extend the time specified in regulation 2.21 of the Superannuation Industry (Supervision) Regulations (the "SIS Regulations") for trustees of regulated superannuation funds and approved deposit funds to send fund information and member information to members. The extension is a one-off extension which only affects the period between 1 January and 28 February 1997.

#### **BACKGROUND**

- 2. Division 2.4 of Part 2 of the SIS Regulations requires trustees of regulated superannuation funds and approved deposit funds to provide fund information and member information to members for each fund reporting period and member reporting period of the fund.
- 3. Subregulation 2.21(3) requires trustees to give the fund information and member information specified in Division 2.4 to members as soon as practicable after the end of the relevant reporting period, and in any event within 6 months after the end of the reporting period.
- 4. The Taxation Laws Amendment Act (No 2) 1996 has inserted into the Superannuation Industry (Supervision) Act 1993 (the "SIS Act") a new Part 25A, which deals with the subject of members giving their tax file numbers to trustees. Section 299F requires the trustee of a regulated superannuation fund or an approved deposit fund to request each existing member of the fund to provide his or her tax file number to the trustee in a manner approved by the Commissioner. The request must be made within 7 days after the "starting date". This is defined in subsection 299F(6) (basically) as the first day on or after the commencement of Part 25A on which the

- trustee gives fund or member information to the member in accordance with subregulation 2.21(3) of the SIS Regulations.
- 5. Part 25A of the SIS Act will commence on 16 February 1997 (refer to subsection 2(4) of the *Taxation Laws Amendment Act (No 2) 1996*).

#### REASON FOR THE DECLARATION

- 6. A problem has arisen for funds that are required to give fund or member information to their members in the weeks immediately preceding the commencement of Part 25A on 16 February 1997. The trustees of many of these funds wish to send out requests to their members asking for their tax file numbers as soon as possible, as the tax file numbers will assist in the future identification of the members if they should become lost. However, the requests for tax file numbers under Part 25A cannot be sent out before the commencement of that Part.
- 7. The Commissioner has decided that these trustees should be allowed to wait until after Part 25A of the SIS Act comes into force. This will enable them to obtain their members' tax file numbers as soon as possible after the commencement of Part 25A by including the request in the mail-out with their fund and member reports. The Commissioner considers that the benefits to these funds of avoiding the need to undertake a second mail-out (the cost of which would ultimately be borne by the members) outweighs the minor disadvantage of the members receiving their fund or member information statements a few weeks later than they otherwise would.

#### **EXPLANATION OF THE DECLARATION**

- 8. The modification declaration modifies regulation 2.21 of the SIS Regulations by adding a new subregulation 2.21(4) after the existing subregulation 2.21(3).
- The effect of the new subregulation 2.21(4) is that, if subregulation 2.21(3) requires a trustee to give member information or fund information (as defined in regulation 2.17) to members by a deadline occurring on any day in January or February 1997, the trustee may give that information on or before 28 February 1997.

#### COMMENCEMENT

- Modification declaration number 18 is taken to have commenced on 1——
   January 1997.
- 16 January 1997

#### **COMMISSIONER OF TAXATION**

#### **NOTICE OF RULINGS**

The Commissioner of Taxation gives notice under Part IVAAA of the *Taxation Administration Act* 1953 of public rulings and gives notice of other rulings. Notice is given of the following rulings, a copy of which can be obtained from any Branch of the Australian Taxation Office.

Ruling Number	Subject	Brief Description
TD 97/1	Income tax: property development: if land, originally acquired as a capital asset, is later ventured into a business of development, subdivision and sale, how is the market value of the land calculated at the time it is ventured into the business?	Explains how the market value of land ventured into a business of development, subdivision and sale is determined by using the 'highest and best use' principle.
TD 97/2	Income tax: should directors' fees be included in the assessable income of a director who is a partner in a professional partnership and who must pass on those fees to the partnership as required by the partnership agreement?	Determines whether directors' fees paid to a partner in a professional partnership should be included in the assessable income of the partner.
TD 97/3	Income tax: capital gains: if a parcel of land acquired after 19 September 1985 is subdivided into lots ('blocks'), does Part IIIA of the Income Tax Assessment Act 1936 treat a disposal of a block of the subdivided land as the disposal of part of an asset (the original land parcel) or the disposal of an asset in its own right (the subdivided block)?	Determines that the disposal of a subdivided block is treated as the disposal of an asset in its own right, not as a disposal of part of the original land parcel.
TR 97/1	Income tax: Commonwealth benefits received by nursing homes.	Ruling considers the assessability of 'general care' and 'capital funding' benefits paid to nursing home proprietors and clarifies in what year these benefits are assessable.

Notification of Preliminary Finding

**CUSTOMS ACT 1901 - PART XVB** 

#### PRELIMINARY FINDING ON THE ALLEGED DUMPING OF FABRIC AND PLASTIC FIRST AID STRIPS EXPORTED FROM THE UNITED STATES OF AMERICA

The Australian Customs Service has completed its investigation into the alleged dumping of fabric and plastic first aid strips exported from the United States of America (USA) and marketed under the 'Curad' brand. The investigation commenced on 4 October 1996, following an application by Smith & Nephew Pty Ltd on behalf of the Australian industry producing like goods.

Based on the information before it, Customs found that:

- 'Curad' brand plastic and fabric first aid strips were exported from the USA at dumped prices;
- the Australian industry has suffered material injury as a result of price undercutting, price depression, price suppression and loss of profits on fabric and plastic first aid strips; and
- the material injury suffered by the Australian industry cannot be attributed to the dumped imports.

Customs has therefore found that there are not sufficient grounds for the publication of a dumping duty notice in respect of fabric and plastic first aid strips exported from the USA marketed under the 'Curad' brand.

Dumping Report No. 97/002 sets out the reasons for the finding including all material findings of fact or law on which the finding is based.

Copies of Dumping Report No. 97/002, and of ACDN No. 97/004 advising the outcome of the preliminary finding, will be sent to interested parties. Further copies may be obtained from the Dumping Branch on telephone (06) 275 6057 or by fax (06) 275 6990.

#### NOTICE UNDER SUBSECTION 269TD(3) OF THE CUSTOMS ACT 1901

I have considered the application, taking into account submissions received and any other matters considered relevant, and declare that there are not sufficient grounds for the publication of an interim dumping duty notice in respect of fabric and plastic first aid strips exported from the USA marketed under the 'Curad' brand.

### CUSTOMS ACT - PART XVB SPECIAL PROVISIONS RELATING TO ANTI-DUMPING DUTIES

NOTIFICATION OF FINDING IN THE REVIEW OF NORMAL VALUES, EXPORT PRICES AND NON-INJURIOUS PRICES FOR A4 COPY PAPER FROM BRAZIL, FINLAND, GERMANY AND THE USA

On 6 September 1996, the Australian Customs Service (Customs) notified the commencement of a review of the normal values, export prices and non-injurious prices applying to A4 copy paper exported to Australia from Brazil, Finland, Germany and the USA. Customs has completed its review under s.269ZC of the Customs Act 1901.

The Minister for Small Business and Consumer Affairs has accepted Customs' recommendations and has re-ascertained the normal values, export prices and non-injurious prices for all four countries. The Minister has also accepted an undertaking from an exporter in Finland. In view of the emergence of new exporters or exporters undergoing name changes since the introduction of the anti-dumping measures in 1994, country wide measures will apply to future exports to Australia of A4 copy paper from Brazil, Finland and the USA. The new levels will apply to A4 copy paper exported from Brazil, Finland, Germany and the USA which are entered for home consumption on or after 17 January 1997.

Copies of the instruments signed by the Minister are published with this notice. The tables attached to each instrument detailing the ascertained normal values, ascertained export prices and the non-injurious prices will not be published for reasons of confidentiality.

A copy of the Customs report on the review (No. 96/016) will be sent to all those interested parties who participated in the review. Requests for copies of the report may be directed to the Dumping Branch, Canberra on telephone (06) 275 6057.

Bona fide importers of the goods subject to the review can obtain details of the new measures by contacting the Compliance Improvement Units at the Customs Office in their respective capital city.

Any other inquiries regarding these changes may be directed to Anne Robbie, Assistant Director, Dumping Operations on telephone (06) 275 6384 or by facsimile (06) 275 6990.
