## **ANTI-DUMPING AUTHORITY**

### **Expiry of dumping duties on expandable polystyrene from certain exporters of the Republic of Korea and Singapore**

The Anti-Dumping Authority, in accordance with Section 8A of the *Anti-Dumping Authority Act 1988*, hereby notifies that the dumping duty on exports of expandable polystyrene to Australia by certain exporters from the Republic of Korea and Singapore are due to expire on 3 November 1997.

Interested parties are invited to apply to the Authority for the continuation of the dumping duties within 60 days from the date of this notice. Such applications must be in writing and in an approved form. Copies of the approved form are available from Ms Margaret McLeod at the Anti-Dumping Authority, GPO Box 9839, Canberra, ACT 2601; ph (06) 213 6754; fax (06) 213 6761; internet MMCLEOD@dist.gov.au.

If an application is not received by the Authority within the period specified above, the dumping duties will expire on 3 November 1997.

If an application is received and complies with the necessary requirements, the Authority must undertake an inquiry and report to the Minister within 120 days after the receipt of the application on whether the dumping duties should continue for a further five years.

For an inquiry to be undertaken, an application needs to provide reasons for believing that the expiration of the duties would see the recurrence of dumping of expandable polystyrene from the Republic of Korea and Singapore and for believing that any such dumping would cause or threaten to cause material injury to the Australian industry. The reasons should be supported by evidence and not be based on mere allegations or assertions.

For further information on this matter please contact Mr Sabesh Shivasabesan at the Authority on telephone (06) 213 6758; fax (06) 213 6761; or internet SABESH@dist.gov.au.

## ANTI-DUMPING AUTHORITY

### Notice of inquiry into high density polyethylene (HDPE) from the Republic of Korea, the Kingdom of Saudi Arabia and Singapore

The Anti-Dumping Authority has decided to hold an inquiry, under the provisions of section 8A of the *Anti-Dumping Authority Act 1988*, into whether it should recommend to the Minister that anti-dumping measures continue to apply to HDPE exported to Australia from Korea, Saudi Arabia and Singapore.

On 18 December 1996, the Authority announced that the anti-dumping measures imposed in 1992 in relation to HDPE were due to expire on 2 September 1997 and invited interested parties to apply for the continuation of these anti-dumping measures.

The Authority has received an application from Kemcor Australia Pty Ltd, a major Australian manufacturer of HDPE, for the continuation of the anti-dumping measures until the year 2002.

During its inquiry, the Authority will address the claims made by the applicant that the expiration of anti-dumping measures will result in a recurrence of dumped imports of HDPE from Korea, Saudi Arabia and Singapore threatening to cause price depression, price suppression, loss of sales and market share, and loss of profits and profitability to the Australian industry.

Interested parties are invited to make a submission to the Authority in relation to this matter as soon as possible, but certainly no later than 7 April 1997. Submissions should address the central issue before the Authority, which is: *whether the continued application of the anti-dumping measures is necessary to prevent the continuation or recurrence of material injury caused by dumping.*

The Authority will report to the Minister by 20 June 1997.

Any person proposing to lodge a submission with the Authority should first obtain a copy of the information sheet prepared for this inquiry. Copies of the information sheet can be obtained by contacting Ms Margaret McLeod, Information Officer, telephone (06) 213 6754, fax (06) 213 6761 or internet [MMCLEOD@dist.gov.au](mailto:MMCLEOD@dist.gov.au).

The Authority's address for submissions is GPO Box 9839, Canberra, ACT 2601. Three copies of non-confidential and confidential submissions should be provided.

All non-confidential submissions will be placed on the public record for this inquiry together with a copy of all relevant non-confidential correspondence between the Authority and other persons. The public record will be held at the office of the Authority. Arrangements can be made to inspect material held on the public record by contacting Ms McLeod.

For further information regarding this inquiry, please contact Mr Sabesh Shivasabesan at the Authority: phone (06) 213 6758, fax (06) 213 6761 or internet [SABESH@dist.gov.au](mailto:SABESH@dist.gov.au).

**ANTI-DUMPING AUTHORITY****EXPIRY OF DUMPING DUTIES ON  
CLEAR FLOAT GLASS

INDONESIA, THE PHILIPPINES AND THAILAND**

The Anti-Dumping Authority, in accordance with Section 8A of the *Anti-Dumping Authority Act 1988*, hereby notifies that the dumping duties on imports of clear float glass from China, Glaverbel SA and Glaceries de St Roch of Belgium, Vereingte Glaswerke GmbH of Germany, PT Asahimas Flat Glass Co Ltd of Indonesia, Republic Asahi Glass Corporation of the Philippines and Bangkok Float Glass Co Ltd of Thailand are due to expire on 3 November 1997.

Interested parties are invited to apply to the Authority for the continuation of the dumping duties within 60 days from the date of this notice. Such applications must be in writing and in an approved form. Copies of the approved form are available from Ms Margaret McLeod at the Anti-Dumping Authority, GPO Box 9839, Canberra, ACT 2601; ph (06) 213 6754; fax (06) 213 6761; internet [MMCLEOD@dist.gov.au](mailto:MMCLEOD@dist.gov.au).

If an application is not received by the Authority within the period specified above, the dumping duties will expire on 3 November 1997.

If an application is received and complies with the necessary requirements, the Authority must undertake an inquiry and report to the Minister within 120 days after the receipt of the application on whether the dumping duties should continue for a further five years.

For an inquiry to be undertaken, an application needs to provide reasons for believing that the expiration of the dumping duties would see the recurrence of dumping of imports of clear float glass from China, Glaverbel SA and Glaceries de St Roch of Belgium, Vereingte Glaswerke GmbH of Germany, PT Asahimas Flat Glass Co Ltd of Indonesia, Republic Asahi Glass Corporation of the Philippines and Bangkok Float Glass Co Ltd of Thailand; and for believing that any such dumping would cause or threaten to cause material injury to the Australian industry. # EXPLANATORY STATEMENT

Issued by the authority of the Minister for Primary Industries and Energy

*Export Control Act 1982*

Export Control (Fees) Orders (Amendment)

Sub-section 25(1) of the Export Control Act 1982 (the Act) provides that the Governor-General may make regulations, not inconsistent with the Act, prescribing matters required or permitted by the Act to be prescribed, or necessary or convenient to be prescribed for carrying out or giving effect to the Act.

Paragraph 25(2)(g) of the Act provides that the Governor-General may make orders, not inconsistent with the regulations, with respect to any matter for or in relation to which provision may be made by the regulations.

Regulation 3 of the *Export Control (Orders) Regulations* provides that the Minister may, by instrument in writing, make orders, not inconsistent with regulations made under the Act, with respect to any matter for or in relation to which provision may be made by regulations made under the Act.

The *Prescribed Goods (General) Orders* (the Orders) contain provisions that apply to the preparation and export of primary agricultural produce and operate in common with produce specific orders.

The purpose of the *Prescribed Goods (General) Orders (Amendment)* (the Amendment) is to provide flexibility in the assignment and renewal of registered export establishments. Previously any outstanding amounts owing to the Commonwealth in relation to export operations at an establishment were payable prior to the approval or renewal of export registration. The Amendment now allows registration to be assigned in cases where a schedule of repayment of the amount owing has been agreed with the Department.

The *Prescribed Goods (General) Orders (Amendment)* amends the Orders as follows:

## Order 1 — Commencement

SubOrder 1.1 provides that the Orders will commence on Gazettal.

## Order 2 — Amendment

SubOrder 2.1 provides that the Orders are amended as set out in the *Prescribed Goods (General) Orders (Amendment)*.

## Order 3 — Part 5 Registered Establishments

Sub order 3.1 replaces Order 24(g) with a new Order 24(g) in relation to new export establishment registrations. The new Order provides that a schedule of repayment for amounts owing to the Department may be entered into to enable approval of registration.

Sub order 3.2 replaces Order 27(e) with a new Order 27(e) in relation to the renewal of export establishment registrations. The new Order provides that a schedule of repayment for amounts owing to the Department may be entered into to enable approval of registration.

Sub order 3.3 replaces Order 35(f) with a new Order 35(f) in relation to assignment of export establishment registrations. The new Order provides that a schedule of repayment for amounts owing to the Department may be entered into to enable approval of registration.
