AUSTRALIAN ELECTORAL COMMISSION

Register of Political Parties

Note : The following applications are re-advertised because in the previous notification the deadline for objections was incorrectly stated (in the press version) as 26 March 1996 instead of 26 March 1997. Those who lodged objections as a result of the previous notification need not submit fresh ones unless they wish to add to their original submissions.

Notification to register as a political party

The Australian Electoral Commission has received the following application for registration as a political party under the provisions of the *Commonwealth Electoral Act 1918* (the Act):

Name of Party: **Queensland First**

Abbreviation of party name: -

Name and address of
proposed Registered Officer: **Malcolm Arthur Colston**
43 Steptoe Street
CHAPEL HILL QLD 4069

The above application is made by the Parliamentary Member of the party and states it wishes to receive election funding.

If you believe that the above party should not be registered:

- because it is not an organisation with an object of promoting the election to Federal Parliament of its endorsed candidate(s); or
- because the application does not fulfil the technical requirements specified in the Act; or
- because the party's name (or abbreviation) is likely to be confused with that of another registered party (one that is not related to the applicant party);

you may formally object by lodging a submission with the Australian Electoral Commission within one month after the date of this notification i.e. by 10 June 1997. Objections, which must be signed and contain your address, should be sent to the Commission (marked to the attention of the Registrar of Political Parties), PO Box E201, Kingston, ACT 2604.

Notification of an application to change the Register of Political Parties

The Australian Electoral Commission has also received an application from the following political party to change its registered abbreviation in the *Register of Political Parties* in accordance with Part XI of the Act:

Name of Party: **Australian Labor Party (ACT Branch)**

Nature of Change: To change the abbreviation of the party name from
Australian Labor Party to New Labor Party

The above application is made by the Secretary of the party.

If you believe that the above party should not be allowed to change its details as indicated above:

- because the application does not fulfil the technical requirements specified in the Act; or
- because the party's proposed abbreviation is likely to be confused with that of another registered party (one that is not related to the applicant party);

you may formally object by lodging a submission with the Australian Electoral Commission within one month after the date of this notification i.e. by 10 June 1997. Objections, which must be signed and contain your address, should be sent to the Commission (marked to the attention of the Registrar of Political Parties), PO Box E201, Kingston, ACT 2604.

Please contact Shawn O'Brien on 06-271 4491 if you want information relating to the technical requirements concerning the applications. Objections will be made available to the applicants for comment.

Common Seal of the
Australian Heritage Commission

The Register of the National Estate is an inventory of places 'that have aesthetic, historic, scientific or social significance or other special value for future generations as well as for the present community'. It is a list of the nation's heritage resources available to all decision makers to assist them to make better-informed decisions. There are no direct legal constraints placed on owners of private property, or on State or local government property by the entry of that property in the Register. Entry in the Register does not grant public access to private property.

In essence the Register is an alerting and educational inventory compiled on the single criterion of national estate significance, which is being developed to be as comprehensive as practicable, and which has implications for protection where actions by the Commonwealth are concerned.

The Commission will give due consideration to all objections made concerning its intention to enter places in the Register and would be assisted by being informed of the specific grounds on which an objection is based. It wishes to point out, however, that the final decision must be made in accordance with the requirements of the Act under which it is operating and therefore the prime consideration in the assessment of an objection must be whether the place in question does or does not have national estate significance.

Telephone inquiries about the Commission, the Register and the places listed in the schedule, are welcome. The free phone number is 1800 020652.

Indications: "Viramune (nevirapine), in combination with nucleoside analogues, is indicated for the treatment of HIV-1 infection in adults and children over the age of 12 years. This indication is based on analysis of surrogate endpoints in studies of up to 52 weeks duration.

At present there are no results from controlled clinical trials evaluating the effect of viramune with nucleoside analogues on the clinical progression of HIV-1 infection, such as the incidence of opportunistic infections or survival. The results of further ongoing trials are pending.

Resistant virus emerges rapidly when viramune is administered as monotherapy or in dual therapy with zidovudine. Therefore viramune should be taken in combination with two other nucleoside analogues, one of which could be zidovudine."

The Meeting also resolved that the following resolution from ADEC Meeting Number 186 (1996/6) relating to approval of products with gender specific indications should be promulgated widely.

RESOLUTION NO 7078

HAVING CONSIDERED CORRESPONDENCE RELATING TO THE TREATMENT OF OSTEOPOROSIS IN MALES AND THE DESIRABILITY OF MINIMISING GENDER-SPECIFIC INDICATIONS WHENEVER POSSIBLE, THE ADEC WOULD BE PREPARED TO RECOMMEND APPROVAL OF A DRUG IN A GENDER GROUP IF THE SPONSOR HAS SUBMITTED AN ACCEPTABLE JUSTIFICATION FOR NOT UNDERTAKING A CLINICAL TRIAL IN THAT GENDER. THE JUSTIFICATION WOULD REQUIRE:

- (i) THAT THE DRUG WAS RECOMMENDED FOR APPROVAL IN THE OTHER GENDER ON THE BASIS OF ADEQUATE CONVENTIONAL STUDIES SHOWING EFFICACY AND SAFETY;**
- (ii) EVIDENCE OF SIMILAR OR IDENTICAL DISEASE PATHOGENESIS;**
- (iii) EVIDENCE OF PREVALENCE OF THE DISEASE TO SHOW THAT AN EXPECTATION OF TRIALS IN THIS GENDER IS UNREALISTIC;**
- (iv) EVIDENCE THAT TOXICOLOGY STUDIES WERE ADEQUATE TO EXCLUDE GENDER-SPECIFIC DIFFERENCES OF CLINICAL SIGNIFICANCE;**
- (v) HUMAN CLINICAL DATA TO SHOW THAT THERE ARE NOT CLINICALLY SIGNIFICANT GENDER DIFFERENCES IN PHARMACOKINETICS OR PHARMACODYNAMICS; AND**
- (vi) PRESENTATION OF ALL IDENTIFIABLE EVIDENCE OF SAFE USE IN THE GENDER UNDER CONSIDERATION.**

POINTS (i), (iv) AND (v) WOULD REQUIRE DATA AND USUALLY WOULD REQUIRE STUDIES TO HAVE BEEN CONDUCTED BY THE SPONSOR.

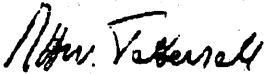

POINTS (ii) AND (iii) MIGHT BE BASED ON A BIBLIOGRAPHIC SUBMISSION.

POINT (vi) WOULD REQUIRE SUBMISSION OF ANY STUDIES AND ALSO ALL LITERATURE REPORTS.

Meeting No 189 modified point (iii) of the above resolution as follows:

RESOLUTION NO 7155

IN ORDER TO ASSIST IN DEFINING THE CIRCUMSTANCES UNDER WHICH AN EXPECTATION OF TRIALS IN A SPECIFIC GENDER IS UNREALISTIC, CRITERION (iii) OF RES NO 7078 (186TH:1996/6 MEETING) SHOULD BE AMENDED TO STATE: "EVIDENCE OF PREVALENCE OF THE DISEASE TO SHOW THAT AN EXPECTATION OF ADEQUATELY POWERED CLINICAL TRIALS IN THIS GENDER IN A TIMELY FASHION IS UNREALISTIC".

ANTI-DUMPING AUTHORITY

NOTICE OF INQUIRY INTO POLYVINYL CHLORIDE RESIN FROM CANADA, THE PEOPLE'S REPUBLIC OF CHINA, FRANCE, JAPAN, NORWAY, THE KINGDOM OF SAUDI ARABIA AND THAILAND

The Anti-Dumping Authority has decided to hold an inquiry, under the provisions of section 8A of the *Anti-Dumping Authority Act 1988*, into whether it should recommend to the Minister that anti-dumping measures continue to apply to polyvinyl chloride resin (PVC) exported to Australia from Canada, the People's Republic of China, France, Japan, Norway, the Kingdom of Saudi Arabia and Thailand (countries under reference).

On 19 February 1997, the Authority announced that the anti-dumping measures imposed in 1992 in relation to PVC exported from the countries under reference are due to expire on 21 October 1997 and invited interested parties to apply for the continuation of these measures.

The Authority has received an application from the Australian manufacturers of PVC, ICI Australia Operations Pty Ltd and Auseon Limited, for the continuation of the anti-dumping measures until the year 2002.

During its inquiry, the Authority will address the claims made by the applicants that alleged that, in the absence of the current measures, PVC exported from the countries under reference would be dumped and that there would be a foreseeable threat of material injury to the local industry through price pressure.

Interested parties are invited to make a submission to the Authority as soon as possible, but certainly no later than 16 June 1997. Submissions should address *the central issue before the Authority, which is: whether the continued application of the anti-dumping measures is necessary to prevent the recurrence of material injury caused by dumping.*

The Authority will report to the Minister by 29 August 1997.

Any person proposing to lodge a submission with the Authority should first obtain a copy of the information sheet prepared for this inquiry. Copies of the information sheet can be obtained by contacting Ms Margaret McLeod, Information Officer, phone (06) 213 6754, fax (06) 213 6761 or internet MMCLEOD@dist.gov.au.

The Authority's address for submissions is GPO Box 9839, Canberra, ACT 2601.

All non-confidential submissions will be placed on the public record for this inquiry together with a copy of all relevant correspondence between the Authority and other persons. The public record will be held at the office of the Authority. Arrangements can be made to inspect material held on the public record by contacting Ms McLeod.

For further information regarding this inquiry, please contact Mr Sabesh Shivasabesan at the Authority: phone (06) 213 6758, fax (06) 213 6761 or internet SABESH@dist.gov.au.
