**COMMISSIONER OF TAXATION****NOTICE OF RULINGS**

The Commissioner of Taxation gives notice of the following rulings, a copy of which can be obtained from any Branch of the Australian Taxation Office.

Ruling Number	Subject	Brief Description
<b>TD 98/4</b>	Income tax: when can a 'public unit trust' carry out sub-underwriting of share issues and still carry on a business wholly consisting of 'eligible investment business', for the purposes of Division 6C of the <i>Income Tax Assessment Act 1936</i> ?	Determines that this can occur where a sub-underwriting is properly part of a business of 'investing or trading in' shares in a company and undertaken for this purpose and the business consists wholly of 'eligible investment business' activities.

**(2)** Subject to this clause, the licensee must:

**(a)** if so requested by Optus; and

**(b)** as soon as practicable after Optus's request is received;

provide local number portability in relation to portable local service numbers specified by Optus in its request.

**(3)** The licensee is not required to comply with subclause (2) unless Optus agrees:

**(a)** to pay the licensee for customer transfer costs on terms and conditions:

**(i)** agreed between the licensee and Optus by 1 April 1998; or

**(ii)** failing agreement, determined by the ACCC by 1 May 1998; and

**(b)** to contribute to the licensee's call conveyancing costs at the level of one cent per call.

**(4)** Subject to subclauses (5) and (9), the licensee must comply with:

*Carrier Licence Conditions (Telstra Corporation Limited)* 4  
*Declaration 1997 (Amendment No. 1 of 1998)*

- (a) subclause (1) by 1 May 1998 and at all times on and after 1 May 1998; and
  - (b) subclause (2) at all times on and after 1 May 1998.
- (5) The ACA may, by instrument in writing:

  - (b) specify a later compliance date and later compliance times for subclause (4).
- (6) If the ACA makes a determination under subclause (5), the licensee must comply with subclauses (1) and (2) on such date and times as are specified in the determination.
- (7) In determining whether it is unreasonable to expect the licensee to comply with subclauses (1) and (2) by the date and times referred to in subclause (4), the ACA must have regard to whether the licensee's inability to comply is directly or substantially attributable to:
- (a) Optus's level of co-operation in the development and implementation of arrangements necessary to provide for local number portability; or
  - (b) significant events of a technical or engineering nature that the licensee could not have reasonably anticipated.
- (8) Subclause (7) is intended to limit the matters to which the ACA may have regard for subclause (5).
- (9) The ACA may, by instrument in writing, determine that it is unreasonable to expect the licensee to comply with subclauses (1) and (2) in certain areas currently served by exchanges where, in its

opinion, providing local number portability is not technically feasible.

(10) A determination under subclause (9) may be unconditional or subject to such conditions (if any) as are specified in the determination.

(11) For subclause (9), in determining whether it is unreasonable to expect the licensee to comply with subclauses (1) and (2), the ACA may only have regard to whether the licensee's inability to comply is directly attributable to the technical feasibility of providing local number portability from a particular exchange.

**Cessation of clause 13**

14. If the numbering plan in force from time to time requires the licensee to provide number portability or limited portability (within the meaning of that plan) in relation to portable local service numbers, clause 13 will cease to have effect at the earlier of the time when:

- (a) the licensee and Optus agree, in accordance with section 462 of the Act, on the terms and conditions on which the licensee will provide number portability or limited portability in relation to portable local service numbers; or
  - (b) these terms and conditions are determined under section 462 of the Act by:
    - (i) an arbitrator appointed by the licensee and Optus; or
    - (ii) the ACCC."
