1974 ADMINISTRATIVE PROCEDURES**

**INVITATION TO COMMENT ON A DRAFT ENVIRONMENTAL IMPACT  
STATEMENT FOR A PROPOSED REPLACEMENT NUCLEAR RESEARCH  
REACTOR**

**The Proposal**

In September 1997 the Commonwealth Government announced a proposal to construct and operate a replacement research reactor at the Australian Nuclear Science and Technology Organisation (ANSTO) site at Lucas Heights, Sydney. The replacement reactor would be located near the existing High Flux Australian Reactor (HIFAR). Construction and commissioning of the replacement reactor would be completed by 2005. It would have an operational life of at least 40 years. HIFAR and the replacement reactor would need to operate simultaneously for a short period during commissioning of the replacement reactor. After this, HIFAR would be shut down permanently and be decommissioned.

**Exhibition**

In accordance with the Administrative Procedures of the Commonwealth *Environment Protection (Impact of Proposals) Act 1974* a Draft Environmental Impact Statement (EIS) has been prepared by PPK Environment & Infrastructure which describes the proposal and its potential environmental impacts. This document will be on exhibition for public review nationally for a period of 12 weeks from 17 August to 9 November 1998. The Draft EIS may be examined during normal business hours over this period at the following locations:

- Council chambers for Bankstown, Botany, Campbelltown, Kogarah, Liverpool, Sutherland and Wollongong local government areas;

**ANTI-DUMPING AUTHORITY**

**REVIEW OF THE AUSTRALIAN CUSTOMS SERVICE'S  
TERMINATION AND NEGATIVE PRELIMINARY FINDING  
IN RESPECT OF CERTAIN COTTON BLANKETS FROM  
THE PEOPLE'S REPUBLIC OF CHINA**

The Anti-Dumping Authority has completed its review of the Australian Customs Service's termination and negative preliminary finding in respect of the alleged dumping of certain cotton blankets from the People's Republic of China.

The Authority has concluded that cotton blankets have not been exported to Australia from China at dumped prices during the investigation period.

The Authority has therefore confirmed Customs' findings to the effect that there are not sufficient grounds for the publication of a dumping duty notice in respect of cotton blankets exported to Australia from China.

Copies of the bound (non-confidential) version of the Authority's report on its review (Report no. 190) will be available in due course. Requests for copies of the report should be addressed to the Information Manager, Margaret McLeod, at the Authority on telephone (02) 6213 6754 or by email [MMCLEOD@dist.gov.au](mailto:MMCLEOD@dist.gov.au).

  - 12.3 In subclause 12.2 owner means a person who is registered, in the SEF Quota Unit Register maintained by AFMA, as the permanent holder of a SEF quota unit.”
- (c) AFMA will register as an eligible person each applicant who satisfies the eligibility criteria as required by subsection 26(2) of the Act. There are no statutory fishing right options in relation to the Plan as referred to in section 31K of the Act.
  - (d) AFMA will notify each applicant in writing of its decision to register or not to register that person as an eligible person, as soon as possible after it makes its decision as required under subsection 26(3) of the Act.

## 4.2 Rights of Review

The applicant must set out reasons for making the request.
- (b) AFMA must, within 45 days after receiving the request, reconsider the relevant decision and may make a decision (the reviewable decision):
  - (i) in substitution for the relevant decision whether in the same terms or not; or
  - (ii) revoking the relevant decision.

- (c) An application may be made to the Administrative Appeals Tribunal for a review of a reviewable decision within 14 days of the applicant being notified of the reviewable decision.

AFMA will also notify in writing each person to whom it intends to grant SFRs.
- (b) The basis on which AFMA must make a provisional grant of a statutory fishing right to a person who is registered as an eligible person for the grant of the right is stated in subclauses 14.2 and 14.3 of the Plan and reproduced below:

“14.2 If the person is registered as an eligible person for the grant of a boat statutory fishing right, AFMA must make a provisional grant to the person of 1 boat statutory fishing right for each class A SEF fishing permit held by the person at the end of the period specified in the notice published by AFMA declaring that AFMA intends to grant statutory fishing rights in relation to fishing in the SET fishery.

14.3 If the person is registered as an eligible person for the grant of a quota statutory fishing right, AFMA must make a provisional grant to the person of 1 quota statutory fishing right for a quota species for each SEF quota unit for that species held by the person at the end of the period specified in the notice published by AFMA declaring that AFMA intends to grant statutory fishing rights in relation fishing in the SET fishery.”

#### **4.4 Provisional Grants - Rights of Review**

- (a) A person who is an eligible person and who has been registered as such, and who is dissatisfied with AFMA's decision in relation to the provisional grant may request the Statutory Fishing Rights Allocation Review Panel (SFRARP) to review the decision in relation to the grant under section 143 of the Act. The applicant has 14 days after being notified of the decision to make the request.
- (b) Upon an application being made to SFRARP, SFRARP will notify AFMA and each person registered as eligible for a grant of an SFR of the application and AFMA and such persons notified become parties to the proceeding before the SFRARP.
- (c) An appeal lies to the Federal Court of Australia, on questions of law, from decisions of SFRARP.

#### 4.5 Request for Grant of SFRs

- (a) Under section 23 of the Act a grant of an SFR must not be made before the end of the appeal period to SFRARP or, in the event of such an appeal, before the appeal is dealt with by SFRARP, or otherwise disposed of.
- (b) Thereafter, in accordance with clause 15 of the Plan:
  - (i) AFMA will notify persons registered as eligible that the grant is available;
  - (ii) the persons so notified must request that AFMA make the grant;
  - (iii) if the person does not so request, within 30 days, AFMA will send a notice to the last known address of the person notifying the person that he or she must make a request within a specified period;
  - (iv) if a request is still not received, a second notice will be sent informing the person that if a request is not received within 14 days that the person's registration as an eligible person will be cancelled.

#### Other information

- 9 Prospective applicants should note that:
  - (a) the Plan commenced on 25 June 1998;

- (e) Particulars of each SFR will be recorded on certificates for the SFRs and also on the Register of Statutory Fishing Rights. The Register is administered by AFMA;
- (f) the holders of SFRs may apply in the approved form to AFMA to lease or transfer that SFR to another person;

Delegate of the Chief Executive Officer of Customs

*Customs Tariff Act 1995*

**DECLARATION OF WHOLESALE LIST PRICES OF CIGARETTES**

**Declaration No. 11 of 1998**

For the purposes of subheading 2402.20.10 of Schedule 3 to the *Customs Tariff Act 1995*, I, RICHARD JOHN HUNT, delegate of the Chief Executive Officer of Customs, declare that, with effect from 1 August 1998, the wholesale list price, per 1000 cigarettes, is:

- (a) for cigarettes that are of a kind to which paragraph (b) of the declaration does not apply but that have the brand name set out in column 1 of the table in this declaration, are of a type set out in column 2 of that table and have packaging particulars set out in column 3 of that table - the price set out in column 4 of that table opposite to those particulars; and
- (b) for cigarettes that are of a kind to which section 68 of the *Customs Act 1901* does not apply because of the operation of paragraph 68(1)(d) or (e) - \$241.88.

The following Customs Declarations are repealed with effect from 1 August 1998:
