Do you submit notices to the Government Notices or Business Gazette

Then you need to read this!

You may already be aware that the Commonwealth Gazette Office is upgrading the systems used for lodging notices in gazettes. We are redesigning both the input and output delivery methods for all Commonwealth Gazette notices to make it simpler, faster and more efficient. The new system will be web based, and will be accessible via a web browser. The paper gazette products will still be available, as normal, but it will also be possible to view notices over the Internet.

The new web site will allow users to register on-line and submit notices directly into the database, or to view all the Gazette notices.

If you submit notices to either gazette on a regular basis, you may benefit from having an account with us. To apply for an account, please fill in the form, and forward it to us for processing.

If you submit notices only on occasions, you will need to pay upfront for all notices submitted through the new system. This will be an easy process, by submitting or faxing charge card details or mailing a cheque through prior to the notice being published.

If you have any further queries or concerns regarding this or any other matter pertaining to this, please don't hesitate to contact us for clarification on 02 6275 8725 or on Gazette@dofa.gov.au
