COMMISSIONER OF TAXATION

The Commissioner of Taxation, Michael D'Ascenzo, gives notice of the following Rulings, copies of which can be obtained from Branches of the Australian Taxation Office or at <http://law.ato.gov.au>.

NOTICE OF RULINGS

Ruling Number	Subject	Brief Description
TR 2006/7	Income tax: special income derived by a complying superannuation fund, a complying approved deposit fund or a pooled superannuation trust in relation to the year of income	This Ruling explains what amounts are considered to be 'special income' under section 273 of the <i>Income Tax Assessment Act 1936</i> . The Ruling sets out what amounts are indirectly derived from a dividend and are therefore included within subsection 273(2) by subsection 273(3). It also explains what is meant by a 'non-share dividend' in subsection 273(9) and how these amounts are also included within subsection 273(2). The Ruling clarifies the circumstances in which the Commissioner will exercise the discretion under subsection 273(2) to not treat a dividend as special income. This involves an explanation of how the Commissioner will have regard to the matters listed in paragraphs 273(2)(a) to (e) and what other matters the Commissioner will consider relevant under paragraph 273(2)(f). This Ruling applies to years of income commencing both before and after 2 August 2006.
TD 2006/49	Income tax: are there circumstances when a balancing adjustment for a car is worked out under section 40-370 instead of section 40-285 of the <i>Income Tax Assessment Act 1997</i> ?	This determination concludes that the special rules in section 40-370 of the <i>Income Tax Assessment Act 1997</i> , instead of the general rules in section 40-285, apply to work out the balancing adjustment for a car you held where a deduction is available to you under Division 40 for the car's decline in value for an income year, but you chose either the 'cents per kilometre' or '12% of original value' method under Division 28 for deducting your car expenses for the car for one or more other income years. This Determination applies to years commencing both before and after 2 August 2006.
CR 2006/69	Income tax: assessable income and tax offsets: payments made by Ensham Workers Entitlement Fund Pty Ltd	This Ruling applies to employees of Ensham Resources Pty Ltd who receive a payment of employee entitlements from Ensham Workers Entitlement Fund Pty Ltd as trustee of the Ensham Production and Engineering Employee's Leave Entitlements Trust. This Ruling applies from 1 July 2006.
CR 2006/70	Fringe benefits tax: employee participation in the Weight Watchers 'At Work' program	This Ruling applies to employers who make available the Weight Watchers 'At Work' program to their employees. This Ruling applies after 2 August 2006.
CR 2006/71	Income tax: Approved Early Retirement Scheme – Brisbane Catholic Education	This Ruling applies to employees of Brisbane Catholic Education who receive a payment under the scheme described in this Ruling. This Ruling applies after 2 August 2006.
CR 2006/72	Income tax: Approved Early Retirement Scheme – Australian Wool Testing Authority Ltd	This Ruling applies to employees of the Australian Wool Testing Authority Ltd who receive a payment under the scheme described in this Ruling. This Ruling applies after 1 August 2006.
PR 2006/121	Income tax: Great Southern Plantations 2006 Project – (Post 30 June Growers – New Species)	This Ruling applies to Growers who: <ul style="list-style-type: none"> • are accepted to participate in the Project during the period from the date of this Ruling until 31 March 2007 (Post 30 June Growers); • have executed a Land and Management Agreement between the date of this Ruling and 30 April 2007 (inclusive); and where • the Establishment Services will be completed within 12 months of the Commencement Date, for the commercial growing of hardwood species for the production of short fibre hardwood woodchips for use in the paper industry. This Ruling applies prospectively from 2 August 2006.

PR 2006/122	Income tax: Oak Valley Truffle Project Post 30 June Growers	This Ruling applies to Growers who are accepted to participate in the Project from 2 August 2006 to on or before 15 March 2007 and have executed a Project Operations Agreement and a Lease and Sub-lease Agreement during this period for the commercial production of truffles. This Ruling applies prospectively from 2 August 2006.
