ACMA is required to renew these licences unless it decides that an applicant is no longer a suitable licensee. A company is a suitable licensee if ACMA does not decide that sub-section 41(2) (for commercial) or sub-section 83(2) (for community) of the Act applies to the company.

ACMA may decide that either sub-section 41(2) or 83(2) of the Act applies to a licensee if it is satisfied that allowing the licensee to provide or continue to provide either a commercial or a community broadcasting service under a licence would lead to a significant risk of: (a) an offence against the Act or the regulations being committed; (b) or a breach of the conditions of the licence occurring.

In deciding whether these sub-sections apply, ACMA is required by sub-sections 41(3) and 83(3) of the Act, to take into account: (a) the business record of the company; and (b) the company's record in situations requiring trust and candour; and (c) (commercial) the business record of each person who is, or would be, if a licence were allocated to the applicant, in a position to control the licence; or (community) the business record of the chief executive and each director and secretary of the applicant; and (d) the record in situations requiring trust and candour of each such person; and (e) whether the company, or a person referred to in paragraph (c) or (d), has been convicted of an offence against this Act or the regulations.

Under sub-section 91(2A) of the Act, ACMA may also refuse to renew a community broadcasting licence if, having regard to matters in paragraphs 84(2)(a) to (f), it considers that it would not allocate such a licence if it were deciding whether to allocate the licence to the licensee.

The Act does not require ACMA to hold an investigation or a hearing into whether a community licence (sub-section 91(3)) or a commercial licence (sub-section 47(3)) should be renewed.

NOTICE OF APPLICATION FOR CONSENT TO AN ALTERATION OF ELIGIBILITY RULES

(D 2007/105)

NOTICE is given that an application under the Workplace Relations Act 1996 for consent to an alteration of the eligibility rules of The Master Plumbers' and Mechanical Services Association of Australia has been received.

A copy of the application has been published on the website of the Australian Industrial Relations Commission at: http://www.airc.gov.au (under *Organisations* click *Gazette Notices*).

Alternatively, a copy of the application can be obtained on request from the Australian Industrial Registry. Requests should be directed to Mr. Larry Powell, Australian Industrial Registry, GPO Box 1994, Melbourne 3001 (*Fax*: (03) 9655 0410 or *E-mail*: larry.powell@air.gov.au).

Information contained in the supporting documents to the application concerning the proposed alteration, the reason for the proposal and the effect of the proposal is as follows:

1. The particulars of the proposed alteration is the deletion of subrule (4) from rule 5.

2. The reason for the proposed alteration is to remove the life membership provision from the eligibility rule. The Association's life membership criteria, which is not related to the eligibility for membership provisions of the Association, has been inappropriately located in rule 5 due to an historical anomaly. Accordingly, the life membership provisions are proposed to be relocated into the administrative rules of the Association (at new rule 6A).

3. The effect of the proposed alteration does not extend or effect the Association's industrial coverage.

Any interested organisation registered under the Workplace Relations Act 1996, association or person who desires to object to the application may do so by lodging in the Industrial Registry marked to the attention of Mr. Larry Powell a notice of objection accompanied by a written statement within thirty-five (35) days after the publication of this advertisement and by serving on the organisation (whose address for service is: 525 King Street, West Melbourne Vic, 3003) within seven (7) days after the notice of objection has been lodged, copies of the notice of objection and written statement so lodged.

NOTICE OF A DATA MATCHING PILOT

The development of the National Identity Security Strategy (NISS), was announced by the Australian Government in April 2005. It was later endorsed by the Council of Australian Governments (COAG) in September 2005. One of the key objectives of the NISS is to improve the accuracy of personal identity information held by government agencies.

The NISS recognises that the existence of excess, redundant or false records in agencies' identity registers can undermine

- the collection of revenue;
- the provision of better services at lower cost; and
- obligations under the Privacy Act to retain accurate personal details.

In the 2005/06 Budget the Australian Government committed funds for a Pilot project to test the integrity of identity data across a range of government identity registers. This Pilot will be referred to as the *Integrity of Identity Data Pilot*

The Pilot will be managed by the Australian Government Attorney-General's Department (AGD), in partnership with the Australian Taxation Office (ATO). The Pilot will test the integrity of a sample of 25,000 records of the ATO's tax file number database. The Pilot will include cross-agency data matching against the identity registers of a range of government agencies.

The Pilot will identify key data matching elements that can be used to improve the accuracy of personal information held on government databases. The ATO will collect and collate the data matching results as well as provide some verification for the accuracy and correctness of these records by sampling with participating agencies.

The AGD will provide direction on how the data matching and subsequent analytical phases of the Pilot will be implemented. The following agencies will participate in the Pilot:

a. The Department of Immigration and Citizenship;

b. Centrelink;

c. Medicare Australia; and

d. NSW Registrar of Births, Deaths and Marriages

The results of the data match will not be used for purposes not related to the Pilot, in particular administrative or compliance action. The data matching will occur during May and June 2007.

A Privacy Impact Assessment (PIA) for the Pilot has been developed with reference to the *Privacy Impact Assessment Guide* released by the Office of the Privacy Commissioner (Cth). A copy of the PIA is available from the AGD by contacting:

COMMISSIONER OF TAXATION

The Commissioner of Taxation, Michael D'Ascenzo, gives notice of the following Rulings, copies of which can be obtained from Branches of the Australian Taxation Office or at http://law.ato.gov.au.

NOTICE OF RULINGS		
Ruling Number	**Subject**	**Brief Description**
TD 2007/14	Income tax: capital gains: small business concessions: what 'liabilities' are included in the calculation of the 'net value of the CGT assets' of an entity in the context of subsection 152-20(1) of the *Income Tax Assessment Act 1997*?	This Determination concludes that the term 'liabilities' in the context of subsection 152-20(1) of the *Income Tax Assessment Act 1997* has its ordinary meaning. Liabilities extend to legally enforceable debts due for payment and to presently existing obligations to pay either a sum certain or ascertainable sums. It does not extend to contingent liabilities, future obligations or expectancies. This Determination applies to years commencing both before and after its date of issue.
TD 2007/15	Income tax: consolidation: if a member of a consolidated group is reinstated under section 601AH of the *Corporations Act 2001* after having been deregistered, will it be taken to have continued to satisfy the membership requirements in section 703-15 of the *Income Tax Assessment Act 1997* during the period between deregistration and reinstatement?	This Determination concludes that subsection 601AH(5) of the *Corporations Act 2001* provides that a reinstated company is taken to have continued in existence as if it had not been deregistered. Accordingly, if deregistration caused a member of a consolidated group to fail to meet the membership requirements in section 703-15 of the *Income Tax Assessment Act 1997* the effect of a subsequent reinstatement is that the member would be treated as if it had not ceased to satisfy those membership requirements at the time of deregistration. This Determination applies both before and after its date of issue.
TD 2007/16	Income tax: does the notional assessable income of a controlled foreign company include an amount deemed to be a dividend under section 47A of the *Income Tax Assessment Act 1936*?	This Determination concludes that an amount deemed to be a dividend under section 47A of the *Income Tax Assessment Act 1936* is not included in notional assessable income under either section 384 (in respect of an unlisted country controlled foreign company (CFC)) or section 385 (in respect of a listed country CFC). This Determination applies to amounts taken to be dividends under section 47A paid on or after 1 July 2004.
TD 2007/17	Fringe benefits tax: for the purposes of section 39A of the *Fringe Benefits Tax Assessment Act 1986* what is the car parking threshold for the fringe benefits tax year commencing on 1 April 2007?	This Determination concludes that the car parking threshold for the fringe benefits tax (FBT) year commencing on 1 April 2007 is $6.78. This Determination applies to the FBT year commencing on 1 April 2007.

FISHERIES MANAGEMENT ACT 1991

NOTICE OF PERSONS TO WHOM STATUTORY FISHING RIGHTS ARE TO BE GRANTED

Western Tuna and Billfish Fishery Management Plan 2005

I, MICHELLE WILSON, delegate of the Australian Fisheries Management Authority (AFMA) hereby give Notice of the Persons to whom Statutory Fishing Rights are to be granted in accordance with subsection 23(2) of the *Fisheries Management Act 1991.*

Date 2 May 2007

Manager, Licensing
Australian Fisheries Management Authority

Decision to grant statutory fishing rights

AFMA is required under subsection 23(2) of the *Fisheries Management Act 1991* (the Act) to publish the names of persons to whom Statutory Fishing Rights (SFRs) are to be granted and a summary of those SFRs.

In accordance with the *Western Tuna and Billfish Fishery Management Plan 2005* (the Plan), AFMA intends to grant to each person whose name is listed in the tables below the type and number of quota SFRs and boat SFRs for the Western Tuna and Billfish Fishery (the fishery) listed next to their name.

Summary of the SFRs to be granted

Under the Plan, a boat SFR entitles the holder to use a boat nominated for the SFR to engage in commercial fishing in the fishery (section 15 of the Plan).

Cat. No. S8307
ISSN 1032-2345

Under the Plan, a quota SFR authorises the holder of the SFR to take a particular quota species, provided that:
(a) the SFR has unused quota for that species for the season; and
(b) the boat has been nominated to that SFR.

Notes: (1) A boat nominated to a quota SFR must also be nominated to a boat SFR that authorises the use of the boat in the fishery.
(2) The quota for an SFR for a quota species for a fishing season is calculated under section 12 of the Plan.

All SFRs are subject to the requirements of the Act, the Plan, and any conditions specified on the certificate evidencing the grant (the certificate).

A SFR comes into force on the day specified in the certificate, or if no day is specified, on the day of grant. It remains in force until:
(a) the day specified for the purpose on the certificate;
(b) the SFR is suspended or cancelled under a condition specified in the certificate;
(c) the SFR is suspended, cancelled or ceases to have effect under a provision of the Act or the Plan;
(d) the SFR is surrendered by written notice to AFMA from the holder of the SFR;
(e) the Plan is revoked; or
(f) a court makes an order cancelling the concession under paragraph 98(3)(c) of the Act.

Review rights

AFMA has made a decision (the decision) as to the persons to whom the grant of a fishing right under the Plan is to be made. A person who is dissatisfied with the decision, and who is registered as an eligible person for the grant of a SFR under the Plan, may, within 14 days after being notified of this decision, apply in writing to the Statutory Fishing Rights Allocation Review Panel (the Panel) for a review of the decision (section 143 of the Act).

A form to apply for a review of the decision is available from AFMA or the Panel.

An application for review must:

include details of the decision; and

include details of the reasons why the review is sought.

Applications for review should be sent to:

Deputy Registrar

The SFRs the subject of this notice cannot be granted until (1) the end of the period within which applications may be made for review of the decision (if no applications for review are made); or (2) if an application is made to the Panel for review of the decision, until the application is dealt with by the Panel or otherwise disposed of (section 23 of the Act).

At the end of the period referred to in the above paragraph (whichever applies) AFMA will invite the persons to whom a grant of a SFR is available to request that the SFRs be granted.
