## Education, Employment and Workplace Relations

### Workplace Relations Act 1996

Australian Industrial Registry  
Terrace Towers  
Level 8, 80 William Street  
EAST SYDNEY NSW 2011

#### NOTICE OF APPLICATION FOR CONSENT TO ALTERATION OF ELIGIBILITY RULES OF AN ORGANISATION (D2009/106)

NOTICE is given that an application has been made under Schedule 1 of the *Workplace Relations Act 1996* for consent to an alteration of the eligibility rules of The Australian Workers' Union.

A copy of the application has been published on the website of the Australian Industrial Relations Commission at:

<http://www.airc.gov.au/registered/gazette.htm>.

Alternatively, a copy of the application can be obtained on request from the Australian Industrial Registry. Requests should be directed to Mr David Vale, Australian Industrial Registry, Level 8, 80 William Street, East Sydney NSW 2011 (Fax: 02 9380 6990 or E-mail: [david.vale@airc.gov.au](mailto:david.vale@airc.gov.au)).

Information contained in the supporting documents to the application concerning the proposed alterations to Rule 5, the reasons for the proposal and the effect of the proposal is as follows:

1. **In Rule 5 – Eligibility for Membership, Section 1, Part A (1), insert the industry “woolclassing”:**

“Every bona fide worker, male or female, engaged in manual or mental labour in or in connection with any of the following industries or callings, namely: Pastoral (otherwise than as a shearing contractor), **woolclassing**, agricultural, farming, horticultural, ...”
2. **In Rule 5 – Eligibility for Membership, Section 1, Part A (1), delete the words “other than those who have power to engage or discharge employees”**

“all persons (~~other than those who have power to engage or discharge employees~~) who are bona fide employees wholly or partly engaged in or in connection with the business of fellmongers, woolsorters, woolscourers, basil tanners and their assistants;...”
3. **The reason for and the effect of the proposed alterations are as follows:**
  - (i) On 12 February 2008 the Australian Workers' Union (AWU) and the Woolclassers' Association of Australia (WAA) made a joint application to the Australian Industrial Relations Commission to approve a ballot of members endorsing the organisations amalgamation (pursuant to s 40 of the RAO Schedule of the Act).
  - (ii) An application for a Declaration of Community of Interest was also made under s 43.

- (iii) On 11 April 2008 Senior Deputy President Hamberger (PR981466 [2008] AIRC 325) approved the application for the proposed ballot regarding the amalgamation. His Honour also declared the existence of a community of interest between the AWU and the WAA in relation to their industrial interests. The AWU was exempt from the requirement to ballot its members in relation to the amalgamation.
- (iv) A ballot of WAA members was conducted by the Australian Electoral Commission. On 13 June 2008 the ballot was approved.
- (v) On 22 August 2008 Senior Deputy President Hamberger issued an Instrument of Deregistration pursuant to s 73(3)(c). Effective from that date, the WAA ceased to exist.
- (vi) Section 81, of the RAO Schedule, requires the amalgamated organisation to take the necessary steps to ensure the amalgamation is fully effective.
- (vii) This application seeks to alter the Rules of the amalgamated organisation to expressly permit employees who work in or in connection with the industry of "woolclassing" to join the organisation.
- (viii) There is no other organisation that employees who work in or in connection with "woolclassing" could more conveniently belong. Nor is there any such organisation that would more effectively represent those members.

Any interested organisation registered under the Workplace Relations Act, association or person who desires to object to the application may do so by lodging in the Industrial Registry, marked to the attention of Mr David Vale, a notice of objection accompanied by a written statement within thirty-five (35) days after the publication of this advertisement and by serving on the organisation, whose address for service is Level 10, 377-383 Sussex St, Sydney NSW 2000 within seven (7) days after the notice of objection has been lodged, copies of the notice of objection and written statement so lodged.

I, **RAELENE VIVIAN**, as delegate of the Commissioner of Taxation, HEREBY NOTIFY, pursuant to subsection 12ZF(7A) of the *Student Assistance Act 1973*, that **1.039** is the indexation factor calculated under subsection 12ZF(6) of that Act that is applicable in determining any Financial Supplement and accumulated Financial Supplement debts of a person at 1 June 2009.

In accordance with subsection 12ZF(6) of the *Student Assistance Act 1973*, the indexation factor is the number worked out to three decimal places using the formula:

the sum of the index number for the March 2009 quarter and the index numbers for the three immediately preceding quarters

divided by

the sum of the index number for the March 2008 quarter and the index numbers for the three immediately preceding quarters,

where index number, in relation to a quarter, means the All Groups Consumer Price Index number, being the weighted average of the eight capital cities, published by the Australian Statistician in respect of that quarter.

$$\begin{aligned}\text{Indexation factor for 1 June 2009} &= \frac{\text{Mar09} + \text{Dec08} + \text{Sep08} + \text{Jun08}}{\text{Mar08} + \text{Dec07} + \text{Sep07} + \text{Jun07}} \\ &= \frac{166.2 + 166.0 + 166.5 + 164.6}{162.2 + 160.1 + 158.6 + 157.5} \\ &= \frac{663.3}{638.4} \\ &= 1.039 \text{ (to three decimal places)}\end{aligned}$$

The indexation factor is 1.039 and the effective percentage increase is 3.9%.

## HAZARDOUS SUBSTANCES INFORMATION SYSTEM UPDATED

Safe Work Australia has completed an update of the hazardous substances on the *Hazardous Substances Information System* (HSIS) online database to reflect changes in Europe's 30th Adaptation to Technical Progress to Directive 67/548/EEC.

The HSIS online database is an internet resource that allows users to find information on substances that have been classified in accordance with the *Approved Criteria for Classifying Hazardous Substances* [NOHSC:1008(2004)] *3rd Edition* and/or have National Exposure Standards declared under the *NOHSC Adopted National Exposure Standards for Atmospheric Contaminants in the Occupational Environment* [NOHSC:1003(1995)].

The HSIS online database was first released by the National Occupational Health and Safety Commission (NOHSC) in January 2005.

The update comprised a total of **958** entries of which there are **564** amendments to existing entries, **391** new entries and **3** deletions. Also, the HSIS Guidance Material for Hazard Classifications has been updated to reflect amendments to Notes H, J and P in the labelling column.

The HSIS online database is a free, publicly available resource that can be accessed on the Safe Work Australia website at: <<http://www.safeworkaustralia.gov.au/>>.

Enquires about the HSIS online database and the completed update can be made to Alan Yee, Chemicals Team, Safe Work Australia, via phone at (02) 6121 9123 or email at <[alan.yee@safeworkaustralia.gov.au](mailto:alan.yee@safeworkaustralia.gov.au)>.
