NATIONAL DRUGS AND POISONS SCHEDULE COMMITTEE

PRE-OCTOBER 2009 SCHEDULING MEETING NOTICE

Notice under Regulation 42ZCU of the *Therapeutic Goods Regulations 1990*

The Chair of the National Drugs and Poisons Schedule Committee (NDPSC) hereby gives notice that the next scheduling meeting of the NDPSC will be held on 20-21 October 2009. Substances to be considered for scheduling by the NDPSC are open for public comment.

Accordingly, public submissions are invited on those substances mentioned below which are to be considered for scheduling at this meeting. Public submissions must address a matter mentioned in Section 52E of the *Therapeutic Goods Act 1989* and be received by the closing date. Public submissions must also include the name of the person making the submission and a postal or email contact address. Persons making a submission in regard to a substance where a Schedule 3 classification may be an outcome are invited to provide additional comment on inclusion of that substance in Appendix H - *Schedule 3 Poisons Permitted to be Advertised*. Inclusion in Appendix H may be a consequential consideration of the Committee following a decision to include a substance in Schedule 3.

The NDPSC has moved to an E-agenda and is increasingly using electronic documents at its meetings. Persons making public submissions to the Committee are strongly encouraged to lodge submissions in electronic format (word or unsecured PDF is preferred) via the NDPSC email address. Accordingly, public submissions, **preferably in electronic format**, should be made to:

The Secretary
National Drugs and Poisons Schedule Committee
GPO Box 9848
CANBERRA ACT 2601
e-mail NDPSC@health.gov.au. Facsimile 02- 6289 2500

The closing date for submissions is **16 September 2009**.

The NDPSC, in making a decision in relation to the classification and scheduling of a substance, must consider all public submissions made by the closing date that address a matter mentioned in Section 52E of the *Therapeutic Goods Act 1989*. **Public submissions that simply reserve the right to comment on a scheduling proposal or are made after the closing date need not be considered by the NDPSC.**

The post-October 2009 meeting notice will invite further public submissions on substances that are the subject of an amendment to the Schedules at the October 2009 meeting. Regulation 42ZCY of the *Therapeutic Goods Regulations 1990*, however, restricts this invitation to those persons who made a valid public submission in relation to the substance in response to this pre-meeting notice.

Please note that the Committee's consideration of substances listed in this notice need not be limited solely to the proposals mentioned here.

Further information may be obtained from the NDPSC Secretariat on 02-6289 2684 during business hours or by e-mailing NDPSC@health.gov.au. Also, the *Standard for the Uniform Scheduling of Drugs and Poisons* (SUSDP) and its amendments are freely accessible through the links found at <http://www.tga.gov.au/ndpsc/susdp.htm>.

Trade Practices Act 1974

Consumer Protection Notice No.15 of 2009

WARNING NOTICE TO THE PUBLIC

I, Dr Craig Emerson, Minister for Competition Policy and Consumer Affairs, pursuant to section 65B of the *Trade Practices Act 1974*, hereby WARN of possible risks involved in the use of goods of the kind specified below.

Particulars of Goods

Motorised mobility scooters, sometimes referred to as 'buggies' or 'gophers'.

Possible Risks

Motorised mobility scooters can improve the quality of life of persons who have difficulty walking unaided. However, there is an emerging trend in Australia of deaths and hospital treated injuries associated with the use of motorised mobility scooters, particularly among the elderly population.

Advice to Consumers

Persons intending to use a Motorised Mobility Scooter should have the necessary physical and cognitive skills to operate and manoeuvre them safely.

Users should take care when riding a scooter and observe the following safety guidelines:

- Stay within the legal speed limit of 10 km/h.
- Be aware that taking medication or driving under the influence of alcohol may affect your judgement.
- Always make sure that you are clearly visible, particularly at night or on dull days. Use the lights and reflectors and install a reflective safety flag high enough to be seen by motorists.
- Wear a bicycle helmet whenever possible.
- Slow down when you are near other people, especially pedestrians and cyclists.
- Avoid stopping or driving on inclines greater than your scooter is designed for.
- Use footpaths if possible. If there are no footpaths, plan to use quieter roads. Plan your trip and avoid uneven surfaces, dips and potholes.
- Ensure if you are carrying parcels that the load will not over-balance your scooter and that the parcels do not interfere with your controls or vision.
