Some public notifications on the Internet and in the Gazette relating to the processing of referrals for approval under Chapter 4 of the *Environment Protection and Biodiversity Conservation Act 1999* may occasionally be missed in processing by the Department of the Environment, Water, Heritage and the Arts, or may not meet timeframes for notification. The Department of the Environment, Water, Heritage and the Arts has implemented systems and ongoing quality assurance procedures to minimise any risk of missing a notification within the required timeframe. Where a missed notification is identified the practice will be to notify these even though the timeframe for notification has lapsed. This will ensure that the history of notifications for each referral is available to the public. The Department of the Environment, Water, Heritage and the Arts regrets any inconvenience that may be caused by a missed notification. Please note that late notifications have not affected subsequent processing of referrals or assessments and they do not affect decisions made.

NATIONAL DRUGS AND POISONS SCHEDULE COMMITTEE

PRE-FEBRUARY 2010 SCHEDULING MEETING NOTICE

Notice under Regulation 42ZCU of the *Therapeutic Goods Regulations 1990*

The Chair of the National Drugs and Poisons Schedule Committee (NDPSC) hereby gives notice that the next scheduling meeting of the NDPSC will be held on 16-17 February 2009. Substances to be considered for scheduling by the NDPSC are open for public comment.

Accordingly, public submissions are invited on those substances mentioned below which are to be considered for scheduling at this meeting. Public submissions must address a matter mentioned in Section 52E of the *Therapeutic Goods Act 1989* and be received by the closing date. Public submissions must also include the name of the person making the submission and a postal or email contact address. Persons making a submission in regard to a substance where a Schedule 3 classification may be an outcome are invited to provide additional comment on inclusion of that substance in Appendix H - *Schedule 3 Poisons Permitted to be Advertised*. Inclusion in Appendix H may be a consequential consideration of the Committee following a decision to include a substance in Schedule 3.

The NDPSC has moved to an E-agenda and is increasingly using electronic documents at its meetings. Persons making public submissions to the Committee are strongly encouraged to lodge submissions in electronic format (word or unsecured PDF is preferred) via the NDPSC email address. Accordingly, public submissions, **preferably in electronic format**, should be made to:

The Secretary
National Drugs and Poisons Schedule Committee
GPO Box 9848
CANBERRA ACT 2601
e-mail NDPSC@health.gov.au. Facsimile 02-6289 2500

The closing date for submissions is **20 January 2010**.

The NDPSC, in making a decision in relation to the classification and scheduling of a substance, must consider all public submissions made by the closing date that address a matter mentioned in Section 52E of the *Therapeutic Goods Act 1989*. **Public submissions that simply reserve the right to comment on a scheduling proposal or are made after the closing date need not be considered by the NDPSC.**

The post-February 2009 meeting notice will invite further public submissions on substances that are the subject of an amendment to the Schedules at the February 2010 meeting. Regulation 42ZCY of the *Therapeutic Goods Regulations 1990*, however, restricts this invitation to those persons who made a valid public submission in relation to the substance in response to this pre-meeting notice.

Please note that the Committee's consideration of substances listed in this notice need not be limited solely to the proposals mentioned here.

Further information may be obtained from the NDPSC Secretariat on 02-6289 2684 during business hours or by e-mailing NDPSC@health.gov.au. Also, the *Standard for the Uniform Scheduling of Drugs and Poisons* (SUSDP) and its amendments are freely accessible through the links found at <http://www.tga.gov.au/ndpsc/susdp.htm>.
